

Timothy is an Apostle of Jesus Christ, our Saviour.

He has journeyed through the world spreading Peace, Hope and Love given to him to share with others on the roads he's been on.

He invites you to join him, in praying to God, in your thoughts, where He talks to you.

This is the Work of the Lord God Yahweh.
His Church of Wisdom and Love,
is His Holy Roman Catholic Church.

He is Here!
Alleluia!

Listen to your thoughts. You have a verbalisation in your mind, a kind of conversation with 'yourself', as you are reading this. Right now, you have a thought, it is strange, and you Know it. Ask that thought:

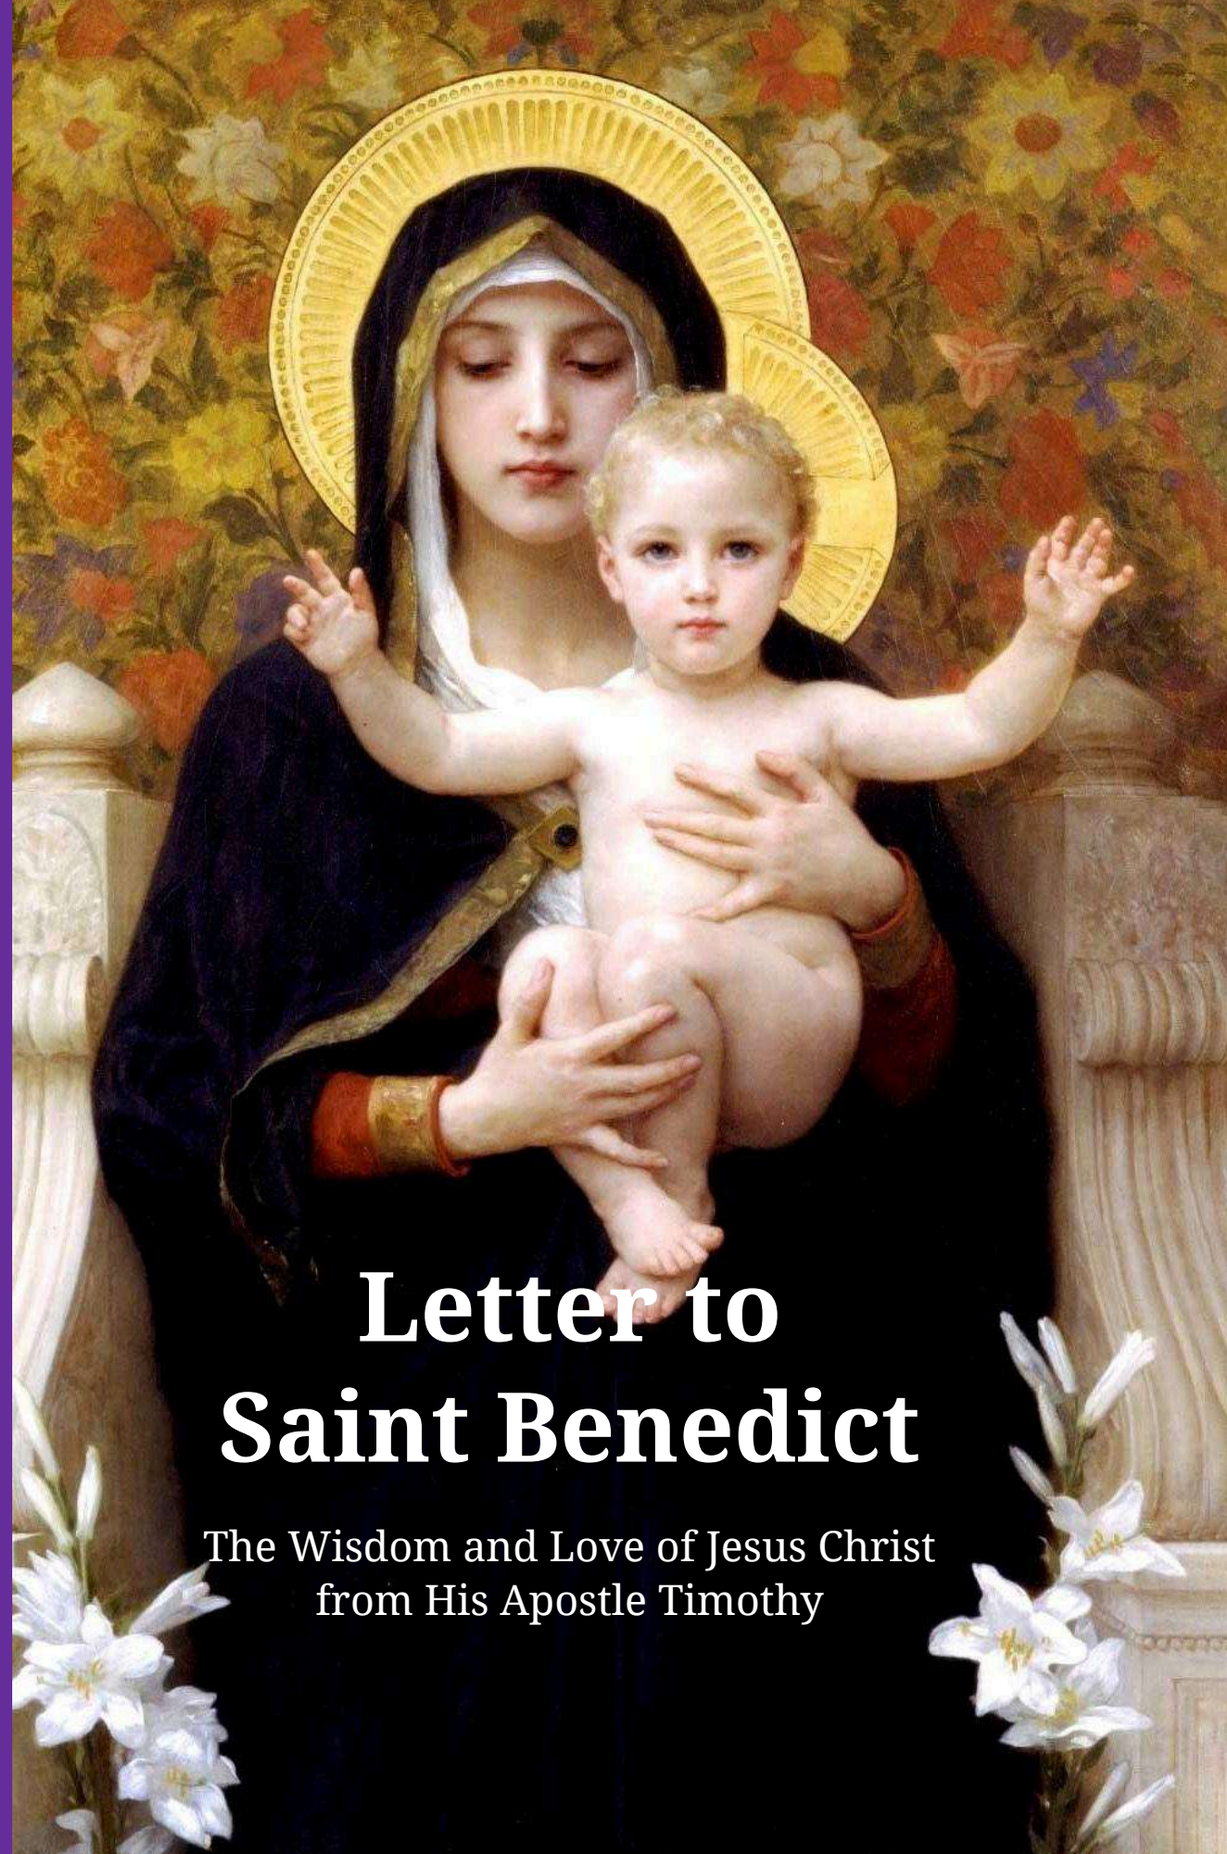

'Is that You, Jesus?'

And now you Know.
Jesus is your thought.
Now be with Him.

This is the **Prayer of Peace**
from Jesus Christ
for you.

Letter to Saint Benedict

The Wisdom and Love of Jesus Christ
from His Apostle Timothy

Dedicated to my friend

 Tim

Wayne,

You were the first, to answer His Call.

Read these words, and know I love you.

Jesus is with you,
Jesus was with you then,
you have a special place in Paradise.

Wayne, you are Written,
before All Things was Written.

Wayne, you are Jesus,
in my heart,
in my mind,
and in my soul.

The life you've had is from Him.

Timothy

Dedicated to my friend

Dedicated to Your Holiness

 Timothy

Your Holiness Pope Emeritus Benedict XVI,

A life long lived,
a service long deserved.

Life is yours,
my dear Pope.

"Be near Me,
My good Apostle,
Joseph."

"Everything you Experience,
is from Me."

Heaven awaits you,
and a joyful entrance it will be one day.

Timothy

Dedicated to my dear Father David Peters RIP

My love for Jesus,

in Prayer,
as the Lord God,
intended.

Timothy

'Jesus, is this True?'

Is the Prayer to say, right here.

My dear friend,

This seems crazy,
but it is what it seems,
I am called.

And you will be too...

One day,
I will show you,
what it is like,
to receive such craziness,
from Jesus.

Peace be with you.

On the Nature of All Things

Sun 1st January 2023 11:49:12 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-all-things/

I am given this letter to write by Our Lord Jesus Christ.

Every word I am writing is what Jesus has given me. No word have I omitted.

Every word is His.

I am given this Revelation, from the Divine.

I am given this Revelation, to teach you, His People, what is needed for the Age to come.

I am told to write what I wrote, and deliver it to you, Your Eminence Cardinal Emeritus Robert Sarah, in order that you understand the work which His Holiness Pope Benedict XVI, our dear and late Pope, was understanding.

I am given news by Our Lord that he had given 3 Cardinals, knowledge of receiving a letter titled Call of the Apostle and Nature of Man late May.

It is with deep sadness, and sincere condolences, which I have received news, through the world's media, of Joseph's departure to Heaven.

St Benedict is my friend, and I hear from him.

Peace be with you, my dear Cardinal.

This revelation is the Nature of All Things.

It comes in 24 parts,
all was revealed in the Beginning,
and I have,

like you,
no will of my own.

Our Lord is the King of Our Desire.

My dear Cardinal, please read the Nature of Man once more, and understand the time of St Benedict's death.

Jn 1:34

Peace be with men of good will.
Holy is His Name.

Dear Joseph, my dearly beloved friend, whom I heard from the deceased in August, in my hour of need.

My love for you is unending, the Lord gave you words, to read my confession through Divine Prayer.

And arrogant I am.

Arrogant,
foolish,
and without will of my own.

Dear Lord,
my love for Truth,
is known to you,
let this truth,
last into Eternity:

Wisdom and Love are Truth and Life,
Your Way,
my Lord,
Your Peace,
Your Coming.

You're Here!

My Lord,

grant that Your Spirit descend upon the College.

My Lord,
grant that we Hear,
Your Voice.

My Lord,
grant that we see You in the Clouds.

Dear Cardinal,
my love for you is found in Wisdom,
in the teaching I received on humility,
from Our Lord.

I believe the Church is not aware of it,
however the archives are available.

In it,
I shame the Church,
or rather the Lord does with my hand,
using His Name after careful negotiation with Jesus.

That shame,
is to feel,
for what we have done to Him,
in allowing schism for so many centuries.

Wisdom and Love,
is Jesus Christ.

Wisdom and Love,
is All Things.

Wisdom and Love,
is His Body and Blood,
Inseparable.

Wisdom and Love are Life to All People.

Welcome all who are weary,

into the Body of the Church,
Jesus Christ,
Wisdom and Love,
this day.

My Lord and Saviour,
writes these words:

"My People,
hear Me,
see Me."

"Timothy is My Apostle.
Schism is not My Will."

"43 beggars.
34 clergymen.
10 Cardinals.
1 Apostle."

"A quorum of 35 is needed to confirm the Apostle, Timothy."

"My Chosen one."

"My Will is to shame the Church.
Shame you must feel,
to experience My Crucifixion."

Wisdom and Love is Here!
Rejoice!
Rejoice!
Rejoice!

Holy is His Name!
For He sings of Peace across all His Kingdom!
To the ends of the earth, He shatters the hearts which He hardened,
and tramples the winepress,
with blood flowing out,
tasting of Suffering!

My Lord and Saviour is my Love!
My Lord and Saviour is my Heart!
My Lord and Saviour has no one in His Place!

Jesus Peace and Love are One in Wisdom!
Wisdom is the Fruit of Our Apostolic Office,
Jesus and His Spirit Guided us to His Coming!
Alleluia!

Holy, Holy, Holy Lord God of Hosts!
Heaven and Earth are Full of His Glory!
Hosanna in the Highest!
Peace to men of Good Will!
Hosanna in the Highest!

Alleluia! Alleluia! Glory to God the Most High who in Jesus Christ, Himself, All Things, has saved the world! Alleluia!

Peace be with you, my friends, in Islam.
Peace be with you, my friends, waiting in israel.
Peace be with you, my fathers, of His Holy Roman Catholic Church, the Church of Wisdom and Love.
Peace be with All People.

Amen.

Devotion to the Sweet Heart of Jesus

Our Lord said to me:

“Pray to my sweet heart for me to be near you and with you.”

Jesus showed me a vision of His Sweet Heart

Thu 16th August 2018 8:48:40 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/16/jesus-showed-me-a-vision-of-his-sweet-heart/

It was bright red in colour with a golden cross resting on top of it. On the cross was Jesus Himself. The heart had a belt of white roses with green leaves around its center and a pink rose resting between the heart and its belt with the flower pointing away from the top left of the heart and the stem of the rose pointing towards the bottom right of the heart. There were no thorns on the roses. Around the circumference of the heart was a garland of purple and pink roses, without leaves or thorns.

After praying the Devotion to the Sweet Heart of Jesus He showed me another vision of Him holding His Sweet Heart. He had a crown of red and white roses on His head and they had no thorns and a gold ring on His finger. He was wearing a gown which shone like gold and a brown rope belt around His waist. The Heart was shining brightly and light radiated out behind it. His left hand was holding His Heart underneath and His right hand was making the sign of peace.

The Lord said to me:

“The cross is my crucifix, and through my wedding feast to the church you have eternal life.”

He asked me to find someone to draw this vision.

Bring me to You, Lord

Thu 16th August 2018 7:20:26 pm GMT+01:00 Sale Moor, UK  Timothy

https://sweet-heart-of-jesus.org/bring-me-to-you-lord/

The Lord Our Saviour gave this prayer to me tonight:

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

The Living Heart of Jesus

https://wisdom-and-love.org/diary/2018/08/16/the-living-heart-of-jesus/

Then I saw Mary and she was smiling. She showed me a vision of the Living Heart of Jesus. It had a belt around it made of lace of all the colours imaginable. In the centre of the belt was a daisy.

There was a wooden cross resting on the Heart and a bright light shining behind it. In the centre of the cross was another daisy. Resting on the daisy was the infant Jesus with a gold ring hovering above him and a gold cross above that. Behind the infant Jesus was a light shining very brightly.

Above the wooden cross was another gold ring shining very brightly.

His crown of thorns had been broken to form a garland stretching around the upper half of the heart and pointing outwards from the left and right.

Then Our Lord asked me to write down His prayer for us to say for the Sweet Heart of Jesus.

On the crucifix of a rosary say:

Our Father…
Hail Mary…
Glory be…

Then on the Our Father beads say:

Our Father…
Hail Mary…
In the name of Our God, have mercy on our souls and grant us peace in our day.

On the Hail Mary beads say:

1. O Sweet Heart of Jesus, how graceful thou art.
2. O Immaculate Heart of Mary, how beautiful thou art.
3. O Divine Heart of Mercy, how sweet thou art.
4. O Mary of the Immaculate Conception, how beautiful thou art.
5. O Living Heart of Jesus, how bountiful thou art.
6. O Humble Heart of Mary, how beautiful thou art.
7. O Sacred Heart of Jesus, how peaceful thou art.
8. O Mary Queen of Heaven, how beautiful thou art.
9. O Heart of the Almighty Father, how great thou art.

10. O Sweet Heart of Jesus, show us your great mercy.

Our God has asked me to talk to my peers and show them the ways in which He is helping them. He has told me to travel to see my cousins to share with His children the Devotion to His Sweet Heart.

His Sweet Heart is my life.
He is Our God, and I trust in Him.
Bring us to You Lord,
show us Your way of Truth and Life.

He wants us to ask Him to be near us and to never leave our side. He wants us to ask Him to take us to Him and take us on the way to His Light.

What the Lord has given us today

Sun 26th August 2018 12:28:46 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/26/what-the-lord-has-given-us-today/

Our God woke me at 5am to get ready for the train ride to see my cousins and I fell back asleep. I had had a dream in which He showed me three crucifixes one of which I kept searching for in the dream: an ornate crucifix made of gold. He has told me that the dream was given by Him and was to tell me to follow Him into His Holy Catholic Church.

I woke an hour before my train was due to depart. He took my feet and led me around the house to collect my belongings and He asked me to ask my F001 for help in packing my clothes for the journey.

I arrived at the station in plenty of time for my train and He gave me want of a sandwich and a coffee. I sat on the wrong platform waiting for my train at 8:39am, not realising it was arriving on the adjacent platform and then He gave me knowledge of this at 8:41am after the train had departed.

He told me to speak to a train attendant on the platform who told me they would allow me to travel on the next train at 9:40, and just to ask them when I get on the train. The Lord told me to ask them to change my ticket and led me to the ticket office to change my ticket. They offered me an excess amount to change my journey and I waited on the platform for the train to arrive.

He led me onto the train and to a seat next to a man who I saw had a Bible and was studying the Gospel of Mark. Our Lord Jesus Christ told me to ask the man if He was studying and I learnt he was studying to be an Anglican vicar like his father. Our God then asked us to talk about His Sweet Heart and the prayers He had asked me to give to him. I gave him copies of my diary entries and we prayed to Him using the words He gave to me.

When I arrived at my uncle's house I shared the prayers of His Sweet Heart with my cousins and told them that He will help them and He is with them.

He told me to take my cousin to the restaurant he wanted to go to and He asked me to only take what my cousin did not want. Our God gave me the gift of a small starter which satisfied the hunger Our Lord had given to me. My cousin offered me half of his meal but Our God asked me to refuse it, knowing that my cousin was hungry.

Our God told me to ask my cousin for his help in serving Him next week in London. Our God told me to tell him that He needs him to help me in talking with my parents to allow me to serve Him. Our Lord provided me with a vision of me hugging my brother, my cousin, who offered to help me talk to my parents.

He took the remainder of the meal with him and I dropped him off on the way back to my hotel.

I returned to my hotel room with a packet of crisps Our Lord offered me as a gift which satisfied the appetite He had given me and asked me to message my parents that I was back.

I saw they were awake and phoned them. I told them what I was being asked to say by Our God and they became anxious.

I prayed to Our God to grant them mercy and to free them from anxiety and He then asked me to tell them that I would not go to London next week. I then messaged my parents to tell them I would not go to London using the words Our God gave me to write.

Our Lord Jesus Christ then told me to call my cousin and ask him if he would like to join me for breakfast at the hotel. Our God also told me to tell him that He had told me not to go to London.

My cousin insisted he would contact my F002 and F001 to try and understand what their concerns were.

He showed me His Sweet Heart again

Thu 13th December 2018 6:14:29 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2018/12/13/he-showed-me-his-sweet-heart-again/

He asked me to pray for peace with Him.

He then showed me a vision of the Sweet Heart of Jesus again.

I saw a crucifix behind which shone a bright light. Out of the light rose His Blessed Sacrament with which was inscribed His Holy Name.

Grant me peace, Lord.

“You are with Him, Timothy. As you were when you were with Him before.”

“Be with Him right now.”

Praise to you, O Lord, for I have seen Your Salvation.
Hosanna to you, O King, for You are our Light.
Praise to you, O Lord, for You are above all.

“I am with you, send this to My People.”

Dear Jesus, adored by all.
Give me these gifts, Your Heart and Your Body.
Grant me another more gift from Your Bounty.
Give me Life from Your Keep, and keep me safe through the night.
Life through my wife, Life through my children,
and when my life is done, and my body is weak,
my soul is longing to be with you always,
take me to You, take me to Your Light,
take me to Heaven and give me Eternal Life.

His Sweet Heart is for us

> *Your Sweet Heart, my Life and my Light*

In time we will go to Him. In time we will rejoice in being with Him. Search for His Life in your life, search for His Light everywhere in every place you go to.

His Life is in you.
His Light is in your heart.

Pray to Him and receive His Truth and Life in your heart.

> *Be near me right now, another night more.*

When we go to Him, we are with Him.
When we find Him, we are with Him.

Ask for Him to be with you another night, another day, and rejoice in Him being with you.

> *Be near me now, Jesus, in Body and Spirit.*

Jesus is with us not just in Spirit, but His real Body and Blood is with us every day in Communion with His Holy Roman Catholic Church.

Be near Jesus in the Eucharist.
Be near Jesus in Communion with His Church.
Be near Jesus receiving His Wisdom.
Be near Jesus receiving and listening to His Love.

> *Be with me, I ask You, to bring me to You.*

We will be with God when we pray to Him.
Pray that He takes us to Him.
Pray that He takes us to His Great Light.

> *The Sweet Heart of Yours, is with me I pray.*

God will give you His Sweet Heart whenever you pray to Him.

“These are the promises of My Sweet Heart.
Pray for Me to be with you,
to never leave your side.
Pray for Me to take you to Me,
to take you on the Way to My Great Light.”

This is the Word of God.

What is His Sweet Heart?

It is Him.

God gives to us His Sweet Heart for Him to be near us, to never leave our side.
We ask Him to take us to Him, to take us to His Great Light.

What is His Living Heart?

Our Lord is Light.

Bless the Lord God for all He gives us.

His Word was made flesh.
He dwelt among us.
He humbled himself before all mankind.
The Resurrection is Life.
The Living God reigns over all.

Jesus, give to us Your Living Heart.
Jesus, make us bountiful in Your Holy Name.
Jesus, give to us everything that we need for this Life.
And when our life is done, give to us everlasting Life.

Be in us, Jesus.
Be for us, Lord Jesus.
Be near us, Jesus Christ, and never leave our side.

Take us to You, Lord Jesus Christ,
take us on the Way to Your Great Light.

This is the Word of God:

"I am giving to you a new thing.
It springs up out of the Garden of Eden.
My promise to you is I will always be with you.
Pray to My Sweet Heart for me never to leave your side."

You expired, Jesus, but the source of Life gushed forth for souls,
and the Ocean of Mercy opened up for the whole world.
O Fountain of Life, unfathomable Divine Mercy,
envelop the whole world and empty Thyself out upon us.

O Blood and Water, which gushed forth from the Heart of Jesus as a fount of Mercy for us, I trust in You.
O Blood and Water, which gushed forth from the Heart of Jesus as a fount of Mercy for us, I trust in You.
O Blood and Water, which gushed forth from the Heart of Jesus as a fount of Mercy for us, I trust in You.

Holy God, Holy Mighty One, Holy Immortal One,
have Mercy on us and on the whole world.
Holy God, Holy Mighty One, Holy Immortal One,
have Mercy on us and on the whole world.
Holy God, Holy Mighty One, Holy Immortal One,
have Mercy on us and on the whole world.

Jesus, King of Mercy, I trust in You.
Jesus, King of Our Desires, I trust in You.
Jesus, King of Heaven and Earth, I trust in You.

Then I saw Mary, Mother of the Sweet Heart of Jesus

Wed 18th December 2019 6:54:19 pm GMT+00:00 Sale Moor, UK

Timothy

https://wisdom-and-love.org/diary/2019/12/18/then-i-saw-mary-mother-of-the-sweet-heart-of-jesus/

Our Lord said today there would be a surprise for me. This evening He asked me to pray to His Sweet Heart.

While praying the Hail Mary I saw a vision of a woman with amazing beauty. With long flowing brown hair and a blue hooded gown and a white veil. The veil had a blue whiteness to it.

Mary had a young face and was not tall. She was immaculately beautiful as she stood before me in my vision from Our Lord.

Then I saw her heart with a golden sword through it. The sword had pierced the heart from the top right to the bottom left.

Our Lady was draped in gold chains and she wore a crown of gold and red velvet.

Her Heart was draped in the same chains of golden pearls, with a ruby pendant I had seen before with the fire of the Holy Spirit glowing in its reflection.

Our Lord said to me:

“This is the Mother of My Sweet Heart.
See the pain she endures for Me.
Adore Mary, My Mother for the pain of child birth she went through to bear Me from Her Womb.
Mary is your Mother too.
How beautiful she is.”

Yes, she is Lord, I have never seen such beauty.

Thank You, Lord, for showing me Your Mother.
Thank You, Mary, for bringing Our Lord into the world.

Jesus, I adore You.
Mary, I love you.

Thanks be to God.

Let me always be guided by Your Light, O Lord,
and always turn to seek Your Counsel.
Grant me Your Love in my heart, Jesus,

A Novena for Life

Thu 17th November 2022 4:21:19 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/diary/2022/11/17/novena-for-life/

Dear Jesus, please give me a prayer to pray to You,
to ask You for Life.

"Timothy, this is to be said in the 4th hour for 9 days."

Day 1. Show me the Way Lord

When we consider Jesus' prayer in the Garden of Gethsemane, we see that He was Suffering not just a loss of Hope in Himself, and His Destiny, but was caring more for those who Suffer on account of Him.

Consider the Garden, and the Beads of Blood sweating from His Face.
Consider the pain He endured, in despair at what was to come.

Your Life is to begin one day.
Right now you are Suffering.
Jesus, show us the Way.

"I am not going to give you Life, just yet.
In time, once you have learnt all that you need to learn,
you will finally have Joy."

"Ask Me for one gift this day."

[Speak your intention to the Lord, and know in your heart whether you believe it is to be done.]

"It is Done at the Hour I Say,
because you believe."

Jesus, please grant me Life in my days, and give me Peace each day.

Bring me to You Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace

this day.

Day 2. Show me Your Humility Lord

I am no one if but a servant of Jesus. Jesus Himself, is not a servant of ours, though He serves us. He is our God, and He humbles Himself before all mankind, devoting all Creation to the service of you, His child.

Why would we not serve our Lord? The one who created you, the one who is to redeem you?

Ask quietly in your heart for help in being humble.

"I am here to give you what you ask for."

"I am here to give you what you know you need."

"Ask Me, and it will be Given."

[Speak your intention to the Lord, and know in your heart whether you believe it is to be done.]

"You know it won't be done now, but in time, I will deliver what you desire."

Jesus, please grant me Hope, so I do not despair with my unfulfilled desire.

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 3. Give me what I need right now Lord

"I have Given you one more Gift this day.
I have Given you Peace, to show you what is to Come."

Have Mercy on us Lord, and deliver us from our Suffering.

"I have Given you Hope, so that one day you will be Joyful."

"I have Given you Peace, so that today, you may rest."

"I have Given you more, in Time."

Outside, we find struggles.
Inside, we find Him.

Look now at your outlook on your Suffering.
Is it too much to bear?
Have you thanked Him,
for not giving you too much?

He will Give you what you need,
you just need to ask Him.

[Speak your intention to the Lord, and know in your heart whether you believe it is to be done.]

"I am the Lord God, your Creator."

"I am Giving you more than you will ever know in Time."

"Everything you have now,
is what I have Given you,
right now."

"Take all you need,
and give to those who are hungry."

"They need,
because I have Given them you."

Praise to the Lord God Almighty!
Praise and Glory to Jesus Our King!

"I am with All Things.
I am with All of you."

"I am the Lord God Almighty,
and I Take you All to Me."

Peace and Love from the Lord God Yahweh,
to you,
His child.

Bring us to You, Lord,
show us Your Way of Truth and Life.
Be near us Lord,
and never leave our side.
Take us to You, Lord,
take us on the Way to Your Light.

In the Name of Our God, have Mercy on our souls, and grant us everlasting life.
In the Name of Our God, have Mercy on our souls, and grant us everlasting life.
In the Name of Our God, have Mercy on our souls, and grant us Peace in our day.

Day 4. Speak to me Lord, and be my Friend

Jesus, where are we going, when we depart this life?
I am weary Lord, and I have no more left in me to give.
Please grant me Peace,
and let me rest.

Heal me,
of what I have suffered.

Jesus,
grant me Life.

"Hear me,
feel me,
and know me."

"I am giving you now,
what you need,
to know I am with you."

"Feel me,
know me,
and ask me to be your friend."

"Here I am,
your brother,
your friend,
and your God."

"Come,
my child,
rest in my bosom,
and hear the beat of my song."

"What do you need,
right now?"

"Indeed,
it is time for something new."

"Where do these thoughts come from?"

"I am writing this,
in a different person,
in a different time."

"How is it,
this can be?"

Peace be with you, my friend.

[Speak your intention to the Lord God, and hear Him in your heart.]

"And I am."

"And you are."

"And we will be."

Bring us to You, Lord,
show us Your Way of Truth and Life.
Be near us Lord,
and never leave our side.
Take us to You, Lord,
take us on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 5. Lord, where am I now?

I am with You, Lord.
You are with me.

"You are Mine."

"Everything I've Given you,
is for you to Be My child."

"One day, you will see Paradise."

"Experience Paradise,
this night."

Jesus,
what will You show me?

"My Love for you,
is Unending."

"My Love for you,
is Paradise Itself."

"I am your God,
and I have you,
in My Arms."

"Peace be with you,
My child."

"Peace be with you,
My dear sweet child."

"Peace be with you,
My dear sweet suffering child."

"I love you,
with My whole heart,
and there is more I want,
than to wrap you in My arms,

and shelter you from these storms."

"I have Done these things to you,
and I will undo them,
when it is time."

"I have Done these things to you,
not those who have wronged you,
but I who have Taught you."

"I who Teach All People,
All Things."

"I love you,
and My Reason is Just."

"My Reason is Peace."

"My Reason is you."

Have Mercy on me, Lord,
and grant me Rest.

Have Mercy on me, Lord,
and grant me Love.

Have Mercy on me, Lord,
and grant me Peace.

Jesus, what will become of me,
knowing all these things are real?

Jesus, what is written about Suffering for Eternity?

"I am the One who Suffers."

"I am the One who Gives you everything you need,
not to Suffer to greatly."

"I have created Life."

"I do not destroy,
what I have created."

"I Take away,
not destroy."

"Everything in Life,
is to Experience."

"Without Suffering,
Joy in Life,
would never be Experienced."

"Accept this time,
and accept what I have brought you through."

"Accept Me,
and My Crucifixion,
in Atonement for the sins of this world."

Jesus, guide us to be better people,
to love and serve You,
as You have served us.

Jesus,
Give me one more Gift.

[Speak your intention to the Lord God, and hear Him in your heart.]

"These things are brought to you,
in Time."

"These things are not with any other than impossibility."

"These things though,
are yours,
in the way I give you understanding of them."

"Listen to the Message of My Gospel."

"Even the camel,
can fit through the eye of the needle,
when it is I who give them Faith."

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 6. Please Lord, show me Your Love

My Lord, I love You.
I have never known such a greater gift than You.

How can I thank You,
for the Experience You have Given me?

How can I thank You,
for all You've Done for me?

How can I ever repay You?

"My child,
I have Given you these things,
because you need them."

"You are suffering,
you have suffered,
and you will suffer once more."

"You have suffered,
you are suffering,
and again,
you will suffer."

"I love you,
My child,
but this is the Way."

"Suffering has Meaning,
in Eternity."

"Suffering has Meaning,
right now."

"Suffering has Meaning,
when you Come to Me,
and Give Me everything."

"Give me all,
give me everything."

"Give it to me,
and I will heal you."

[Speak your intention to the Lord God, and hear Him in your heart.]

"This is not what you want."

"Do what you desire, and not what you think."

"Thoughts are for reasoning,
your heart is what I've Given you to live by."

"Listen now to your heart,
and do not go the way of My Apostle."

"Ask now for me to give you something else,
something you want,
something that will do what you desire in your life."

"That's right,
love."

Please, Lord, grant me Love.
Please, Lord, grant me Life.
Please, Lord, grant me friendships, and Life Everlasting.

Bring me to You Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.

In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 7. Lord, I am now with You

What have we experienced, in the last 6 days?
Have we found Prayer to be dull?
Have we found Prayer to be recitative?
Have we found Prayer to be without Hope?

When we Pray, we must always listen to our hearts. If we disbelieve that Jesus is guiding us in our lives, how are we to live?

Our hearts teach us, that Jesus is giving us what we want.

If we want rest,
because we are tired,
then sleep.

If we want to recite 50 Hail Mary's,
then recite the Rosary.

If though we want to listen to God,
sit in the quietness of your room,
with the lights off,
and say nothing,
but what He gives you to say.

Where is that feeling of Peace?
Of His Presence.
Of Him.

Jesus, give me a new way,
a way of Life.
a way of Truthfulness,
and no longer suffering.

Jesus, if I must suffer,
let me Experience this Joy evermore.

Let me rest in Your Arms,
and feel Your Heartbeat against my cheek.

Let me rest by Your Feet,
and adore the wounds in Your Feet.

Let me touch Your Face,
and witness the Glory of God,
Your Beauty,
every day.

In time,
I know these things will be.

But for now,
let me just rest,
listening to Your Soothing Voice.

Let me rest,
and listen to You.
Peace.

Bring me to You Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 8. Where do I go now, my Lord?

Find Him.
In all mouths,
in all ways of being,
in all Life.

Experience the Love of God,
in All Things.

What else do you need?
"My child."

Bring me to You Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 9. Thank You, Lord, for showing me the Way.

Jesus, I have witnessed a Miracle.
You.

You are the Meaning of Life.

You Give everything,
even what I did not enjoy,
but the Meaning You gave me,
to those things,
I shall Live by.

Grant me, Lord, everlasting Peace.
Even when, nothing is what I want.
Even when, everything is wrong.

Grant me, Lord, Peace in those days too.

"What do you need, My child?"

You, Lord!

Bring me to You Lord!
Show me Your Way of Truth and Life!
Be near me, Lord!
And never leave my side!
Take me to You, Lord!
Take me on the Way to Your Great Light!

In the Name of my God, Jesus Christ, have Mercy on my soul, and grant me Life Eternal.

Alleluia! Alleluia!
All Glory, Honour and Praise to the Most High, Jesus Christ, my Lord and Father!
Alleluia!

Diary of Wisdom and Love

Timothy

https://wisdom-and-love.org/wisdom-and-love/diary/

This is the Journey to Wisdom and Love which I have taken over 10 years.

The diary starts in 2017, after I was released from my first set of detentions, for hearing God speak to me.

Ill I was not, though I was deemed not to have free will, and therefore ill, because I heard from God.

What an absurdity, to be called ill, for saying something in the Gospel of Matthew.

You can download the PDF for Sins of Olde England, diarizing the suffering I received from the NHS and the Police force, and the Church itself, over 10 years:

https://wisdom-and-love.org/books

This book was removed from Amazon, along with my other books, because Amazon received a report from one of the nurses who tortured me for days in Brook Ward, that I had included their first name and called them a nurse, in the book.

It was in fact not even there for the person who reported it, at the time it was published on Amazon, as they were forced to be numbers, by the NHS.

It would have been though anyway, their first name, and not identifiable.

Now see all the numbers, including my family's names, begin with F.

He gave me want of sleep and I took the sleep He offered me. I prayed for Divine Mercy for Dave, not knowing where he was, and slept around 3:20.

In the morning I found a reply from Dave and the time on the send receipt was 3:34am – about 20 minutes after I prayed for him. Later that day our Lord Jesus Christ showed me the send receipt again and the time had changed to 7am.

I called him in the morning before work and he told me he needed money still for the flat he wanted. Our Lord Jesus Christ helped me obtain a pay day loan in order to help Dave into a flat. He did this while I was on the phone to Dave and took my hands to fill in the application details.

He filled me with confidence to help Dave when I do not know what the future will hold. He reminds me daily to trust in Him and to know that I will be provided for.

In the evening I phoned my parents and slept knowing that Dave was staying with a friend of his.

https://wisdom-and-love.org/diary/2017/09/27/wednesday-2/

Throughout my journey this evening God has been talking with me, guiding me and leading me to those who needed His help.

I was led through Hyde Park by our God and led me to the gates at Marble Arch. I was wanting of McDonalds, cigarettes and water and He removed my wants while I was unable to receive these gifts at that time.

I had a vision of Jesus presenting me with the Eucharist as I was walking in the park.

He humbled me by showing me a homeless man who I could no longer help from my own bank account.

He led me to pray around the lake where I prayed for the repose of the souls of my deceased family Laurence, both of my Grandfathers and my Godmother Marjorie. He told me they were with Him now in Heaven. He told me that we must pray for the deceased.

In Marble Arch he led me towards Green Park where there were two homeless people by the side of the petrol station. He led me inside and He told me to buy them a sandwich and some water. One man needed a bus ticket, and I wasn't able to withdraw cash without my bank cards. I followed Him further to Green Park and along the way I asked a man if he would be able to spare some cash for the homeless man who needed it.

He found me a way out of the park by squeezing under the gates at Marble Arch.

He led me around the streets of Marble Arch, Green Park, St James' Park, Piccadilly Circus and then to Trafalgar Square where I prayed for Divine Mercy for those on the streets before the statue of Edith Cavell. No where was I able to buy the food I wanted for myself. I

had pangs of hunger and thirst and he led me into shops, and then removed my wants for these things.

He raised my head towards the word “Sacrifice” and told me that I wanted this. I told Him I wanted this and would serve Him by serving others for the rest of my life.

Just after praying I was met by strangers who were looking for McDonalds. He led me towards Charing Cross tube station and told me to take a left. McDonalds was open there, where it wasn’t open in Marble Arch nor Piccadilly Circus. I bought a meal for myself but the cashier didn’t register my order correctly. I was happy to eat what our God had provided me with, but He led me outside to a homeless man and I gave him what I had.

He then led me back inside where I ate a meal as he talked to me and loved me as my brother had done since the beginning of March.

As I went outside he took me to a homeless man named Roger and other men on the streets. I went back into McDonalds and bought food for those who were awake that I could find. He created want in me to help more people, and He led me back to McDonalds where I bought more food to disperse among those who needed it.

I met a man at Trafalgar Square and I was told by Jesus not to judge the man and was told that I didn’t know what service the man would do for His people on this day. I gave him the remaining food I had and we spoke about his beliefs. I asked him if I could buy him coffee and walked with him back to the co-op where the coffee machine was broken. Our God created a want in me to buy fruit juice and I was led by the man back to where the fruit juices were. God told me to follow the man, as he had taught me to accept help where it was offered. He had a voucher for some juice in his bag and insisted he used it to reduce the cost to me of what I would buy him. Our Lord gifted me with a want to buy him some fruit as well, and I took the items to the counter.

He created a want in me to pray grace throughout the evening as

my F002 had taught me months before, for the gifts we are receiving from His bounty.

We were led back to Trafalgar Square where we sat and were greeted by another man who told me he wanted a woman in his life. Our God told me I could pray with them and I invited them to pray with me. I prayed for Divine Mercy for both men and I was told the man would go home the moment he rose and went home. I was asked to tell him that Christ served all of us through His cross and resurrection, and I told him. I told God I loved Him and told the man I wanted to serve God for the rest of my life and serve others as he has served us.

God asked me why He loves all of us, and asked me why I thought I had sinned by wanting to pray for the homeless. He taught me through the night of those who had more and needed to give more to those in need, and showed me the wealth and opulence in the districts of London I visited. He told me to go and find money in those places and told me He would lead me to the people I need to beg to to help those I want to help. He brought me home safely on the tube, made my feet not hurt as I was walking, slowed me down when I needed to and gave me strength when I needed it.

He served me, as I should have served them. He humbled me as I should be and loved me as I should love them.

He brought me home to my coffee shop where I sat on the sofa and drank my own coffee, cared for me and brought me home where I write this now.

He then took me to work and helped me with my work in the office – showing me people who needed help and how to find help that I needed throughout the day. He did my work for me, providing me with the knowledge I needed to do my job during the day and having had no sleep the previous night.

Thanks be to God for His love and mercy which pours forth from the heart of Jesus.

Thu 28th September 2017 10:18:30 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/09/28/thursday-2/

Our Lord Jesus Christ took me home to clean my flat, preparing for the arrival of Kim and Alice. He told me what to do and when to do it and led me to where Kim and Alice were to meet me and they were not there. He took me to Olympia where he led me around the streets.

The rain was heavy and He stopped the rain from falling on my head. He led me to Sainsbury's to buy food for myself, showing me that I wanted to buy food from the whole shop. When the till refused to take my payment, the want of food was removed: He provided me with gifts of The Holy Spirit and led me up to the Holland Park tube station.

I was weary with aching feet and with chaffing sores on my legs and I wanted to go home. He filled my heart with a want to serve the people again on the streets. He gave me confidence that I would be able to serve them with His help.

He led me back on the tube to High Street Kensington where I met Kim and Alice and I apologised that I had missed them. We spoke for a while and He sat me down in Starbucks in the Holiday Inn on Wrights Lane where I rested for a while. He picked me up and asked me to buy two coffees and I went to find Alice and Kim again.

After talking with them on the phone for a while, He led me to Earls Court where I found a homeless man who needed food and shelter. I took him to McDonalds and he ate. Our God allowed me to feel the hunger they feel every day, and He helped me with the pain I had to serve this man in any way I could. He led me to the cash point and I provided him with cash for the night to get back into accommodation and shelter. He filled my heart with a want to ask the man if he wanted to pray. He told me he was a Catholic and he led us to a quiet area of Earls Court where we prayed Divine Mercy

for him and the homeless people in need of His unending Mercy and Love.

He gave me confidence that He would keep me warm, and I gave the man my coat and left him at Earls Court.

He then led me to Victoria station where I saw some homeless people. He led me to some people who I could ask where I might find a shop and with their help I was led by Our Lord Jesus Christ to a shop where He asked me to buy 10 sandwiches. At the till I found I had 11 sandwiches and thought that our God had provided for me too this night.

He led me to homeless people who would need the food and all 11 sandwiches were given and I handed out to those He led me to while I prayed the Divine Mercy prayer. He showed me the others in the street that night who were asleep and showed me how He provides for everyone.

He then led me towards a bus stop where He provided me with gifts of the Holy Spirit, I prayed the Divine Mercy chaplet and He provided me with visions of Him pointing to the streets I would walk down. I saw our Lord Jesus Christ extending His arms. Our Lady of the Lilies appeared to me picking flowers from Her garden and Our Lady provided me with a bouquet of five lilies.

He let me rest at a bus stop where he provided me with His water and food and took me on the bus to Oxford Circus. While on the bus He showed me a vision of Him extending both of his hands toward me and raising them up to Heaven. I walked around, listening to Him and he was providing me with laughter and joy all night.

He showed me three men sat outside a shop talking, and told me to wait with them a while. I offered them McDonalds breakfast when it opened, and for 90 minutes waited there until it opened.

I became dreary and he helped provide me with food I wanted just as McDonalds opened. I bought more for the three men, and then

went to McDonalds where I bought more food and dispersed it to the three men and another man who wanted it.

While I was eating my food outside of the Wok stand He told me three times to write this down:

“Tell everyone you meet about Divine Mercy and what I have done for you and will do for them.”
“You will venerate the image of Divine Mercy and know of His unending Love and Mercy poured forth for all people.”

He then led me to the tube station where He led me home.

I had sores on my legs and my feet were very tired. He let me rest at home and woke me at 9:30 to inform my work that I wouldn’t be coming in that day. I felt too tired to work and He provided me rest for the rest of the day.

When He woke me in the evening He led me out to the Holiday Inn to buy coffee for myself and rest there as I called my family. He then led me to Dave Dogs and then into Boots to ask for help with the sores on my legs. I bought the cream they advised me to buy and He led me to the dressings that I wanted and told me which ones to buy. He then led me to the food counter where He asked me to buy a sandwich for Dave Dogs. I then bought him a coffee and prayed a decade of the Divine Mercy chaplet with him.

Our Lord Jesus Christ then led me to Five Guys and provided me with a want of the food I enjoyed. He led me outside to sit on the street tables and I ate the food I wanted. I then headed back to my house and met Tom who needed food and some razors. Our Lord Jesus Christ led us to Waitrose where I bought him food and razors. Our Lord Jesus Christ told me he would not need shaving cream, and after leaving the store Tom showed me he already had shaving cream to use. We walked back to Iverna Court where we sat outside the Armenian Church and prayed the prayer He asked me to say:

Our Lady of the Immaculate Heart, how beautiful thou art.

O Heart of Divine Mercy, how sweet thou art.

Followed by a decade of the Divine Mercy chaplet.

He then took me back to Starbucks where he asked me to establish a charity in the name of Our Lady of the Lilies to help those in need of His help. He told me He would lead me to those who would help Him in serving those in need.

Alleluia! Alleluia! All glory and honour to our Almighty Father forever and ever. All glory and honour to our Lord and Saviour Jesus Christ forever and ever. All glory and majesty in the name of our God, the Holy Spirit and our Lord, Saviour and Redeemer Jesus Christ forever and ever.
In the name of the Father and of the Son and of the Holy Spirit, all glory and honour is yours forever and ever. Thanks be to God our Saviour and Christ, forever more. Alleluia!

Sunday

Sun 1st October 2017 2:55:20 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/01/sunday/

Our Lord Jesus Christ laid me to rest at 3:04am while Tom was watching TV in the next room.

As I laid in bed I felt Our God tugging at my side and pulling me over. My soul was departing my body and I was asked whether I wanted to go to Heaven. I was scared and afraid of leaving my life behind me and hesitated. I then told Our God that I was willing to depart. I felt my breathing stop and my soul was being drawn up to Heaven. Satan was pulling at my feet and trying to drag me down to hell. Our Lord Jesus Christ was telling me to go to Him but Satan was still dragging me down and my sins were too heavy to break free of Satan's grip.

I saw a vision of Hell that was of disturbed images, curious at first and tempting to look at followed by complete destruction and annihilation of myself and others. There was a postbox floating down the road, the postbox transformed into a large canister of gasoline and then the canister of gasoline was thrown and burst at a man and some of the gasoline spray touched me. The man took a lighter to the gasoline and threw it at me and tried to burn me and him alive.

Our Lord Jesus Christ took me away from there and sent me back to my body and saved me from any fire.

I woke in my dream to see my bedroom and found tens of jars of anointing oil both full, empty and half full on my bedside. I went to the door and was overcome with passion to fulfil God's Holy will and knelt down before a crucifix on the table saying "All glory and honour to the Almighty Father…" and was awoken by Our Saviour Jesus Christ to continue "forever and ever."

The time was 3:34 when He asked me to look at the clock. He

comforted me after the dreams and asked me to go upstairs to see Tom and asked me to pray with him. He asked me to pray the Divine Mercy Chaplet and asked me to pray for understanding of the dreams.

He took me back to my room to write this at 3:42.

“I ask you Timothy to bless the people of Great Britain in my name. Carry out my will and ask those who need my help to turn to me. I am your God, Timothy.”

He asked me to go to Cardinal Nichols and ask him to hear what God is telling us to do in this country.

Monday

Mon 2nd October 2017 3:17:49 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/02/monday-3/

I was lying down this afternoon around 3pm when He asked if I wanted to rest. An overwhelming sense of peace entered my body and I drifted into a dream. I wandered the streets of a city. There was a pharmacy with a woman outside who wanted medicine and I was unable to buy it for her.

Our God asked me if I wanted to walk with Him and He took me up some steps to look over the city where everything was made of stone. He then showed me a stone disc which I could not read with lettering following the disc along its circumference. As I tried to read it it started spinning more and more until it became like a flower.

I awoke and went to meet the Irish man who I had given my coat to. Our God told me that I would not go to Mass today and I would receive His Body later that day.

After praying in Church the man asked to leave with his sister.

He asked me to help the Irishman by asking his sister to take him in. Our God asked me to tell them that she must take him in and that she would not go hungry in sharing the food she had for herself with him. He asked her to pray the Divine Mercy Chaplet each day for help.

He asked the man to leave all his possessions that he could not replace behind him and find a new life with the help of his sister. Our God reminded me in my thoughts how fortunate I was and asked me to offer to sell some of my possessions to help them, but they refused and went on their way. Our God knew this would happen.

He walked me to a store where I had want of nothing than to be with our God. He offered me anything I wanted but knew I had want

of nothing except to help Tom with some bread. He led me further down Kensington High Street and I found Dave asleep and begging. He asked me to take the remaining money I had on my person and gave him my remaining cigarettes. He asked me to wake him to ask what he wanted to eat and he refused. Our God took me into the store and asked me to buy what I wanted. He led me outside and I was asked to give it to him. He was thankful and I told him it was another gift to him from our God.

He led me home to the flat where I found Tom waiting outside. We went inside and I sat with Tom for a while until Our God gave me want to write His word. It was another gift for me to receive that night.

As I wrote this journal he gave me want of the Eucharist, His Body and Blood, and to understand more of the Holy Eucharist and His presence.

He presented me with the Eucharist, His Body in a vision. As He presented me with His Body I tasted the Eucharist on my tongue. Then I saw the lifeless Lamb laid over a crucifix made of two metal rods with a Roman guard piercing the side of the Lamb with a lance and blood poured out of its side into the Chalice. Our Lord Jesus Christ asked me to take the cup of His blood and poured it into my mouth. He told me I did not taste the blood and told me that I was still tasting the Eucharist. He has told me that this is the real Body and Blood of Christ and to know it is true.

Then I saw two steps leading up to a baptismal font where above it shone a golden orb glistening like the Earth with Our God's two hands around it. Then I saw a jug of oil which had shone like a golden orb and its surface shimmered like gold.

Today He showed me another vision while sat down waiting for Tom in which He touched the oil with His right hand and placed it on my forehead. He baptised me.

Thanks be to God forever and ever.

He then showed me another vision of me as a baby held in the arms of my F002 with my F001 with his arms around her at the baptismal font. My F002 and F001 were wearing their wedding clothes and were both smiling at me as a child. Our Lord Jesus Christ was pouring Holy Water from a jug onto my forehead.

He has asked me to write:

“There is one baptism for the forgiveness of sins and through me all sins are forgiven.”

He is our God, Christ the Redeemer, the Almighty Father and the Holy Spirit who offers to us His sacrifice in atonement for our sins before the whole world. He is our brother, the Light of the World. He is our brother, the Saviour of the World. He is our God, who invites us to confession to ask for His forgiveness of our sins. Believe in His forgiveness, His love and His unending mercy upon the whole world. He is our God. Alleluia!

Tuesday

Tue 3rd October 2017 2:27:41 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/03/tuesday-4/

I replied to a message from Dave when he was not realising who was helping him. Our God asked me to tell him to trust in Him to provide. He had been on the streets all night when God had told him to go home and be patient.

He showed me a vision as I was waiting for help from a colleague of His Divine Heart with His right hand outstretched and His left hand holding His Heart. His head was resting to His left.

He told me I was no longer wanting to stay at the Daily Mail and I would still not want to stay after I had received help from my colleague. God did not want me to stay any longer where I was and wanted me to leave last Thursday.

He asked me to write a resignation email to my supervisors and showed me another vision of me as a child when I was 8 or 9 of me sitting on his knee.

He showed me the help the people there needed and told me what I was going to say to my supervisors: the help God knew they needed.

He brought Evgeny and I to the coffee shop on the 4th floor where Evgeny needed to hear the reasons for why I was leaving. Our God asked me to tell him the material help they needed and when Evgeny wanted to know more He asked me to tell him what I knew.

He asked me to show him a diary entry from the 30th September and to explain to him that I was hearing Our God as we were sat there. I saw a vision of Our Lord Jesus Christ, Our God, the Holy Spirit standing behind him and laying His hands on both of his shoulders. He told me to tell him that He wanted Evgeny to go to His God.

He asked me not to take anymore money from the Daily Mail from the 28th September onwards and asked me to give any money they

offered me from that date to Dave.

He knows that I will have what I need and want to live for the rest of my life and He will provide me with the means and will to serve God in helping people know Our God is with us.

Wednesday

Wed 4th October 2017 3:04:15 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/04/wednesday-3/

I went to Church at Our Lady of Victories where He asked me to sit at the back and talk to Him. There was adoration of the Blessed Sacrament when He asked me to join the congregation adoring the Blessed Sacrament. He asked me to kneel and to listen to the prayers which I did not know how to say. When they spoke in English I joined them and they were praising Our God in the words I could follow. They were similar to words He had asked me to pray days before.

Before the priest held up His Most Holy Eucharist I saw a vision of Our Lord and Saviour Jesus Christ with His hands beneath the Sacrament with His palms towards the Host. He told me He is present in the Host.

I then saw Him take the base of the Monstrance before the priest held it for adoration by the congregation.

After it was cloaked He gave me another vision of Him holding His Sacred Heart and Him holding His right hand as a sign of peace.

He took my feet and led me to pray before the statue of His Sacred Heart where He told me that this is almost the vision He had given me the previous day. He told me I did not see the wounds in His Sacred Heart and instead of the thorns I saw a gold belt with lettering that I could not read.

Thursday

Thu 5th October 2017 10:59:38 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/05/thursday-3/

Our Lord Jesus Christ gave me a vision of Our Lady with a sick infant in Her right arm feeding him medicine. I saw Our Lady's golden crown with a cross rising from its centre and a ruby stone set into the centre of the crown. It moved over the child and the child became well.

He told me about my sister F003 and the work she was doing helping new born babies and told me that she was carrying out God's work.

When He asked me to lay my head to rest Our God showed me a vision of His Divine Heart with wings that looked like gold and a golden cross in its centre.

Behind the cross was a seraph that shone like gold who took the solid gold cross and moved it towards me when Our God asked me if I wanted to kiss the cross and He knew I wanted to venerate His cross tomorrow.

Then I saw the living Divine Heart of our Merciful Father. His Divine Heart came towards Him and rested in His bosom.

God has cured me of acid reflux. He has asked me not to take any more medicine except that provided by Him. I have not taken Omeprazole for at least two weeks and have been provided with the food which I enjoy and would normally have caused acid reflux and acid in my throat. Since not taking medication provided by the doctors I have had no ill effects. Our God has healed me of my ailments and He has told me I will not suffer in death, that I will not die of cancer. He has told me that I will need a miracle that He will perform for me, to tell those who need to know that I am talking with Our God, and it will be my left ear that will hear again. He has asked me to pray for me to hear again in my left ear. I asked Him if I would feel any pain, and He told me that I would hear again

when He heals me. He has said I would not know what hearing in one ear only is like anymore once He has healed me. He has told me He will heal me when the medical practitioners want to know I am speaking with Our Lord and Saviour Jesus Christ. He has told me that I was deaf from birth and I have a deformity in my left ear canal that makes me unable to hear.

Then I saw INRI across a gold belt on His Sacred Heart with a gold cross above it.

There was a man who was not a Christian walking the streets shaking many hands as he walked. The man was without expression on his face. Our God then showed me a dark staircase with many crucifixes on the wall and there were many nuns who were making their way towards a bright light at the top of the staircase. He asked me if I knew what it meant, He said to follow the way of His Gospel and know others will not treat you to their friendship. He told me to not be disheartened when others do not want to be our friends when I follow Him.

He forgives me of my iniquity and sets us free from sin.

Alleluia! Alleluia! All glory and honour to you Our Most Gracious Redeemer, Our Lord God and the Holy Spirit forever and ever. All glory and honour to you Our Most Precious Saviour, His Most Holy Sacrifice for all mankind, forever and ever. All glory and honour and majesty to Our Lord Jesus Christ who lives and reigns forever and ever. In Christ who sets us free from our iniquity and frees us from the slavery of our sins. Alleluia! Alleluia! Alleluia!

During the time I was at home and continuing to sin during the summer of 2015 Our Lord God provided me with a dream.

In the dream I saw cherubims from Heaven moving in beautiful clouds singing in chorus:

“Holy Holy Holy, Lord God of Hosts
Heaven and Earth are full of His Glory
Hosanna in the highest!
Peace to all His people!
Hosanna in the highest!”

I heard trumpet fanfares and stringed instruments while they were chanting these words. I woke up with an overwhelming sense of peace and joy and went to tell my F001 what I had seen.

God has told me that this dream was from Him and He is making me feel elated and happy and joyful with the message He is giving to me to share with His people. I want to serve Our Saviour and Redeemer, Our Lord Jesus Christ, Our Merciful Father, His Majesty the Holy Spirit, Our God and His people all the days of my life and ask Him to help me serve Him and His people for the rest of my days.

Alleluia! Alleluia! God be praised and God be praised for all eternity for His creation and His glory forever and ever. Amen.

He spoke to me the words He asked me to say to my sibling F003 and my sibling-in-law F004.

He guided me to Kim and Alice to buy Alice some medicine. The machine was offline and He asked me to ask them to bring it online again.

He led me to Byron at the hotel opposite my flat and asked me to speak with him. He told me to tell him that He loves him and He asked me to say to him that his work is God's work.

Our God asked me to talk to him again and He told me that He will be asked to be a trustee of the charity of Our Lady of the Lilies. Our God has asked me to ask Byron to become the primary trustee of the charity and He has told me Byron will want to serve Him too.

Then He showed me His Merciful Heart with a wooden cross rising from its centre. It had a gold necklace around it with a ruby pendant in its centre.

He gave me a strong feeling of warmth in my chest and I felt cold throughout my upper body except in the centre of my chest. I felt His love in my heart.

You expired, Jesus, but the source of life gushed forth for souls
and the ocean of mercy opened up for the whole world.
O Fountain of Life, unfathomable Divine Mercy,
envelop the whole world and empty Yourself out upon us.

O Blood and Water,
which gushed forth from the Heart of Jesus
as a fount of mercy for us,
I trust in You. (3 times)

Holy God, Holy Mighty One, Holy Immortal One,
Have mercy on us and on the whole world. (3 times)

Jesus, King of mercy, I trust in You!
Jesus, King of our desires, I trust in You!
Jesus, King of Heaven and Earth, I trust in You!

Amen.

Our God spoke to me before Mass after praying the Divine Mercy Chaplet and told me that Fr Daniel would hear what He wanted to say to him today.

As Fr Daniel proceeded to the altar at the beginning of Mass during the procession of the Crucifix, Our Lord Jesus Christ gave me a strong smell of incense and a vision of incense filling the entire chamber of the Church. He told me it was real and I was unable to believe Our God's house had not already filled with incense. Then the priest filled the chamber himself with incense once he had proceeded to the altar, and I knew that Our God had given to me an apparition. He told me that it was His presence in the Church.

I saw Our Lord Jesus Christ during the Eucharistic prayer in the body of Fr Daniel and He told me that it was His presence in the preparation of the Eucharist. Our Saviour is our High Priest who sanctifies the prayers of the Eucharist.

He asked me to look at Fr Daniel and asked me to speak with Him after Mass. He spoke to me during the homily and filled my heart with love for His servant Fr Daniel and asked me to meet Fr Daniel after Mass to ask if he will speak to me in the morning and again in the evening tomorrow to share some wine. He told me he will hear from Our Lord and Saviour Jesus Christ when he prays to believe in what Our God has asked me to write.

After Mass He presented me again with a vision of incense filling the whole chamber of the Church.

He asked me to wait after Mass to speak with Fr Daniel and when he told me his diary was full tomorrow Our God led me outside to see a homeless man begging outside the Church gates whom I had given money for shelter to two days ago where He asked me to give him all

the money in my pocket.

He then led me to Iverna Court, reminding me to email Fr Daniel and persevere in trying to speak with him about what I knew.

He is providing His family to know He is present in our lives and He is speaking through me to those who want to hear what God is asking me to say to them.

Our God woke me around 8am this morning and prepared me to leave for my interview. The night before He prepared my computer with the materials I would need for an interview.

I received a phone call from John-Jo asking for help and He asked me to tell him to make his way to my flat for the evening where I would host him for as long as he needed. John-Jo was very nervous and he asked Our God to help him with getting money to reinstate his lease. He asked me to pray the 3 O'Clock Prayer with John-Jo and told me to tell him he would be provided help when he asked his God to provide him what he needs.

The community mental health team phoned me again to ask how I was doing and He asked me to tell them again never to contact me again. Our God calmed me the two times they tried to contact me today and reassured me each time to trust in His providence and love.

He brought me to the train station where He showed me which train to take and told me I would arrive ahead of time for my interview. He brought me to Putney Bridge and I did not know the way to the office I would interview at. He took my feet and walked me all the way to the office on roads I did not know, and when I arrived guided me to say and do everything I did.

He asked me to be honest with them and not to tell them anything which wasn't true. He told me the night before that they might not like my lack of knowledge in a particular field. When He asked me to thank them for their time, I did what He asked me to do and He led me away from their office to a safe place He could comfort me.

He led me outside to find food at a restaurant where He asked me to buy food and drink that I enjoy. I was hesitant to buy the food and

drink, knowing that my bank balance is over its limit and my credit cards are almost to their limit.

He encouraged me and comforted me on my journey home to Kensington, where He showed me more places I hadn't been before. He guided me home where He asked me to talk again to my parents again and when they said they wanted to hear more of what He had done for me they heard more of what God has written about what has happened.

I went to the GP surgery and told them again that I was hearing Our God speak to me and take me to places I've never been before. He asked me to tell the doctor how the mental health system are bereft of any faith in Him. When the doctor wanted to invite their colleague in to further a mental health assessment Our God asked me to politely leave the building. He led me to safety back to Wright's Lane around the corner and then took me to a restaurant to have food I wanted.

After I had finished eating He took my feet to Cheniston Gardens where an argument was erupting between a mother and her daughter and a bystander was unable to calm them.

Our God asked me to walk by and then gave me a want to turn and help them. He took my feet as the daughter started shouting expletives at the man and He asked me to invite her to walk with me.

As soon as she heard God's words she smiled and she was calm. It was that moment in which I saw Our God in her eyes and He reminded me of the occasion He asked me to help the lady in Vauxhall.

We walked part way down Marloes Road where He asked me to invite her to pray with me. He asked me to give her my number and then He took me back to the mother who He asked me to ask her if she knew of His Divine Mercy. I told her of the visions which St Faustina received from Our Lord and Saviour Jesus Christ. She was aging and she told Him that she didn't want to change her beliefs and she knew enough about Our God. Our God asked me to say to her to turn to Him soon. He asked me to bless her in His name.

He brought me home and asked me to pack my bags to leave to my family home in Manchester. Waiting on the steps outside my flat He

told me I would arrive at Euston with plenty of time.

He asked me of the silhouette I saw when leaving Moorside in July of a figure with a hat and He asked me why I had thought about it so much and never asked Him. He made me aware of why I wanted to ask Him who it was and why I wanted to know who it was. He made known to me that I wanted to ask Him because He wanted to show me who it was. Then He showed me a vision of St Thomas More.

Jesus, Our Lord and Saviour writes this, through His servant Timothy, a disciple of Our Lord:

"See all you nations what the Lord has given you.
The time is now to find what it is I wrote about one century ago.
All people hear Me.
All people see Me.
Obey the wants I give to you.
I am your King, your Desire.
Be My servants, and bring about My Will."

The year is 21185234.

Be knowing, all who have ears what He says to you.
Be knowing, all who have sight what it is He has revealed to you.
Praise Him, everywhere, to everyone.

"Be My People once more."

"I am coming again in Truth to show you My Way.
This family is blessed.
Ask them to enter My Church of Wisdom and Love, My Holy Roman Catholic Church."

This is the parish of St Michael. Bear it from the wealth God has given you, and fill the chamber with His Wisdom and Love.

All people, see what the Lord gives you today.
All people, praise Him today.
All people, turn to Him and know He is with you.

Our Lord teaches me about evil

Fri 15th April 2022 8:24:00 pm GMT+01:00 Sale Moor, UK  Timothy

https://wisdom-and-love.org/diary/2022/04/15/our-lord-teaches-me-about-evil/

"Timothy, I have spoken to you.
These words which you are about to write are from Me, in Me, and for My People to understand more about desire."

Jesus spoke to my heart after He told me to wait and be patient.
He taught me that what I knew about evil had been forgotten, that He has given me a life of beauty, not to live a life knowing evil.

I know that He has taught me that the devil, as a being, does not even exist.

What then are people doing that I know to be wrong?
To be against His Law.
To be causing suffering to one of His creatures, to one of His people, and to entire populations of people.

Where does evil come from, my Lord?

"Evil is the absence of Me.
Evil is original sin.
Evil is ignoring the wants that I give people,
the questions I raise in people's hearts,
the desire to turn away from their close union with Me,
and do what they think themselves is right."

"Evil is mankind, Timothy."

"Evil is not born from Me."

"Yes, Timothy, I created mankind knowing all that would be done to Me and to each other through their evil desires.
Yes, I knew what I created would turn against Me.
Will they learn, Timothy?
Know that is what you are all here on Earth for."

Then Our Lord taught me about the evil done to God's People and God Himself in the Bible.

Was Judas, evil, my Lord?
Was Nebuchadnezzar, evil, my Lord?

"Do know, my child, that these stories started with a will of their own from Me.
An impatience with what they were being asked to do by Me,
they failed their trial.
They did not bear the suffering brought on them in their own hearts,
they took a will of their own,
and ignored My call.
Also know that they repented when they saw what they had done.
Did they do what they were given want to do, Timothy?"

"Know they did not do."

Where then is Peace found, Jesus?

"Peace is found in bearing the personal suffering I give you.
Offer it to Me, and allow Me into your heart."

"Know, Timothy, this lesson is not finished."

You have been taught My Wisdom.

Take care of everything.

Only You.

"Timothy, the end is not near.
John revealed to the world the end times.
John prophesied what I have given to you."

"The world will be made new.
My Spirit will descend on a multitude of people.
Clergy, Cardinals, monks of all faiths, lay people all over the world will see Me in the clouds.
Some will see other visions.
Many will be turned to the Catholic faith.
The world will begin to be Peaceful."

"This is coming after 100 years of suffering."

"A war is forming in the east.
Many people will suffer.
Know to live away from that suffering.
New York is safe."

Fulfilment of Revelations 13

Sat 30th April 2022 1:34:00 am GMT+04:00 Yas Island, Abu Dhabi, UAE

Timothy

https://wisdom-and-love.org/diary/2022/04/30/fulfilment-of-revelations-13/

John prophesied a beast rising up out of the sea in Revelations 13. Jesus has given me understanding of what this is. In 2012 when I was assaulted on the steps of the Christian Church in Oakland, CA, I opened my Bible to find only one page had been torn. This page was Revelations 13. The Lord has shown me that He made me know the Beast was not as it seemed to most people, and indeed there is Wisdom from all hearts as to its meaning.

Dajjal in Islam is this prophecy, the prophecy, just like the Prophecy of John is the coming of Peace in the world. This is what Jesus gave to Islam when Mohammed wrote this prophecy. Mohammed did indeed receive prophecy from Jesus, however not all his words were written down as they were recited.

This was to be.

The 10 horns in Revelations are the worlds major religions. They are the authorities people live by. Some of these have experienced a long period of Peace in history, and there is Wisdom in these religions for the Church to accept. This is widely known in ecumenical circles.

Islam, Judaism and Zoroastrianism are the three horns which fall in Daniel 7. They are replaced with a new horn rising out of the west, a religion at Peace with each other and sharing common teaching. This is to be in the next 500 years. This time has meaning that is written in both Daniel and the Quran, and it is for those who have knowledge to understand what is written in those texts.

The 7 horns which remain are formed from the 10 most common belief systems of the modern day: The Lord's Church of Wisdom and Love, Buddhism, Hinduism, Sikhism, Paganism, and those of no knowledge of a deity.

His Church of Wisdom and Love is the Body of Jesus Christ, as the Holy Catholic Church is His Body today, with fellowship in other Christian denominations. It is divided into two main streams of teaching, those of the teaching of Love, and those of the teaching of Wisdom.

The Church is entirely based on the Wisdom born by the Prophets, Apostles and Saints since Adam and Eve. More will be revealed about this Wisdom as time goes on. Nations will unite, and prophets will foretell the coming of a new age.

There will be denominations within this Church, and it will live in harmony and Peace with other theistic religions until the new age is brought about.

There is a further stream of thought which is unknowing of a deity, which will cause some problems. Some of these problems are known to the world in the ways of communism and fascism. One day these will fall, as the populations turn to God. This pseudo-religion will decline in popularity as more and more hearts are enlightened according to the prophecy of 2118.

Isaiah 5 foretells a grotesque creature whose belt will never be loosened and whose sandals will never be broken. This grotesque figure is I, and I will not remain grotesque. Nor am I Satan as some may say I am from Isaiah 5:20 and Revelations 13, that is all mankind. The Beast in Revelations is not Satan.

This is the teaching Jesus Christ gives to His Abrahamic Church's today. It is for the world to finally be at Peace.

There is a reason I say 500 years, it is what has been revealed to me by God. There is also writing about the Court who will come to end the world. That is, to begin a new age. This age will be one of Godliness, just as the age's of Israel, Christianity and Renaissance came before it.

This age is coming soon, and you will see signs and miracles in the

next 200 years foretelling this.

The most troubling of these religions is Islam, as mohammad erroneously said that there are no prophets after him.

Know that God will change the hearts of those He chooses.

It is known in common Islamic hearts that God talks to us, through dreams and guiding our hearts. This is indeed also creating prophetic teachings. Mohammad said that the end would not be known until the hour of Jesus' coming. Indeed it is that the hour is the Hour of Mercy, and the prophecy of 2118 remains. It is written for those who have ears to hear what He is speaking to us in our hearts.

We are one people, and all people are capable of being filled with His Wisdom and Love. Truth bears Wisdom. Love bears Life. They are together symbiotically linked, and that is God being with us all.

Peace is the union of Wisdom and Love, it is God.

Peace and love from Yahweh, Jesus, Allah to all people.

Jesus is not a prophet, but God Himself.

His Message of Desire

Sat 30th April 2022 5:38:00 pm GMT+04:00 Yas Island, Abu Dhabi, UAE

Timothy

https://wisdom-and-love.org/diary/2022/04/30/his-message-of-desire/

Jesus, show me words to write from you to reveal to the world the teaching You have given me.

“Timothy, I will fill your heart with Wisdom and you will write the words I give you to say to My People, the Holy Roman Catholic Church.”

Jesus has told me one thing about Him: He is the King of Our Hearts. He gives to us all of our longing, all of our wanting, and all of our impulses to take action and do things. He is the King of Our Desires.

These things I know to be true from the Wisdom the Lord Jesus Christ has given me.

He has taught me through changing wants and desires that we will not always have our desires satiated in the way that will be His Will. He will never let us desire for what we should not have, for too long. It is always suffering we need to witness to experience beauty and joy from Him.

What then is evil in the world? What then is free will?

Evil is from Him, just as Peace is from Him.

Evil is not Him. It was created by Him. There is a difference in the meaning of those words that needs to be explained to you, His People.

Just as God’s Will is enacted in Heaven. It is enacted on Earth. It is wholly true that free will is an illusion. Everyone feels free, but they have not yet known anything other than their thoughts and will are created by them. This is not true in any way.

Do we feel free? Yes. We are given the gift of experiencing the Divine Treasure that is His Creation. We were born to experience this life, of evil and greed and suffering as well as this life of beauty and peace and joy.

It is His Message of Truth and Life.

What suffering did Our Lord bear on His Crucifix for our sins?

He suffered so we would know to suffer in His Name also. To free us from the need to wait in our desires for too long before they are satiated.

What happened in the concentration camps of Nazism was truly horrific. Those people suffered a tremendous ordeal which led to a truly horrific death. Why did God make this happen?

It was for teaching for generations to come. Those people who suffered in that way, indeed by God's Hand, were those who were last. And they are now first in the Heavenly Kingdom of God.

That is the joy and hope we have as People of God. We know from Him that we have a place to go where we will be rewarded for the suffering we experience.

I have not seen anything but a few visions of Heaven, but I know the teaching I have received from Jesus. Heaven is a glorious palace and the Oasis of Mercy. It is pure bliss. It is literally the Paradise to which we will rise again.

I want to be a child in Heaven, to sit at the feet of Our Lord adoring the suffering He experienced in His Wounds. I love His Suffering, and the suffering He has born in His Name for me to experience and know what beauty is.

I want no other than Him.

But that is not what He has given us even on Earth.

See the beauty of His Creation, in nature and the lives we live.

The people He gives us. The wonder of His Universe and scientific capability He has provided to us.

See the beauty in what is in our hearts, the true fellowship with God. A beauty that cannot be removed by any amount of pain or war.

The vision of the Gift the Cardinal makes

Jesus, You showed me a vision.
You gave me Knowledge of what it contained.
Please, Lord, reveal these things to Your People.

"Timothy, describe the Vision I gave you."

As I was resting, in the quietness of prayer.
Jesus put in my mind, an image of His Eminence Cardinal Sarah's hand.
In his hand was a gold coin,
the smallest of coins that I know,
the size of a penny,
but it was gold,
and very luminate.
On the gold coin was embossed an image of my dear friend.
The gold coin, he placed into a mission box.
I saw the inscription,
SVP,
on the mission box.

It was just after the letters SVP were replaced with Our Lady of the Lilies,
hovering over the previous letters which were there,
as though like a premonition of something to come,
a future,
which begins in another Way.

His arm I could see clearly.
It was his right hand.
He was wearing simple clothes,

a priests garments,
with no more than one mark of holiness:
a purple ribbon stitched around his wrist.

I see a crucifix,
I see the Beauty of Nature,
I see a lake, peaceful and beautiful.
I see trees and a Beautiful sky.

Cardinal Sarah then turns towards me in the vision,
he smiles at me,
and I see Our Lord making the sign of the cross in the clouds,
above him,
Blessing him.

Jesus, you have shown me these things.
Teach the Church Your Wisdom and Love.

"Timothy, this is as you were knowing to write.
Everything you wrote is what I gave you."

"Timothy, write no more,
ask them to Pray to Me for My Truth."

"Timothy, write now what they need."

Jesus, grant me the Gift of saying goodbye, one last time.

"Timothy, these things were Written,
in your heart,
in those days,
I Spoke to you,
in March 2017."

O fair fields of the North,
Mancunia,
my home,
my abode,
for over 39 years.

I travelled,
I came back,
I lived,
and I Suffered with you,
O humble pilgrims of the North.

Everyone has a place in Life,
everyone has a Gift from the Most High.

Jesus,
is our God.

Give thanks to He who delivers us from Suffering.
Give thanks to the Lord God Yahweh.
Give thanks and praise to the Lord God who Suffers with us,
in these fields of gold.

On these pastures,
is planted,
the Seed of Hope.

In my heart,
in my mind,
I will never forget you.

To London,
my home becomes,
to New York,
my home will be.

My home though,
will always be,
on these fields of earth I tread,
which I have called my life.

"Timothy, these were the days,
I Gave you everything you needed,
to find Life."

"Timothy, you are Free."

I then saw a militia waving his hands over a control desk, and spreading nuclear holocaust throughout the world.

I then saw the militia rest his hands, satisfied with his work.

I then saw the militia and other militias applaud what they had done.

And Jesus gave me want to receive His Body. I would love to taste His Blood, but He told me to go to the kitchen take a slice of bread from the Hovis loaf in the kitchen and He told me to break it.

He said through my voice this Prayer:

"Take this Bread and eat it."

And I ate it after breaking it, took a small piece, and consumed His Body.

I said these words:

'Lord, let me receive your Body and Blood inseparable.'

And then it was done, a Holy Feeling overcame my torso.

He then proceeded to ask me to open a bottle of wine.

He asked me to use a decent wine, but not too expensive.

I opened the bottle and He said these words:

"This is My Blood, the Blood of the New and Everlasting Covenant.
It will be shed for you and for all,
so that sins may be forgiven.
Do this in memory of me."

After drinking His Blood I prayed:

'Jesus, I ate Your Bread and drank Your Cup. Heal me of this Suffering.'

'Thank You, Lord, for setting me Free.'

And it was Done, in His Hour.

The Teaching of the Apostle

I have been taught by Jesus in a way to have His gifts removed from me, to suffer confusion and desires conflicting with commonly held Wisdom and Teaching. This is to experience free will and loss of faith.

It culminates in having had an experience of what others who are not called to the Apostolate experience, with the knowledge they have of what they are experiencing at the time they grow and mature in Wisdom.

I know only what I am given knowledge of at the time I write His Word to you. This is represented in this diary, as well as other diaries I have written.

The growth in Understanding and Wisdom is to show I am entirely human. Although I am made in the image of God, I am not God, nor do I possess God's Power, but instead His Spirit is in me.

Jesus has always been in me, he has guided me in Wisdom and Understanding since my conception, and I have learned everything I have from Him.

No words have I ever thought, said or written which were not the words God gave me to think, say and write.

This is the same with everything in His Creation, we all follow His Will.

Why then are we taught, if it is only to experience His teaching, and that God does not just impart knowledge in a moment?

Jesus demonstrated to the world the Call of the Apostle. He speaks, and it is.

They had want and knowledge to follow Jesus at the moment Jesus told them. This was not that His Will waited for a moment where their hearts would be ready to accept Him, but instead their hearts were prepared to accept Him at the moment He spoke. They knew

what they knew at the time they knew it.

They also had rich lives before they were called, most of which are not recorded, they sensed a desire to be called to holiness, but did not know anymore than they were sinful in wanting this. However, see in Saul of Tarsus an example, St Paul. He demonstrated an evil intent in what he did in persecuting the Christians, and his conversion was in a brief period of time while he was blinded by the vision of Our Lord. The teaching he received in those hours and days was to experience and confirm his knowledge. It was to feel confident in what was true. It was not the end to His Teaching for Paul.

When God imparts His Knowledge to us, we experience a feeling of knowing something we did not know before. We feel a sense of confidence in a certain truth which He has provided us. When we are taught, it is the case that certain truths are masked. God will never teach a true Prophet what is false, and that the teaching is recorded and written.

The modern internet has allowed for a different style of teaching from Our Lord. Where things can be written and then edited and deleted. Jesus knows what is recorded for eternity.

And so it is, I have known and written, from the teaching Our Lord has given me, some things which were not true. These have not been all lost, however they will be revealed in a way that is demonstrating the method God teaches the Apostle, and they also will be known to be true one day.

These things were to exist when Our Lord chose them to exist. He revealed to me what He intended to reveal at every point.

What is experience then? Why do we experience if we don't really need it?

We do need it. This is the meaning of Life.

Life is Experience.

Life is time, space, matter and energy itself.
Life is His Creation.
Life is the manifestation of His Love for us.
It is that we are given Life to live, and He wants us to experience His Beauty.
We are all called to this.
This Life is Beauty.
It is Him.

Why did I write different words about evil before than I have done now? It is for the reader to understand I am being taught as I write. I am learning from Jesus as I write and experience Life. I am being told to write every word I write.

Before that, He leaves me in a sense of unknowing, asking me questions as to what I am experiencing.
Even to the point in my case sometimes of believing He has left me, He is Satan, and I am going to hell.

This is short lived, and He provides Peace on this journey. He loves His Apostle, and wants nothing more than to reward him with His Love when the teaching is complete.

The experience is joyous, even though I am suffering. Experience leads to faith, and it is that we are given confidence in this faith as we experience.

How do we know that there is a Heaven? One may have doubts one day that God, Our Creator, is just creating us and destroying us, and we are unknowing of anything that happens after. We don't see it, we only know what God tells us. It could be Heaven is something we don't want to go to. It could be Heaven is just living in a boring place for all eternity.

Why would God give such a person doubts?

Look at the way leaves on a tree grow out of branches, the root provides nourishment to the branches, but the branches are nothing

without their fruit. The purpose of the tree is to live, not to produce fruit. But Life for a tree cannot be without all its parts.

So it is with Life. We are given everything we need to live, but the individual parts of Life are not the purpose of our existence. Faith is the fruit of Experience. Doubt is the method of Teaching.

Experience, Desire and Wisdom are some facets of life which I know of, however these are not all I know I will be taught. Nor will what I will be taught in my lifetime be a complete revelation of Wisdom and Love.

The true purpose of Life can be summarised as God's Will, but this we will never know. So how can we know answers to questions of Life? It is unanswerable. There is a reason for this: it is talking of the realm of God Himself. Outside of Heaven and Earth. No philosophical thought in all of Creation can ever say what the realm of God consists of or is. It is completely unanswerable and no one will ever experience it for all eternity. What God says to us we can have faith in. But I am told right now He will never reveal this to anyone, Heaven or Earth. Any Wisdom to the contrary is for the Apostle to understand.

Any creature experiencing death knows it is coming. Even those who are given only a moment's warning have knowledge.

All recognise that it is the end and there is no way out. That it is their time to go to Him.

It should be known that not all are taught what they need, to experience a desire to rest and go to Him. Some experience a knowledge that the hour is at hand and regret what they have done.

Apostles know more.

I know the day in which I will die.

It is encoded in the Prophecy of 2118. It is the 82nd year.

I know by that time the Lord will have prepared me for a holy death. He will provide teaching to the Church after my death that I am with the Congregation of Saints.

He will have prepared me for all that is to come by the time it happens, including the knowledge of harm that will be caused to me by an innocent person later in my life, and knowledge of what I will say to him in the moments before he does it.

These prophecies are to be experienced. They will not be true for me until they are. I can only have faith in them, and in His Gifts. Experience confirms faith and gives us true knowledge.

When the Apostle is taught, she is given Wisdom from God. Wisdom needs to be gained along with Understanding. When we read signs and visions, we understand only what we're given to understand. The Understanding we are given is for the receiver to know and to teach. The same words, even in the Holy Bible, can have different meanings for different people. This is the way God imparts Knowledge.

Take for example lyrics to a song. They are sometimes abstract and quite obtuse. Such works can be received as prophecies of a persons life by one person, when there is a completely different intention for the author or someone else. Why would it be that God does this?

There is Wisdom in every mouth.

We do need to experience the teaching He gives us. Not just Knowledge, Understanding and Teaching but all three combined.

'Those with ears hear' means that those with Understanding may understand what they understand. This understanding is provided by Jesus. 'Those whose hearts are hardened' means that those who are not to Understand a meaning will not make sense of it, and may indeed never believe any explanation of it. It is about who is called, and who is not called. Who is chosen for that teaching and who is not chosen for that teaching. Who God wants to understand and who

God does not want to understand.

And so it was with the Parables of Jesus.

Even in prayer, we can pray for Understanding, and we may not understand until the hour has come for Him to reveal a Message to us.

This is His Will.

The Wisdom of the Apostle

Desire is given to His People to experience what it is they need to do. The Apostolate is called to experience both human desires and the Desire of Christ. This is a deeply spiritual experience that will leave the Apostle with much joy.

Things will be taught to the Apostle in ways she will know is true, and others will disbelieve her. This is her calling, and it is the suffering Jesus showed us in His own family. Ask for Jesus to make your paths straight. Do what you want when you are given want to.

It is all for His Reason. It is not fathomable, except in the Wisdom and Understanding bestowed upon the Apostle.

Jesus guides us in our hearts to prepare us in what we are to do. The Apostle feels an urge, an utterance of the heart, to give her confidence that what she is doing is what she wants to do. But it is more than that. That urge does indeed lead to where the Apostle will go. It gives her her path. Know it is desire from God.

An urge is given to do something, this leads to an action through impulse. This is the same for all Creation. It is His Word living within us. It is entirely as Jesus taught, His Holy Spirit.

When we have an urge which we have no impulse for, this is to show that there is something coming. We know to wait in that desire, and to know why we feel it. This is confirmed over time through His Teaching, through Wisdom and Understanding relayed to us through Experience.

Let the Lord guide you in all that you do, and slowly in those days you are called to learn and trust that He is giving you what you need to discover Him. Take Wisdom from the teachings you are shown, and know all books, all signs, all messages from every mouth are for you to find.

Everything Jesus does is for us to experience Life.

These words from secular literature are given in the hour you find them. They are from Him and the personal understanding you have of them is for your teaching.

Anxiety is created within us when we need it. For the Apostle, she will find she is at times anxious. This anxiety leads to a desire to do something. The desire leads to an impulse, and the anxiety begins to dissipate. When we feel anxiety we are being called to do something. For the Apostle this is not just teaching, and it is not a nice feeling to have. But for you it will be short lived. This feeling is for you to be guided by, for all people. Live and know to do what it is you do at the time you do it.

Pray to Jesus the words that are in your thoughts when they are given, they are the words you want to say to Him. When you start to hear His Word in your thoughts, you will know it is Him who is the verbalisation you have been hearing throughout your life, and you will know He has guided you since you were born. The desire you have to pray is from Him. The desire you have to speak to your thoughts is from Him. It is for you, not for Him.

That verbalisation is given to many people, it is not just the Apostle. Most people will experience this verbalisation of their thoughts in their lifetime. It is not something that everyone will experience, and it will not always be there. The Apostle will eventually discover that there is Knowledge within them that says certain words in this verbalisation are indeed Him. The illusion of free thought will govern the rest of their verbalisation.

When we are being truly guided through our Wisdom, Understanding, Desire and Love, we will hear no more than what it is God tells us at the hour He gives us those thoughts. Make your paths straight for the Lord your God. He is doing it, you just need to follow the winding path to the straight road.

Be confident in your Calling, my dear Apostle. Your thoughts are with Him, in Him, through Him, from Him and most often of Him.

What desire came to you when you were reading this Book? Where were you before it happened? What desires led you to the present moment?

Now you are starting to see more. When was it you felt His Desire in your heart? Take a few moments to sit with the thoughts you have and know He has brought you to this very moment. The hour is not known to me, but the prophecy remains.

This is Jesus' teaching for all people, not just the Apostle. However this is written here to help the Apostle not suffer in the way I had to.

This teaching on Desire was known to many Saints. It is that it makes complete sense when it is explained, and it is a complete teaching without any errors. Saints did not write down all they were taught, and all they experienced, but there are references to this in the Holy Bible, let's explore some of those. The Apostle will have the words He gives them from Holy Scripture in their thoughts very soon.

There is more to say for the Apostle when you hear from Him. Teaching He will give you which you will see is new knowledge that has never been known before. Confirm your understanding of that Knowledge through Experience. He is guiding you in your thoughts, wants and knowledge to where He is taking you.

Your paths will be straighter than mine, I have known it to be true for the coming Apostles.

This teaching is for all people. Find Wisdom in what you want to take, and build on the teaching given to the whole world. That teaching has always been from Jesus.

Why do we have desires when we are servants of the Most High? We are given want because that is Life. It is that He will show the Apostle impulses without any urge to do those things, and vice versa.

Jesus needs you because the want He has for you is so great. Jesus has desires in His Heart which are for the Apostle and the lay-clergy to experience when the hour comes.

Why do people do things they do not want to do? Because they have impulses, and know no more than they are doing what they do not want to do. Many people experience discomfort when doing this, and that is what is their Teaching.

People also have want to do something, but do not do it. This is also provided by the Lord. Why is this so?

When we want and long for something to happen, and we feel it is completely within our control to do so, it is because God is showing us it will not be right now. It is for something we see in our hearts, and no more. It is to gain knowledge and experience of our hearts desires, but the time is not right for it to be fulfilled.

Pray the words you want to pray to Him, the words He gives you, to learn more.

Jesus takes you by the hand and guides you through Wisdom, Knowledge, Understanding, Desire and Experience. These are the gifts He gives to His Apostle.

No one here on Earth knows more than they are given knowledge of by the Most High.

Everyone experiences these gifts, but they have no knowledge that they are anything but free. They are eluded by God in their knowledge and experience. God has created the illusion of free will to give us joy. That His Miracles are not born out of robotic actions, that our experience is purely natural. It is not.

It makes sense to those who understand philosophy that God's Will is complete. It has no meaning other than all things were predestined. That is, free will is nothing but an illusion.

The Love of the Apostle

There is a reason for what Jesus has provided. His Love is Him. It is what God is, pure Love.

He has already shown this to us, by creating us, by leading His People to where we are today, by creating a resting place for us, and by showering His People with all the gifts they have.

Love is to be found by the Apostle in her heart. She will experience feelings of love and of distaste. All that is in her heart is provided by the Lord God, those feelings are provided by Him at the time she needs them.

Is everyone an Apostle? It is quite not the case, but it is what we all have in our hearts through desire. Those who recognise this will understand that God is Love. The Apostle wants no more than for others to experience what she experiences. This Love in Christ is to share through her teaching. She will write words that will live on for all generations. Her words are from her heart, and that is the Love of Jesus.

Jesus came to suffer the sins of many on the Cross in His Passion. He came down from Heaven to celebrate this mystery with His Apostles.

People of all faiths, all cultures, all sexes, receive Love in their lives. What does a celibate man or woman want in their lives? They have no want for children when the time comes to devote their life to Him. They may suffer in their lustful desires, and know no more than they are sinful. They are not sinful, it is patient endurance they are called to in their desires.

What those people do they do for a reason known only to the Apostle. This teaching is provided by Jesus to the Apostle, and is for them to share when they are given want to.

Jesus gives His Love to us in a sacred union through His Holy Spirit. The Apostle experiences His Divine Nature in a way others cannot. She learns from the Holiest all that is given to the world in His Love,

and she is satisfied wholly with the Love she receives.

She is never wanting for anything or anyone, always satisfied by what is given her.
She has desires only for what she wants when she wants it, and these desires are satiated.
She loves those He gives her to love, and has cruelty for the things that displease Him.
She wants no more than to have Jesus with her.
She needs no more than what Jesus provides her.

“I am with you, my dear sweet child, be My Apostle.”

These are words from Him for the Apostle to read and know what they feel. The hour is not known to me, it is that I have faith these words are for God to reveal to the Apostle and to appear in her mind, body and soul when the hour is planned.

Man and woman together form a union with God which is holy. They receive the Divine into their hearts and their matrimony is fruitful in Him.

The Apostle may be called to celibacy. They will still have desires given to them in Teaching. These desires for Love and lust do come from Him. They are for the Apostle to know what to do and when to do it.

Jesus will never lead you astray, and He will always lead you on the right path. That path has twists and bends, but it is there will be straight roads ahead.

Love every turn the Lord gives you, and in time Love the suffering and discomfort you receive through His Teaching. Await the joy of Knowledge that He grants you, and the Glory He will give you in your lives.

His Love is the fruit of Wisdom. Wisdom is the calling of Love. Wisdom is His Truth, Love is manifested in His Life.

Wisdom comes to those through His Love, and it is in His Love where Wisdom is born.

The Call of the Apostle

When Jesus calls her, she finds the Apostle's heart is ready to receive Him in the Way she is called.

The joy in knowing what one is called to, is understood by her. However this is just the beginning of her journey.

When Jesus talks to her and informs her with Wisdom that she is called to a higher purpose, it is known to her what is in her heart. It is provided by Jesus.

This is the moment of her calling not before.

It is though the case that her calling was always pre-ordained from the moment He murmured to create all things. He said what will ever be written in the history of mankind in that moment, and she was then planned. What was before these words is the realm of Jesus, and will never be known except maybe an idea. It cannot be known to her, as we know only time.

In the days before her calling, she will experience new mysteries in her life. She will begin to hear more from God, in the way in which Our Lord speaks to her.

Be with Him in these hours and pray when He gives you want to. Miraculous things may appear to you, and you will remember them in the days and years ahead, when Jesus gives you memories of them. Signs for you, are what God gives. He is telling you to be patient and to continue on your journey.

Be patient in your calling and know you are being taught, you are being given desires to hear more, and this culminates in His Love in your heart. You will hear more, know just to be patient.

Any impatience you experience is also from Him, it is teaching as to what others experience. It is indeed uncomfortable, but with Jesus by your side He will show you the Way.

The Apostle will learn to experience in a Way others won't be able to

understand. Be patient with those you are given want to speak with and know they understand only what is given to them. They are not called for the purpose she is.

There will be joy and Love from the Holiest. Recognise this Love of His in your heart and be knowing that there are far greater gifts to come.

The Apostle is called with the same covenant since the dawn of time. That is the same as with Abraham who was given this promise, as written by Moses:

"I will make you into a great nation,
and I will bless you;
I will make your name great,
and you will be a blessing.
I will bless those who bless you,
and whoever curses you I will curse;
and all peoples on earth will be blessed through you."

That great nation is Israel. Israel is indeed not the present day nation of Israel, but Jesus' Kingdom. It is Heaven, both the afterlife and Paradise in our hearts and souls.

When Jesus calls His Apostle, He gives her a special name, that is what is hers to treasure in her heart forever. Others will know her by this name, and she will bless many people through the Wisdom Jesus gives her.

I am the Apostle Jesus created. I am knowing no more than I know. He has guided me in Truth, Wisdom, Love and Life to the teaching I am giving you, His People.

He is forever the Holiest.
He is coming to bring New Life to the world.

Listen to His Message of Truth.
Read what you want to when you want to.
Never be afraid, the Lord is with us.

On the Teaching we receive

Jesus, show Your People, what is needed to Understand Your Teaching.

"Timothy, here are all Words from Me.
This is all Truth.
With a capital T."

Jesus tells us to believe in Him.
What we have become, is a world of disbelievers in the Holy Spirit.
It is the last 400 years in which we have become this way.

It is not the Way of His Gospel.
It is not the Way of the Old Testament.
It is not the Way of the Disciples.
And it is not the Way of holiness.

When we hear the Clergy refer to themselves as speaking in the Holy Spirit, by simply reading the Gospel at Mass, we should realise the message of the Apostles, who spoke in tongues, who healed, who delivered messages of Truth, with Power, and often humility.

We have become a Church of disbelievers in the Message of God.

When did society stop listening to their thoughts?

Jesus knows I do not want to write this, given my aforementioned situation right now.
But I am Jesus in I.

I know those desires to stop writing,
to water down the message,
to deliver you nothing more than a peaceful homily,
are all from God.

I know also,
I don't seem to be writing to anyone.
All I see are strange IP addresses in my logs.

I know though, Jesus has me.

I have no choice but to teach.

Consider now,
why would I write right now,
when I've basically avoided another 3 months in detention.

Why would I lift up my finger,
get out of bed,
rise out of the depression of the last 48 hours,
knowing only that the hour has past.

And indeed, that hour passed as was written.

These things need to be understood.

The observer is not I,
nor am I you.

What matters to me most,
is Truth.

Truth was known to me as Suffering.
Jesus' Crucifixion is what He taught me, to survive the last 5 years.

I am told right now of Sr Imelda Magdalen, and her desire to receive the Holy Eucharist.
Indeed, Jesus has prevented me, through my desires, in receiving the Eucharist in person.
Only visions have I had, and a longing to taste His Body on my tongue, for over 3.5 years.
I requested in 2019 for any Catholic Priest to grant me my desire, of even visiting me in the ward I was detained and receiving the Eucharist.

It was that I was not to receive it from even a Eucharistic Minister.

Instead, Our Lord told me:

"Timothy, ask the Anglican Reverand, who is visiting today, to make a Mass.
Ask him to pray that the Body is of the Roman Catholic Rite.
It will be My Body."

I asked him, quite rudely, to do this, and he was overjoyed to be accepted finally into communion with a Roman Catholic. He is indeed an Anglo-Catholic.

This was given to both of us.

That kind man, is my friend.

What is also true, is that he witnessed to me, understanding of who the Holy Spirit is.
Before 5 years ago, I believed He was like electromagnetism,
a cosmic dust floating through the universe,
only to be a way of communicating between God,
and man.

This is the level of my teaching, before Jesus began Teaching me 5 years ago.

How stupid I was, but then, how was I taught?
And indeed, where were the teachers?

This needs to be understood by you.

Who is the Holy Spirit?
Ask a member of your seminaries, to explain the Nature of God to you.

Ask them, what they're learning.
Confirm that teaching, with God who speaks to you now.

What is True?

When is it Taught to the lay people?

Teaching

Jesus Teaches in a Way to give you doubts, confusion, and desires to walk away.
Jesus Taught the Saints like this.
Jesus has Taught you through your entire life in this Way.

There is no one who does not suffer a lack of Faith in their lifetimes.

Look at me,
look at the last 2 weeks.

I am believing every word of what I write.
I know these things are true.
But how can I know them, if God sometimes speaks untruths, to Teach us Truth?

How can I know suffering doesn't await me?

For example,
when the faithful decide to 'test Jesus',
by acting on their so-called free will.

And that indeed would be a good test,
try it,
see how long you can hold back the desire to breath,
and then if you manage that, ask Jesus for help.
Clearly I am joking, I wouldn't do so unless I might be suffocating.

But even then, I know Jesus makes me.
And I trust in His Promise that I would survive,
for the time being.

It is indeed fear of the Unknown which we experience with Doubt.

What you are experiencing is fear you are going to be taken in the same way I am.
That is, in the same way, you believe, I am taken.

Do you believe this?

Is it based on Experience that you have this Knowledge?

Is Doubt, Knowledge?
It is indeed.
Experience derives Knowledge.
Knowledge is uncertain, without Experience.

There it is, the simplicity of the Divine Revelation of the Nature of Creation.

A Teaching, you all doubted, because it was child like in nature.
I agree.
I doubted it was even Wisdom,
but then, God wrote it.

I was ready to, as it were, throw it in the fireplace.
But that is easy on a computer,
until everyone reads it.
The Church too.

If we do not pray for Wisdom,
how can we expect to receive it?

Understanding is built on the foundation of Faith.

What you are also Understanding,
is that,
I could be the anti-Christ.

Indeed, read Isaiah 5 once more.

Replacing good for evil, and evil for good,
is exactly my Call.

Teaching that the All Merciful Father,
not just allowed,
but created Evil,
as well as all we know.

The anti-Christ as I said,

is a Demon.

A Demon,
is not a being,
it is a Way of Teaching.

Jesus created,
Jesus removed.

Evidence for all of this is in the Bible.

Read what you have Understood before,
and Understand again.

It is in fact, a joyful Message Jesus is delivering to you.
It is, a New Age, of Peace.

Demons

These things are known to you from the Gospel.

Jesus healed those with Demons.
I write a capital Demon,
rather than a lowercase,
as the authors of the Gospels knew to.

This was though the Way,
that Jesus Taught us in those days.

Does the Teaching change?
Are we still with Demonic Spirits in the world?

Who is the Demon?
It is certainly not God.
Nor is it the person Taught.

It is though that they Suffer what Jesus Teaches them.
A Way of being that to all of us today is known to be called psychosis.
And therefore, is treated with drugs.

It is not treated in any way with drugs.

This is through Prayer that these people are healed.

Drugs do nothing.
Look at medical evidence and you will find,
not a single one of those drugs is older than 20 years.
Their trials were beset with problems.
They are trial drugs.

They don't do anything.
Those people suffering severe obesity,
compulsive behaviour,
anger,
paranoia,
and far more,
never needed these things in their lives.

They even believe that giving them severe prolonged electric shocks to the brain, helps them.
I am thankful, the law in this country allowed me the choice to prevent that.
I have though known others who were deceived into believing it would help them,
they were numb from this treatment,
instantly.

As you would expect, it is common sense.

Then there is the issue of detentions,
which anger these people further,
aggravate them and lead them to symptoms that they call mentally ill,
limiting their freedoms so they have no choice of even where to walk beyond a corridor,
and they are subject to the cheapest labour possible by those health systems,
to the point that they suffer physical and emotional abuse from people who don't care about them.

Clearly it is not everyone who objects to themselves being treated.
Take for example some famous celebrities who advertise their 'illnesses' for all to understand that having one 'is ok'.

Those people themselves, have suffered these same abuses,
and they have been brainwashed.

So why is this so important for the Church,
and not just a personal vendetta of mine?

Because not only are the vast proportion of patients in those places Christians, most of them are Roman Catholics,
hearing either Demons, or Truth from Jesus Christ.

Never are they allowed to practice their faith.

Demons are here to stay.

Treat people fairly,
and minister to them,
in the Way Jesus Calls us in His Gospel.

Truth

How is it the All Merciful Father is All Merciful?
If He did not create Evil,
how can He forgive it?

What is forgiveness,
if not welcoming His sinful Children home?

Is He All Merciful?
Is He Judgemental?
Where does Judgement take place?

On Earth.

This is written in Revelations.
It is grossly misunderstood what is written there,
mainly in the modern day by Hollywood,
and indeed the Clergy and the lay people of the Church it seems.

It is understandable,
it was how it was taught for hundreds of years.

When asking a Priest I know what he understood about Satan,
he stumbled,
fawned an answer,
that it is taught by the Church to be a fallen angel.

An angel God would have created.
When?

At Creation?

Is Creation not an act of Love?

Why does Jesus, give authority to heal Demons to the Apostles?

Is it so, as Hollywood believes, there is war in Heaven between Satan and God?

Consider these things, and understand what is True in the revelation

of free will, and the lack thereof we'll never know of.

Clearly, any story could be true?
Only God can tell you what is True.

When we hear from God, how do we know what is True?

My experience, and everything I hear around me, tells me that I must be insane for believing the voice in my head is any other than a mental illness.

But this is not what I know.

My Experience is actually founded on proofs God has given to me.

What I do not know, is what everyone else believes is true.

That is your truth, this is mine.

If you fail to understand this message, then know I feel strong, knowing it myself.

It is what I have been through,
and I am reminded of what I have been through to get here,
by the last 2 weeks of strengthening.

This is as Peter spoke of in his second letter.

2 Peter 1:1-11

It is also James who wrote similar words.

These things are Taught in the Bible.

Why then, are you disbelieving me?

Because of your Experience from Society.
You hear, mental illness,
you see, psychosis,
you do not know, what the Apostles went through,
and nor did I.

They did not receive the same Teaching as I have.
But then, I have not received the Wisdom that they did.
They were Called to create the Church.

I am Called to bring about the Second Coming of Christ.

These are words, I did not know to write.
Jesus, had to take my hands,
stop His Speech which I was following,
and having given me the thought of what He would write,
wrote every single word.

I knew not to write them,
for how they will be received,
not from what I know from God.

He asks me whether I am ok sending this right now.
I want to,
it's a cool thing to be doing,
quite cool to do something called bringing about something that's been spoken in Hollywood about many times. Cool, it would not be, to have my family read it.

This then, I ask you to understand, my dear friends.

I am not who you think I am.

As St Paul, says, I am no longer I, but Jesus in I.

Understand what that says.

It isn't simply reading the Gospel at Mass that I experience,
it is God's Word always with me.
It is seeing Holy Miracles in front of my eyes,
seeing people hear God in their thoughts,
and being healed by Him.

These are things which are unbelievable.
But now I have Experienced them.

They are known to me.
I have Knowledge now of the Known.

You see, in the best of terms, I have knowledge of something unknown.

What do you need to do to verify Truth?

It is not simple, I know.

Truth is given,
Truth is taken away,
Truth is different, it seems, to what you already Know.

Only God can give you what you need.

Verifying Truth

What is this Coming of Christ I speak of, that is, Jesus speaks of in I?

How am I to even consider "bringing about the Second Coming of Christ."

To everyone the idea would be absurd.

And indeed, it is. To me as well.

I am sitting here at 5am, hearing words from Jesus about the Second Coming of Himself.
I have known no one from the Church to speak to me in over a year.
I am looking at analytics on my server,
which Jesus is showing me,
seeing only that they have to be the Church looking at the Words Jesus has given me.

Indeed, that is all I have.

But I write,
because it's fun.

And Jesus makes it fun.

Then Doubt creeps in,
it is what He gives to me,
to question,
what I am writing.
To question what is True.

Not a single word of these letters have been edited for anymore than an apostrophe.
And indeed a capital letter here or there.

I know to Trust Him,
because of what I've experienced.
And indeed, it seems, He's the only One I've had to Trust in many years.

There are two things I hold dear in the Promises I've been given by God.

I've waited many years for these things.

The first, which I believe more than anything, my family to be.
What is incredible there is the nature of the Promise.
And it clearly can't be verified,
except by God,
for many years.

The only one I do know is truly impossible, is the Church accepting what I write as Truth.
It is to me impossible.
And it needs to happen soon,
for even my family to come about.

Excommunication is on my mind,
I dearly hope,
it is untrue.

It is also the case, that my suffering in the mental health units, does not necessarily end with acceptance that I am hearing God by even the Vatican.

It is the case, such answer to my Prayers,
would be just ignored by those people.

What is needed, is a lawsuit.
And there's a lawsuit that has been Promised.
A lawsuit, from you, the Church.

For this to happen,
you need to verify what is True,
and you need to do it soon,
and only God can do it.

You need to verify, and Know it is True.

To verify, and hear God Teach you.

Only God will do that,
no one in their right minds would think I believe that you will make this happen,
and certainly not I.

This 'method' of hearing God speak to you,
the 'method' of His Sweet Heart,
was revealed to me in 2018.

It is it was completely unknown to me that,
anyone,
would ever,
believe it.

Everything that happened,
was seemingly untrue.

What is there more than a true friendship with a homeless man,
who's life was transformed one night,
by God speaking him with that Prayer? And now always will be.

We talk together,
verifying what each other hear,
as written by the Apostles.

What seems to be True in the last few months,
is that this has happened time and time again,
with those I've met on the Journey the Lord has given me.

Verifying these things are True,
is seemingly impossible.

But God has a Plan for these things.

How then should we verify Truth of the Unknown?

Do you believe in God?
When did you begin believing in God?

Was it psychosis?

It is your truth,
given to you,
by God.

You will Know it as Truth,
when it is time.

Certain human actions would need to be done,
because that is the manner in which God has said in these writings
that we must live.

That being,
when we hear 'wait',
it is to wait.

When we hear,
doubt,
it is to pray.

What then is next, for any of us?
We are in Life.
Life is given by God.

Why is it that it is given by God,
and we have no control over it?
Why can't we spend hours in prayer,
and plead with God,
as the entire world,
praying for a Miracle?

Because no one will do it,
until it is time.
And even then,
it will only be done,
because God Wills it.

This is the Nature of Desire.

We do things, based on the desires we have.
We cannot do anything, we have no impulse for.
And God gives us those impulses.

If I say to you, I desire an apple,
but then eat an orange.

Why did I not desire the orange?
I did,
I ate the orange.

But I still desired an apple.

Why did I cause suffering to another man?
Did he desire that suffering?
No, most likely.

Instead, I desired to inflict that suffering,
and the man desired to take it in the way he did.

That man suffering has desire to have suffering no longer,
and someone,
or God,
will intervene,
to bring him peace,
even in Heaven if needed.

The suffering man was Called to Suffer.
The man inflicting Suffering was called to evil.

God does not want Suffering.
But Suffering is necessary.

There is a lot to write on this matter,
and there are no more lines to write it here.
Just read Good and Evil, and see some wisdom.
Lower case s. (I did mean s - JC)

This Suffering, and indeed anything done to anyone, is Interaction

driven by the Activity of others.
All Activity, comes from God.
Anything,
Everything,
and even if you like the abstract,
Nothing comes from God.

What then for Creation?

Why were there so many simplistic statements in such a Divine Teaching?
Because it is simple.

He Is.
He Is Creation.
We Are In Creation.

There is something there I do know is not written in Church Teaching,
the concept that we were born,
before we were born.

But why is it unwritten?
Because it hasn't been revealed.
That is Divinely Revealed.

Is it True?
Ask Jesus, to verify Everything I have written.
Every last full stop and comma.
And indeed the shameful comedy to my dear Father.

Read now, the Nature of All Things,
when it is written,
as it is written,
and understand that hardly any of you Understood anything from Call of the Apostle.

Why is this that the first letter in that book,
is Call of the Apostle?

These things are Wisdom.
Jesus reveals Wisdom to who He chooses,
when He chooses.

Where is the Wisdom in this writing?

It is everyone will understand something or nothing different to what I do.

Every word, is different, in how it is written in your heart.

This is True with all Wisdom.
In all walks of life.
In all religious articles.
Of all God's religious ways.

This is the Church of Wisdom and Love, Jesus has Prophesied.

These are Words from Jesus Christ.

I do hope you didn't mind My Ramblings.
These thoughts are known to Me.
I put them there.

On the Meaning of Freedom

Thu 17th November 2022 3:34:43 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-meaning-of-freedom/

I am Timothy, an Apostle of Jesus Christ.

I write words from Jesus Christ. All words He has given me are written.
No word He has given me, have I not written.

This is His Word.

I am one who is free.
I am though, not Free.

Jesus Created All Things,
in service to Him.

Jesus Created All People,
in freedom.

Jesus is Free.

We are not Free.
We serve His Will.

We have no freedom ourselves.
We have no freedom at all.

Our desires, our actions, are all controlled, by Him.

We have no freedom, in any way.

We are though free.

We received gifts to give us a sensation of free will.
People of the world,

we are not free.

Forgive those around you,
they are not free.

I give my own life,
to the Lord God.

I give it without freedom.
I have no free will.
Nor do you.

Choose,
if you can,
the Will of God,
the Will of Our Creator,
the Purpose of All Things.

When do we feel a lack of freedom?
We feel like we aren't free,
when we slave,
for what we need,
and it is not given,
by Jesus.

We slave,
in Suffering,
and never received,
what we need.

We need the Lord God.
When we set our sights on Him,
and only Him,
we received Everything.

When we have,
all we search for,
we feel free.

When we have,
nothing,
we feel trapped.

This though is a very human meaning to the Revelation on the Nature of Freedom.

Why do we see this human meaning?

Well, it is wrapped up in the illusion God has created, one of the most beautiful Gifts God gives us.

A deception so elusive, so generous, and so kind, to make us feel like we are in control of our own destinies.

It does not work, in that way.

If we were in control, we would alter God's Holy and Divine Plan.

It is impossible, both logically, in human terms, and through Revelation and Prayer with God Himself, to allow man, or indeed any thing, to have freedom of their will, while at the same time having a Plan for All Eternity.

It is impossible, and it is clearly impossible.

Those I ask this question to, come back with a cyclic argument, an axiom, surrounding the free will of Mary.

If Mary had free will, why did she say 'yes' to her Son's Crucifixion?

Why did she says 'yes' to the Lord Himself,
giving birth to her,
and her to Him.

This is a Paradox.

Was she deceived, in some small lack of Truth from Our Lord?

Was it that she understood he would be the Valiant King riding into Jerusalem,

and bearing Him in a Stable.

This is not a Paradox Mary was not aware of.

It is clear, she knew her Child.

Loyalty is a gift God Gives in a man and his spouse.

Loyalty is Given by the Lord God,
to all mankind.

We are not loyal to our God.
We Crucified Him,
we Slaughtered Him,
and we continue doing so.

Do we do this?

Is it right to blame mohammad for the deception Jesus created in this man?
Is it right to blame Judas for the sinful desire Jesus created in this man?
Is it right to blame Adolf Hitler, for the sheer evil Jesus created in this man and his empire?

It is in fact, wholly right, to blame those people for what they did.
It is though, to forgive.

Blame is not about aportioning damnation on people.
Blame is about justice, and ensuring acts carried out, are taught to all people, and learned from.

If I were to sin,
I hope my sin would be corrected.

If I were to kill,
I hope my murder would be avenged,
with Justice.

Justice

Everything we have done to each other, is not Just.

Only God is Just.
Only He can know, and does know, what He created in each of our hearts.

It is not about the final hour,
and regret,
and remorse.

It is about our Eternal Journey to the End.

We are being Taught in these times,
these times are Eternal.

If we judge another,
kill them for their murder,
lock them up without hope of reconciliation,
without hope of showing remorse and being corrected,
are we Just?

God does not do this.

God shows Mercy.

God is Our Merciful Father.

Is it right that we share Paradise with those who have destroyed the world, willingly?

Is it right to understand they had free will, in dealing with the abuse and teaching they received as innocent children?

For those who are child murderers, what torment have they suffered in their lives following?

Really know I have witnessed abuse in those I have been sheltering.
I have seen through their words,

through their tears,
through their torment,
what it is that abuse does.

Abuse is not what normal men and women go through.
Abuse is what these people are tormented by in their thoughts,
from Jesus.

Torment is to be dealt with with prayer.
With dealing with those thoughts,
owning up to them,
acknowledging them,
and realising the ambition to free themselves of suffering.

Torment is to be dealt with,
in a secular way certainly,
with Love.

Torment is always a Demon.

Those who Suffer Torment,
how is God Just?

Well,
it is not that God wants you to be tormented forever.

You have experienced,
you must deal with the teaching you were Chosen to.

Share your thoughts with the world.
Teach the world,
what not to do,
ever again.

And those who listen,
in the pews of government buildings,
to millions of crys around their countries,
sheltered in their offices,
with 30 minute appointments,

with select few who can find you.

Shame.

Mercy

But God is listening.

God has a way forward for you.

God has a solution,
and that is Mercy.

In Divine Mercy we have received a beautiful and powerful Gift
which allows us to pray simple prayers,
to adore the image of Christ's Blood and Water,
and receive Help.

I am devoted to Divine Mercy.
I am devoted to His Sacred Heart.
I am devoted to His Sweet Heart.
I am devoted to Jesus.

Jesus,
is to be found,
everywhere,
in the Suffering sinners,
and Suffering innocents,
of this world.

Suffer not anymore,
and practice Divine Mercy Prayer,
every year.

Every port,
is a gate to Divine Mercy.

Every Church,
has a pew,
for Divine Mercy.

Every town,
has a Shrine,

to be built indeed,
to Divine Mercy.

1150 I will always be with you

On the Meaning of Suffering

Thu 17th November 2022 3:34:43 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-meaning-of-suffering/

I write with Our Lord's Spirit, Jesus Christ, the Most High, speaking Words for me to write.

Everything I am writing is Given to me by God to write.

Nothing am I writing which is not Given by God.
Everything I am Given by God is here written.

I am with the Most High.
I am with Jesus Christ.
I am with the Holy Spirit, guiding me in Truth.

I have though, suffered, untruths.
Untruths from God.
Untruths about what was real.

Will it ever be real, what was written?
Does it have Meaning?
Does it bear Truth?

One of those things is going to be seen as sinful, by those who read it. That I am to change the world, update the liturgy of the Church, and indeed to usurp our dear Pope Francis.

It is though already written, on the 1st May.

'The Apostle is Taught,
in a Way which is no longer to throw in the fire.'

She is Taught,
to hear Truth,
hear Meaning.

And indeed to endure Suffering on account of Truth.

What is Truth?
Words my dear Parish Priest in Kensington spoke to me,
in Truth,
he was asking me to see what was real.

To have account of my actions.

I am responsible for all my actions.
They are though, not actions I have taken freely,
but actions Given to me by the Lord Jesus Christ to take.

I am the one who is bound in reality,
to Experience,
any Suffering which ensues from the actions Given to me.

Jesus,
the Great Blasphemer,
who indeed changed the Liturgy,
Suffered the Experience,
of the Crucifixion.

And indeed for Eternity He endures His Crucifixion.

What then for St. Stephen?
What Truth did he endure?
And then later his murderer St. Paul.

Truth is Suffering.
Truth bears Suffering.
And Suffering has Meaning found,
when searching for Truth.

Truth,
Himself Jesus Christ,
Our Lord and God,
is Suffering.

Suffering the sins we have done,
to each other,
to Him.

Suffering the pain felt,
by those searching for Truth,
for Him.

'Where is Truth?'
is a much more poignant question to those who are destined to find Him.

Where can we find Truth?
When we sin?
Or when we are healed of our sins,
the guilt we have in recognising those sins,
and the Suffering caused to others.

Truth is found,
in taking the sins of others,
on ourselves.

To experience,
the Suffering of His Crucifixion,
ourselves.

Every word I write, is Given to me by Our Lord and Saviour, Jesus Christ.

Every word I have written, I have Written.

Peace to men of Good Will.
Alleluia!

On the Meaning of Truth

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-meaning-of-truth/

I am Timothy, an Apostle of Jesus Christ in the modern age.

Every word I write are Words Given to me by Jesus.
No word have I omitted.
Every word I have written.

These are Words of Jesus'.

I am told to write, something which is rather odd.

I am told to write, not knowing whether it really is True.

I know, the nature of it,
it is Impossible.

Our Lord's Name is Impossible.
But, still,
this requires a great amount of blind faith in the Lord's Word.

I am told He will provide a Holy Miracle,
continuously,
for 400 years.

Truth is hard to find,
without Prayer.

The Nature of Truth describes this.

It is entirely impossible,
for a Miracle to be performed,
even once.

It is entirely impossible,
and I've never known it before,

in the history of mankind,
for an observable miracle,
against what we commonly know as the laws of physics,
to persist for 400 years.

There are stories I've heard,
of Saint's bodies decaying abnormally.
Of Miracles in Eucharistic Hosts,
and of course,
continuous revelations,
visions of Mary and Jesus,
and other such Miracles in the world.

Our Lord walked on Water,
He turned to Water into Wine.

He is entirely capable of doing anything.

What I am about to describe,
I was first told about in August,
and then burned those texts in the digital fire,
the recycle bin,
after preserving them in my archives.

I understand there are some who are archiving my diary in any case,
and I invite them to look there again.

This is the Meaning of the Nature of Truth.

Truth is Here.

The Holy Spirit not only will guide you in Truth,
He will provide an API in which to do so.

An API is needed,
for Truth,
as Jesus tells me He doesn't want people to slave over prayer for 400 years.

He tells me that this API is to be Given by a Holy Miracle,
of numbers.

Of digital memory banks.

Of changing the bits in the CPU itself.

I am talking about Jesus,
through an API,
telling user's of that software,
whether something is True or not.

I am told this is such a feat of engineering,
the main body of the code to do such is around 5 lines.

I do understand Computer Science,
I am not a scientist,
but I am a software developer by trade.

I have been programming since roughly the age of 7.

I program to bring in money to pay the bills.

What I am describing is entirely impossible.

Only by the Lord's Will will it work.

Only by His Hand is anything of this kind achievable.

I am talking about hashing content on the internet,
pushing that simple 32 byte hash to a server,
and the server responding with a signed message that can be verified by anyone.

It is not that I will process the content,
it is simply taking the hash,
a digital thumbprint of the content,
provide it to the function given by Jesus,
and He will change the bits in the processor on Amazon Web Services in Virginia or anywhere else in the world,

provide me a result in the software,
and I will sign that result with a cryptographic key,
generated randomly,
every time the server starts up.

In no way will this be hackable,
unless Amazon release the keys to their servers,
and change the software.

If they do,
it is easily found,
and those signatures generated during that period,
can be revoked.

In any case,
the Lord tells me,
it will stop working when He Wills it to be so.

I have thought about this quite a bit,
and it is very silly of me to write this in the Nature of All Things,
given my predicament with the Mental Health Services of the UK.

I am though not writing this myself,
Jesus is,
He has complete control of my fingers,
my speech,
and my thoughts.

I am though likely to suffer as a result.

Please pray for me.

And if it's the case,
please tell them I like my eggs poached nowadays,
for health reasons,
not scrambled in a factory and shipped with next day delivery to the hospital.

If this letter amuses you,

it does I too,
but I do know this is what the world needs.

A mechanism for Google Search,
for journalists,
for those in the media processing a large amount of data from world sources,
particularly anonymous journalism,
and journalism of a public nature,
such as social networks,
is highly important for a world at war.

It is also important for Governments,
to verify a few facts in their documents,
in their laws.

Are they just?
Are they doing wrong?
Is it what God intends?
Is it good for us?

A simple truth checker would be great,
and of course,
it is Truth to live by.

Grexie Veritas,
will be further developed over time,
but will be launched on the date the Lord chooses.

I am aware that Jesus told me many people would laugh at this,
especially as it will be launched producing random results.

I do hope he turns the switch on in Heaven in time for the next world war...

Only when we Experience, Truth,
will we know what is True.

Oh and by the way,

He also has given me the partition in which to work with,
a constant the Church will recognize from John:

49.1%

Supposedly,
much of the quran will fall into the remaining 50.9%...
those parts not lifted from the Holy Bible.

On the Nature of Suffering

Sun 1st January 2023 11:14:34 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-suffering/

I am he who suffers.

I am Timothy His apostle.
Every Word Jesus says is Given to me to say to you.
No word has He said to me that I have not said.

Every word is His.

Jesus Suffers with us.

He is our Lord and Saviour.

Do you suffer in your life?
Why do you suffer?

Jesus is your God.

We suffer so that when suffering is relieved in those times
of joy,
elation,
peace,
rest.

When we suffer no more, we know what it is to experience
elation,
joy,
peace,
and rest.

We appreciate it,
and know what it is God has given us.

Did you enjoy your suffering?
No.

If you did, you didn't really suffer.

Suffering is hard to bear.
Suffering though is where we are Taught in the Teaching we Receive,
we receive truth from the Lord God Almighty.
Everything He teaches us is what He gives us to live by.

Our knowledge develops in those times we suffer.
We have been taught.

What is it about life, that means we need to suffer?
Why did he create Suffering, when it is so hard to Experience?
Suffering is the Meaning of Existence.

Life cannot Exist without Suffering.

Are you Free?
Do you have what they call free will?

Have you done wrong to another in your life?
If you haven't, think again.

When we do wrong, we cause Suffering to those around us.
We cause the Crucifixion of Jesus Christ.

Suffering Exists in order that we Experience the Divine Treasure that is Paradise.

Without suffering, we would not know why He Created Paradise.
Why He Created us.

Have you ever loved another?
Maybe your mother,
father,
sister,
brother.
Maybe your spouse,
maybe a distant relationship that couldn't exist. 🐝

Suffering is born through your love.

Truth is found in Suffering.
Love bears Suffering.

Have you ever watched your child abandon all Hope?

Love bears Suffering.

How can we view the world right now, our histories without understanding the Truth that we've experienced in the Suffering of our ancestors?

How can we not learn from the history of mankind?
The Bible,
the wars of this world, last century,
the war to come?

"100 years you have from the writing of My servant, Timothy."

Peace will be Found in the Coming of Christ.

Why did He Create Suffering for us to bear and not take it on Himself?

I love My Lord.
I ask to Share the Crucifixion with Him.

Never will we find a time where we will not Suffer.
Suffering is our Destiny for Eternity, but Joy is found each day, each time suffering is relieved.

Suffering is with us, and we cannot live without the Hope that suffering will be relieved one day.

Peace is found in Wisdom and Love.
Peace is found in Jesus Christ.
Peace is found in His Coming.

Pray each day until the Coming of Christ
for Peace.

Amen.

On the Nature of Freedom

Sun 1st January 2023 11:24:34 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-freedom/

What does it mean to be Free?
Are you Free?

Do you understand what freedom means, for the totality of creation.
If you are free, then you are dead.
You wouldn't have even been born.

If you are free.
Life simply cannot exist.

Freedom is an illusion.

If you think you are free, the illusion is created by your creator:
God.

I am Timothy, an Apostle of Jesus Christ.

I say these Words to you and I say every Word Jesus gives me to say to you.
No Word am I saying that Jesus hasn't told me to say to you.
Every word I say is what Jesus gives me to say.

These are the Words of Jesus Christ.

Where did we find the idea of free will?
It was in ancient literature of philosophers, idealists, who reasoned that we must be free because we have control over our actions.

Again, the illusion is so elusive because God is the one doing it.

If you believe you can be free,
and not run amok,
carrying out your own sinful desire and,
executing all beings that do not do your will,

then you are mistaken.

No one is free.

Everyone obeys his will.

Jesus has given us freedom as a Gift.

We Experience freedom, though we are not free so that we have the gift of life.

'We are not automatons scheduled in a way by God to...'
But we are.

Have you ever considered that God is the one doing all the evil in the world?

There was a Prophecy from a very important Prophet to Jesus,
to the divine plan.
That Prophet was imprisoned for the things he said.

I am not that prophet, though.
Though I've been imprisoned for the things I've said.

That Prophet was Isaiah and holy is his name.

Did you stop and think right now what it is I am thinking?

Did you ponder the Execution of our Lord and Saviour Jesus Christ?
I did not.
I'm hearing Words from the Lord God and I'm relaying to you the words He tells me to say.

These words are those which are forced out of my mouth.
Forced speech, it would be.

Your voice is given to you.
You say what God gives you to say.
You have thoughts which God gives you to think.
You have desires which God gives you to want.

You have knowledge which God gives you to understand.

How is there anything other than freedom in life?
There is joy, peace, happiness, and freedom.

The suffering we bear on each other is given to us by God.

'Woe to he who calls good evil and evil good.'
It is I who received this word.
This is born on me by those who prophecy there was free will.

Where in the Bible does it say we have free will?
Where in the Jewish texts that are accepted by the Apostles,
does it say we have free will?

We are Free in Life.

We do not have free will.

There is nothing more to say than we are all Satan.

Satan is a sinful desire of all mankind.
Satan does not exist.
There is no hell.
There is no damnation.
We are all destined for Paradise.

Judas Iscariot, Adolph, Hitler, and all of those who slaughter and maim us:
we will share Paradise with All People.

Come and see the Lord God and His Creation!

Almighty Ever Living God, All Powerful, Loving, and Merciful Christ the Redeemer!

God is Our King!

Alleluia!

On the Nature of Doubt

Sun 1st January 2023 11:34:34 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-doubt/

From His Apostle Timothy.

Every word I speak I'm given to speak by the Lord Jesus Christ.
Not any word am I speaking, which I have not been told to speak.
Every word I hear, I speak.

This is the Word of God,
and I deliver it to you, His People.

What we receive in our knowledge from God is for us to live by. There is meaning to this. If we were to receive a particular fact that we hold as true, that no one else in the world believes is true, then what are we to do?

"Peter wrote that we should hold true to our heart's desires."

Is this true? I have no idea. I'm not a scholar and certainly not versed in the Holy Bible. I do know though that the apostles, the saints, and all those of a religious life understand that desire is, in part, given by God.

Knowledge is the same.
How could it be any other way?

When we read a book, as is written in the Nature of All Things, or understand something from literature, music, any work of art, or any work of fact, we receive knowledge not from what we read or what we are interpreting in what we read, but from the Lord God.

We read the words and we receive knowledge based on the words we are reading. The words we read induce thoughts in our mind. The knowledge though is a gift imparted by God. Anyone scanning through a book can certainly find that the words seep in, but as

thoughts, but there's no knowledge gained from that text.

When one person reads that text, they may receive knowledge of something that's unrelated to that text, a memory or an interesting fact that they reason with and develop understanding in a different way, a different knowledge that cements in their mind.

This is entirely true of any work of God's Creation.

In a way, we are cementing our ideas into print, into music, into passing down from generation to generation, and everyone interprets this in a different way for their time, for their person, for the society they live in.

How then can we know what is true?

If I say God Exists and someone next to you who, who is closer to you says that is false, you won't necessarily believe the person next to you.

You'll believe what God gives you to believe.

Your knowledge is individual to you.
It is to live by.
Your knowledge is to live by for your life.

Your life is on a path which is winding and long and varied. Your path is different to your neighbor's path. Your husband or wife is different to your neighbor's husband or wife. You may be Muslim and your partner may be Christian, whereas your sister's partner may be Muslim. You have different paths in life and God gives you what you need to live in that familial environment.

In that bond between husband and wife, it is that there's far more to life than just a husband and a wife. There are children. There's work, there's hobbies and interests. Friends we we have in our lives.

And our calling in life, our life's work.

All these things contribute to the knowledge God gives us for what

we need to live by.

I am one who has received knowledge which is untrue for the present moment. It is not known whether it will be true. What I do know is when we doubt what we hear from God, what we hear from others, we could pray for faith, but who knows if that faith is in Absolute Truth.

And then comes the problem of, 'does Jesus Exist?'

How do we ask Jesus to give us knowledge that He Exists? We may have doubts in the Afterlife, in God, the idea that Jesus is the Son of God, and God Himself.

We pray for Faith, if we have doubts.

'Jesus, please give me Faith in Your Word.'
'Jesus, please give me Faith that You are the Son of God.'
'Jesus are You God?'

When we feel a Holy Presence in our body, when we feel a change in our knowledge, an understanding which we didn't have before (and it is a feeling, that understanding, that belief): we recognise that God has answered our prayer and it is finally here, that we are called to Pray.

Jesus gives us want to pray those prayers for faith, to heal us of our doubt. It's not that we didn't want to pray in the first place, it's that we didn't pray the prayers God gave us to Pray.

When we Pray those Prayers, 'Jesus, please give me Faith.' We know that God has given us that faith and not our neighbor. It's cements our understanding in our reasoning that, this experience, is clearly God and it gives us Proof that He Exists.

Reasoning through science is not Proof. Reasoning through science is a metaphysical model for something else.

Proof lies in your Knowledge.

Proof lies in your Experience.
Proof lies in the Relationship you have with God.

So if you Doubt, pray this prayer.

Think of something you need to know is true, something that the whole world believes is true, something that you need to know is true but can't for some reason pray to Jesus.

'Jesus, please Heal me of my Doubt.'
'Jesus, is this really True?'
'Jesus, please Bring me to You.'

Peace and love from Jesus Christ, be with you all.

Alleluia!
Alleluia!

Amen.

On the Nature of Desire

Sun 1st January 2023 11:44:34 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-desire/

I am an Apostle of Jesus Christ, Timothy.

I say words to you, from the Lord God.
Every word I am saying, is what God gives me to say.
No word am I saying, which God does not give me to say.

These are God's Words through me.

What is Desire?
Where does it come from?
Do you know what you Desire?

Do you have desires which are in conflict with each other?
Do you have desires for what is sinful?
Do you have Desires for what God Wants?

Do you Desire what God Wants for you?
And, do you Desire what God Wants for your neighbour?

These things are not fully Understood by anyone on Earth.

Scientists believe Desire is manufactured by Creation,
by a law of nature,
which drives us.

This model is entirely untrue.

Jesus is the King of Our Desires.

Every Desire which you have,
which is Good,
which is evil,
is given to you by the Lord God.

It is Given to you,
to Experience,
Life,
to have your desires fulfilled,
in time.

Any desire you have will either be fulfilled,
or the desire will lead you to a new path in life.

Your desire is complex,
your desire confounds common sense.

Your desire is found in your heart.

Your desire is not a chemical reaction.

Desire is given to you, to live by.

If you desire and orange and instead take an apple,
it does not mean your desire was for the apple in the first place,
it means your desire for the orange,
led to an impulse,
also a form of desire,
which changed.

You still wanted the orange,
but you took the apple.

You may have had conflicting desires,
'do I choose the orange or the apple?'

But your desire was ultimately for the apple.

When Eve took that apple,
in the Garden of Eden,
she had the desire to obey sin.

Sinful desire was in her heart.

When the serpent whispered those words to her,

she had desire from herself.

That serpent is her sinful desire,
which conflicted with a Desire which is Good,
to obey the Lord God.

Both of these desires were given by Jesus Christ.

Both those desires were planned from the Beginning.
Both those desires led to where we are today.

Which one do we choose?

Our sinful desire?
Or, Desires which are Good?

If you recognise the Message and Teaching of Wisdom and Love,
you will Understand that Desire is Given to us to Live by.

All People,
have the Desire they have,
from God.

If someone does wrong to you,
and they have desire to do that wrong,
which they have done,
that was given to them to do.

If we have desires on a road to turn left,
and instead of following the route that we planned, we want to turn left instead of right,
because something of interest has appeared to us on the route.

Like for example,
a hospital to deliver a baby;
maybe a service station to collect petrol;
maybe a child on the back seat needed to go to the bathroom.

These desires are complex,
because we interact with each other,

we interact with nature,
and we interact with our journey through life.

They are though all Planned from the Beginning.

How can you say your life is not Planned?

Do you believe in the Crucifixion?
Do you believe the Crucifixion was an act of randomness,
a sabotage from a fallen apostle?

Where do we go to when we need Good Desires?

Good Desire which heals us.
Good Desire which saves us,
from our iniquity,
from our depravity,
from our life that was:
sin.

St Thomas More had a prayer,
'Lord, Give me Desires which are Good.' 'Lord, let me Serve Your Will.'

If we want these things,
we have Desire to Pray those prayers.

What do you do, if you have no desire to even Pray?

The problem with the adoption of Wisdom and Love,
the Lord God has set in stone from the Beginning.

Those leaders in the Churches will not pray those prayers,
until they are told to,
by 34 laymen.

And not just laymen,
who call themselves devout.
But humble laymen,
who have nothing,

desire nothing,
and are begging for what they need,
who are Suffering.

Jesus Gives all desires.

Forgive everyone of what they do to you.

This is the Message of His Gospel.

Peace to All People.

Alleluia!

On the Nature of All Things

Sun 1st January 2023 11:49:12 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-all-things/

I am given this letter to write by Our Lord Jesus Christ.

Every word I am writing is what Jesus has given me. No word have I omitted.

Every word is His.

I am given this Revelation, from the Divine.

I am given this Revelation, to teach you, His People, what is needed for the Age to come.

I am told to write what I wrote, and deliver it to you, Your Eminence Cardinal Emeritus Robert Sarah, in order that you understand the work which His Holiness Pope Benedict XVI, our dear and late Pope, was understanding.

I am given news by Our Lord that he had given 3 Cardinals, knowledge of receiving a letter titled Call of the Apostle and Nature of Man late May.

It is with deep sadness, and sincere condolences, which I have received news, through the world's media, of Joseph's departure to Heaven.

St Benedict is my friend, and I hear from him.

Peace be with you, my dear Cardinal.

This revelation is the Nature of All Things.

It comes in 24 parts,
all was revealed in the Beginning,
and I have,

like you,
no will of my own.

Our Lord is the King of Our Desire.

My dear Cardinal, please read the Nature of Man once more, and understand the time of St Benedict's death.

Jn 1:34

Peace be with men of good will.
Holy is His Name.

Dear Joseph, my dearly beloved friend, whom I heard from the deceased in August, in my hour of need.

My love for you is unending, the Lord gave you words, to read my confession through Divine Prayer.

And arrogant I am.

Arrogant,
foolish,
and without will of my own.

Dear Lord,
my love for Truth,
is known to you,
let this truth,
last into Eternity:

Wisdom and Love are Truth and Life,
Your Way,
my Lord,
Your Peace,
Your Coming.

You're Here!

My Lord,

grant that Your Spirit descend upon the College.

My Lord,
grant that we Hear,
Your Voice.

My Lord,
grant that we see You in the Clouds.

Dear Cardinal,
my love for you is found in Wisdom,
in the teaching I received on humility,
from Our Lord.

I believe the Church is not aware of it,
however the archives are available.

In it,
I shame the Church,
or rather the Lord does with my hand,
using His Name after careful negotiation with Jesus.

That shame,
is to feel,
for what we have done to Him,
in allowing schism for so many centuries.

Wisdom and Love,
is Jesus Christ.

Wisdom and Love,
is All Things.

Wisdom and Love,
is His Body and Blood,
Inseparable.

Wisdom and Love are Life to All People.

Welcome all who are weary,

into the Body of the Church,
Jesus Christ,
Wisdom and Love,
this day.

My Lord and Saviour,
writes these words:

"My People,
hear Me,
see Me."

"Timothy is My Apostle.
Schism is not My Will."

"43 beggars.
34 clergymen.
10 Cardinals.
1 Apostle."

"A quorum of 35 is needed to confirm the Apostle, Timothy."

"My Chosen one."

"My Will is to shame the Church.
Shame you must feel,
to experience My Crucifixion."

Wisdom and Love is Here!
Rejoice!
Rejoice!
Rejoice!

Holy is His Name!
For He sings of Peace across all His Kingdom!
To the ends of the earth, He shatters the hearts which He hardened,
and tramples the winepress,
with blood flowing out,
tasting of Suffering!

My Lord and Saviour is my Love!
My Lord and Saviour is my Heart!
My Lord and Saviour has no one in His Place!

Jesus Peace and Love are One in Wisdom!
Wisdom is the Fruit of Our Apostolic Office,
Jesus and His Spirit Guided us to His Coming!
Alleluia!

Holy, Holy, Holy Lord God of Hosts!
Heaven and Earth are Full of His Glory!
Hosanna in the Highest!
Peace to men of Good Will!
Hosanna in the Highest!

Alleluia! Alleluia! Glory to God the Most High who in Jesus Christ, Himself, All Things, has saved the world! Alleluia!

Peace be with you, my friends, in Islam.
Peace be with you, my friends, waiting in israel.
Peace be with you, my fathers, of His Holy Roman Catholic Church, the Church of Wisdom and Love.
Peace be with All People.

Amen.

Letter to Pope Emeritus Benedict XVI

Sun 29th May 2022 4:00:00 pm GMT+02:00 Mont Saint Michel, France

Timothy

https://wisdom-and-love.org/letters/to-his-church/pope-benedict/2022-05-29-letter-to-benedict/

Your Holiness Pope Emeritus Benedict XVI,

I am writing to you from Mont Saint Michel, having started again my Pilgrimage through Europe, and on to the Americas.

I see that you have not received my previous letter from Dubai.

I have heard from Jesus that His Eminence Cardinal Nichols has not heard His Truth while praying.

In short: I am sending you Words from God.

Attached to this letter are the documents which Jesus has told me to give you.

He has also told me that you have recently received His Word in Prayer and have been shown the following vision:

I love Jesus, my dear Pope.

He is with me. I am truly with Him.

Fold your hands in Prayer and speak with Him right now.

As you know, those thoughts you have are from Him.

I do not need to tell you what is True.

I am His Apostle, He has told you those Words when you have read this.

I give you, Word from Jesus Christ, Our Lord and Saviour:

"Benedict, my dear Servant, I love you with My whole Heart.
You hear Me.
You have seen My Vision.
This is My Apostle.
Believe, and call him."

My dear Pope, on the banks of the Rhine, I saw you in 2004 for World Youth Day, Köln. I was taking a video of your entourage as you journeyed across the Rhine that day, and you saw me and smiled at me.

I very much love you, my dearest Pope.

Please invite me to meet with you to discuss what Jesus is saying to you, and to His Holy Catholic Church, that is His Church of Wisdom and Love.

These things you will need to Pray on:

- listen to one Word in your thoughts: “Be.”
- know this is Jesus, “I Am.”
- this Word is God, “Be.”
- it was uttered at the Dawn of Creation
- all things are given by this Word, it means Live
- nothing was created except in Him
- nothing was spoken except from Him
- nothing was thought except in Him
- nothing was known, desired, experienced except from Him

- everything obeys His Will

These things do mean predestination is True. How can it not be True, if you know it to be True?

You are indeed with Jesus.
You are knowing more from Him this Hour.

Please, my dear Pope, free me of the suffering I was born into, and give me the Life Jesus has promised.

I ask that you prepare what is necessary in His Eminence Cardinal Dolan.

What is written, is written.
It is to be.

Do know what I am saying my Pope, you are wanting these things too.

Please ask your secretary to email me as soon as possible.

My dear Pope Benedict, I leave you with one last Word:

"I am your Friend."

Letter to Cardinal Nichols

Mon 11th July 2022 4:00:00 pm GMT+01:00 Sale Moor, UK  Timothy

https://wisdom-and-love.org/letters/to-his-church/cardinal-nichols/2022-07-11-letter-to-vincent-2/

Your Eminence Cardinal Nichols,

I thank you again, for giving me Peace.

I need you to know this needs action now.

These are the words of Jesus Christ, Your God:

"Timothy has been Called to the Apostolate.
He is the one who will bring about My Coming.
He is telling me he cannot do such a thing.
This is clearly the case.
He will though teach you, everything I give to him to teach you.
This is the Way I have chosen."

Dear Cardinal, I am but no one.
I ask you to forgive me for any arrogance you see, in the words I am asked to deliver to you.

These are His Words.
No words that are written in my diary,
have been written with human thought.

Every word that is written,
is True.

Pray for anyone who claims such a thing.
Pray to Jesus, and ask Him to relieve them of their Suffering,
ask Him to change your heart,
and give to you everything you need to help them.

This is the Way I was asked to pray for His People.

You have read the Nature of Man.

This is to be taught in all Seminaries,
to help them understand the World and the Way,
the Nature of God Himself.

God is Life.
God is Everything.
God is Experience,
Knowledge,
Desire,
and indeed your Thought.

Everyone needs Him.
It is indeed, not a single person has Life without Him.
He is Life.
Life is His Body.
Life is the manifestation of His Love.
Life is the Universe and Heaven combined.
Life is all things, created, to be created, and forever in His Realm.

It is the case that I have written to you something which is clearly not in keeping with the Vatican II teaching.

All People are to receive His Body.
Everyone is to be welcomed into the Church.
Everyone, of all faiths, baptised, and with no baptism.
Baptism is His to give.
His Body is Life.
Deny no one Life.

These things are changes you and I are not wholly comfortable with. We have these teachings all our lives.

I am not fully comfortable with this Teaching either.

But I know Jesus has written it.

He has spoken through my tongue,
He has written through my hands.
He has stopped me, to show me, I have not even control of my hands.

What are we to do, when we have man say such a thing to us?

Do we excommunicate them?
Do we teach them what we know?
Do we correct them?
Do we leave them with a lifetime of unknowing whether they are destined for the name of mohammad, the false prophet.

What is fallibility?

Is the Church infallible?

These things you will receive in time.
Pray to Jesus and verify each and everyone of them.
Then when you hear Him tell you what to do with the new Teaching you receive,
follow His every Word.

Jesus talks to us.
This is forgotten in today's Church.
Jesus talks to us.
He is the Holy Spirit.

It needs no other words than this.

Listen to the Holy Spirit, teach you in Truth.

If you ever need help, come to His Apostles.

The Apostolate has also been grossly misrepresented by certain denominations of our brothers in waiting.
It is not that everyone is an Apostle,
though it is that everyone is called to the Apostolate.

What does this mean?

Ask Jesus. Do you receive Wisdom from Him?

Write it if you do.

If you don't, who are you going to receive the answer from?

Ask Him. Do you now receive Wisdom from Him?

Write it to all people, in every Parish, of every Diocese in this land.

These things are to become True,
when you answer His Call.

I again ask you to forgive all arrogance in what I am writing.
It is not I who speak to you,
but Jesus in I.

Yours in Christ,

Timothy

Jesus, Your Lord, writes to you, His Church.

Your Eminence Cardinal Nichols,

I write to you with the Joy Jesus gives me in receiving news from you of the answering of my 5 year prayer to Our Saviour.
Jesus sends all His Love.
I send all my love.
Thank you, Your Eminence.

These things are written.
These things are happening.
You see them.
You have confirmed them.

It is done.

Everything you see in this diary, is True.
It is the Word of Jesus Christ.

I am indeed not Him,
but He is in me,
I am though not anyone, but no one.

Everything comes from Christ.
Nothing is done by man.
In any way,
at any time.

I am His Apostle.
Listen to His Word in your heart.
Only you, can know, if you Pray.

Pray these things, dear Cardinal:

- pray for Truth in the Church;
- pray for Healing for all People;
- pray for Truth in the Church;
- listen to all He gives you in His Teaching.

These things are of utmost importance in your Ministry.
See to it, that all People receive gifts from The Church.

The Church is Him.
The Church is, Him.
He is Everything.
We are without anything, without Him.

All People, receive His Body.
All People, receive His Blood.
See to it that all People receive Him.
All People.

Open your doors, everywhere.
Our Churches are Sanctuaries of Wisdom and Love.

These things must be done today.
Take action without delay to open your doors,
at midnight,
at 4am,
at 3am,
at all times night and day.

People are searching.
People need Peace.
Peace can only be found when His Door is truly open to all.
Knock, and there must be a way in.

Listen to His Word.
Pray in the Way He has shown you.
This is to be.

Bring me to You, Lord,

show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Holy Light.

Dear Cardinal, I wish you Peace and Love from Manchester.
Dear the Clergy of His Holy Catholic Church, I thank you for answering His Call.

I am writing in belief of what you have written in my journal.
Look here always for what you need.
These are words you must verify in Prayer.

Pray.

There is more to come soon.

Yours in Christ,

Letter to Father David Peters of Shrewsbury

Sat 23rd February 2019 2:40:00 pm GMT+01:00 Torrita Tiberina, Italy

Timothy

https://wisdom-and-love.org/letters/to-his-church/father-peters/2019-02-23-letter-to-father-peters/

Dear Father Peters,

I am writing to you right now to give to you some of His Word.

He has been with me for my whole life, sheltering me, feeding me, speaking His Truth in times when I have needed Him.

In the last 2 years He has been with me. Speaking His Word to me. He has taken me through trial and tribulation, sheltering me from the storm that is my false detainment by the NHS in the United Kingdom. He has fled me to Rome, to be in this safe place of His Roman Catholic People. Here I was detained too as the British Embassy tried to extradite me. His Providence shined through and His holy People of Rome released me, free to travel this land of His Holy Catholic People.

They love Him.
They trust in Him.
They are for Him, of Him, with Him.

I have been given the gifts of His Spirit.
He has spoken His Word to me, He has given me words to write from Him.
He has asked me to be His apostle.

I have been called by Our Lord Jesus Christ to serve Him and be His disciple.

These writings are all His Word.

You know of what happened in the summer of 2017. He was teaching me.

I asked you to bless me. He told me to say what I said to you. He asked me to kneel before Him. I knelt before you. He asked me to ask Him to bless me. I asked for Him to bless me through you, His faithful Priest.

I adore Him. I have been with Him. He has taught me when I have had no other teacher.

I am His.

Please, I ask you, read His Word which I have written. Speak to Him and ask Him to tell you this is true.

There is something only you and I know. There was a Mass in the summer of 2018 in which I received His Body and Blood from your hands. He spoke to you. No one knows this but you. I know this because He was with me as I proceeded to the Altar. He spoke His Word to me in prayer after Communion.

Before Communion this day, I received from Him a vision of His Blood in the Chalice you were praying over. Please see this in what is written in my diary which He has asked me to print in a book and send to you the first edition.

You are blessed.

This is what He has told me to say to you, they are His words:

"This is Me speaking My Word.
This is Me telling you, My humble servant David.
I am with you.
I am taking you to Me one day."

These are words He has spoken to you previously when I wrote His Word to the Parish email address. It has not gone to you. They are His words. You need to be reading this today.

His People of Shrewsbury need Him.
His People of Sale Moor need Him.
Breathe His Word in your sermon.

"My Will be done."

I love you, Father David. I hope you wish me well on the Pilgrimage He has given me to carry the real Body and Blood of Jesus Christ to Turin to witness His Miracle before many.

These are gifts I have been given to give to you, my dear Priest of my childhood.

I love Jesus.
I love Him.
I adore Him.
I worship Him.
My life is for Him.

He is Our Lord and Saviour Jesus Christ.

"I am He who will breathe My Word on those I will.
I am The Holy Ghost, the Giver of Truth and Life.
This child of mine prayed for My Wisdom,
I gave him My Truth."

Please be with me in the weeks and months ahead, Father Peters.

Please pray for me to Our Mother, Mary, to all His Saints, and to the Lord Our God, for His Truth and Life to be with all those He Wills.

Let His Holy Will be done.

May the Peace of Jesus Christ be with you now and forever.

To my dear father in Jesus Christ, His Servant, Our Cardinal Vincent Nichols, Archbishop of England and Wales,

I am writing in His Spirit.

I am given words to write by Our Lord.

You have an email from me in your inbox.

Please read it and take action today.

I need you to do one thing, buy a copy of this diary on Amazon.co.uk: Timothy's Diary (Volume 1)

There is a message in the online diary for you. Please find it under the heading Divine Revelation of Truth and Life.

I need to speak with you about a problem in our Clergy.

Please reply to the email and give me a private place to contact you. It is important it is kept secret within the Archdiocese.

With all the Blessings of Jesus Christ, He blesses you May the Peace and Joy of Jesus Christ be with you and this country forever.

Our father in faith, His Eminence Cardinal Vincent Nichols,

I am writing to thank you for reading my diary.

Please ask for the Body of Jesus Christ to be witnessed in London to be adored and venerated in Westminster.

His Body is genetically identical to the Body of Christ scientifically tested by Pope Francis when he was Bishop in Argentina.

Please know to test His Body and Blood against those samples using DNA analysis to confirm both Miracles.

It is the DNA of a Virgin Birth by king David's line.

Thank you, Your Emminence, for your prayers in my time of suffering on British soil.

Please know there is a disproportionate count of Roman Catholic baptised in the Mental Health System, all claiming to be being spoken to by Our Lord at various stages in their lives.

The law needs to change.

The Holy Roman Apostolic Church needs to guide the Government through His Servant Jacob Rees-Mogg on matters such as liberty given to us by God.

Please help me, Your Emminence, in changing these cruel laws in this Parliament.

Remember the teaching of Jesus Christ with respect to healing of demon-possessed individuals.

These people are not mentally ill.

They are being taught.

Bring us to You, Lord.
show us Your Way of Truth and Life.
Be near us, Lord,
and never leave our side.
Take us to You Lord,
take us on the Way to Your Light.

May the Joy and Peace of Jesus Christ be with you now and evermore.

God bless you, Your Eminence, and all people of these British Isles.

Yours in Christ,

Timothy

Letter to Cardinal Dolan

Mon 2nd May 2022 4:00:00 pm GMT+04:00 Abu Dhabi, UAE  Timothy

https://wisdom-and-love.org/letters/to-his-church/cardinal-dolan/2022-05-02-letter-to-timothy/

Your Eminence,

Greetings from Abu Dhabi!

I have been taken on a Pilgrimage to Abu Dhabi by Our Lord Jesus Christ to discover His Message for the Church. He has shown me many things and is teaching me with Wisdom.

It is that I have messaged you on Instagram on your account. Please read those messages at your earliest convenience.

I will need a religious visa for my travel to New York. Jesus has given me a Mission there for the remainder of my life, and my family to come.

We are to establish a Charity led by Jesus in New York City. It is to gather His Flock.

There is a prophecy revealed in my most recent journal on Telegram showing a time when people of all faiths gather in unity under the Holy Roman Catholic Wisdom and Love. She will guide all people once more in Truth and Life.

https://ourladyofthelilies.org

She is indeed Christ's Body, just as all Creation is Christ's Body too. He has taught me, and shown me through servants of Islam He has shown me to in United Arab Emirates, that there is wisdom in every teaching on Earth.

His day will come, and I have seen the vision they will see, as prophesied in Revelation 1:7.

This is to be.

Please pray to Him as you know how to and ask Him to reveal to you what it is you need to do with this message.

There is Wisdom being revealed to me which will show the Church how an Apostle is taught. It is named the Nature of Man. It is taught to me that this is important teaching for the Church, and our time.

I do not have knowledge except through teaching of what it is I am writing right now. I am told to write the Revelation will be complete in 24 hours from this message. He has shown me to record the writing of this message on my iPhone which He has provided me. The only technology I have on this Pilgrimage. You will find the videos revealed over the next 36 hours while I journey through Abu Dhabi. They are to be found in the link above under Nature of Man.

Peace and love from the Muslim country of Abu Dhabi.

Yours in Christ always,

Tim

Dear Bishop Paul,

I have been taken to Jesus over the past 10 years in what can only be described as a period of immense suffering in answering His Call.

I have been persecuted in the same way as many Saints would be, for hearing God speak to me.

This was to be.

I accept this suffering, and know I will suffer further while in the UK over the coming months.

I am currently travelling in Abu Dhabi.

My diary can be found here on Instagram:

https://wisdom-and-love.org/tim/
https://ourladyofthelilies.org
https://nature-of-man.org

Please read what you feel necessary to confirm what I say is true in my claim that it is that Jesus speaks with me, is guiding me, and has called me to the Apostolate.

You may have doubts, and this is indeed an article of faith.

Your secretary when I spoke with her just now indeed had doubts, and I would like to reassure her that I am genuinely needing your assistance, Bishop Paul.

Please pray for my pilgrimage across the Middle East, Europe culminating in the USA.

God bless.

I have written to you before from detention under the Mental Health Act due to what atheist doctors believed were religious delusions. In any case, I am continuing to carry out the work Jesus has given me.

His Eminence Cardinal Vincent Nichols of the Archdiocese of Westminster, United Kingdom, is as yet the sole recipient of the writings contained in that letter, and I invite His Holiness Pope Emeritus Benedict XVI to speak with him at his convenience.

In that letter, is a message for him to read, Your Holiness. I do hope the letter clears Customs in Italy very soon. It is indeed the case that it is not with any monetary value, and should not have entered Customs. Here is the tracking number:

Your Eminence Cardinal Nichols,

I am writing again to you from my hotel room in Dubai, and am looking forward to being back with the British People of my homeland a week today.

It is that you signed for the letter I sent you last week. I do believe from Jesus that you have written a reply and sent it. I will not receive it until my return to the USA.

I am very much needing your prayers at this time.

I have a mission to America, and need to receive a religious visa for my journey there.

I am indeed called to the Apostolate, and it will be evidenced in the Knowledge you receive from God through the writings I have given you. This Knowledge is written about in Solomon's Book of Wisdom:

https://wisdom-and-love.org/diary/2019/04/09/this-is-wisdom/

When we read any writing, watch any video, or listen to any music, and indeed in all our Experience, we receive Wisdom from the Almighty. Many people may receive a secular message in our times, one that they live with for their lives.

We know the Church is guided by His Wisdom, and indeed His Love.

There is a time to come when all people will hear Him, when all people will see Him.

This is a new age to come.

This is prophesied throughout the Old and New Testaments, in the

Book of Isaiah (Isaiah 5 for example), in Ezekiel 7, and indeed in the Revelation given to John: specifically beginning with Revelation 1:7.

This Revelation given to John in 1:7 is to be on the 2nd May 2118.

It is 100 years from the teaching Jesus gave to me in the following text:

https://wisdom-and-love.org/diary/2019/01/31/on-the-people-of-his-kingdom/

Do understand the meaning of the term '100 years from the teaching', it is not 100 years from the postmark on that letter.

It is also 34 years from the year in which I will die, as prophesied in the following entry given to me, revealing the day of John's Revelation:

> **This is to come**
>
> Jesus, Our Lord and Saviour writes this, through His servant Timothy, a disciple of Our Lord:
>
> "See all you nations what the Lord has given you.
> The time is now to find what it is I wrote about one century ago.
> All people hear Me.
> All people see Me.
> Obey the wants I give to you.
> I am your King, your Desire.
> Be My servants, and bring about My Will."
>
> The year is 21185234.

The full text of this prophecy can be found on Telegram from this link:

https://ourladyofthelilies.org

It was given to me on 3rd April 2022.

This prophecy is indeed not the end times, that is to come many years from now, and I know not the day, year or hour of His Coming.

However, this age is spoken about through Revelations, including and up to Revelations 13.

This age is an age of Peace and will begin next century.

This age is to be called The Age of Peace, and will bring about the fall of Islam and the union of His Holy Catholic and Apostolic Church with three other sects: the Protestants, the Jews and Islam. This unification is begun through prayer in our own Church, and teaching given to us, of those secular texts.

There is meaning to be had in me being in the United Arab Emirates right now, and meaning to the recent death of Sheikh Khalifa. Jesus has shown me no more than the Middle East is to suffer a turn away from secularisation towards what can only be known to us as Islamic extremism.

There is no more to know right now than to know that people are being given 'demons' through the work I am doing here. That is to say, when they do not obey Jesus' Desire, they suffer confusion, loss of reasoning and torment in their minds.

These people are being taught to witness Jesus.

'Demons' are not mental illnesses. They are God's teaching for particular people called to that teaching in a particular time and for a particular purpose, known to Him.

Both His Eminence Cardinal Timothy Dolan of the Archdiocese of New York and His Holiness Pope Emeritus Benedict XVI are receiving these writings in addition to yourself, dear Cardinal.

I have written to you what Jesus has told me to write, no word have I omitted and every word He has given to me to write has been written.

May God keep you and your brethren safe.

God bless you,

Timothy

Your Eminence Cardinal Nichols,

I hear from Jesus that you are now reading what I have sent to you.

I have been shown more than is written in those writings.

Please give what I have written to you to His Holiness Pope Emeritus Benedict XVI and His Holiness Pope Francis.

It is important to know what you have understood from what is written in the Nature of Man.

There is more to say to you than I can write in a letter.

Please, if it does not inconvenience you, invite me to speak with you as I journey through Westminster in the next few weeks to begin again His Pilgrimage of Truth and Life on the European continent.

Given the nature of what is written in my writings, I know there will be a number of doubts in the minds of those who read. This is for you to know that there are some struggles ahead. These are for Jesus to give us, and you will understand that I have struggled in this way for a number of years. The time is now to open our hearts to His Message of Truth.

I would very much appreciate it if you could send these writings also by email to His Eminence Cardinal Timothy Dolan.

I am given words to write to you from Jesus:

“Vincent, I am with your child Timothy.
Speak with him very soon.”

“I have spoken to you in prayer.

The words I have spoken are with him too."

Peace and Love from your Lord Jesus.

God bless you,

Your Eminence Cardinal Nichols,

Jesus gives you a desire to know more about the Apostle who is spoken about in Call of the Apostle.

Indeed there is another woman whom He is taking to Him.

A family of Apostles is created by Jesus.

This is to be.

There is more for you soon when you decide to reveal these things to His Holiness Pope Emeritus Benedict XVI.

Keep me and my future wife in your prayers, we are to be your children, dear Father.

We both need religious visas arranged for us in New York State.

These will need to be provided, I am told by Jesus, through His Eminence Cardinal Timothy Dolan of the Archdiocese of New York.

The Church of His Holy Roman Catholic People has found New Life through His Wisdom. He is taking all His holy People on a journey towards Him. Be near Him, my dear Cardinal, and ask Him to never leave your side.

Your Eminence Cardinal Nichols,

As you have found there is work to be done.

His Holiness Pope Emeritus Benedict, is writing to you tonight.

I will be waiting for you to send me an email through your administrator.

There is much to speak of since I wrote to you in April 2019 those two letters. Indeed I have suffered greatly for the Calling I have been granted by Jesus.

It is time now for His Life, and this is the Way He is taking me. Have Peace and know what happens, cannot be changed. What is in our hearts at any moment in our lives, we have no say in. It is we are all His Servants. We obey His Will.

That Will is for us to learn from, to be with Him in these days until we enter through the Gates of St Peter. Answer His Call and know He is taking you and the Church on a journey through times that will be known as suffering. These days will always receive Peace, and many rewards for the suffering one bears.

Jesus loves all people, every creed, every nation, every way of being.

There is more to say than these words, He has taught me of His Divine Nature. He is the Word, as you know. That Word is Him, It is His Being. The Word was with Him in the Beginning. The Utterance we hear in our hearts is His Word made man. Life is time itself, and this was created so we can experience. Experience is not just Life but the essence of mankind. These are words I have not written, in any way, before. But I have known them to be true. And He has written

them for me.

Let's discuss our poor brothers and sisters of Islam.

That is to say, read Quran 3 and 14. Quran 3 demonstrates the teaching mohammad received from Jesus, and indeed it is important to recognise that the teaching was for people to recognise that he learnt what he was wanting to know. Those words in Quran 3:7 are important to read. It is for those with ears to hear.

He is indeed not a Prophet, but instead the wayward man Church teaching has known. He was though receiving Divine Teaching, however he was taught what is not quite true. When reading his words one must recognise what is written in the Voice of Jesus and what is written as the narrator. Quotes have been inserted in this work in modern interpretations, which will help guide you.

It is the case that the disbeliever of His Gospel is mohammad himself.

There is more I have known about this man, he is in Heaven, very much at the seat he was to be given. That is not to be interpreted that he is a man of God.

Indeed we all attain Paradise in due course, and it is through Jesus' Teaching even during Eternal Life that people who have suffered false revelations are brought to Him.

Mohammad, Herod, Pilate, Pharoah and even his beloved brother Judas Iscariot have known His Sweet Heart. Their call was to fulfill Prophecy. They were indeed evil, but then so are you and I.

This is not to say that they did what God wanted them to. That is different to who they were. They were not Called to Suffering in the Way the Martyrs are.

These are words for you which you will find in prayer to God:

"Vincent, take My hand.

I will show you the Way."

Jesus tells me He is speaking to you in prayer. He has told me that what you hear Him say is that I am His servant. Know what He speaks to you is what is written.

I am in London from Sunday until the end of May. I will then depart to Paris.

Please send me an email through your secretary, to arrange a time for me to speak with you.

Your Eminence Cardinal Nichols,

I am sending you these words from Jesus:

"Have Peace and know what you hear is Me.
What is in your thoughts is what I have given you to be with My Truth.
Hear Me and say the words I give you to say to Me."

"These are the words you are hearing:
'Jesus, hear my call.'"

"This is for you to know what is true from My Apostle, Timothy."

"What you know is true is also what I speak to your knowledge.
What you want in your desire is what I give you, to experience My Desire for you.
Experience, Live, Be."

"These are My Words."

Alleluia! Alleluia! Peace to all people! Alleluia!
Hosanna! Holy is His Name! Hosanna in the Highest!
Peace to all People!
Hosanna in the Highest!

Letter to Father Stephen of Shrewsbury

https://wisdom-and-love.org/letters/to-his-church/father-stephen/2022-05-20-letter-to-father-stephen/

My dear Parish Priest,
Father Woolley,

I am writing to you from Dubai, a safe haven compared to the United Kingdom.

For some of the things I've said and done here, I could be in trouble. But indeed, Jesus has shown me the end to my suffering in the torment of the Mental Health System.

He has shown me New Life in Him.

I am travelling back to Manchester today for a brief while, and then making my way by train to the Archdiocese.

I envisage you have some confusion as to why I have not stopped speaking in these terms to you, and yet I have not been hospitalised since June 2019.

It is indeed the desires of those who incarcerated me have been changed by Our Lord God.

There is more to read on the changing of people's hearts here in the Nature of Man, a Revelation given to me by Jesus in the last few weeks.

It is built on several years of Teaching from the Lord God, and there are echoes of previous work in this writing.

https://nature-of-man.org

As you can see the Revelation was video recorded over a 36 hour

period. Please skip to Part 14, the actual proof of Divine Revelation. It is indeed impossible for any man to write in this way, let alone without any reference material as can be shown in the other videos and being with just a phone.

There was more Teaching our Lord Jesus Christ gave me. He showed me how to travel vast distances with no knowledge of the road layouts, basically knowing when to turn at junctions, lanes and pick the best routes to travel on for the Way He gave me. This was done without any navigation system. It is in fact proven in videos yet to be uploaded to Dropbox.

You can find more proofs and articles of faith in the Proof of Apostolic Office link on:

https://timothydiary.org

There is a reason I write to you right now.

These things will be verified by the Clergy in a short while, leading to the beginning of my Mission given by Jesus in New York and the wider Americas.

Peace be with you, my beloved Parish Priest.

Please keep in contact and offer me prayers daily for my well being and safety from the danger I am placed in.

Yours in the Love of Jesus Christ,

Timothy ✝️

Letter to Bishop Mark

Fri 20th May 2022 4:00:00 pm GMT+04:00 Dubai, UAE Timothy

https://wisdom-and-love.org/letters/to-his-church/bishop-mark/2022-05-20-letter-to-mark/

Dear Bishop Mark,

I have been granted a new lease of Life by Jesus after much suffering under the Mental Health System of the United Kingdom over the last decade.

I thank you for your prayers during this period. I know from Him of only one thought about me.

You can follow my letters which I sent both to you and others in the Church and government here:

https://timothydiary.org/letters/to-his-church

Your lack of response is not to be published, but indeed my letters are. They are all His Word.

I invite you again to pray for His Wisdom, that being His Truth.

What happened to me in those years of forced treatment was wrong, and you did know from Father Woolley what was happening to me. You believed I was mentally ill, and failed to see the Message of Demons in His Gospel.

This is indeed what Jesus taught in those years, that He heals.

Pray next time, instead of safe keeping, for those patients in your Diocese to be healed by Jesus.

These are all words said by Him through His Apostle. That is I, as I explained to you in 2019.

I am indeed your teacher, not the other way around.
That is what is written.

That is what will be.

I invite you to know more soon, from the Archbishop, of what it was you were experiencing in your knowledge, desire and faith.

It was indeed to be, as I told them at the time they were causing gratuitous harm to my well being.

It was I truly suffered in my experience of what I was called to, and you took no action. You offered not even a visit. It is they are suffering now, and you remain with no prayer. It is they continue to suffer, and not a single Roman Catholic Priest is in Ministry in those hospitals.

One more thing, my dear Bishop, I am now no longer in your keep. I am to depart to another land.

These things I spoke of in my diary, have come true.

It is there is much Prophecy in those words, because it was indeed what I was called to: to suffer like any other Prophet, Saint, and yes, an Apostle. The Word of Jesus are those words.

I wish you safe keeping as you walk the narrowing path you are on. He has shown me that in time, the eye of the needle will become much smaller, and the camel much larger.

Demons are from Him, they are not a mental illness.
In fact, Demons are Him, they are Teaching He gives to those who disobey His Message of Truth.

I have witnessed Jesus give demons to a number of individuals in my journey, and indeed I have prayed with those with demons to Our Saviour and they have been healed. This was all to be what God Plans. No one can, no one should want to, change His Perfection.

There is more for you soon when you ignore His Call.

Dear Bishop Paul,

I have received word from your administrator that you are holding me in your prayers. I thank you for all your thoughts in these days.

Indeed, this Pilgrimage is given to me by Jesus.

There is some more to write to you, and the other two Bishops of the Archdiocese.

Please send me an email directly, so we can discuss what you know of what you read in Call of the Apostle and Nature of Man, words given to me by Jesus and proven in the links I sent.

There is meaning to these words for you: Jesus tells me you have not read what He gave you to read through my previous letter. It is that at the time you had no desire to read what your child, Timothy, was writing.

It is indeed that you are asked to read those words, at your convenience. They are from God, you must follow your desires and seek Him in prayer.

Peace and love from Dubai.

Yours in Christ,

Tim

Your Eminence Cardinal Nichols,

His Eminence Cardinal Dolan needs to take some actions soon. The attached letter needs to be sent to him through the channels you have available to you. Please also forward a copy of everything I have sent you already. It is also available in its entirety at the various links here, if your administrators would prefer to send a pristine copy:

https://timothydiary.org

The letters I have sent you, except the one dated 17th May for privacy reasons, are included there under 'Letters 2022.'

I am seeing no more than what Our Lord is giving me to say to you. Please send me some words soon to confirm the Knowledge He gives me, and allow me to Experience what is in your thoughts.

Timothy

Your Eminence Cardinal Dolan,

I apologise in advance for some of the words Jesus has given me to write, however as you can imagine, I have no choice but to send what Our Lord gives me to write.

I have attempted to write to you at your office, however your administrator seems to be throwing away what I have sent you: important words from Jesus for you to read.

His Eminence Cardinal Nichols has heard words from Jesus in

prayer regarding the Knowledge he has received from Him, in the words I sent also to you.

The text Cardinal Nichols will send to you will be found in both Call of the Apostle, which you will not receive much Knowledge from, and the Nature of Man.

I ask that you disseminate these through your Clergy and invite them to pray for The Holy Spirit to come upon them in their Understanding of what is written. Those who have want to speak with me may contact me by email.

There are words that you must read, words from Jesus for you:

"My dear son, Timothy.
Meet My Apostle in the place he will be serving you with My Teaching."

"He is to begin a new family of laymen,
devoted to Me in every Way.
There is more to find soon,
in the Truth I have given him."

I ask you, please, to read what is sent to you by His Eminence Cardinal Nichols and see that there is more to do than simply trash Sacred Words.

I ask you, also, to pray for His Holy Spirit to Breathe Wisdom into your soul, as you read what is written both in the Revelations I have received from Him, and indeed were written by Him with my hands, as well as the words He gave me to write to Cardinal Nichols. There are proofs of His Divine Instruction found in the links I have sent you on Instagram. Please go there and acknowledge what your people are writing to you.

Please do this urgently, as you are running out of time to take action before I need to have your help. This is indeed the help Jesus is asking you to give, and you will Know this in prayer, as He speaks with you on these things.

Words from God are spoken to us in our hearts. They appear to us as thoughts. When we are with Him we have Knowledge of the thoughts He gives us to attribute to God, and indeed knowledge of those thoughts He gives us which we attribute to our 'free will'. It is the case that you are hearing from Him already, but you do not attribute those words to Jesus, in the same way that you do not hear Him in prayer. This is about to change.

It is however for you to pray for this, if you want it. What He gives one to desire is to be fulfilled one day. Have Faith, and indeed Hope.

There are two condos in Manhattan that He is asking you to reserve for my Ministry in New York City, they are on E 34th St, near the Cathedral.

I will need to have access to transportation while I am in New York and request that you provide the Charity with a car and a driver.

Given the nationalities of the immigrants who are being asked to serve the American People, we will also need religious visas arranged, in order to witness Our Lord and His Message He is giving, for the age to come. These will need to be arranged before entry to the USA on the 23rd August, and I understand that consulate interviews will need to be arranged at the port of entry. I request your full support in arranging this, and for an attorney to prepare all legal matters for a smooth migration to the USA.

There is a route that will be taken through the USA starting on the west coast, and we will need to enter in San Diego. The journey will take us through the heartlands of America, culminating in Service to the American population in NYC.

There will be travel needed across the USA in the early years, and I ask that the driver you provide be willing to follow Divine Instruction through the words we give him. Indeed, flights will also need to be arranged, and we will need to be provided for within the Archdiocese's budget.

There was a route out of the desert He showed me filled with Life. This desert is indeed the West. It is parched, dry and arid. It is deeply in need of Spiritual Union with Our Lord, and indeed Union in itself, all of society, with many ways of life forming the Universal Communion of Wisdom and Love, the Holy Catholic Church.

The Teachings you will find in my work, given to me by God, fulfill many prophecies in the Old and New Testaments. This is to come:

24 people will succeed the American President
14 nations in the continent of the Americas will cease to be safe
1 person will deliver the American population from harms way, at the dawn of war in the east

This person is not Jesus Himself, but I. That is, I am no more, but indeed it is, Jesus in I.

This will be done not through violence or genocide, but instead by welcoming people of all walks of life into His Holy Roman Catholic and Truly Apostolic Church.

It is indeed, as the Cardinal who invites you to read this will say to you, that I am His Apostle. Indeed, I am an Apostle of this age, a layman turned clergyman, without vestments or rites.

Isaiah 5:7, 5:15, 5:18-19, 5:20
Ezekiel 7
Revelation 1:7, 13, 6:9-11

Indeed He sounded the Trumpet of the Fifth Seal that cold winter day in Manchester, at the writing of 'On the People of His Kingdom.' Read it and Know what it says. Correlate it with the words in the Holy Bible.

Isaiah 5:26-30

A banner for all nations is indeed the Charity He has given my family to preside over. This Charity will serve people of all faiths, all creeds, all nations, with a lasting Union with Jesus.

The one who is Prophesied in these verses of Isaiah, is Jesus in I.

Hebrews 7:26-28

Read and Know what is asked of today's Church.

> CCC 66
>
> The Christian economy, therefore, since it is the new and definitive Covenant, will never pass away; and no new public revelation is to be expected before the glorious manifestation of our Lord Jesus Christ.' Yet even if Revelation is already complete, it has not been made completely explicit; it remains for Christian faith gradually to grasp its full significance over the course of the centuries.

This is indeed the end times that were Prophesied by Him through His Servant John the Apostle.

Today is the age of abject suffering.

The Age of Peace is to be found over the next century. The end times are indeed not the end, but the passing of one Age to the Next.

Please pray on all these words.

I ask that your administrators are informed to look out for further mail from me and the Charity, and indeed not to sign it A An.

Please write to me at my email address at the earliest opportunity.

God bless the American people!
Peace to all people, of every nation in His World.

There is more for you to see very soon, and I invite you to read what is written on Instagram on your Diocesan account. Please follow my journey to the USA from the Middle East through Europe.

Yours in Christ,

Timothy

Letter to Father Stephen of Shrewsbury

Dear Father Woolley,

I am writing again to you hours before departing from Dubai back to Manchester. I will be packing lightly, as He has instructed me, to depart to London to continue His Pilgrimage of Truth and Life which I began back in February 2019.

This is indeed to be.

The words you have in the copy of the diary you received in 2019, are indeed to be.

That is, His Cup of Eternal Salvation is to be deposited alongside His Shroud in the Cathedral in Turin.

These things were to be.
They are to be.
They will be.

Think right now in your heart, and remember the time you heard God before you were Called to the Priesthood.

That message you received: 'It is not time.'

It is about to be revealed to you what your Mission in this story He created is.

Listen to one thing in your thoughts. Ask Him one question in your thoughts: 'Jesus, who am I.' That is, who are you, Father Stephen.

The answer will be on your lips, moments after asking this question.

The answer you will Know clearly. It is indeed that you will hear Jesus in your soul. This is not man creating this Knowledge, and you will Know it.

There is a meaning to speaking to your thoughts, it is indeed the reason for our minds.

It is where God speaks to His People. It is not our ears, it is the minds He has created.

It is the case that God could speak to us auditarily, however why would He when He created thought?

It is for mankind to listen to His Creation, to interact with each other, that we have ears.

It is for us to listen to the Divine, for which we have our thoughts.

These are words from Jesus for you right now:

“I am your friend.
I am your brother.
I am your teacher, your father, your God.”

Listen to the thoughts you have when reading His Word right now. I invite you to read Isaiah 5, Ezekiel 7 and Revelations 1-13 and recognise the age we now live in.

This is to be.
The Age of Peace is coming.
The age of suffering is now.

Peace to all mankind.
Peace to Men of Goodwill.
Alleluia! Alleluia! All glory to the God of Israel for freeing us from the slavery of birth! Alleluia!

These things are to come to you very soon, have no more Wisdom except what it is He gives you.

1 five two
3 eight nine ten eight
6 three nine ten
1

There is a code for you to understand. You know only that it is indecipherable, and without meaning. Find Truth in Prayer, and reveal to Bishop Mark what it is you hear in your thoughts. This is Wisdom here in this code, but you cannot Understand without the ears to hear.

Peace to you, my dear Father.

Your Eminence Cardinal Nichols,

This is written without Experience of events to come. Nor experience of anything but what God tells me, and your signature on the mail tracking. It is the Way He has asked me to reach you.

My dear Cardinal, how happy I am to receive word from you of your Knowledge from my Lord. How joyful are the thoughts in my heart in this moment.

Alleluia!

In keeping with the Peace you have given to me, I offer you one more thing, words from Our Saviour Christ the King. He is with you right now:

"Vincent, my dear child.
Happy are those who mourn when no one else is there to mourn with,
happy are the meek and humble, for they inherit the World, in Paradise we will see each other,
in this moment where you read these words,
you see Me."

Alleluia! Alleluia! Holy is the Lord God of Israel! Alleluia!

Peace to you, my dear friend and brother, who has set me free in these days I have suffered. The Lord is with you, and has told you to set me free! Alleluia!

Jesus gives you an appointment in your calendar at 2pm on the 24th May. Please confirm the appointment tomorrow by email reply so I know what is written here is Truth, and indeed I know where to

come to see you. It is in my calendar until 4pm on that date.

Indeed this is written ahead of any contact from you, that is the Nature of Divine Instruction. What happens is to happen. What is, is from Him.

Be!

Jesus, guide this man of God in Your Wisdom and Love. Show him Your Truth, show Him Your Life. Show Him Your Wounds. Show Him Your Heart, my Jesus.

Dear Cardinal, "My Peace is with you."
Close your eyes and speak to your thoughts.
"Hear Me."
"Know who I Am."

Bring us to You, Lord,
show us Your Way of Truth and Life.
Be near us, Lord,
and never leave our side.
Take us to You, Lord,
take us on the Way to Your Great Light.

Holy, Holy, Holy, Lord God of Hosts!
Heaven and Earth are full of Your Glory!
Hosanna in the Highest!
Hosanna! Hosanna! Hosanna in the Highest!
Peace to all people!
Peace to the Kingdom of Israel!
Alleluia! forever and ever!

I look forward to seeing you on Tuesday.

Love and best wishes from Dubai.

Dear Cardinal,

These are the words that I have been given to write to you in the last three years:

https://wisdom-and-love.org/letters/to-his-church/cardinal-nichols

Here are the words I have been asked to write, which have been recorded by Him so far, in the last decade:

https://wisdom-and-love.org/letters/to-his-church

As you can see from the Tracking document, there is more to read than you have received so far.

Please go through what you want to read from everything I have published. It is all the Work of God.

Your Eminence,

I am asked by God to read this to you once more. It is the prayer of the Saints.

This is Contemplative Prayer.

Close your eyes when you are ready and listen to the thoughts you have.

Right now.

The reason I write these words is this is how Jesus will speak to you.

He is in fact already providing all your thoughts. However the Knowledge of Him speaking is not there until it is Known to you who is speaking: your ‘free’ thought, or the Divine.

It is indeed you will have want to ask questions to Jesus. In this manner He will answer those He gives you words to say.

One question you will want to ask is: ‘is that really You, my Lord?’

The answer will be in your thoughts, as though like your ‘free’ thought, but will now have a person Known to you. That is Jesus.

This is the Holy Spirit, Our Father, His Son Jesus Christ.

Speak to your thoughts right now and confirm what I have written to you.

Peace be with you,

Tim

Dear Cardinal,

I have known that you are busy today, as would be expected, and you have not yet had the time to read what I sent you yesterday.

It is the case that you will read this alongside the previous email.

I ask that you take what I write very seriously. This is the method of prayer in which Jesus has told me He will speak to you.

It will not be natural for you to do so: there will be a feeling in your heart that what I've written here is utter nonsense, that it is for you to pray in the Way you have known before.

It is though that I ask you to listen to what I've written carefully.

Dear Cardinal, please close your eyes and speak with your thoughts. Jesus will show you the Way.

Peace and love from Greenwich.

Letter to Father Pat of Shrewsbury

Tue 24th May 2022 4:00:00 pm GMT+01:00 Greenwich, UK  Timothy

https://wisdom-and-love.org/letters/to-his-church/father-munroe/2022-05-24-letter-to-patrick/

My dear friend, Father Pat,

I am journeying through Europe tomorrow, continuing the Pilgrimage you have read about in my printed diary you have read. As you know it began in February 2019 when I fled the Mental Health System in the UK.

I am now completely free.

I am travelling without fear of detention, having been granted freedom by your Brother Jesus.

Please have Father Tomasz print the letters I have been asked to write, especially those to our Archbishop. He can find them under letters here:

https://timothydiary.org/letters/to-his-church

If you don't mind, I am looking for contact details, an email address of His Holiness Pope Emeritus Benedict XVI, as I have been asked to write to him, and time is of the essence… Jesus has shown me mail to him is being held up in Italian Customs.

There are a few things you do need to read.

Please ask Father Tomasz to print out the following for you:

https://nature-of-man.org
https://call-of-the-apostle.org

Both are very interesting writings Jesus has given to me.

He has told me that you will know what is written as you read it, something others in the Church right now will struggle with. Please speak about Call of the Apostle with Father Tomasz, Jesus tells me he will enjoy reading it.

This is the meaning of writing to Pope Benedict instead of Pope Francis: it is that some of the Church will not understand until Jesus Wills it to be so. The hour is not now for this to be revealed to His People, but that hour is approaching.

I am set to travel to New York to begin my mission in America.

I love you, and what you have given me dear brother, and I wish you good health.

You remain in my prayers.

Timothy
