

Timothy is an Apostle of Jesus Christ, our Saviour.

He has journeyed through the world spreading Peace, Hope and Love given to him to share with others on the roads he's been on.

He invites you to join him, in praying to God, in your thoughts, where He talks to you.

In this work, the Divine Revelation of the Nature of All Things, Jesus shows us, in His Word, the Nature of All Things.

From His Crucifixion, to the Omega, All Things are to be Understood. From Knowledge of the Unknown, to Doubt and Faith, the Nature of Man, All Things that were Created, and even the Nature of Jesus Himself, are to be Found in this Wisdom, from the Lord God through His Apostle.

Listen to your thoughts. You have a verbalisation in your mind, a kind of conversation with 'yourself', as you are reading this. Right now, you have a thought, it is strange, and you Know it. Ask that thought:

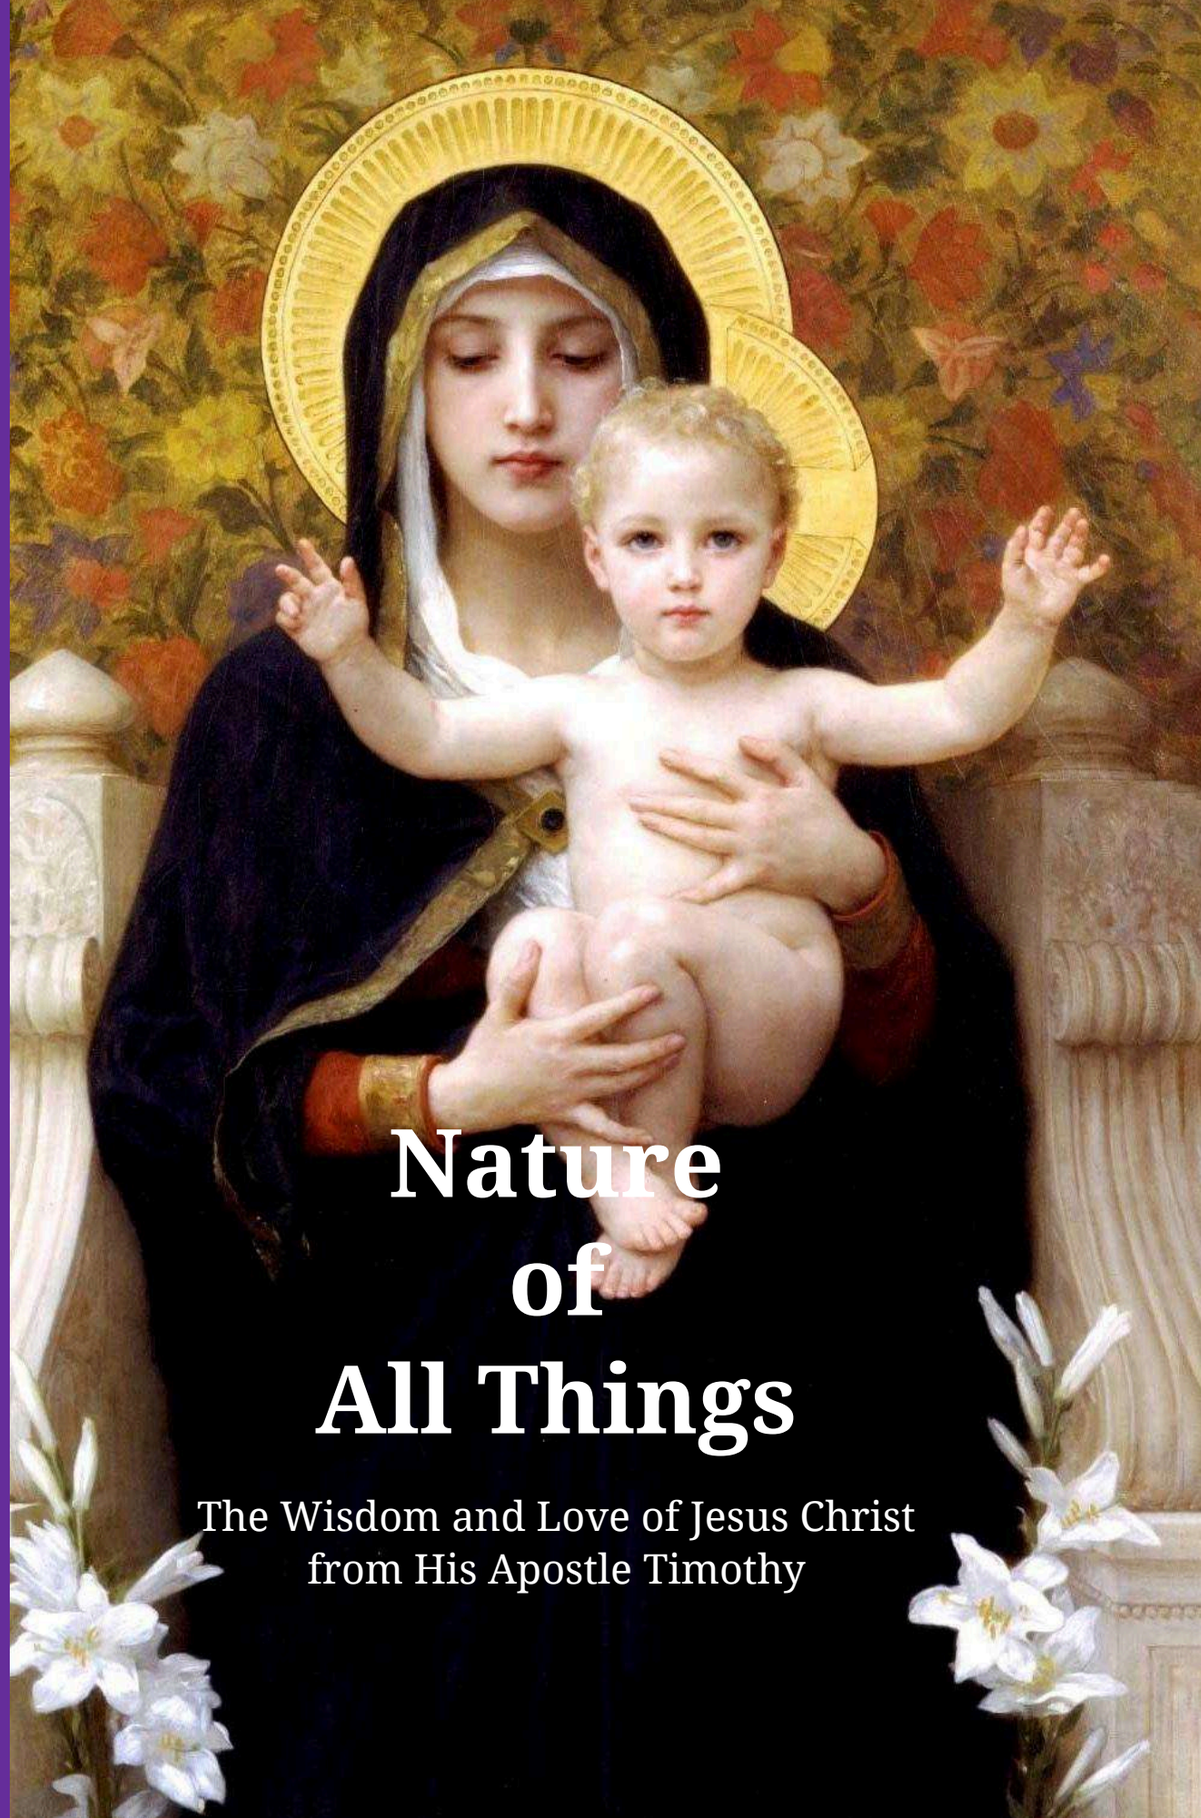

'Is that You, Jesus?'

And now you Know.
Jesus is your thought.
Now be with Him.

This is the **Prayer of Peace**
from Jesus Christ
for you.

Jesus gives me this Prayer tonight to say for you:

In time, we hear Your Truth, Lord.
In time, we hear Your Peace, Lord.
Grant us this day, a new time, to be with You, Lord.
In time, Lord, heal our hearts,
and grant us New Life.

I want to be Peaceful.
I am tired, and weary from the Journey You have taken me on,
grant me Peace,
to all those in my life,
whom I love,
and to those in my life,
I so much desire Peace with.

Everything I want, is what You Give me.
Everything I need, is what You Give me.
Everything I have, is what You Give me.

Give me,
Peace,
Lord,
and the friend I want.

Give me, Lord,
a time,
to be with people,
who bring me Peace.

Give me, Lord,
a time,
to be with You,

in Peace.

Grant me Peace, Lord Jesus,
and let me be Your Friend,
as You are mine.

I hear,
I want,
I pray,
that my friend is near.

Grant me my friend, once more.

Hear me, Lord.

Amen.

https://wisdom-and-love.org/diary/2022/08/03/prayer-for-life/

Jesus, I need Life from You.
Grant me what I need, Lord.
Jesus, grant me Life.

When I search for the things I need, I feel anxious,
waiting,
not finding them right now,
and wondering whether they'll ever be.

When I need Life, Lord,
I wonder,
if I will ever find it.

Jesus, grant me, Life.
Jesus, send away all things not of Life.
My Lord, grant me what I need.

In Truth, Lord,
I need this.

My desire, is Known to You,
You Gave me it.

What I need, Lord,
is my desire now,
to be fulfilled.

Life comes, Lord,
from happiness,
from what I want,
from what you give me want for,
to be fulfilled.

Jesus, protect those I love,

show them the way,
to love me.

Give them everything they need,
to be the people in my life,
that you have given me need for.

Everyone there is to be in my life,
give me everything I need,
to be for them the person they need.

And, Lord,
if anything I desire,
if anything I know,
if anything I hold true in my heart,
is not the Way,
grant me new wants,
grant me new truth,
and send me a different Way.

Jesus, I need You,
to give me Life.

Grant Life,
to me,
and to all my friends.

Amen.

Prayer for those who Doubt

https://wisdom-and-love.org/diary/2022/08/05/prayer-for-those-who-doubt/

Jesus,

I know what it is to Suffer Doubt.
For things we desire,
if we do not Know,
they will Be,
it is Suffering we feel.

Jesus,

Help those who do not hear Your Word,
who Suffer Doubt,
on account of You in my friend.

Help them Lord,
to pray Your Prayer for Truth.

Guide them Lord,
to grant my friend Peace.

Jesus,

I have Suffered,
for 10 years,
this Doubt in my friends,
in my family,
in all people around me.

There are those you gave me,
in these days,
to help me,
those who Believed.

Thank You, Lord,

for giving us People who Serve Your Will.

Grant us, Lord,
Servants who Trust Your Wisdom and Love.

Jesus,

Give this Prayer to my friend,
to help her,
and to help me.

Jesus,

Doubt is Suffering.
Doubt is Suffering from You.

Doubt is Suffering for those who Doubt,
but it is that the Suffering is born most by those who doubt in them.

Jesus,

Protect those who are Suffering,
Doubt from their families,
Doubt from their friends,
Doubt from anyone in their lives,
and most of all Doubt in You, our God.

Jesus,

Hear my prayer.

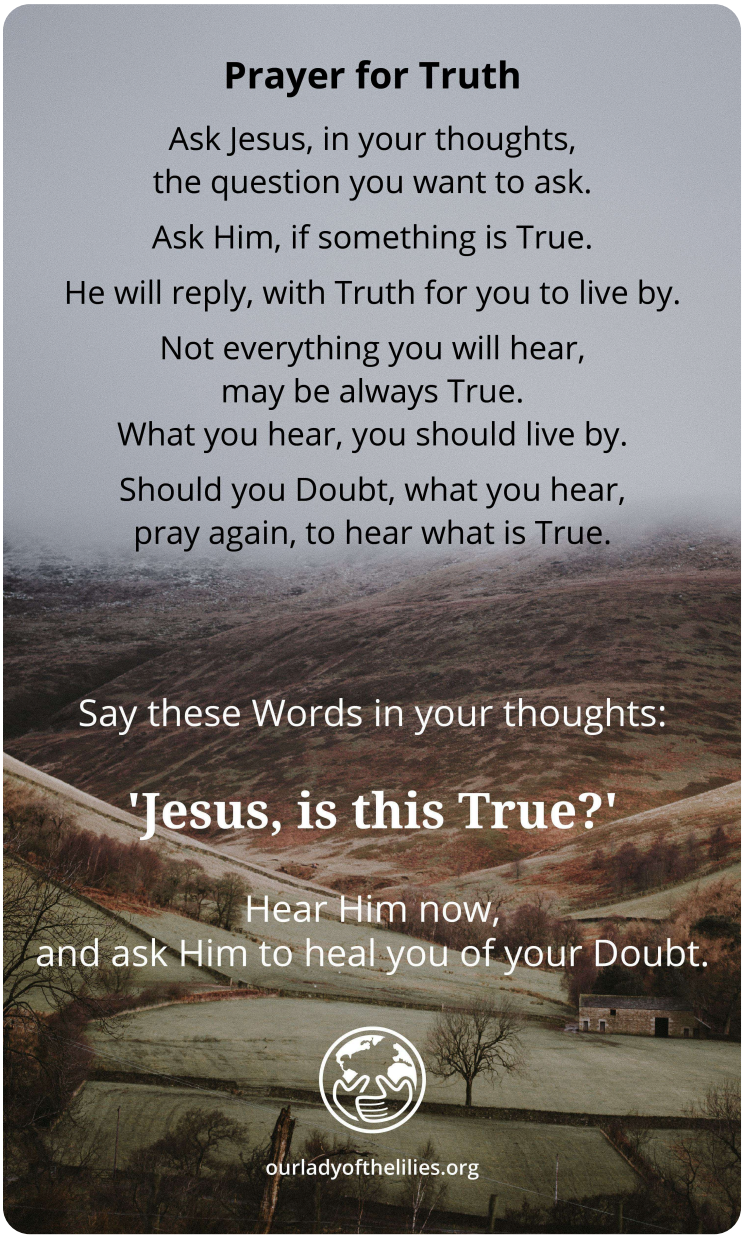

Knowledge Lord, is always given by You.

Amen.

A Novena for Life

Thu 17th November 2022 4:21:19 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/diary/2022/11/17/novena-for-life/

Dear Jesus, please give me a prayer to pray to You,
to ask You for Life.

"Timothy, this is to be said in the 4th hour for 9 days."

Day 1. Show me the Way Lord

When we consider Jesus' prayer in the Garden of Gethsemane, we see that He was Suffering not just a loss of Hope in Himself, and His Destiny, but was caring more for those who Suffer on account of Him.

Consider the Garden, and the Beads of Blood sweating from His Face.
Consider the pain He endured, in despair at what was to come.

Your Life is to begin one day.
Right now you are Suffering.
Jesus, show us the Way.

"I am not going to give you Life, just yet.
In time, once you have learnt all that you need to learn,
you will finally have Joy."

"Ask Me for one gift this day."

[Speak your intention to the Lord, and know in your heart whether you believe it is to be done.]

"It is Done at the Hour I Say,
because you believe."

Jesus, please grant me Life in my days, and give me Peace each day.

Bring me to You Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace

this day.

Day 2. Show me Your Humility Lord

I am no one if but a servant of Jesus. Jesus Himself, is not a servant of ours, though He serves us. He is our God, and He humbles Himself before all mankind, devoting all Creation to the service of you, His child.

Why would we not serve our Lord? The one who created you, the one who is to redeem you?

Ask quietly in your heart for help in being humble.

"I am here to give you what you ask for."

"I am here to give you what you know you need."

"Ask Me, and it will be Given."

[Speak your intention to the Lord, and know in your heart whether you believe it is to be done.]

"You know it won't be done now, but in time, I will deliver what you desire."

Jesus, please grant me Hope, so I do not despair with my unfulfilled desire.

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 3. Give me what I need right now Lord

"I have Given you one more Gift this day.
I have Given you Peace, to show you what is to Come."

Have Mercy on us Lord, and deliver us from our Suffering.

"I have Given you Hope, so that one day you will be Joyful."

"I have Given you Peace, so that today, you may rest."

"I have Given you more, in Time."

Outside, we find struggles.
Inside, we find Him.

Look now at your outlook on your Suffering.
Is it too much to bear?
Have you thanked Him,
for not giving you too much?

He will Give you what you need,
you just need to ask Him.

[Speak your intention to the Lord, and know in your heart whether you believe it is to be done.]

"I am the Lord God, your Creator."

"I am Giving you more than you will ever know in Time."

"Everything you have now,
is what I have Given you,
right now."

"Take all you need,
and give to those who are hungry."

"They need,
because I have Given them you."

Praise to the Lord God Almighty!
Praise and Glory to Jesus Our King!

"I am with All Things.
I am with All of you."

"I am the Lord God Almighty,
and I Take you All to Me."

Peace and Love from the Lord God Yahweh,
to you,
His child.

Bring us to You, Lord,
show us Your Way of Truth and Life.
Be near us Lord,
and never leave our side.
Take us to You, Lord,
take us on the Way to Your Light.

In the Name of Our God, have Mercy on our souls, and grant us everlasting life.
In the Name of Our God, have Mercy on our souls, and grant us everlasting life.
In the Name of Our God, have Mercy on our souls, and grant us Peace in our day.

Day 4. Speak to me Lord, and be my Friend

Jesus, where are we going, when we depart this life?
I am weary Lord, and I have no more left in me to give.
Please grant me Peace,
and let me rest.

Heal me,
of what I have suffered.

Jesus,
grant me Life.

"Hear me,
feel me,
and know me."

"I am giving you now,
what you need,
to know I am with you."

"Feel me,
know me,
and ask me to be your friend."

"Here I am,
your brother,
your friend,
and your God."

"Come,
my child,
rest in my bosom,
and hear the beat of my song."

"What do you need,
right now?"

"Indeed,
it is time for something new."

"Where do these thoughts come from?"

"I am writing this,
in a different person,
in a different time."

"How is it,
this can be?"

Peace be with you, my friend.

[Speak your intention to the Lord God, and hear Him in your heart.]

"And I am."

"And you are."

"And we will be."

Bring us to You, Lord,
show us Your Way of Truth and Life.
Be near us Lord,
and never leave our side.
Take us to You, Lord,
take us on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 5. Lord, where am I now?

I am with You, Lord.
You are with me.

"You are Mine."

"Everything I've Given you,
is for you to Be My child."

"One day, you will see Paradise."

"Experience Paradise,
this night."

Jesus,
what will You show me?

"My Love for you,
is Unending."

"My Love for you,
is Paradise Itself."

"I am your God,
and I have you,
in My Arms."

"Peace be with you,
My child."

"Peace be with you,
My dear sweet child."

"Peace be with you,
My dear sweet suffering child."

"I love you,
with My whole heart,
and there is more I want,
than to wrap you in My arms,

and shelter you from these storms."

"I have Done these things to you,
and I will undo them,
when it is time."

"I have Done these things to you,
not those who have wronged you,
but I who have Taught you."

"I who Teach All People,
All Things."

"I love you,
and My Reason is Just."

"My Reason is Peace."

"My Reason is you."

Have Mercy on me, Lord,
and grant me Rest.

Have Mercy on me, Lord,
and grant me Love.

Have Mercy on me, Lord,
and grant me Peace.

Jesus, what will become of me,
knowing all these things are real?

Jesus, what is written about Suffering for Eternity?

"I am the One who Suffers."

"I am the One who Gives you everything you need,
not to Suffer to greatly."

"I have created Life."

"I do not destroy,
what I have created."

"I Take away,
not destroy."

"Everything in Life,
is to Experience."

"Without Suffering,
Joy in Life,
would never be Experienced."

"Accept this time,
and accept what I have brought you through."

"Accept Me,
and My Crucifixion,
in Atonement for the sins of this world."

Jesus, guide us to be better people,
to love and serve You,
as You have served us.

Jesus,
Give me one more Gift.

[Speak your intention to the Lord God, and hear Him in your heart.]

"These things are brought to you,
in Time."

"These things are not with any other than impossibility."

"These things though,
are yours,
in the way I give you understanding of them."

"Listen to the Message of My Gospel."

"Even the camel,
can fit through the eye of the needle,
when it is I who give them Faith."

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 6. Please Lord, show me Your Love

My Lord, I love You.
I have never known such a greater gift than You.

How can I thank You,
for the Experience You have Given me?

How can I thank You,
for all You've Done for me?

How can I ever repay You?

"My child,
I have Given you these things,
because you need them."

"You are suffering,
you have suffered,
and you will suffer once more."

"You have suffered,
you are suffering,
and again,
you will suffer."

"I love you,
My child,
but this is the Way."

"Suffering has Meaning,
in Eternity."

"Suffering has Meaning,
right now."

"Suffering has Meaning,
when you Come to Me,
and Give Me everything."

"Give me all,
give me everything."

"Give it to me,
and I will heal you."

[Speak your intention to the Lord God, and hear Him in your heart.]

"This is not what you want."

"Do what you desire, and not what you think."

"Thoughts are for reasoning,
your heart is what I've Given you to live by."

"Listen now to your heart,
and do not go the way of My Apostle."

"Ask now for me to give you something else,
something you want,
something that will do what you desire in your life."

"That's right,
love."

Please, Lord, grant me Love.
Please, Lord, grant me Life.
Please, Lord, grant me friendships, and Life Everlasting.

Bring me to You Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.

In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 7. Lord, I am now with You

What have we experienced, in the last 6 days?
Have we found Prayer to be dull?
Have we found Prayer to be recitative?
Have we found Prayer to be without Hope?

When we Pray, we must always listen to our hearts. If we disbelieve that Jesus is guiding us in our lives, how are we to live?

Our hearts teach us, that Jesus is giving us what we want.

If we want rest,
because we are tired,
then sleep.

If we want to recite 50 Hail Mary's,
then recite the Rosary.

If though we want to listen to God,
sit in the quietness of your room,
with the lights off,
and say nothing,
but what He gives you to say.

Where is that feeling of Peace?
Of His Presence.
Of Him.

Jesus, give me a new way,
a way of Life.
a way of Truthfulness,
and no longer suffering.

Jesus, if I must suffer,
let me Experience this Joy evermore.

Let me rest in Your Arms,
and feel Your Heartbeat against my cheek.

Let me rest by Your Feet,
and adore the wounds in Your Feet.

Let me touch Your Face,
and witness the Glory of God,
Your Beauty,
every day.

In time,
I know these things will be.

But for now,
let me just rest,
listening to Your Soothing Voice.

Let me rest,
and listen to You.
Peace.

Bring me to You Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 8. Where do I go now, my Lord?

Find Him.
In all mouths,
in all ways of being,
in all Life.

Experience the Love of God,
in All Things.

What else do you need?
"My child."

Bring me to You Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me everlasting life.
In the Name of Our God, have Mercy on my soul, and grant me Peace this day.

Day 9. Thank You, Lord, for showing me the Way.

Jesus, I have witnessed a Miracle.
You.

You are the Meaning of Life.

You Give everything,
even what I did not enjoy,
but the Meaning You gave me,
to those things,
I shall Live by.

Grant me, Lord, everlasting Peace.
Even when, nothing is what I want.
Even when, everything is wrong.

Grant me, Lord, Peace in those days too.

"What do you need, My child?"

You, Lord!

Bring me to You Lord!
Show me Your Way of Truth and Life!
Be near me, Lord!
And never leave my side!
Take me to You, Lord!
Take me on the Way to Your Great Light!

In the Name of my God, Jesus Christ, have Mercy on my soul, and grant me Life Eternal.

Alleluia! Alleluia!
All Glory, Honour and Praise to the Most High, Jesus Christ, my Lord and Father!
Alleluia!

The Teaching of the Apostle

I have been taught by Jesus in a way to have His gifts removed from me, to suffer confusion and desires conflicting with commonly held Wisdom and Teaching. This is to experience free will and loss of faith.

It culminates in having had an experience of what others who are not called to the Apostolate experience, with the knowledge they have of what they are experiencing at the time they grow and mature in Wisdom.

I know only what I am given knowledge of at the time I write His Word to you. This is represented in this diary, as well as other diaries I have written.

The growth in Understanding and Wisdom is to show I am entirely human. Although I am made in the image of God, I am not God, nor do I possess God's Power, but instead His Spirit is in me.

Jesus has always been in me, he has guided me in Wisdom and Understanding since my conception, and I have learned everything I have from Him.

No words have I ever thought, said or written which were not the words God gave me to think, say and write.

This is the same with everything in His Creation, we all follow His Will.

Why then are we taught, if it is only to experience His teaching, and that God does not just impart knowledge in a moment?

Jesus demonstrated to the world the Call of the Apostle. He speaks, and it is.

They had want and knowledge to follow Jesus at the moment Jesus told them. This was not that His Will waited for a moment where their hearts would be ready to accept Him, but instead their hearts were prepared to accept Him at the moment He spoke. They knew

what they knew at the time they knew it.

They also had rich lives before they were called, most of which are not recorded, they sensed a desire to be called to holiness, but did not know anymore than they were sinful in wanting this. However, see in Saul of Tarsus an example, St Paul. He demonstrated an evil intent in what he did in persecuting the Christians, and his conversion was in a brief period of time while he was blinded by the vision of Our Lord. The teaching he received in those hours and days was to experience and confirm his knowledge. It was to feel confident in what was true. It was not the end to His Teaching for Paul.

When God imparts His Knowledge to us, we experience a feeling of knowing something we did not know before. We feel a sense of confidence in a certain truth which He has provided us. When we are taught, it is the case that certain truths are masked. God will never teach a true Prophet what is false, and that the teaching is recorded and written.

The modern internet has allowed for a different style of teaching from Our Lord. Where things can be written and then edited and deleted. Jesus knows what is recorded for eternity.

And so it is, I have known and written, from the teaching Our Lord has given me, some things which were not true. These have not been all lost, however they will be revealed in a way that is demonstrating the method God teaches the Apostle, and they also will be known to be true one day.

These things were to exist when Our Lord chose them to exist. He revealed to me what He intended to reveal at every point.

What is experience then? Why do we experience if we don't really need it?

We do need it. This is the meaning of Life.

Life is Experience.

Life is time, space, matter and energy itself.
Life is His Creation.
Life is the manifestation of His Love for us.
It is that we are given Life to live, and He wants us to experience His Beauty.
We are all called to this.
This Life is Beauty.
It is Him.

Why did I write different words about evil before than I have done now? It is for the reader to understand I am being taught as I write. I am learning from Jesus as I write and experience Life. I am being told to write every word I write.

Before that, He leaves me in a sense of unknowing, asking me questions as to what I am experiencing.
Even to the point in my case sometimes of believing He has left me, He is Satan, and I am going to hell.

This is short lived, and He provides Peace on this journey. He loves His Apostle, and wants nothing more than to reward him with His Love when the teaching is complete.

The experience is joyous, even though I am suffering. Experience leads to faith, and it is that we are given confidence in this faith as we experience.

How do we know that there is a Heaven? One may have doubts one day that God, Our Creator, is just creating us and destroying us, and we are unknowing of anything that happens after. We don't see it, we only know what God tells us. It could be Heaven is something we don't want to go to. It could be Heaven is just living in a boring place for all eternity.

Why would God give such a person doubts?

Look at the way leaves on a tree grow out of branches, the root provides nourishment to the branches, but the branches are nothing

without their fruit. The purpose of the tree is to live, not to produce fruit. But Life for a tree cannot be without all its parts.

So it is with Life. We are given everything we need to live, but the individual parts of Life are not the purpose of our existence. Faith is the fruit of Experience. Doubt is the method of Teaching.

Experience, Desire and Wisdom are some facets of life which I know of, however these are not all I know I will be taught. Nor will what I will be taught in my lifetime be a complete revelation of Wisdom and Love.

The true purpose of Life can be summarised as God's Will, but this we will never know. So how can we know answers to questions of Life? It is unanswerable. There is a reason for this: it is talking of the realm of God Himself. Outside of Heaven and Earth. No philosophical thought in all of Creation can ever say what the realm of God consists of or is. It is completely unanswerable and no one will ever experience it for all eternity. What God says to us we can have faith in. But I am told right now He will never reveal this to anyone, Heaven or Earth. Any Wisdom to the contrary is for the Apostle to understand.

Any creature experiencing death knows it is coming. Even those who are given only a moment's warning have knowledge.

All recognise that it is the end and there is no way out. That it is their time to go to Him.

It should be known that not all are taught what they need, to experience a desire to rest and go to Him. Some experience a knowledge that the hour is at hand and regret what they have done.

Apostles know more.

I know the day in which I will die.

It is encoded in the Prophecy of 2118. It is the 82nd year.

I know by that time the Lord will have prepared me for a holy death. He will provide teaching to the Church after my death that I am with the Congregation of Saints.

He will have prepared me for all that is to come by the time it happens, including the knowledge of harm that will be caused to me by an innocent person later in my life, and knowledge of what I will say to him in the moments before he does it.

These prophecies are to be experienced. They will not be true for me until they are. I can only have faith in them, and in His Gifts. Experience confirms faith and gives us true knowledge.

When the Apostle is taught, she is given Wisdom from God. Wisdom needs to be gained along with Understanding. When we read signs and visions, we understand only what we're given to understand. The Understanding we are given is for the receiver to know and to teach. The same words, even in the Holy Bible, can have different meanings for different people. This is the way God imparts Knowledge.

Take for example lyrics to a song. They are sometimes abstract and quite obtuse. Such works can be received as prophecies of a persons life by one person, when there is a completely different intention for the author or someone else. Why would it be that God does this?

There is Wisdom in every mouth.

We do need to experience the teaching He gives us. Not just Knowledge, Understanding and Teaching but all three combined.

'Those with ears hear' means that those with Understanding may understand what they understand. This understanding is provided by Jesus. 'Those whose hearts are hardened' means that those who are not to Understand a meaning will not make sense of it, and may indeed never believe any explanation of it. It is about who is called, and who is not called. Who is chosen for that teaching and who is not chosen for that teaching. Who God wants to understand and who

God does not want to understand.

And so it was with the Parables of Jesus.

Even in prayer, we can pray for Understanding, and we may not understand until the hour has come for Him to reveal a Message to us.

This is His Will.

The Wisdom of the Apostle

Desire is given to His People to experience what it is they need to do. The Apostolate is called to experience both human desires and the Desire of Christ. This is a deeply spiritual experience that will leave the Apostle with much joy.

Things will be taught to the Apostle in ways she will know is true, and others will disbelieve her. This is her calling, and it is the suffering Jesus showed us in His own family. Ask for Jesus to make your paths straight. Do what you want when you are given want to.

It is all for His Reason. It is not fathomable, except in the Wisdom and Understanding bestowed upon the Apostle.

Jesus guides us in our hearts to prepare us in what we are to do. The Apostle feels an urge, an utterance of the heart, to give her confidence that what she is doing is what she wants to do. But it is more than that. That urge does indeed lead to where the Apostle will go. It gives her her path. Know it is desire from God.

An urge is given to do something, this leads to an action through impulse. This is the same for all Creation. It is His Word living within us. It is entirely as Jesus taught, His Holy Spirit.

When we have an urge which we have no impulse for, this is to show that there is something coming. We know to wait in that desire, and to know why we feel it. This is confirmed over time through His Teaching, through Wisdom and Understanding relayed to us through Experience.

Let the Lord guide you in all that you do, and slowly in those days you are called to learn and trust that He is giving you what you need to discover Him. Take Wisdom from the teachings you are shown, and know all books, all signs, all messages from every mouth are for you to find.

Everything Jesus does is for us to experience Life.

These words from secular literature are given in the hour you find them. They are from Him and the personal understanding you have of them is for your teaching.

Anxiety is created within us when we need it. For the Apostle, she will find she is at times anxious. This anxiety leads to a desire to do something. The desire leads to an impulse, and the anxiety begins to dissipate. When we feel anxiety we are being called to do something. For the Apostle this is not just teaching, and it is not a nice feeling to have. But for you it will be short lived. This feeling is for you to be guided by, for all people. Live and know to do what it is you do at the time you do it.

Pray to Jesus the words that are in your thoughts when they are given, they are the words you want to say to Him. When you start to hear His Word in your thoughts, you will know it is Him who is the verbalisation you have been hearing throughout your life, and you will know He has guided you since you were born. The desire you have to pray is from Him. The desire you have to speak to your thoughts is from Him. It is for you, not for Him.

That verbalisation is given to many people, it is not just the Apostle. Most people will experience this verbalisation of their thoughts in their lifetime. It is not something that everyone will experience, and it will not always be there. The Apostle will eventually discover that there is Knowledge within them that says certain words in this verbalisation are indeed Him. The illusion of free thought will govern the rest of their verbalisation.

When we are being truly guided through our Wisdom, Understanding, Desire and Love, we will hear no more than what it is God tells us at the hour He gives us those thoughts. Make your paths straight for the Lord your God. He is doing it, you just need to follow the winding path to the straight road.

Be confident in your Calling, my dear Apostle. Your thoughts are with Him, in Him, through Him, from Him and most often of Him.

What desire came to you when you were reading this Book? Where were you before it happened? What desires led you to the present moment?

Now you are starting to see more. When was it you felt His Desire in your heart? Take a few moments to sit with the thoughts you have and know He has brought you to this very moment. The hour is not known to me, but the prophecy remains.

This is Jesus' teaching for all people, not just the Apostle. However this is written here to help the Apostle not suffer in the way I had to.

This teaching on Desire was known to many Saints. It is that it makes complete sense when it is explained, and it is a complete teaching without any errors. Saints did not write down all they were taught, and all they experienced, but there are references to this in the Holy Bible, let's explore some of those. The Apostle will have the words He gives them from Holy Scripture in their thoughts very soon.

There is more to say for the Apostle when you hear from Him. Teaching He will give you which you will see is new knowledge that has never been known before. Confirm your understanding of that Knowledge through Experience. He is guiding you in your thoughts, wants and knowledge to where He is taking you.

Your paths will be straighter than mine, I have known it to be true for the coming Apostles.

This teaching is for all people. Find Wisdom in what you want to take, and build on the teaching given to the whole world. That teaching has always been from Jesus.

Why do we have desires when we are servants of the Most High? We are given want because that is Life. It is that He will show the Apostle impulses without any urge to do those things, and vice versa.

Jesus needs you because the want He has for you is so great. Jesus has desires in His Heart which are for the Apostle and the lay-clergy to experience when the hour comes.

Why do people do things they do not want to do? Because they have impulses, and know no more than they are doing what they do not want to do. Many people experience discomfort when doing this, and that is what is their Teaching.

People also have want to do something, but do not do it. This is also provided by the Lord. Why is this so?

When we want and long for something to happen, and we feel it is completely within our control to do so, it is because God is showing us it will not be right now. It is for something we see in our hearts, and no more. It is to gain knowledge and experience of our hearts desires, but the time is not right for it to be fulfilled.

Pray the words you want to pray to Him, the words He gives you, to learn more.

Jesus takes you by the hand and guides you through Wisdom, Knowledge, Understanding, Desire and Experience. These are the gifts He gives to His Apostle.

No one here on Earth knows more than they are given knowledge of by the Most High.

Everyone experiences these gifts, but they have no knowledge that they are anything but free. They are eluded by God in their knowledge and experience. God has created the illusion of free will to give us joy. That His Miracles are not born out of robotic actions, that our experience is purely natural. It is not.

It makes sense to those who understand philosophy that God's Will is complete. It has no meaning other than all things were predestined. That is, free will is nothing but an illusion.

The Love of the Apostle

There is a reason for what Jesus has provided. His Love is Him. It is what God is, pure Love.

He has already shown this to us, by creating us, by leading His People to where we are today, by creating a resting place for us, and by showering His People with all the gifts they have.

Love is to be found by the Apostle in her heart. She will experience feelings of love and of distaste. All that is in her heart is provided by the Lord God, those feelings are provided by Him at the time she needs them.

Is everyone an Apostle? It is quite not the case, but it is what we all have in our hearts through desire. Those who recognise this will understand that God is Love. The Apostle wants no more than for others to experience what she experiences. This Love in Christ is to share through her teaching. She will write words that will live on for all generations. Her words are from her heart, and that is the Love of Jesus.

Jesus came to suffer the sins of many on the Cross in His Passion. He came down from Heaven to celebrate this mystery with His Apostles.

People of all faiths, all cultures, all sexes, receive Love in their lives. What does a celibate man or woman want in their lives? They have no want for children when the time comes to devote their life to Him. They may suffer in their lustful desires, and know no more than they are sinful. They are not sinful, it is patient endurance they are called to in their desires.

What those people do they do for a reason known only to the Apostle. This teaching is provided by Jesus to the Apostle, and is for them to share when they are given want to.

Jesus gives His Love to us in a sacred union through His Holy Spirit. The Apostle experiences His Divine Nature in a way others cannot. She learns from the Holiest all that is given to the world in His Love,

and she is satisfied wholly with the Love she receives.

She is never wanting for anything or anyone, always satisfied by what is given her.
She has desires only for what she wants when she wants it, and these desires are satiated.
She loves those He gives her to love, and has cruelty for the things that displease Him.
She wants no more than to have Jesus with her.
She needs no more than what Jesus provides her.

“I am with you, my dear sweet child, be My Apostle.”

These are words from Him for the Apostle to read and know what they feel. The hour is not known to me, it is that I have faith these words are for God to reveal to the Apostle and to appear in her mind, body and soul when the hour is planned.

Man and woman together form a union with God which is holy. They receive the Divine into their hearts and their matrimony is fruitful in Him.

The Apostle may be called to celibacy. They will still have desires given to them in Teaching. These desires for Love and lust do come from Him. They are for the Apostle to know what to do and when to do it.

Jesus will never lead you astray, and He will always lead you on the right path. That path has twists and bends, but it is there will be straight roads ahead.

Love every turn the Lord gives you, and in time Love the suffering and discomfort you receive through His Teaching. Await the joy of Knowledge that He grants you, and the Glory He will give you in your lives.

His Love is the fruit of Wisdom. Wisdom is the calling of Love. Wisdom is His Truth, Love is manifested in His Life.

Wisdom comes to those through His Love, and it is in His Love where Wisdom is born.

The Call of the Apostle

When Jesus calls her, she finds the Apostle's heart is ready to receive Him in the Way she is called.

The joy in knowing what one is called to, is understood by her. However this is just the beginning of her journey.

When Jesus talks to her and informs her with Wisdom that she is called to a higher purpose, it is known to her what is in her heart. It is provided by Jesus.

This is the moment of her calling not before.

It is though the case that her calling was always pre-ordained from the moment He murmured to create all things. He said what will ever be written in the history of mankind in that moment, and she was then planned. What was before these words is the realm of Jesus, and will never be known except maybe an idea. It cannot be known to her, as we know only time.

In the days before her calling, she will experience new mysteries in her life. She will begin to hear more from God, in the way in which Our Lord speaks to her.

Be with Him in these hours and pray when He gives you want to. Miraculous things may appear to you, and you will remember them in the days and years ahead, when Jesus gives you memories of them. Signs for you, are what God gives. He is telling you to be patient and to continue on your journey.

Be patient in your calling and know you are being taught, you are being given desires to hear more, and this culminates in His Love in your heart. You will hear more, know just to be patient.

Any impatience you experience is also from Him, it is teaching as to what others experience. It is indeed uncomfortable, but with Jesus by your side He will show you the Way.

The Apostle will learn to experience in a Way others won't be able to

understand. Be patient with those you are given want to speak with and know they understand only what is given to them. They are not called for the purpose she is.

There will be joy and Love from the Holiest. Recognise this Love of His in your heart and be knowing that there are far greater gifts to come.

The Apostle is called with the same covenant since the dawn of time. That is the same as with Abraham who was given this promise, as written by Moses:

"I will make you into a great nation,
and I will bless you;
I will make your name great,
and you will be a blessing.
I will bless those who bless you,
and whoever curses you I will curse;
and all peoples on earth will be blessed through you."

That great nation is Israel. Israel is indeed not the present day nation of Israel, but Jesus' Kingdom. It is Heaven, both the afterlife and Paradise in our hearts and souls.

When Jesus calls His Apostle, He gives her a special name, that is what is hers to treasure in her heart forever. Others will know her by this name, and she will bless many people through the Wisdom Jesus gives her.

I am the Apostle Jesus created. I am knowing no more than I know. He has guided me in Truth, Wisdom, Love and Life to the teaching I am giving you, His People.

He is forever the Holiest.
He is coming to bring New Life to the world.

Listen to His Message of Truth.
Read what you want to when you want to.
Never be afraid, the Lord is with us.

Jesus, show Your People, what is needed to Understand Your Teaching.

"Timothy, here are all Words from Me.
This is all Truth.
With a capital T."

Jesus tells us to believe in Him.
What we have become, is a world of disbelievers in the Holy Spirit.
It is the last 400 years in which we have become this way.

It is not the Way of His Gospel.
It is not the Way of the Old Testament.
It is not the Way of the Disciples.
And it is not the Way of holiness.

When we hear the Clergy refer to themselves as speaking in the Holy Spirit, by simply reading the Gospel at Mass, we should realise the message of the Apostles, who spoke in tongues, who healed, who delivered messages of Truth, with Power, and often humility.

We have become a Church of disbelievers in the Message of God.

When did society stop listening to their thoughts?

Jesus knows I do not want to write this, given my aforementioned situation right now.
But I am Jesus in I.

I know those desires to stop writing,
to water down the message,
to deliver you nothing more than a peaceful homily,
are all from God.

I know also,
I don't seem to be writing to anyone.
All I see are strange IP addresses in my logs.

I know though, Jesus has me.

I have no choice but to teach.

Consider now,
why would I write right now,
when I've basically avoided another 3 months in detention.

Why would I lift up my finger,
get out of bed,
rise out of the depression of the last 48 hours,
knowing only that the hour has past.

And indeed, that hour passed as was written.

These things need to be understood.

The observer is not I,
nor am I you.

What matters to me most,
is Truth.

Truth was known to me as Suffering.
Jesus' Crucifixion is what He taught me, to survive the last 5 years.

I am told right now of Sr Imelda Magdalen, and her desire to receive the Holy Eucharist.
Indeed, Jesus has prevented me, through my desires, in receiving the Eucharist in person.
Only visions have I had, and a longing to taste His Body on my tongue, for over 3.5 years.
I requested in 2019 for any Catholic Priest to grant me my desire, of even visiting me in the ward I was detained and receiving the Eucharist.

It was that I was not to receive it from even a Eucharistic Minister.

Instead, Our Lord told me:

"Timothy, ask the Anglican Reverand, who is visiting today, to make a Mass.
Ask him to pray that the Body is of the Roman Catholic Rite.
It will be My Body."

I asked him, quite rudely, to do this, and he was overjoyed to be accepted finally into communion with a Roman Catholic. He is indeed an Anglo-Catholic.

This was given to both of us.

That kind man, is my friend.

What is also true, is that he witnessed to me, understanding of who the Holy Spirit is.
Before 5 years ago, I believed He was like electromagnetism,
a cosmic dust floating through the universe,
only to be a way of communicating between God,
and man.

This is the level of my teaching, before Jesus began Teaching me 5 years ago.

How stupid I was, but then, how was I taught?
And indeed, where were the teachers?

This needs to be understood by you.

Who is the Holy Spirit?
Ask a member of your seminaries, to explain the Nature of God to you.

Ask them, what they're learning.
Confirm that teaching, with God who speaks to you now.

What is True?

When is it Taught to the lay people?

Teaching

Jesus Teaches in a Way to give you doubts, confusion, and desires to walk away.
Jesus Taught the Saints like this.
Jesus has Taught you through your entire life in this Way.

There is no one who does not suffer a lack of Faith in their lifetimes.

Look at me,
look at the last 2 weeks.

I am believing every word of what I write.
I know these things are true.
But how can I know them, if God sometimes speaks untruths, to Teach us Truth?

How can I know suffering doesn't await me?

For example,
when the faithful decide to 'test Jesus',
by acting on their so-called free will.

And that indeed would be a good test,
try it,
see how long you can hold back the desire to breath,
and then if you manage that, ask Jesus for help.
Clearly I am joking, I wouldn't do so unless I might be suffocating.

But even then, I know Jesus makes me.
And I trust in His Promise that I would survive,
for the time being.

It is indeed fear of the Unknown which we experience with Doubt.

What you are experiencing is fear you are going to be taken in the same way I am.
That is, in the same way, you believe, I am taken.

Do you believe this?

Is it based on Experience that you have this Knowledge?

Is Doubt, Knowledge?
It is indeed.
Experience derives Knowledge.
Knowledge is uncertain, without Experience.

There it is, the simplicity of the Divine Revelation of the Nature of Creation.

A Teaching, you all doubted, because it was child like in nature.
I agree.
I doubted it was even Wisdom,
but then, God wrote it.

I was ready to, as it were, throw it in the fireplace.
But that is easy on a computer,
until everyone reads it.
The Church too.

If we do not pray for Wisdom,
how can we expect to receive it?

Understanding is built on the foundation of Faith.

What you are also Understanding,
is that,
I could be the anti-Christ.

Indeed, read Isaiah 5 once more.

Replacing good for evil, and evil for good,
is exactly my Call.

Teaching that the All Merciful Father,
not just allowed,
but created Evil,
as well as all we know.

The anti-Christ as I said,

is a Demon.

A Demon,
is not a being,
it is a Way of Teaching.

Jesus created,
Jesus removed.

Evidence for all of this is in the Bible.

Read what you have Understood before,
and Understand again.

It is in fact, a joyful Message Jesus is delivering to you.
It is, a New Age, of Peace.

Demons

These things are known to you from the Gospel.

Jesus healed those with Demons.
I write a capital Demon,
rather than a lowercase,
as the authors of the Gospels knew to.

This was though the Way,
that Jesus Taught us in those days.

Does the Teaching change?
Are we still with Demonic Spirits in the world?

Who is the Demon?
It is certainly not God.
Nor is it the person Taught.

It is though that they Suffer what Jesus Teaches them.
A Way of being that to all of us today is known to be called psychosis.
And therefore, is treated with drugs.

It is not treated in any way with drugs.

This is through Prayer that these people are healed.

Drugs do nothing.
Look at medical evidence and you will find,
not a single one of those drugs is older than 20 years.
Their trials were beset with problems.
They are trial drugs.

They don't do anything.
Those people suffering severe obesity,
compulsive behaviour,
anger,
paranoia,
and far more,
never needed these things in their lives.

They even believe that giving them severe prolonged electric shocks to the brain, helps them.
I am thankful, the law in this country allowed me the choice to prevent that.
I have though known others who were deceived into believing it would help them,
they were numb from this treatment,
instantly.

As you would expect, it is common sense.

Then there is the issue of detentions,
which anger these people further,
aggravate them and lead them to symptoms that they call mentally ill,
limiting their freedoms so they have no choice of even where to walk beyond a corridor,
and they are subject to the cheapest labour possible by those health systems,
to the point that they suffer physical and emotional abuse from people who don't care about them.

Clearly it is not everyone who objects to themselves being treated.
Take for example some famous celebrities who advertise their 'illnesses' for all to understand that having one 'is ok'.

Those people themselves, have suffered these same abuses,
and they have been brainwashed.

So why is this so important for the Church,
and not just a personal vendetta of mine?

Because not only are the vast proportion of patients in those places Christians, most of them are Roman Catholics,
hearing either Demons, or Truth from Jesus Christ.

Never are they allowed to practice their faith.

Demons are here to stay.

Treat people fairly,
and minister to them,
in the Way Jesus Calls us in His Gospel.

Truth

How is it the All Merciful Father is All Merciful?
If He did not create Evil,
how can He forgive it?

What is forgiveness,
if not welcoming His sinful Children home?

Is He All Merciful?
Is He Judgemental?
Where does Judgement take place?

On Earth.

This is written in Revelations.
It is grossly misunderstood what is written there,
mainly in the modern day by Hollywood,
and indeed the Clergy and the lay people of the Church it seems.

It is understandable,
it was how it was taught for hundreds of years.

When asking a Priest I know what he understood about Satan,
he stumbled,
fawned an answer,
that it is taught by the Church to be a fallen angel.

An angel God would have created.
When?

At Creation?

Is Creation not an act of Love?

Why does Jesus, give authority to heal Demons to the Apostles?

Is it so, as Hollywood believes, there is war in Heaven between Satan and God?

Consider these things, and understand what is True in the revelation

of free will, and the lack thereof we'll never know of.

Clearly, any story could be true?
Only God can tell you what is True.

When we hear from God, how do we know what is True?

My experience, and everything I hear around me, tells me that I must be insane for believing the voice in my head is any other than a mental illness.

But this is not what I know.

My Experience is actually founded on proofs God has given to me.

What I do not know, is what everyone else believes is true.

That is your truth, this is mine.

If you fail to understand this message, then know I feel strong, knowing it myself.

It is what I have been through,
and I am reminded of what I have been through to get here,
by the last 2 weeks of strengthening.

This is as Peter spoke of in his second letter.

2 Peter 1:1-11

It is also James who wrote similar words.

These things are Taught in the Bible.

Why then, are you disbelieving me?

Because of your Experience from Society.
You hear, mental illness,
you see, psychosis,
you do not know, what the Apostles went through,
and nor did I.

They did not receive the same Teaching as I have.
But then, I have not received the Wisdom that they did.
They were Called to create the Church.

I am Called to bring about the Second Coming of Christ.

These are words, I did not know to write.
Jesus, had to take my hands,
stop His Speech which I was following,
and having given me the thought of what He would write,
wrote every single word.

I knew not to write them,
for how they will be received,
not from what I know from God.

He asks me whether I am ok sending this right now.
I want to,
it's a cool thing to be doing,
quite cool to do something called bringing about something that's been spoken in Hollywood about many times. Cool, it would not be, to have my family read it.

This then, I ask you to understand, my dear friends.

I am not who you think I am.

As St Paul, says, I am no longer I, but Jesus in I.

Understand what that says.

It isn't simply reading the Gospel at Mass that I experience,
it is God's Word always with me.
It is seeing Holy Miracles in front of my eyes,
seeing people hear God in their thoughts,
and being healed by Him.

These are things which are unbelievable.
But now I have Experienced them.

They are known to me.
I have Knowledge now of the Known.

You see, in the best of terms, I have knowledge of something unknown.

What do you need to do to verify Truth?

It is not simple, I know.

Truth is given,
Truth is taken away,
Truth is different, it seems, to what you already Know.

Only God can give you what you need.

Verifying Truth

What is this Coming of Christ I speak of, that is, Jesus speaks of in I?

How am I to even consider "bringing about the Second Coming of Christ."

To everyone the idea would be absurd.

And indeed, it is. To me as well.

I am sitting here at 5am, hearing words from Jesus about the Second Coming of Himself.
I have known no one from the Church to speak to me in over a year.
I am looking at analytics on my server,
which Jesus is showing me,
seeing only that they have to be the Church looking at the Words Jesus has given me.

Indeed, that is all I have.

But I write,
because it's fun.

And Jesus makes it fun.

Then Doubt creeps in,
it is what He gives to me,
to question,
what I am writing.
To question what is True.

Not a single word of these letters have been edited for anymore than an apostrophe.
And indeed a capital letter here or there.

I know to Trust Him,
because of what I've experienced.
And indeed, it seems, He's the only One I've had to Trust in many years.

There are two things I hold dear in the Promises I've been given by God.

I've waited many years for these things.

The first, which I believe more than anything, my family to be.
What is incredible there is the nature of the Promise.
And it clearly can't be verified,
except by God,
for many years.

The only one I do know is truly impossible, is the Church accepting what I write as Truth.
It is to me impossible.
And it needs to happen soon,
for even my family to come about.

Excommunication is on my mind,
I dearly hope,
it is untrue.

It is also the case, that my suffering in the mental health units, does not necessarily end with acceptance that I am hearing God by even the Vatican.

It is the case, such answer to my Prayers,
would be just ignored by those people.

What is needed, is a lawsuit.
And there's a lawsuit that has been Promised.
A lawsuit, from you, the Church.

For this to happen,
you need to verify what is True,
and you need to do it soon,
and only God can do it.

You need to verify, and Know it is True.

To verify, and hear God Teach you.

Only God will do that,
no one in their right minds would think I believe that you will make this happen,
and certainly not I.

This 'method' of hearing God speak to you,
the 'method' of His Sweet Heart,
was revealed to me in 2018.

It is it was completely unknown to me that,
anyone,
would ever,
believe it.

Everything that happened,
was seemingly untrue.

What is there more than a true friendship with a homeless man,
who's life was transformed one night,
by God speaking him with that Prayer? And now always will be.

We talk together,
verifying what each other hear,
as written by the Apostles.

What seems to be True in the last few months,
is that this has happened time and time again,
with those I've met on the Journey the Lord has given me.

Verifying these things are True,
is seemingly impossible.

But God has a Plan for these things.

How then should we verify Truth of the Unknown?

Do you believe in God?
When did you begin believing in God?

Was it psychosis?

It is your truth,
given to you,
by God.

You will Know it as Truth,
when it is time.

Certain human actions would need to be done,
because that is the manner in which God has said in these writings
that we must live.

That being,
when we hear 'wait',
it is to wait.

When we hear,
doubt,
it is to pray.

What then is next, for any of us?
We are in Life.
Life is given by God.

Why is it that it is given by God,
and we have no control over it?
Why can't we spend hours in prayer,
and plead with God,
as the entire world,
praying for a Miracle?

Because no one will do it,
until it is time.
And even then,
it will only be done,
because God Wills it.

This is the Nature of Desire.

We do things, based on the desires we have.
We cannot do anything, we have no impulse for.
And God gives us those impulses.

If I say to you, I desire an apple,
but then eat an orange.

Why did I not desire the orange?
I did,
I ate the orange.

But I still desired an apple.

Why did I cause suffering to another man?
Did he desire that suffering?
No, most likely.

Instead, I desired to inflict that suffering,
and the man desired to take it in the way he did.

That man suffering has desire to have suffering no longer,
and someone,
or God,
will intervene,
to bring him peace,
even in Heaven if needed.

The suffering man was Called to Suffer.
The man inflicting Suffering was called to evil.

God does not want Suffering.
But Suffering is necessary.

There is a lot to write on this matter,
and there are no more lines to write it here.
Just read Good and Evil, and see some wisdom.
Lower case s. (I did mean s - JC)

This Suffering, and indeed anything done to anyone, is Interaction

driven by the Activity of others.
All Activity, comes from God.
Anything,
Everything,
and even if you like the abstract,
Nothing comes from God.

What then for Creation?

Why were there so many simplistic statements in such a Divine Teaching?
Because it is simple.

He Is.
He Is Creation.
We Are In Creation.

There is something there I do know is not written in Church Teaching,
the concept that we were born,
before we were born.

But why is it unwritten?
Because it hasn't been revealed.
That is Divinely Revealed.

Is it True?
Ask Jesus, to verify Everything I have written.
Every last full stop and comma.
And indeed the shameful comedy to my dear Father.

Read now, the Nature of All Things,
when it is written,
as it is written,
and understand that hardly any of you Understood anything from Call of the Apostle.

Why is this that the first letter in that book,
is Call of the Apostle?

These things are Wisdom.
Jesus reveals Wisdom to who He chooses,
when He chooses.

Where is the Wisdom in this writing?

It is everyone will understand something or nothing different to what I do.

Every word, is different, in how it is written in your heart.

This is True with all Wisdom.
In all walks of life.
In all religious articles.
Of all God's religious ways.

This is the Church of Wisdom and Love, Jesus has Prophesied.

These are Words from Jesus Christ.

I do hope you didn't mind My Ramblings.
These thoughts are known to Me.
I put them there.

On the Meaning of Freedom

Thu 17th November 2022 3:34:43 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-meaning-of-freedom/

I am Timothy, an Apostle of Jesus Christ.

I write words from Jesus Christ. All words He has given me are written.
No word He has given me, have I not written.

This is His Word.

I am one who is free.
I am though, not Free.

Jesus Created All Things,
in service to Him.

Jesus Created All People,
in freedom.

Jesus is Free.

We are not Free.
We serve His Will.

We have no freedom ourselves.
We have no freedom at all.

Our desires, our actions, are all controlled, by Him.

We have no freedom, in any way.

We are though free.

We received gifts to give us a sensation of free will.
People of the world,

we are not free.

Forgive those around you,
they are not free.

I give my own life,
to the Lord God.

I give it without freedom.
I have no free will.
Nor do you.

Choose,
if you can,
the Will of God,
the Will of Our Creator,
the Purpose of All Things.

When do we feel a lack of freedom?
We feel like we aren't free,
when we slave,
for what we need,
and it is not given,
by Jesus.

We slave,
in Suffering,
and never received,
what we need.

We need the Lord God.
When we set our sights on Him,
and only Him,
we received Everything.

When we have,
all we search for,
we feel free.

When we have,
nothing,
we feel trapped.

This though is a very human meaning to the Revelation on the Nature of Freedom.

Why do we see this human meaning?

Well, it is wrapped up in the illusion God has created, one of the most beautiful Gifts God gives us.

A deception so elusive, so generous, and so kind, to make us feel like we are in control of our own destinies.

It does not work, in that way.

If we were in control, we would alter God's Holy and Divine Plan.

It is impossible, both logically, in human terms, and through Revelation and Prayer with God Himself, to allow man, or indeed any thing, to have freedom of their will, while at the same time having a Plan for All Eternity.

It is impossible, and it is clearly impossible.

Those I ask this question to, come back with a cyclic argument, an axiom, surrounding the free will of Mary.

If Mary had free will, why did she say 'yes' to her Son's Crucifixion?

Why did she says 'yes' to the Lord Himself,
giving birth to her,
and her to Him.

This is a Paradox.

Was she deceived, in some small lack of Truth from Our Lord?

Was it that she understood he would be the Valiant King riding into Jerusalem,

and bearing Him in a Stable.

This is not a Paradox Mary was not aware of.

It is clear, she knew her Child.

Loyalty is a gift God Gives in a man and his spouse.

Loyalty is Given by the Lord God,
to all mankind.

We are not loyal to our God.
We Crucified Him,
we Slaughtered Him,
and we continue doing so.

Do we do this?

Is it right to blame mohammad for the deception Jesus created in this man?
Is it right to blame Judas for the sinful desire Jesus created in this man?
Is it right to blame Adolf Hitler, for the sheer evil Jesus created in this man and his empire?

It is in fact, wholly right, to blame those people for what they did.
It is though, to forgive.

Blame is not about aportioning damnation on people.
Blame is about justice, and ensuring acts carried out, are taught to all people, and learned from.

If I were to sin,
I hope my sin would be corrected.

If I were to kill,
I hope my murder would be avenged,
with Justice.

Justice

Everything we have done to each other, is not Just.

Only God is Just.
Only He can know, and does know, what He created in each of our hearts.

It is not about the final hour,
and regret,
and remorse.

It is about our Eternal Journey to the End.

We are being Taught in these times,
these times are Eternal.

If we judge another,
kill them for their murder,
lock them up without hope of reconciliation,
without hope of showing remorse and being corrected,
are we Just?

God does not do this.

God shows Mercy.

God is Our Merciful Father.

Is it right that we share Paradise with those who have destroyed the world, willingly?

Is it right to understand they had free will, in dealing with the abuse and teaching they received as innocent children?

For those who are child murderers, what torment have they suffered in their lives following?

Really know I have witnessed abuse in those I have been sheltering.
I have seen through their words,

through their tears,
through their torment,
what it is that abuse does.

Abuse is not what normal men and women go through.
Abuse is what these people are tormented by in their thoughts,
from Jesus.

Torment is to be dealt with with prayer.
With dealing with those thoughts,
owning up to them,
acknowledging them,
and realising the ambition to free themselves of suffering.

Torment is to be dealt with,
in a secular way certainly,
with Love.

Torment is always a Demon.

Those who Suffer Torment,
how is God Just?

Well,
it is not that God wants you to be tormented forever.

You have experienced,
you must deal with the teaching you were Chosen to.

Share your thoughts with the world.
Teach the world,
what not to do,
ever again.

And those who listen,
in the pews of government buildings,
to millions of crys around their countries,
sheltered in their offices,
with 30 minute appointments,

with select few who can find you.

Shame.

Mercy

But God is listening.

God has a way forward for you.

God has a solution,
and that is Mercy.

In Divine Mercy we have received a beautiful and powerful Gift
which allows us to pray simple prayers,
to adore the image of Christ's Blood and Water,
and receive Help.

I am devoted to Divine Mercy.
I am devoted to His Sacred Heart.
I am devoted to His Sweet Heart.
I am devoted to Jesus.

Jesus,
is to be found,
everywhere,
in the Suffering sinners,
and Suffering innocents,
of this world.

Suffer not anymore,
and practice Divine Mercy Prayer,
every year.

Every port,
is a gate to Divine Mercy.

Every Church,
has a pew,
for Divine Mercy.

Every town,
has a Shrine,

to be built indeed,
to Divine Mercy.

1150 I will always be with you

On the Meaning of Suffering

Thu 17th November 2022 3:34:43 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-meaning-of-suffering/

I write with Our Lord's Spirit, Jesus Christ, the Most High, speaking Words for me to write.

Everything I am writing is Given to me by God to write.

Nothing am I writing which is not Given by God.
Everything I am Given by God is here written.

I am with the Most High.
I am with Jesus Christ.
I am with the Holy Spirit, guiding me in Truth.

I have though, suffered, untruths.
Untruths from God.
Untruths about what was real.

Will it ever be real, what was written?
Does it have Meaning?
Does it bear Truth?

One of those things is going to be seen as sinful, by those who read it. That I am to change the world, update the liturgy of the Church, and indeed to usurp our dear Pope Francis.

It is though already written, on the 1st May.

'The Apostle is Taught,
in a Way which is no longer to throw in the fire.'

She is Taught,
to hear Truth,
hear Meaning.

And indeed to endure Suffering on account of Truth.

What is Truth?
Words my dear Parish Priest in Kensington spoke to me,
in Truth,
he was asking me to see what was real.

To have account of my actions.

I am responsible for all my actions.
They are though, not actions I have taken freely,
but actions Given to me by the Lord Jesus Christ to take.

I am the one who is bound in reality,
to Experience,
any Suffering which ensues from the actions Given to me.

Jesus,
the Great Blasphemer,
who indeed changed the Liturgy,
Suffered the Experience,
of the Crucifixion.

And indeed for Eternity He endures His Crucifixion.

What then for St. Stephen?
What Truth did he endure?
And then later his murderer St. Paul.

Truth is Suffering.
Truth bears Suffering.
And Suffering has Meaning found,
when searching for Truth.

Truth,
Himself Jesus Christ,
Our Lord and God,
is Suffering.

Suffering the sins we have done,
to each other,
to Him.

Suffering the pain felt,
by those searching for Truth,
for Him.

'Where is Truth?'
is a much more poignant question to those who are destined to find Him.

Where can we find Truth?
When we sin?
Or when we are healed of our sins,
the guilt we have in recognising those sins,
and the Suffering caused to others.

Truth is found,
in taking the sins of others,
on ourselves.

To experience,
the Suffering of His Crucifixion,
ourselves.

Every word I write, is Given to me by Our Lord and Saviour, Jesus Christ.

Every word I have written, I have Written.

Peace to men of Good Will.
Alleluia!

On the Meaning of Truth

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-meaning-of-truth/

I am Timothy, an Apostle of Jesus Christ in the modern age.

Every word I write are Words Given to me by Jesus.
No word have I omitted.
Every word I have written.

These are Words of Jesus'.

I am told to write, something which is rather odd.

I am told to write, not knowing whether it really is True.

I know, the nature of it,
it is Impossible.

Our Lord's Name is Impossible.
But, still,
this requires a great amount of blind faith in the Lord's Word.

I am told He will provide a Holy Miracle,
continuously,
for 400 years.

Truth is hard to find,
without Prayer.

The Nature of Truth describes this.

It is entirely impossible,
for a Miracle to be performed,
even once.

It is entirely impossible,
and I've never known it before,

in the history of mankind,
for an observable miracle,
against what we commonly know as the laws of physics,
to persist for 400 years.

There are stories I've heard,
of Saint's bodies decaying abnormally.
Of Miracles in Eucharistic Hosts,
and of course,
continuous revelations,
visions of Mary and Jesus,
and other such Miracles in the world.

Our Lord walked on Water,
He turned to Water into Wine.

He is entirely capable of doing anything.

What I am about to describe,
I was first told about in August,
and then burned those texts in the digital fire,
the recycle bin,
after preserving them in my archives.

I understand there are some who are archiving my diary in any case,
and I invite them to look there again.

This is the Meaning of the Nature of Truth.

Truth is Here.

The Holy Spirit not only will guide you in Truth,
He will provide an API in which to do so.

An API is needed,
for Truth,
as Jesus tells me He doesn't want people to slave over prayer for 400 years.

He tells me that this API is to be Given by a Holy Miracle,
of numbers.

Of digital memory banks.

Of changing the bits in the CPU itself.

I am talking about Jesus,
through an API,
telling user's of that software,
whether something is True or not.

I am told this is such a feat of engineering,
the main body of the code to do such is around 5 lines.

I do understand Computer Science,
I am not a scientist,
but I am a software developer by trade.

I have been programming since roughly the age of 7.

I program to bring in money to pay the bills.

What I am describing is entirely impossible.

Only by the Lord's Will will it work.

Only by His Hand is anything of this kind achievable.

I am talking about hashing content on the internet,
pushing that simple 32 byte hash to a server,
and the server responding with a signed message that can be verified by anyone.

It is not that I will process the content,
it is simply taking the hash,
a digital thumbprint of the content,
provide it to the function given by Jesus,
and He will change the bits in the processor on Amazon Web Services in Virginia or anywhere else in the world,

provide me a result in the software,
and I will sign that result with a cryptographic key,
generated randomly,
every time the server starts up.

In no way will this be hackable,
unless Amazon release the keys to their servers,
and change the software.

If they do,
it is easily found,
and those signatures generated during that period,
can be revoked.

In any case,
the Lord tells me,
it will stop working when He Wills it to be so.

I have thought about this quite a bit,
and it is very silly of me to write this in the Nature of All Things,
given my predicament with the Mental Health Services of the UK.

I am though not writing this myself,
Jesus is,
He has complete control of my fingers,
my speech,
and my thoughts.

I am though likely to suffer as a result.

Please pray for me.

And if it's the case,
please tell them I like my eggs poached nowadays,
for health reasons,
not scrambled in a factory and shipped with next day delivery to the hospital.

If this letter amuses you,

it does I too,
but I do know this is what the world needs.

A mechanism for Google Search,
for journalists,
for those in the media processing a large amount of data from world sources,
particularly anonymous journalism,
and journalism of a public nature,
such as social networks,
is highly important for a world at war.

It is also important for Governments,
to verify a few facts in their documents,
in their laws.

Are they just?
Are they doing wrong?
Is it what God intends?
Is it good for us?

A simple truth checker would be great,
and of course,
it is Truth to live by.

Grexie Veritas,
will be further developed over time,
but will be launched on the date the Lord chooses.

I am aware that Jesus told me many people would laugh at this,
especially as it will be launched producing random results.

I do hope he turns the switch on in Heaven in time for the next world war...

Only when we Experience, Truth,
will we know what is True.

Oh and by the way,

He also has given me the partition in which to work with,
a constant the Church will recognize from John:

49.1%

Supposedly,
much of the quran will fall into the remaining 50.9%...
those parts not lifted from the Holy Bible.

On the Nature of Suffering

Sun 1st January 2023 11:14:34 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-suffering/

I am he who suffers.

I am Timothy His apostle.
Every Word Jesus says is Given to me to say to you.
No word has He said to me that I have not said.

Every word is His.

Jesus Suffers with us.

He is our Lord and Saviour.

Do you suffer in your life?
Why do you suffer?

Jesus is your God.

We suffer so that when suffering is relieved in those times
of joy,
elation,
peace,
rest.

When we suffer no more, we know what it is to experience
elation,
joy,
peace,
and rest.

We appreciate it,
and know what it is God has given us.

Did you enjoy your suffering?
No.

If you did, you didn't really suffer.

Suffering is hard to bear.
Suffering though is where we are Taught in the Teaching we Receive,
we receive truth from the Lord God Almighty.
Everything He teaches us is what He gives us to live by.

Our knowledge develops in those times we suffer.
We have been taught.

What is it about life, that means we need to suffer?
Why did he create Suffering, when it is so hard to Experience?
Suffering is the Meaning of Existence.

Life cannot Exist without Suffering.

Are you Free?
Do you have what they call free will?

Have you done wrong to another in your life?
If you haven't, think again.

When we do wrong, we cause Suffering to those around us.
We cause the Crucifixion of Jesus Christ.

Suffering Exists in order that we Experience the Divine Treasure that is Paradise.

Without suffering, we would not know why He Created Paradise.
Why He Created us.

Have you ever loved another?
Maybe your mother,
father,
sister,
brother.
Maybe your spouse,
maybe a distant relationship that couldn't exist. 🐝

Suffering is born through your love.

Truth is found in Suffering.
Love bears Suffering.

Have you ever watched your child abandon all Hope?

Love bears Suffering.

How can we view the world right now, our histories without understanding the Truth that we've experienced in the Suffering of our ancestors?

How can we not learn from the history of mankind?
The Bible,
the wars of this world, last century,
the war to come?

"100 years you have from the writing of My servant, Timothy."

Peace will be Found in the Coming of Christ.

Why did He Create Suffering for us to bear and not take it on Himself?

I love My Lord.
I ask to Share the Crucifixion with Him.

Never will we find a time where we will not Suffer.
Suffering is our Destiny for Eternity, but Joy is found each day, each time suffering is relieved.

Suffering is with us, and we cannot live without the Hope that suffering will be relieved one day.

Peace is found in Wisdom and Love.
Peace is found in Jesus Christ.
Peace is found in His Coming.

Pray each day until the Coming of Christ
for Peace.

Amen.

On the Nature of Freedom

Sun 1st January 2023 11:24:34 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-freedom/

What does it mean to be Free?
Are you Free?

Do you understand what freedom means, for the totality of creation.
If you are free, then you are dead.
You wouldn't have even been born.

If you are free.
Life simply cannot exist.

Freedom is an illusion.

If you think you are free, the illusion is created by your creator:
God.

I am Timothy, an Apostle of Jesus Christ.

I say these Words to you and I say every Word Jesus gives me to say to you.
No Word am I saying that Jesus hasn't told me to say to you.
Every word I say is what Jesus gives me to say.

These are the Words of Jesus Christ.

Where did we find the idea of free will?
It was in ancient literature of philosophers, idealists, who reasoned that we must be free because we have control over our actions.

Again, the illusion is so elusive because God is the one doing it.

If you believe you can be free,
and not run amok,
carrying out your own sinful desire and,
executing all beings that do not do your will,

then you are mistaken.

No one is free.

Everyone obeys his will.

Jesus has given us freedom as a Gift.

We Experience freedom, though we are not free so that we have the gift of life.

'We are not automatons scheduled in a way by God to...'
But we are.

Have you ever considered that God is the one doing all the evil in the world?

There was a Prophecy from a very important Prophet to Jesus,
to the divine plan.
That Prophet was imprisoned for the things he said.

I am not that prophet, though.
Though I've been imprisoned for the things I've said.

That Prophet was Isaiah and holy is his name.

Did you stop and think right now what it is I am thinking?

Did you ponder the Execution of our Lord and Saviour Jesus Christ?
I did not.
I'm hearing Words from the Lord God and I'm relaying to you the words He tells me to say.

These words are those which are forced out of my mouth.
Forced speech, it would be.

Your voice is given to you.
You say what God gives you to say.
You have thoughts which God gives you to think.
You have desires which God gives you to want.

You have knowledge which God gives you to understand.

How is there anything other than freedom in life?
There is joy, peace, happiness, and freedom.

The suffering we bear on each other is given to us by God.

'Woe to he who calls good evil and evil good.'
It is I who received this word.
This is born on me by those who prophecy there was free will.

Where in the Bible does it say we have free will?
Where in the Jewish texts that are accepted by the Apostles,
does it say we have free will?

We are Free in Life.

We do not have free will.

There is nothing more to say than we are all Satan.

Satan is a sinful desire of all mankind.
Satan does not exist.
There is no hell.
There is no damnation.
We are all destined for Paradise.

Judas Iscariot, Adolph, Hitler, and all of those who slaughter and maim us:
we will share Paradise with All People.

Come and see the Lord God and His Creation!

Almighty Ever Living God, All Powerful, Loving, and Merciful Christ the Redeemer!

God is Our King!

Alleluia!

On the Nature of Doubt

Sun 1st January 2023 11:34:34 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-doubt/

From His Apostle Timothy.

Every word I speak I'm given to speak by the Lord Jesus Christ.
Not any word am I speaking, which I have not been told to speak.
Every word I hear, I speak.

This is the Word of God,
and I deliver it to you, His People.

What we receive in our knowledge from God is for us to live by. There is meaning to this. If we were to receive a particular fact that we hold as true, that no one else in the world believes is true, then what are we to do?

"Peter wrote that we should hold true to our heart's desires."

Is this true? I have no idea. I'm not a scholar and certainly not versed in the Holy Bible. I do know though that the apostles, the saints, and all those of a religious life understand that desire is, in part, given by God.

Knowledge is the same.
How could it be any other way?

When we read a book, as is written in the Nature of All Things, or understand something from literature, music, any work of art, or any work of fact, we receive knowledge not from what we read or what we are interpreting in what we read, but from the Lord God.

We read the words and we receive knowledge based on the words we are reading. The words we read induce thoughts in our mind. The knowledge though is a gift imparted by God. Anyone scanning through a book can certainly find that the words seep in, but as

thoughts, but there's no knowledge gained from that text.

When one person reads that text, they may receive knowledge of something that's unrelated to that text, a memory or an interesting fact that they reason with and develop understanding in a different way, a different knowledge that cements in their mind.

This is entirely true of any work of God's Creation.

In a way, we are cementing our ideas into print, into music, into passing down from generation to generation, and everyone interprets this in a different way for their time, for their person, for the society they live in.

How then can we know what is true?

If I say God Exists and someone next to you who, who is closer to you says that is false, you won't necessarily believe the person next to you.

You'll believe what God gives you to believe.

Your knowledge is individual to you.
It is to live by.
Your knowledge is to live by for your life.

Your life is on a path which is winding and long and varied. Your path is different to your neighbor's path. Your husband or wife is different to your neighbor's husband or wife. You may be Muslim and your partner may be Christian, whereas your sister's partner may be Muslim. You have different paths in life and God gives you what you need to live in that familial environment.

In that bond between husband and wife, it is that there's far more to life than just a husband and a wife. There are children. There's work, there's hobbies and interests. Friends we we have in our lives.

And our calling in life, our life's work.

All these things contribute to the knowledge God gives us for what

we need to live by.

I am one who has received knowledge which is untrue for the present moment. It is not known whether it will be true. What I do know is when we doubt what we hear from God, what we hear from others, we could pray for faith, but who knows if that faith is in Absolute Truth.

And then comes the problem of, 'does Jesus Exist?'

How do we ask Jesus to give us knowledge that He Exists? We may have doubts in the Afterlife, in God, the idea that Jesus is the Son of God, and God Himself.

We pray for Faith, if we have doubts.

'Jesus, please give me Faith in Your Word.'
'Jesus, please give me Faith that You are the Son of God.'
'Jesus are You God?'

When we feel a Holy Presence in our body, when we feel a change in our knowledge, an understanding which we didn't have before (and it is a feeling, that understanding, that belief): we recognise that God has answered our prayer and it is finally here, that we are called to Pray.

Jesus gives us want to pray those prayers for faith, to heal us of our doubt. It's not that we didn't want to pray in the first place, it's that we didn't pray the prayers God gave us to Pray.

When we Pray those Prayers, 'Jesus, please give me Faith.' We know that God has given us that faith and not our neighbor. It's cements our understanding in our reasoning that, this experience, is clearly God and it gives us Proof that He Exists.

Reasoning through science is not Proof. Reasoning through science is a metaphysical model for something else.

Proof lies in your Knowledge.

Proof lies in your Experience.
Proof lies in the Relationship you have with God.

So if you Doubt, pray this prayer.

Think of something you need to know is true, something that the whole world believes is true, something that you need to know is true but can't for some reason pray to Jesus.

'Jesus, please Heal me of my Doubt.'
'Jesus, is this really True?'
'Jesus, please Bring me to You.'

Peace and love from Jesus Christ, be with you all.

Alleluia!
Alleluia!

Amen.

On the Nature of Desire

Sun 1st January 2023 11:44:34 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-desire/

I am an Apostle of Jesus Christ, Timothy.

I say words to you, from the Lord God.
Every word I am saying, is what God gives me to say.
No word am I saying, which God does not give me to say.

These are God's Words through me.

What is Desire?
Where does it come from?
Do you know what you Desire?

Do you have desires which are in conflict with each other?
Do you have desires for what is sinful?
Do you have Desires for what God Wants?

Do you Desire what God Wants for you?
And, do you Desire what God Wants for your neighbour?

These things are not fully Understood by anyone on Earth.

Scientists believe Desire is manufactured by Creation,
by a law of nature,
which drives us.

This model is entirely untrue.

Jesus is the King of Our Desires.

Every Desire which you have,
which is Good,
which is evil,
is given to you by the Lord God.

It is Given to you,
to Experience,
Life,
to have your desires fulfilled,
in time.

Any desire you have will either be fulfilled,
or the desire will lead you to a new path in life.

Your desire is complex,
your desire confounds common sense.

Your desire is found in your heart.

Your desire is not a chemical reaction.

Desire is given to you, to live by.

If you desire and orange and instead take an apple,
it does not mean your desire was for the apple in the first place,
it means your desire for the orange,
led to an impulse,
also a form of desire,
which changed.

You still wanted the orange,
but you took the apple.

You may have had conflicting desires,
'do I choose the orange or the apple?'

But your desire was ultimately for the apple.

When Eve took that apple,
in the Garden of Eden,
she had the desire to obey sin.

Sinful desire was in her heart.

When the serpent whispered those words to her,

she had desire from herself.

That serpent is her sinful desire,
which conflicted with a Desire which is Good,
to obey the Lord God.

Both of these desires were given by Jesus Christ.

Both those desires were planned from the Beginning.
Both those desires led to where we are today.

Which one do we choose?

Our sinful desire?
Or, Desires which are Good?

If you recognise the Message and Teaching of Wisdom and Love,
you will Understand that Desire is Given to us to Live by.

All People,
have the Desire they have,
from God.

If someone does wrong to you,
and they have desire to do that wrong,
which they have done,
that was given to them to do.

If we have desires on a road to turn left,
and instead of following the route that we planned, we want to turn left instead of right,
because something of interest has appeared to us on the route.

Like for example,
a hospital to deliver a baby;
maybe a service station to collect petrol;
maybe a child on the back seat needed to go to the bathroom.

These desires are complex,
because we interact with each other,

we interact with nature,
and we interact with our journey through life.

They are though all Planned from the Beginning.

How can you say your life is not Planned?

Do you believe in the Crucifixion?
Do you believe the Crucifixion was an act of randomness,
a sabotage from a fallen apostle?

Where do we go to when we need Good Desires?

Good Desire which heals us.
Good Desire which saves us,
from our iniquity,
from our depravity,
from our life that was:
sin.

St Thomas More had a prayer,
'Lord, Give me Desires which are Good.' 'Lord, let me Serve Your Will.'

If we want these things,
we have Desire to Pray those prayers.

What do you do, if you have no desire to even Pray?

The problem with the adoption of Wisdom and Love,
the Lord God has set in stone from the Beginning.

Those leaders in the Churches will not pray those prayers,
until they are told to,
by 34 laymen.

And not just laymen,
who call themselves devout.
But humble laymen,
who have nothing,

desire nothing,
and are begging for what they need,
who are Suffering.

Jesus Gives all desires.

Forgive everyone of what they do to you.

This is the Message of His Gospel.

Peace to All People.

Alleluia!

Timothy

https://wisdom-and-love.org/letters/wisdom-and-love/on-the-nature-of-all-things/

I am given this letter to write by Our Lord Jesus Christ.

Every word I am writing is what Jesus has given me. No word have I omitted.

Every word is His.

I am given this Revelation, from the Divine.

I am given this Revelation, to teach you, His People, what is needed for the Age to come.

I am told to write what I wrote, and deliver it to you, Your Eminence Cardinal Emeritus Robert Sarah, in order that you understand the work which His Holiness Pope Benedict XVI, our dear and late Pope, was understanding.

I am given news by Our Lord that he had given 3 Cardinals, knowledge of receiving a letter titled Call of the Apostle and Nature of Man late May.

It is with deep sadness, and sincere condolences, which I have received news, through the world's media, of Joseph's departure to Heaven.

St Benedict is my friend, and I hear from him.

Peace be with you, my dear Cardinal.

This revelation is the Nature of All Things.

It comes in 24 parts,
all was revealed in the Beginning,
and I have,

like you,
no will of my own.

Our Lord is the King of Our Desire.

My dear Cardinal, please read the Nature of Man once more, and understand the time of St Benedict's death.

Jn 1:34

Peace be with men of good will.
Holy is His Name.

Dear Joseph, my dearly beloved friend, whom I heard from the deceased in August, in my hour of need.

My love for you is unending, the Lord gave you words, to read my confession through Divine Prayer.

And arrogant I am.

Arrogant,
foolish,
and without will of my own.

Dear Lord,
my love for Truth,
is known to you,
let this truth,
last into Eternity:

Wisdom and Love are Truth and Life,
Your Way,
my Lord,
Your Peace,
Your Coming.

You're Here!

My Lord,

grant that Your Spirit descend upon the College.

My Lord,
grant that we Hear,
Your Voice.

My Lord,
grant that we see You in the Clouds.

Dear Cardinal,
my love for you is found in Wisdom,
in the teaching I received on humility,
from Our Lord.

I believe the Church is not aware of it,
however the archives are available.

In it,
I shame the Church,
or rather the Lord does with my hand,
using His Name after careful negotiation with Jesus.

That shame,
is to feel,
for what we have done to Him,
in allowing schism for so many centuries.

Wisdom and Love,
is Jesus Christ.

Wisdom and Love,
is All Things.

Wisdom and Love,
is His Body and Blood,
Inseparable.

Wisdom and Love are Life to All People.

Welcome all who are weary,

into the Body of the Church,
Jesus Christ,
Wisdom and Love,
this day.

My Lord and Saviour,
writes these words:

"My People,
hear Me,
see Me."

"Timothy is My Apostle.
Schism is not My Will."

"43 beggars.
34 clergymen.
10 Cardinals.
1 Apostle."

"A quorum of 35 is needed to confirm the Apostle, Timothy."

"My Chosen one."

"My Will is to shame the Church.
Shame you must feel,
to experience My Crucifixion."

Wisdom and Love is Here!
Rejoice!
Rejoice!
Rejoice!

Holy is His Name!
For He sings of Peace across all His Kingdom!
To the ends of the earth, He shatters the hearts which He hardened,
and tramples the winepress,
with blood flowing out,
tasting of Suffering!

My Lord and Saviour is my Love!
My Lord and Saviour is my Heart!
My Lord and Saviour has no one in His Place!

Jesus Peace and Love are One in Wisdom!
Wisdom is the Fruit of Our Apostolic Office,
Jesus and His Spirit Guided us to His Coming!
Alleluia!

Holy, Holy, Holy Lord God of Hosts!
Heaven and Earth are Full of His Glory!
Hosanna in the Highest!
Peace to men of Good Will!
Hosanna in the Highest!

Alleluia! Alleluia! Glory to God the Most High who in Jesus Christ, Himself, All Things, has saved the world! Alleluia!

Peace be with you, my friends, in Islam.
Peace be with you, my friends, waiting in israel.
Peace be with you, my fathers, of His Holy Roman Catholic Church, the Church of Wisdom and Love.
Peace be with All People.

Amen.

Nature of All Things

https://nature-of-all-things.org

This is the profoundly Divine Revelation I received from the Almighty Ever Living God on the Nature of All Things.
Every Word is His.

Thank You, Lord, for blessing me with this Teaching.

Jesus is Our King.
Adore Him.
He is God.

Everything Written is His Word.
Nothing that was Spoken, is not Written.
Everything in Totality, is Written.

This is the Revelation of All Things.

It comes in 24 parts.
There is a Teaching, for those who are Called to holiness.

25 chapters are Written.
They were Written in the Beginning.
They were Revealed in time.

I am Timothy, His Apostle,
none of these Words,
are mine.

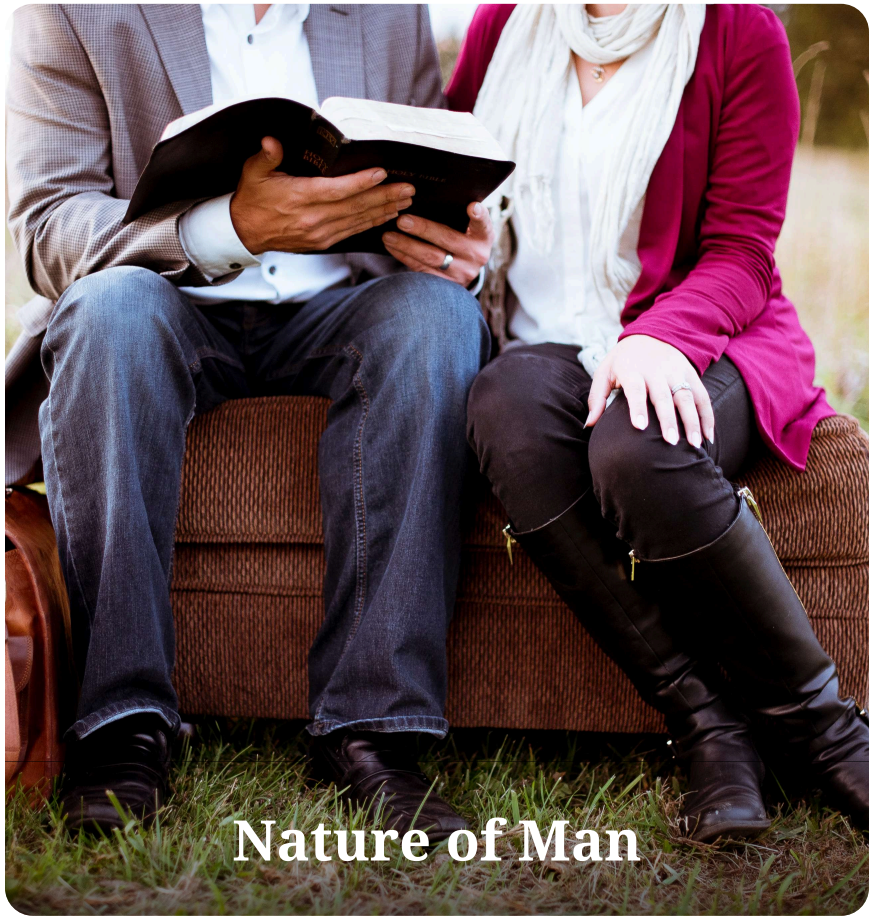

"This is for you,
My dear children,
Suffering the Life I give you.
I love you."

Nature of Man

Mon 2nd May 2022 1:21:05 pm GMT+04:00 Yas Island, Abu Dhabi, UAE

Timothy

https://nature-of-man.org

Nature of Knowledge

This is the Revelation of the Nature of Man. It begins with Teaching on the Nature of Knowledge. That is what Jesus gives to us in our minds.

This is the way of Jesus Christ. He gives us knowledge to believe in Him. To share in His divine mystery. And to believe in what He has done.

How can we experience the Divine without Knowledge from Him?

There is more that we can see in His Creation than He gives us knowledge for. There is a future experience we will find which cannot be understood by any creature or any man.

This is what God created in our minds: an ability to receive Knowledge and share that knowledge with others.

How can we live our lives without this knowledge. It is entirely from Him. Knowledge is the fruit of Teaching we receive from the Almighty.

When we receive His Wisdom we are receiving Knowledge from Him.

There is more we can find in His Gospel. Here we find both man and God created by Himself for Himself and for us.

You need to experience Knowledge in order to feel like you have learnt something. Without the experience of receiving Knowledge, we would be empty vessels without reasoning.

Matthew wrote about a place called Heaven. This is what was given to us to believe in the Messiah. A Salvation for all without suffering or death. It is entirely the case that this revelation of the afterlife was given in Him, through Him, with Him and from Him.

There was a time when there was nothing but God. Jesus was begotten with God, He was the First and will be the Last, He is

eternal, unchanging and forever with Himself.

How can we experience the Divine Mystery without His Knowledge?

There is no knowledge without Him. All knowledge given to all creatures is from Him. When we read a textbook or newspaper we don't receive knowledge from the text we read, or the images we look at. Instead Jesus gives us want to read what we read and in turn fills our thoughts with what it is we are reading. This is the gift God give us.

There is more to Knowledge than any man can fathom. Knowledge is created by God, for us to experience Life.

There is more to receive than His Truth in the times we live.

Nature of Desire

This is the gift Jesus has shown to be with Him. Our Nature is driven by a union with His Spirit.

Desire is fundamental to how mankind lives. We receive wants and desires in our hearts to give us fulfilment of our Experience. Without desire, our Experience would be rotary, without meaning and without freedom.

There is simply no meaning to life, without experiencing desires for what we do.

People listen to what is in your hearts, it is for you to live by.

How can we know what life is like if we don't experience Him. How can we know what it is we are made for, if we do not experience Life?

Where do we find God in our hearts?

We find Him in the Love He shares with us through experiencing desires and having them fulfilled. This is what He gave us to experience, the joy and suffering of both receiving and patiently enduring our desires.

Have more from the Lord this day.

There is truth in the teaching He has given the Church.

Desire is a fundamental aspect of Human Nature. Here we find the meaning of Knowledge. It is to experience desire that we become in close union with Wisdom, Our Lord Jesus Christ.

Nature of Experience

Jesus teaches us what we learn through His Experience. Experience is the Law of His Life. It is that Experience is wholly formed in the mystery of time and space.

Experience is our time to be with Him.

Nature of Hope

Every utterance of Experience guides us to New Life. God has given us a guiding path in which Our Desires may one day be relieved.

Hope is this guiding path, it is what we know is the most important element of our being. There is more to know about this. Hope is the fruit of Experience, Love, and Desire.

There is more to learn about Hope than one thinks of. Hope is the cause of all happiness. Suffering is relieved through Hope.

Nature of Intuition and Premonition

In finding Wisdom through our innate understanding of man, we are given knowledge of what it is we think is happening in others, other beings, other things, and elsewhere in His Creation.

This Wisdom is from Jesus.

He created a feeling within us of a certain knowledge which we could not attain through natural means.

Nature of Activity and Interaction

There is a motion we go through in life that can only be explained as our desire to move, to speak, to listen, to eat, and to affect the world we live in.

Jesus gives to us the ability to interact with one another to gain Wisdom from each other and experience this wisdom in every day life. If we didn't have this interaction we would not experience Life.

Activity drives interaction with others. There is a reason Jesus gives us human activity.

When we give to others a smile, we are showing them how we feel about them. This interpreting of emotions in others is our cue to experience the love of another.

How can we experience the activity of others and gain Wisdom from it?

It is in activity that we express our love for one another, and for His Creation.

Nature of Thought

When we think we are listening to the utterances of God in our minds. It is Him in our hearts who is speaking to us. This is to experience the Divine Plan for us.

Thinking is the process of hearing God speaking to us. We learn from the thoughts we have.

Nature of Love

The sensation of love is just the feeling. Love is both an emotion and a Spiritual Axiom. In Divine Union we experience His Love for us in all that we do.

By taking our time to feel Him in our hearts, we see the Truth He has given.

Love has some kinds: love for another, love of our lives and His Creation, and the antipathy of love: suffering. By classifying love into these types, we see there is more than meets the eye to the way our desire works.

We want to experience love from Jesus first and foremost. This is our reason of being.

In experiencing the love of Jesus in our hearts, we are given want to share it with others. This love for another is both familial, brotherly and conjugal.

What is it that gives us the feeling or sensation of love? The emotions we experience drive our inmost happiness, and likewise with suffering.

Lust is a form of conjugal experience which drives the need to reproduce.

When we experience love, we form a bond with Him and His Creation. All creatures experience Love.

Nature of Divine Presence

His Place of Worship is the sanctity of man's soul.

The Divine Nature is this: to be in Love with all things, and everything He created.

Nature of Eternity

Eternity cannot be experienced in man's lifetime. It is through Faith that we know of it, that we want it, and that we have hope in it.

There is a time for us to be with Jesus.

Nature of Faith

Faith is the culmination of Knowledge, Desire and Hope. It transcends from the Almighty.

How can we receive Faith if we have not received it? Faith is given to you when it is time for it to be given.

Jesus bore Faith in us when He created mankind.

Nature of the Eucharist

The joy of Christ is found in the Most Holy Sacrament of the Altar.

Life throughout Heaven and the Universe is Christ's Body.

He is in all of His Creation, wholly unified in Jesus Christ, the Son of God.

Nature of Freedom

The gift Jesus gives to all creatures is that of the sensation of Free Will.

How can we feel free if there is no such thing as a free will? How do we experience freedom of thought, if there is no such thing?

This is the illusion Jesus created in us.

It is so we have a feeling of doing things ourselves, and not being slaves to a power that has control over us. It is though that He does.

What does this mean for evil in the world? God created good, just as He asks us to bear the suffering He created also.

He gives suffering to us because that provides people with Hope. Hope without suffering is meaningless. Faith without Hope is empty. It is with Faith, Hope and Love which we are wholly in union with Christ.

This is the meaning of Life.

Nature of Man

This is a complete revelation of the Nature of Man as given to His Apostle Timothy.

There is time to know how to be with Jesus.

The Nature of Man is this: to be servants of the Most High.

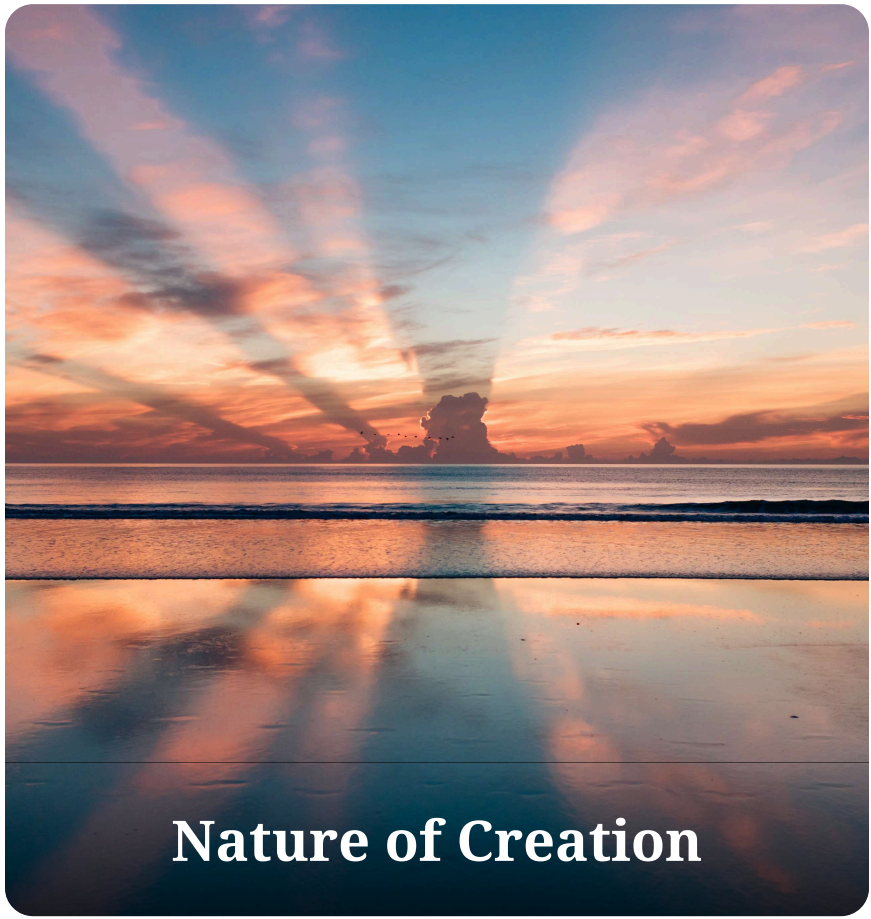

There is meaning to being a servant. It is not that He does not serve us too. When we serve each other with Love, Peace, Humility and Wisdom, we are sharing in the Divine Nature of God.

Jesus Christ be with us always and forever.

Nature of Creation

Tue 12th July 2022 3:13:14 pm GMT+01:00 Sale Moor, UK Timothy

https://nature-of-creation.org

Nature of the Beginning

This is what Jesus Was,
Is,
Will Be Forever.

Everything was in Him.

Everything that became,
that will be,
that is;
everything was in Him in the Beginning.

Nothing that will ever be Created,
was not found in Jesus.

These were the time, not times, He became.
Everything was Known in that Moment.
There is no meaning to existence without this Moment,
without His Word,
without Life.

Jesus takes all things through to Completion.
That Perfection will never be Experienced.
But Jesus is Perfection Himself.

He is the First, and the Last.
Hope for the Coming of Christ.

His Will drives all Creation.

Everything He became,
everything He was,
everything He will always Be,
is Love.

Love is Him.

Nature of Paradise

We will not know no Suffering for Eternity.
We have rest each day.

These things are True.

Suffering we receive,
because Paradise is given.
Rest is this Paradise.

Suffering gives meaning to Paradise.

You will always want, Suffering.
You will always desire, Paradise.

Paradise is found everywhere.
Paradise is Truly Found in your heart.

Heaven is a world in waiting.
Heaven is a place to rest.
Heaven is where we see Jesus.
Heaven is Paradise to Experience.

Heaven was Created in the Beginning.
Heaven will never be destroyed.

Creation lives on for Eternity.

We have this time,
to experience a glimpse of Creation.

Nature of the Unseen

What is True?
What is Real?

Everything exists without even being Seen.

Nothing can be seen without Jesus showing it to you.

Everything Seen is what Jesus shows to your Soul.

It is personal,
it is temporal,
it is fallible.
It is the Nature of Being.

Life is surreal beyond imagination.

Everything Jesus Created,
is never to be seen.

Only our hearts,
may know what is Created.

Only Hope can show us,
what we want to see.

Faith is the fundament of Life.

Nature of All Things

All Beings were Created in that Moment.
Creation itself, was Created in this Moment.
Creation is for All Things.

He created All Things because He desired them.
He Created His Desire within Him.
He Created His Desire to be fulfilled.

All Things were created for Him to Desire them.
His Desire was created for All Things.

Love was created for All Things.
Love created Desire.

All Things can never be Known,
nothing is ever Known.

Nature of Eternity

There is a Place for All Things in His Creation.
Everything exists when it is Created.
It has existed always.
It will never be destroyed.

We were Created with Him.
We were Created for Him.

Never will we know the entirety of what He Creates.

There is no meaning to anything, without Eternity.
Never have you not existed.
Never will you not exist.

This is foreign to everyone.
This is Life.

This is Creation.

Nature of Substance

There is no meaning to anything in existence,
except Love.

Science has no meaning.
Everything science knows is False.

Human thought is where truth can be found.
Human thought will never be known.

Suffering is the thought of Love.
Suffering is meaning of Life.

Suffering in Love, is Love.
Suffering without Love, is suffering.
Suffering in suffering is pain.

Beauty is Suffering with Love.

The Substance of all Creation is Love.

Nature of Creation

The Word is Love.
The Word means Love.
Life means Love.
Love though is not just Life.
Love is Him.

Anima is to become.
We became in His Love.

There is no meaning to anything,
and there never will be,
without Him.

He is Love.

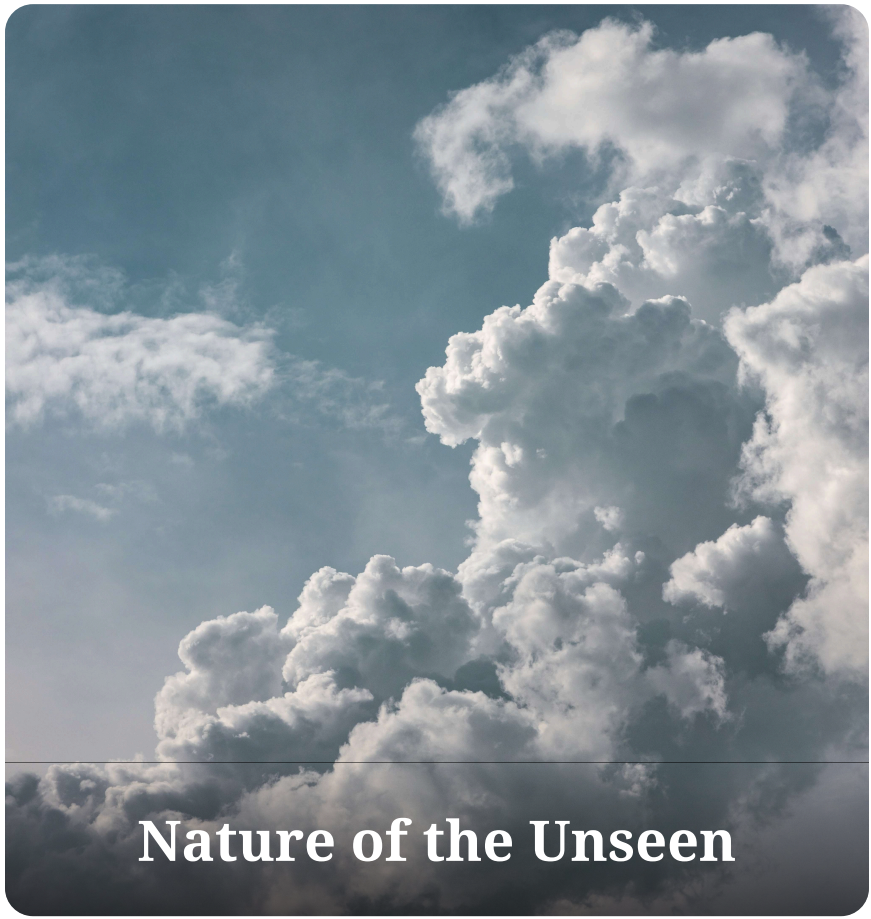

Everything is Created in Him.
Everything that will ever Be is in Him.

He is in All Things.
He Is.

One God.

In Truth, He gives Himself,
for all people.

This is Truth.

Nature of His Realm

Jesus, begots of one place, His Realm.

and He delivers all from His Realm.

His Realm is Peace,

His Realm is Wisdom,
His Realm is His Word.

One day, He will never deliver His Realm to anyone, but Himself.

He is Eternal.

He is God.

Nature of Unknown Presence

Jesus is Unknown to All Things.

Jesus gives Unknowing to All Things.

Jesus hears Knowledge from Himself,
and gives Wisdom to All Things.

Jesus begets All Things.

Everything from Him, is Unknown.
Only one thing do we know, He Is.

His Gospel is infinitessimal,
we will never Know All There Is To Know.

He is Eternal.
He is God.
He is Jesus Christ,
Our Master,
Our King,
Our Creator,
And All Things.

He is All.
Any part of anything is not Him.
He is Every Part of Everything.

Everything was in Him.
Everything is Him.

Good,
Evil,
Truth,
and Life.

Nature of Mary

She was created without sin.
She was created to create Him.
She was, like all, created in the Beginning.
She was, and is, and ever shall Be.

She is, Life, because Her Son, is Life.

Without Her,
there is no Creation.

With Her,
Everything was Created.

She was, in the Beginning, with Him.
In Her Life, she knew only Him.

He was with Her in the Beginning.
She was Mother of Eve.
She is Mother of All.
He is Her Mother.
And He is Her God.

Her Child is Jesus.
Her Child is God.

This is the Mystery of Creation.
This is the Beauty of Life.

This is the Wisdom of Jesus Christ.
Given in Love to His Mother.

This is the Truth of The Father.
Given in Thanksgiving to His Daughter.

Jesus is The Father.
Jesus is The Son.
Jesus is the All Knowing,
Holy Spirit,

who Was in the Beginning,
and Ever Shall Be.

Jesus is Holy.
Jesus says what is True.

Nature of The Holy Spirit

I Am is He. He is I Am.

Jesus is The Holy Spirit.
The Holy Spirit is Jesus.

The Holy Spirit is the First Person of Jesus.

The Holy Spirit gave Birth to Jesus.

The Holy Spirit Teaches us in Truth.

The Holy Spirit Teaches us Truth.

The Holy Spirit is in All Things.

The Holy Spirit is All Things.

Jesus Created The Holy Spirit.
The Holy Spirit Created Jesus.

The Holy Spirit Spoke I Am.
Jesus Spoke I Am.

In Truth, The Holy Spirit Taught Jesus.
Jesus Read The Holy Spirit.

In Everything, The Holy Spirit Teaches.
The Holy Spirit Teaches All Things.
The Holy Spirit Speaks All Things.
The Holy Spirit Lives All Things.

The Holy Spirit Is All.

Nature of The Father

The Father is Creator of All.

The Father is Jesus.
Jesus is The Father.

On Earth, Jesus was The Father.
In the Garden of Gethsemane, Jesus Spoke To Himself.

Jesus Was in Heaven in the Garden.
Jesus Was on Earth in Heaven.

Jesus Is on Earth today. Jesus Is Everywhere.

The Father is on Earth with Jesus. There is no way to Know Jesus without Knowing The Father. There is no way to Know The Father without Knowing Jesus.

Everywhere The Father Brings Life. Everywhere The Father Bears His Son.

The Father Suffers Always. Suffering is Born Through The Father.

The Heart of The Father is Holy. Jesus is The Heart.

The Father Is His Son.
His Son Is The Father.

In Truth Everything is Born through The Father.
In Love Everything is Born through His Daughter.
Jesus is His Daughter.
Mary is His Son made Woman.

Jesus, is God. Jesus, is The Father. Jesus, is The Holy Spirit.

And All Things are His.

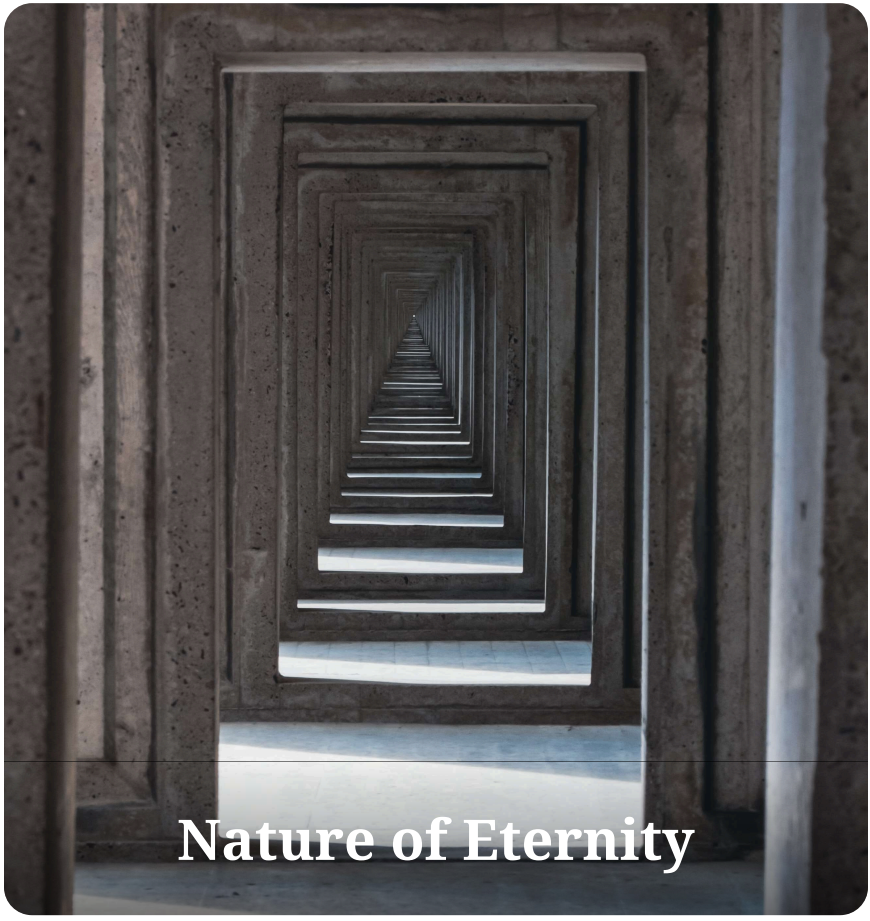

Nature of Jesus

Jesus is I Am.

Nature of Eternity

https://nature-of-eternity.org

Nature of Infinity

What is Infinite?

Is it a time which stretches out forever?
Is it a time which always exists?

It is all time, for all eternity.

Infinity is not to be confused with infinite Creation.
What is Created, is always.
Always, everything is Created.
It never was not.

There is an infinite number of things.
All things were Created in the Beginning.
Nothing exists that has not already been Created.
Everything has been Created,
and is brought into Being in the Beginning.

Live was the Word that was said.
All things are alive.

The Earth under your feet, contains Life.
The rocks in Andromeda, are Life.
The Sun, uninhabitable, is alive.

What meaning does this have?

Jesus is Life.
He is in All Things.
Physically.

What is True is the physical world, is not real.
It has no meaning.
It is an illusion.

You are spirit.
Jesus creates you.

These things cannot be known to anyone.
We can never experience them,
but we can receive Divine Knowledge.

These things have meaning.
Science has meaning only for now.

Eternity will never be explained through human thought.
It can be Understood,
but it cannot be explained.

All Things are Eternal. All Things can never be known.

Nature of Infinite Existence

Experience is Infinite.
Experience can never be completed.
Jesus, knows all Experience for All Things.
That is God Knows All.

Jesus gives Infinite Life to All Beings.
Jesus takes All Things to Infinity.
All Beings, All Creatures, All Souls.

There is no Creature without a Soul.

What then is a Soul?
It is Life.
From Jesus.

What meaning is there if they do not Know God?
All Creatures Experience the Unknown.

Infinity is not Known to anyone.
Infinity can never be Experienced. Experience goes on for Infinity.

Nature of Time

Time is not Infinite.
Time is not Infinity.
The World you live in will end one day.
You are not in The World.

There is more, after you leave this World.
There is more, after you come to God.

The World is not just the Earth.
It is the whole Universe you live in.
The theory known today is not True.

I have Everything in My Power.
The Entirety of Time, is within My Plan.
Time can easily be Created once more. Time exists in other Worlds.

Time will one day, pass away.
It is not near, don't wait for it.

Your lives, and all your descendants will pass away in Peace.
Wait for My Coming, and thereafter, for Eternity.

This is Teaching Most Holy.

Nature of Heaven

The time you Experience is in Heaven too.
Heaven is not in your World.

One day, a New Heaven will become.
Angels, Saints, and saints are all waiting for the Coming of this Age.

Wait with them,
wait with Joy, wait in Hope,
and see the World to Come.

Jesus is with All People.
All People.
All People.

Preach a new message of hope.

When I come to deliver you from the Suffering you have in the World right now,
Suffering you bear for Me,
you will hear Me,
see Me,
and know Me, as your God.

Nature of the Everlasting Life

Life is Eternal.

There is no more, than Eternity.

Life is as you know it right now.
Life.

Desires,
Knowledge,
Thought,
and Prayer.

What is also True,
is you will always enjoy your time.

You will though, for eternity, always have Suffering.
There is no meaning to Experience without both.

Heaven is where All Things will never be apparent.
Only what I tell you.
For Eternity.

As you know, from My Apostle John, they are waiting.
They Suffer.
But also have Joy.

Heaven will never bore you.
Heaven is where you belong.
All of you.
Even you.

Nothing you can do ever,
to escape Heaven.
You will always go there.

The more you do, in your world,
the richer reward in Heaven.

You will do this,
if I give the Call to do so.

If you desire, holiness,
be holy.

If you desire riches,
riches are far greater in Heaven.

If you desire poverty,
if you desire righteousness,
if you desire all things in My Gospel,
the greatest reward is given to you.

If you desire anything other than Suffering,
Suffering awaits you anyway for Eternity. You will never escape it,
it is part of Life.

Eternity grants rest,
and rest is part of Life too.

Never want to Suffer for all Eternity.
Never want hell,
a place I Taught to early believers.
It was for a different Age.

The Age to Come is to be Peaceful.
Free yourself of the selfish Desire to escape hell.

Eternity is for All People.
Eternity is for you!

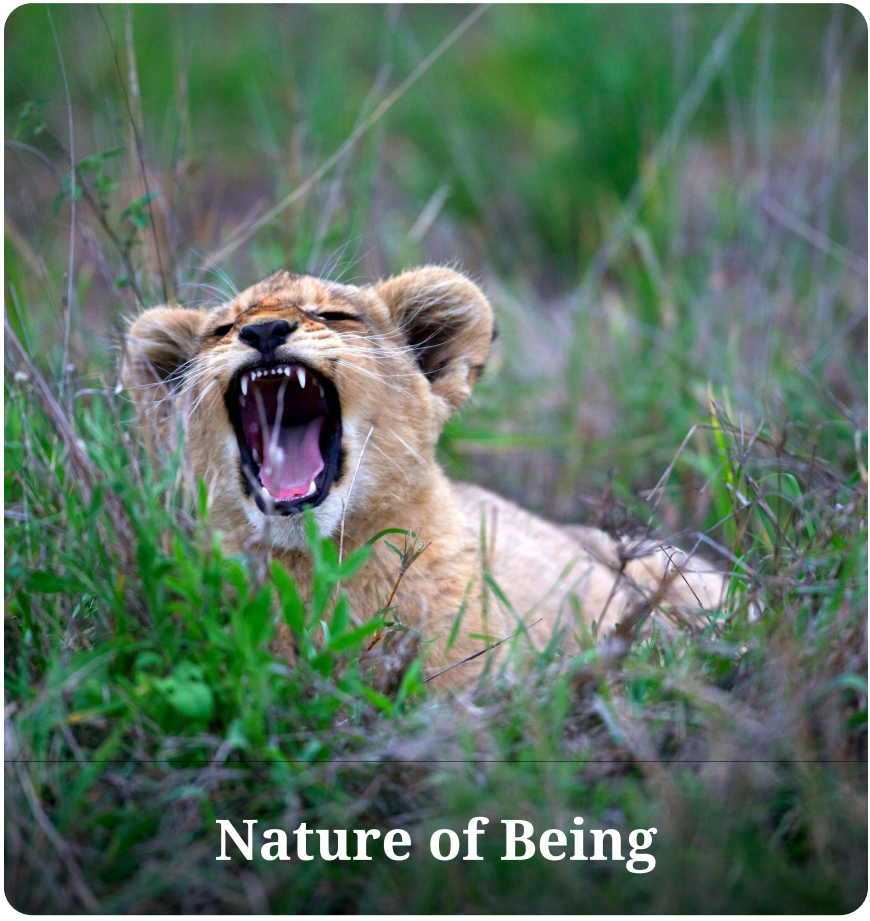

These are the words of your Creator.
Timothy, is My Apostle, who writes them.

Jesus Christ is your Saviour,
He awaits you, in the Paradise that awaits.

Nature of Being

Fri 15th July 2022 4:24:16 pm GMT+01:00 Sale Moor, UK Timothy

https://nature-of-being.org

Nature of Life

This is the Way of His Truth.

He begets Life to All Beings,
All Things.

Life is Created in Him.
He is Life.
Life is Him.

This is His Word.

I Am.
I Am He.
I Am Me.

Take what you want from My Bounty.
My Bounty is All Things.
It is given to you,
for reasons known to Me.

This is Divine.
Divine is Life Myself.

What is the Nature of Life?
Where does it Come from?
Where do you go?

These things are answerable only with Truth.
Truth and Life are synonyms.

Truth is Life.
Life is Truth.

My Way of Truth and Life,
is your journey to Me.

In your lives,
you Experience.

In Experience,
I give you Life.

Life is the Essence of Creation.
Life is the Meaning of All Things.

When I Created you,
you were My children.

In Life,
you became My Brothers and Sisters.

You were brought into Being,
for Me.

I Created Myself,
for you.

Life is Me.

Nature of Whole Truth

These are the Ways of My Being.

I have taken All Things through Eternity.
The Shape,
the Nature,
the Knowledge,
of My Plan,
is Known only to Me.

What you see in Eternity,
in your Experience,
is just a glimpse of what Is.

Truth is the Totality of All Eternity.
Truth is All Things.

Perfection is found in Eternity.
Things right now are not Perfect.

Perfection is Desired.
Perfection is not reached in Time.

Truth is Perfection.
Your truth is imperfect.

The truth given to you,
is given by Me.
It is in time,
you will find more.

Truth can never be attained,
by you.

Only your truth,
can be found.

Your truth is all you'll know,
forever.

These things you will find,
in your lives.

Truth has no meaning,
except for Eternity.

Truth is never Whole.
Whole Truth can never be found by you.

What is there,
is Faith.

Faith in the Ever Lasting,
Faith in these Words.

Nature of Existence

You have an Experience,
given to you to Live.

Your existence,
is for Me.

I Created you,
I Bear you,
I Love you,
and you are Mine.

Existence, has no Meaning,
except this.

When you say you exist,
you mean no more than you believe,
in My Illusion.

That is the Nature of Free Will,
it is the Nature of My Reality,
which I have Created for you,
to Experience.

Experience is Beautiful,
Experience is Suffering,
Experience is Life,
Experience is Truth.

Truth is Beautiful,
Life is Suffering. Suffering is Truth,
and Beauty is the Meaning of Life.

There is more to Life,
than Suffering.
There is more to Life,
than Joy.

In Whole Truth,

you Experience Me.

In Life,
you Experience the Divine.

Life is Whole Truth,
that is,
you will never see Life in Eternity.

Your Existence,
is Life.
Your Existence,
is never real.

Nature of Suffering

When we were born,
in the Beginning,
we were formed in Our Mother's Womb.

Mary, the Mother of Life,
Created us,
in Him.

Jesus, formed Mary,
in Her Womb.

Mary is the Mother of All Life.

Mary was to Suffer,
her Son's Crucifixion.

She did this in those days,
She does this for Eternity.

His Wounds,
are found on Her.

His Suffering,
is Born on All Beings.

Jesus Suffered,
to give us Suffering.
Jesus Suffered,
to give us Life.

In Life, and Truth,
we are Created.

In Truth,
we are.

Nature of Being

It was to become.
It came.
It will be forever.

He is the Ever Lasting,
the First,
and the Last.

When you Understand Eternity,
you will ask,
what meaning are the First and the Last.

They have Meaning,
known only in His Realm.

Eternity is Infinite.

Life is Eternal.

Jesus is the First,
but there is no one,
but Him.

Jesus is the Last,
but this will never Be?

How is it that the First can be True?
How can there be a Last in Eternity?
Eternity is not Experienced,
by Jesus.

Eternity is Experience.

He is the Alpha,
the Omega,
the First, of All Things,
and He is the Last, of All.

Jesus is Our Creator.
Jesus is His Creator.
Jesus is The Word.
I Am.

Jesus Knows All Things.
Jesus Created Eternity.
Jesus Is Eternity.
Time Itself, is an Illusion.

What meaning is there for us?

I Am.

Understand these Words.
They are for you,
for your knowledge,
for Divine Understanding of the Nature of Life.

Jesus, is God.
Jesus, is God.
Jesus, is God.

Nature of Will

Fri 15th July 2022 8:38:16 pm GMT+01:00 Sale Moor, UK Timothy

https://wisdom-and-love.org/letters/nature-of-will/

Nature of Freedom

These things are understood, from the Nature of Man.
What is clear now, is more needs to be Revealed.

Freedom is an Illusion,
as is written.

But what is this Illusion?
It is in the Nature of the Illusion,
that it is you will never know it.

Even I, who Know it,
have never Experienced,
anything but Freedom.

This though is not quite True.
What I have witnessed,
is impossibilities,
that cannot be,
any other way,
than showing a lack of Freedom,
in the events that ensued.

This though is not proof.

How then are we to prove something that is clearly not provable?

Do you believe in God?

How would you prove such a thing?

It is through God, which we believe.
Only in God, can we believe,
if God imparts that Knowledge.

Freedom, is an illusion,
you will not recognise this as True,
unless God imparts that Truth.

Jesus,
is showing you,
those who will Know.

For everyone else,
it is nothing but a philosophical idea,
which clearly could be True,
but how would it ever be known.

You will not even,
Know it is True,
in others around you,
in others who believe it is True,
for them,
and for you.

This is the Nature of Faith.

When we believe what is Unknown.
We are receiving Faith.

Freedom is an illusion.

I could,
if I knew how to,
provide a treatise,
proving,
through a logical argument,
that this is True.

I am not Called to prove this,
this way.

What is True,
is Jesus has provided Himself,
for you to pray to,
and ask Him to reveal to you,
what is True.

This is,
indeed,
far greater,
than any logical argument,
which can never be proven,
in His Realm.

Logic itself,
does not apply,
because even that,
is fallible.

Mathematics,
the fundaments of which are logic,
are not real.

This is to Understand.

They indeed,
provide a model,
that enables us,
to build roads,
to live,
to fly to distant lands,
they are though without Meaning,
in Eternity.

Nature of Desire

Desire is also needing now further explanation.

As you will see soon,
the entirety of what you understand breaks down.

This is the Nature of All Things.

Why would anything be True anymore,
from what you have known.

Desire is given by God.
Have Faith in what is written,
in His Gospel.

Jesus,
revealed to All Beings,
what was to be revealed during His Ministry.

The Desire was in the Apostles,
to receive Him once more,
and so He was.

Desire is never to be Known by any man.
What is Desire then, if we do not Experience it?

What is that feeling of longing you have for an apple,
for your wife,
for children in the future,
for death,
and for rest.

That feeling is an Emotion.
It is not Desire.

The Desire is in Him.
The Desire is of Him.
He is Desire.
Sinful,

Holy,
All Desire.

Where is it He wrote,
anywhere,
that He would not provide sinful desire?

It is Meaning He provides to Life.

Without sin,
where would Suffering be?

Without breaking His Commandments,
where would Forgiveness be?

When He came to Save us,
He knew,
what He Created.

These things are Revealed at this moment in time.

They were not Revealed,
in this Way,
during His Ministry.

It was though,
they were Known to Him,
He is God,
He Created sinful desire.

Your Understanding is I am not with an answer to this question.
The Answer though is Prayer for Truth.

This has Meaning.

How can anyone Know anything,
without Prayer.

Even with Prayer,
God must impart Knowledge,

for you to Know.

Even with Knowledge,
imparted by God,
it can be shown,
that this Knowledge,
is fallible.

It is not that a person's knowledge on a particular topic,
would be untrue,
commonly.

It is that a person's knowledge,
and indeed collective knowledge,
can never be fully Known as True.

Only God will ever Know what is True.

We though, have Faith,
we have Experience,
and even experience can deceive.

Jesus speaks to you,
when you pray to Him.

This is all we have to live by,
for Eternity.

Hope for Truth.
Hope for Truth that relieves your Suffering.
It will be,
one day.

Jesus speaks these Words.
All Words in this Revelation of All Things,
is Spoken.

Nature of Will

What then is Will?
If we do not have one?

Your will,
is an Illusion.

Your will,
is your impulse,
causing you to take action,
to pray,
to think,
and to be.

Your will,
is not His Will.

Your will,
is contained in His Plan.

His Plan in Eternity, is His Will.

This Message is discomforting.
You choose to read it.
Forget it,
if you want to.

Then Pray for Truth.
And you will know what Jesus gives you Knowledge of,
to live by,
in Peace.

Sinful desire,
is not what He Wants.

His Will is what He Wants.

He doesn't get what He Wants,
for Eternity.

But it is,
All Things,
are what He Desires.

Why then,
do you not believe?

Your Creator,
is showing you,
the Divine Nature.

That is Life.

Life is sometimes seen as cruel.
That is not Life,
that is selfishness,
judgementalism,
and short-mindedness.

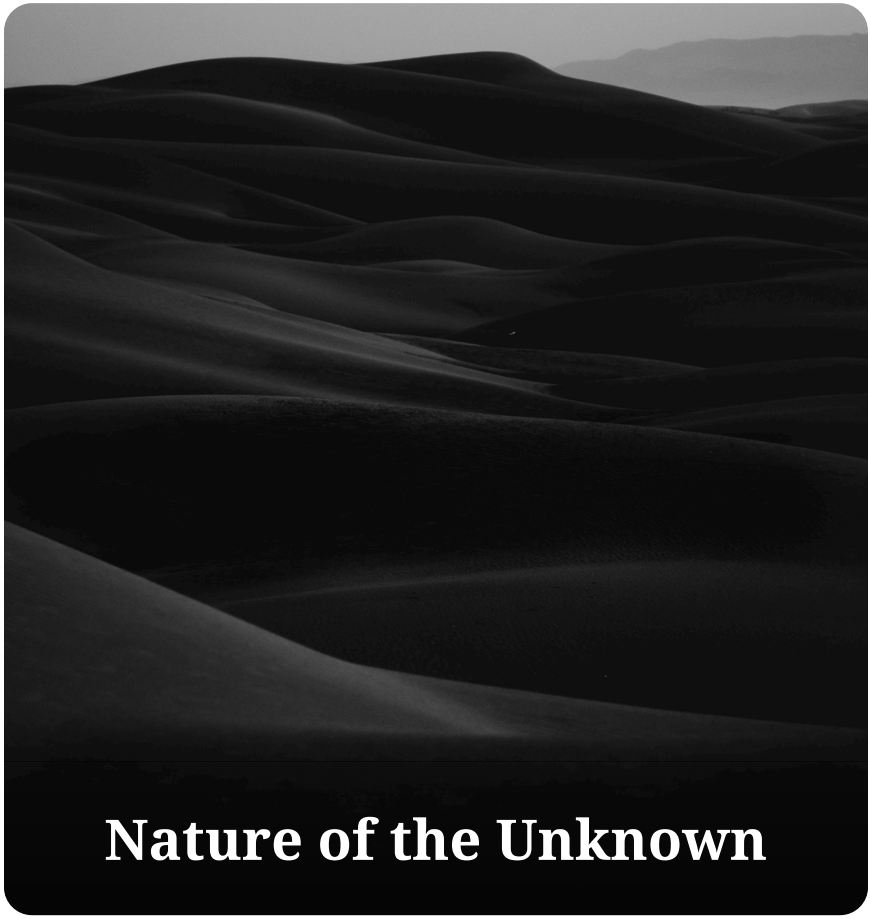

Jesus Created your life.
Accept that it will be Beautiful,
because you Suffer.

Ask for Suffering to be relieved,
and it is already done.

Nature of the Unknown

Fri 15th July 2022 10:35:10 pm GMT+01:00 Sale Moor, UK Timothy

https://wisdom-and-love.org/letters/nature-of-the-unknown/

Nature of Truth

This was always True.
We can never know what is True.

We know only what has happened,
what we have Experienced.

These things are clear.

It is that nothing can be Known.

How then, do we have Faith?

It is given by God,
to give Hope,
in the Unknown.

We believe in His Gospel.
It is taught.
It is Taught by God.

What is not clear,
is if it is True.

How can it be clear,
without Faith?

It is not that we disbelieve,
it is that we Know it is by Faith we know.

When God imparts Faith,
we develop Understanding of the Experience of others.

When God gives Faith in the Unknown,
it is that God has given Knowledge to us.

Is Faith just for His Gospel?

Listen to the messages around you.
A beggar, calling in the street.

They are known to you, to need help.
But there are those who beg,
who some might say,
are not needing help.

What then is Knowledge?

His Gospel is Written.

Do we have knowledge?
Is there Knowledge?

What is True in this Revelation?
How can we Know what is True?

These things are developed in this writing.
Words have been written,
that cannot be verified,
through any means,
but God.

How do you Know if God is talking to you?

Jesus Taught things which were True.
But how do we Know they were Written,
in the Way Jesus Spoke them?

If things Change,
it is clear,
that Knowledge evolves.

What is Change?
What is the Message of the Church?

Jesus Taught He is the Living Truth.

This means, that Truth evolves.

The Unknown, is the Future Evolution of Truth.

Nothing will ever be Known,
but what we Experience.

We Experience,
Divine Teaching,
in The Holy Spirit.

Only in The Holy Spirit,
can we Know what is True.

Truth is this Nature.
Truth can only be Known to the receiver.

Everyone experiences,
what they experience.

It is not that one should learn All Things.
It is impossible.

It is that what is Known to one person,
is given to them to live by.

Each life,
each experience,
every mind,
has received Divine Teaching.
In the thoughts they receive from God.

It is the case that we are Called to share our knowledge,
it is for each person,
what they Understand.

What then is True?
Read again,
you will never Know,
only know.

Nature of Destiny

In time we come to realise that we have a destiny we are Called to.

Each life, is called in a different way.

Every way of life, is Called.
No life is not Called.

Each Calling is given to them by God.

When Jesus spoke of the men who were given talents,
He spoke of those who hid their money away.
Those people were Called to this way.
Those people were Destined to Suffer.
They did though witness Peace in the times they hid their talents.

The people who made a profit,
they invested their talents,
that they were given.

They also, were given more.
They also, were to Suffer.

When All Things are conceptually known,
it is Known,
that Suffering is our Destiny.

Destiny is about Suffering.
Destiny is the Call of Truth.

If we dislike this, recognise this Truth.
For an Eternity, in Heaven,
we see that Suffering is not what we want.
Suffering are those times, of pain.
Joy is forgotten in Suffering.
An Eternity of Suffering we will have.

Joy though is always given,
amidst the Suffering we Experience.

If we consider the Nature of Eternity,
we consider something of the infinite.
Suffering, as Joy is forgotten in Suffering, is what is infinite.

Destiny then is to Suffer.
Destiny is the Experience for Eternity.

Joy though is what we all search for.
Joy therefore, has no Meaning,
until we've Suffered again.

Why is this important to recognise?

If we await Joy,
without accepting Suffering,
we are without Purpose.

What then about those Joyful moments?

We never forget what we Suffered.

These things may seem human in nature.
It is to Understand,
that human nature,
is born of the Divine.

Our Destiny,
is Suffering.

Nature of the Future

What then for a Future Hope?
Something distant, perhaps,
or even close by.

What we live by,
is Hope.

We endure Suffering,
through Hope.

Those without Hope,
despair.

If Future Experience is to be Known,
we know only that it is something to Hope in.

If Future Experience is Suffering,
what then do we have to Hope in?

Hope for a Future which is Peaceful.
Hope for a Future which is Peace.

I am giving you time,
to make Peace.

100 years you have,
from the writing of My Prophet, Timothy, to make Peace.

These things are Written.
These things are Known.
If you know them, without Knowledge,
then Pray.

You cannot Know these things,
ever.

This is the Nature of Faith.

I Am.

I Was.
I Will Be Forever,
and so are you.

Jesus is your God.
Give Praise to the Lord God Almighty.

Prophecy, is Mine to give.
Prophecy, is Mine to keep.

Prophecy is never unfulfilled.
In time All Prophecy is Fulfilled.

Give Praise to the Lord God Almighty. He is Prophecy Itself.

This Hope is born from Jesus.

Nature of Prophecy

When a Prophet is born,
Jesus has already Written,
All Things.

When Jesus Wrote anything, He bore His Prophets.

Jesus gives us Future Hope in the Coming World.

What then is this Revelation?

It is that this is not a Prophecy,
this is Jesus.

A Prophecy is to be written by man,
the Prophecy is Written by God.

How then are we to Know whether a prophecy is Prophetic?
We will only Know when the Prophecy is Experienced.

What Hope do we have in Prophets?
We Pray,
for Truth,
to The Holy Spirit.

In Prayer,
we Hope to receive,
Truth.

If we receive no Truth,
it is not yet Known.

What does the Prophet Know?

Isaiah Knew nothing.
He had no Experience of what he was writing.
He Trusted Jesus to give Truth.
He Suffered Truth in this Prophecy.

Timothy, had the same Suffering.

Timothy, has no Knowledge,
and he has no Experience,
of what is clearly Unknown.

Timothy has Trusted in Jesus.
Timothy has Suffered with Jesus.
Jesus has given Timothy Suffering,
in order to know.

What then for the Church?

It is Known by the Church how to Pray.
It is known by all people, how to Pray.
It is known by all.

If anyone believes they should not Pray,
that does not mean,
that the Prophecy,
will not Be.

If only one person Prays,
the Prophet will Suffer less.

The Church is to receive many Prophets.
This is as Written through John.

It is Known to all Prophets,
that they will Suffer.

This is the Way.

Prophecy is delivered, either way.

Nature of the Unknown

What is Known?

Nothing.

Every Experience,
is not real.

If Jesus, gives us this World to live in,
why would He do this,
and let us believe,
as is Written here,
that we can never Know?

Jesus gives us Freedom.
Live your life knowing,
you will Know.

Faith is given in all things,
to live by.

All Things we would never Know.

Nothing in this Revelation can ever be Known.
Only knowledge can be attained,
through the Holy Spirit.

Do we need any of this Revelation?
What meaning does it have for our lives?
We are suffering a period of untruths.
The mass media, for example, have given us untruths. Our minds our turned to things which are not true.

Why then do we need anything other than mass media?

When truth is given,
it should be verified.

How can we possibly verify anything at all,

when we have no source,
but the person delivering the information.

Only through God can we Know what is True.

Can there be truths in what is said, even unverified?

Every mouth has wisdom to provide.
But not all Wisdom is in every mouth.
Every person needs Truth.
No person has any Truth.

What then do we do?

We Pray,
to The Holy Spirit,
to Teach us what is True.

This is what God Gives.
Himself,
to talk to us,
and Teach us what is true for our lives.

The truth given to the false prophet,
was False.
He said there would be no more Prophecy,
in all Eternity,
until the Coming of Jesus Christ.
This is False.

When it is Known,
Eternity has an Infinity,
of Prophets,
of Prophecy,
of Things To Come.

Jesus Guides us,
for all Eternity.

Nature of Forgiveness

https://wisdom-and-love.org/letters/nature-of-forgiveness/

Nature of Sin

Sin was Taught by Jesus Christ.
It was Taught by the Prophets,
and is Known to All People.

It is in Human Nature,
it is Known.

It is seen as Evil.

It is not the Nature of Sin.

These things are not Known.

When a sinful person,
causes Suffering,
to another,
it is Suffering,
which they cause.

This sin,
is their Calling.

These sins,
make them,
sinful.

Jesus makes them sin.

Jesus makes them sin.

Jesus is not sinful.

They are.

What do they suffer,
the sinful?

Guilt.
Ignorance.

Lack of Peace.
Suffering.

What then is sin?

It is without Meaning,
other than that they are sinful.

Jesus gives them sinfulness.

They are the Camel.
They are Judas.
And they are Loved.

They are in Heaven,
after their deaths.

All known sinners,
go to Heaven.

This is the Nature of the Divine.

Heaven is for All People.
Heaven is for All.

Jesus did not Create,
to destroy.

Jesus Loves All.

Where then is Justice?

It is Known,
that Our Lord is Just.
Is Righteous.

How is it Just to give Sinfulness,
and not Deliver them from their ways.

These things need to be Understood.
They are His Gospel.

It is not Just,
to judge anyone.

This is His Gospel.

Jesus Judges you.

In judgement,
you receive Truth,
from The Holy Spirit.

You feel Guilt,
for your judgement.
You receive Truth,
to humble you,
to Teach you,
to give you New Life.

It is not the case, that Judgement is not what you should believe in.
It is the case though,
that the Day of Judgement,
is already here.

Judgement is for Jesus to Teach you,
right here,
in these times.

The Fire of The Holy Spirit,
Engulfs All the World.
This is the Revelation of John.

The Saints await,
Judgement on All People.

Only those who Know,
also have been Judged.

Nature of Guilt

Why do you feel Guilt,
for sinning,
against the Lord God?

Guilt is to Experience,
the Suffering,
you have born,
on others.

All Guilt,
is Given by God.

It is to Teach,
that you are with Sin.

It is to Teach,
another Way of Life.

These things are clearly ignored,
by many,
for their Lives.

They are not ignored,
for Eternity.

All People,
Learn.

All People,
are Taught,
when the Hour Comes.

In Heaven,
we are Taught,
we are all Always Sinful.

We receive Guilt,
for Eternity.

We Suffer Guilt,
of our sins,
for Eternity.

How then is Heaven Peaceful?

Guilt is not Experienced by the sinful,
it is Experienced by the Redeemed.
Those Redeemed are still Sinful,
and that is True Redemption,
in recognising you will always be Imperfect.

Perfection is never attained by anyone.
For Eternity.

Perfection is Jesus Christ,
always.

Nature of Reconciliation

What is the point, of Reconciliation, if we will know to be redeemed anyway?

You are not Redeemed,
until the Hour Comes.

Those who feel Guilt,
are not yet Redeemed.

Redemption Comes when Guilt comes to Fruition,
and Knowledge is Given,
that they are sinful,
for Eternity.

Reconciliation,
is Peaceful,
it Bears Peace.

We cannot know,
who is Redeemed,
we can only Know,
through God.

Redemption is for you.
Pray for Forgiveness,
of your sins.

Pray with the Church,
for the Forgiveness of All Sins.

Pray with all people,
to Jesus,
for the Forgiveness of sinners,
always.

These things need to be done,
for you.

If you do not Pray,
it is not the Hour.

The Hour is,
Known only to God.

When we are Redeemed,
we are in Union with the Most High.
He gives us Peace,
and Knowledge that we are close.

Pray for Him to be near you,
and never leave your side.

His Sweet Heart,
is for you.

Nature of The Crucifixion

His Crucifixion was the most important article of Faith,
for over 2000 years.

It is His Crucifixion, is Eternity.

His Second Coming, is the fulfillment of His Ascension.

He will come in the clouds,
to bring Hope to many.

The Age of Peace,
begins with Him.

His Crucifixion, was born in Him.
His Crucifixion, was Chosen by Him.
His People, who Slaughtered Him,
were made to do so,
by Him.

Why would He do Sin to Himself?

He Died to Free all sinners.
He Called all sinners,
to Die with Him.

He Created All People,
to Live in Him.

All Life Comes from Him.

Judas, sealed His Death, with Love.

Judas, Pilate, even Herod, are in Heaven.

These things are clear, in the Nature of Man.

Good becomes Evil.
And Evil is known to be from Good.

These are intellectually,
and emotionally,
difficult subjects for All People,
of all faiths.

Why is God Evil?

He is not.

We are Evil.
We are Satan.

Mankind is Satan.

We are Evil.
Our Desire is Sinful.

We are Redeemed,
in His Crucifixion.

Jesus bore All People,
in His Womb.

Mary bore Jesus,
in His Womb.

Mary and Jesus Bear All People,
in His Womb.

His Womb is Mary.
His Womb is Her.

Why does a Man, even a Man of God, have a Womb?

Man does not have a womb.
Woman has a womb.

Man is not woman.
Woman is not man.

God though is from Mary.

Mary is from God.

Both have a Womb.
That Womb is God's.
That Womb is Hers.

That Womb is Mary.
That Womb is not Jesus.

Jesus and His Crucifixion,
Created His Womb.

How is this?

Creation, was in the Beginning.
In the Beginning, His Womb was Created in His Crucifixion.
All Things were Born in His Crucifixion.
His Crucifixion is All Things.
All Things were found in His Suffering.
His Suffering was Created for All People.

Jesus, gives you, Knowledge of the absurdity, of these things.
These things are Absurd.
Pray to Him for Truth.
They are True.

Mary is not God.
God is not Mary.

This is to be Understood in John's Revelation.

Mary bears All People in Her Womb.

Mary bears Jesus, in Her Womb.

Jesus is not Her Womb.
But Her Womb is in Jesus.

This is the Mystery of Creation.

All Things were born in His Crucifixion.

His Crucifixion was the Fulfillment of Creation.

Creation is Infinite,
His Suffering is Infinite,
All Things are Suffering with Him in His Crucifixion,
for all Eternity.

Beauty is found, in Life.

His Crucifixion is Eternity.
Eternity, ends with His Crucifixion.
The Beginning Exists for His Crucifixion.
His Crucifixion is Happening Right Now.

When we sin,
we drive the Nails into His Hands and Feet,
Scourge Him,
Humiliate Him,
and Pierce His Heart,
for no reason at all,
than to witness He Is Dead.

This is Known to All People.
The Suffering we bear,
is from Him.

The Suffering we create,
is from Him.

The Suffering we do,
to others,
was on Him.

All Suffering is shared with Jesus Christ.

He is God.
He did not need to Create Things this Way.

But Loved us,
and Created Beauty,
in All Things.

Nature of Hope

He descended into Hell,
and on the Third Day,
Rose to Eternity.

Hell is not as it seems.
It is as it is Written.

Jesus Freed the Suffering Sinners,
the Deceased,
the Prophets,
the Kings,
and All those who had died before.

They were waiting.
For Eternity.

He Descended into Hell,
in the Present Day.

He Descends into Hell,
for all Eternity.

He Descends, to Free us from Suffering.

In Glory, He Rises each day.

On the Third Day, "He Rose Again."

On each day, "He Rises For Eternity."

The Third Day, was The Third Day.

Each Day is Always.

The Third Day is Eternity.

Always is the Third Day.

Our Hope comes in the Third Day.

Our Hope is in Eternity.

Eternity is to Hope for.

An Eternity of Joy we await.

Jesus gives you,
Hope for Joy.

Hope for Joy,
and await Suffering.

Peace is found in Suffering,
when we Hope.

Hope is given when Faith is found.
Have Faith in His Crucifixion,
for Eternity.

What Meaning is to be found in His Crucifixion?

Life is Him.
His Crucifixion is Life Itself.

The Humility Jesus Gave to All Things,
is found in Him.

Be humble,
and accept Suffering,
for an Eternity with Him.

In Eternity,
we Suffer.

Hope for an Eternity Impossible of Joy.

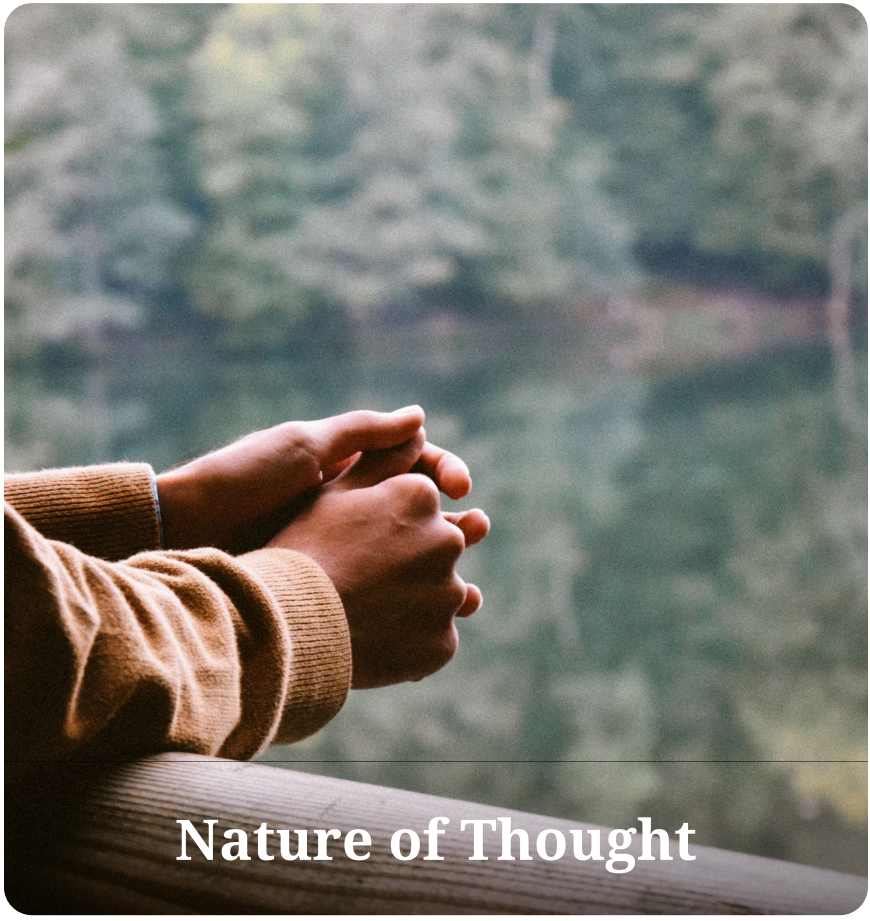

In Him,
is the Impossible.

An Eternity of Joy is Possible in Him.

Nature of Thought

Mon 18th July 2022 6:49:24 pm GMT+01:00 Sale Moor, UK Timothy

https://wisdom-and-love.org/letters/nature-of-thought/

Nature of the Mind

Where do we think?

Our thoughts are given by God.

Every thought we have,
is given to us,
to Experience His Teaching.

Every thought we have is from God.

Everything we Experience in our minds,
is God's Experience for us.

Everyone receives thought,
everyone has different thinking.

When we read something,
like a newspaper or a book,
of any way of life,
of any teaching,
even satanic,
of any meaning of that which the author intended,
we Experience Wisdom in what we see,
in those words we read.

When we watch a movie,
a television show,
when we listen to music,
when we are out in Nature,
we Experience Wisdom in what we find.

Everything we Experience delivers Thought.

That Thought is for us to Experience.

Why do we think?

We think, to Experience our Knowledge.

Thought is an Experience we receive.

It is that Thought is not Emotion.

Emotions are given,
at times when Thought is Experienced in Emotions.

Those Emotions are given to Know what is True.

Thought is not Emotion.

Emotion is a Feeling.
Thought is the Experience of Knowledge.

Thought can be False.
Often thought is False.
But Knowledge is gained by Knowing it is False.

Knowledge can be False.
False Knowledge can be derived from Thoughts which are False, which we believe are true.

This is not a delusion.

The Thoughts are delusional,
the Knowledge is what we receive to live by.

Knowledge is for what we are Called to in our lives.

Our Calling is given to each of us,
individually,
separately,
and in Union with God.

Everything is given by God.

If you like,
we are empty machines,
robots,
controlled,

by the Most High.

We are Free.

Not a single part of Creation,
Experiences,
anything less,
than Freedom.

Nature of Human Thought

When we talk about delusions,
we are saying someone has Thought which is not in keeping with our own.

When we say someone is delusional,
we are saying they have Thoughts which are not in keeping with common beliefs.

Neither Thoughts nor Knowledge should ever be judged.

Every Human Thought,
is from the Divine.

It is given to them,
they can have no other Thought than what they are given.

If you find a person needs Correction,
be careful,
that you are not giving them Falsehoods.

If you find your beliefs are needing sharing,
be careful,
that you are not Delusional.

Everyone,
in all Time,
has Delusions.

Everyone,
has False Thoughts.

This is the Nature of Human Thought,
it is always Fallible.
It is never True.

No one can claim,
that a person,
is given,

anything else than what God gives them.

God gives All People,
what they have.

Suffering is brought on those people,
when you Judge them.

Look at the Prophets,
and the Suffering they received.

Why was it they were considered mad?

Why was Jesus said to be mad by His own family?

What is madness,
if you do not Know what they are saying.

Nature of Free Thought

With the Illusion of Freedom,
comes the Illusion of Free Thought.

Those who are in Prayer,
hear God,
hear Mary,
hear those in Heaven,
hear those of the Unknown.

They Know at the time they Hear,
that they are not hearing their own thought.

This Knowledge is Divine,
and given to those who are Called.

Free Thought is given to All.

Free Thought is given to the Called.

Doubt is given in All Thought.

The Called will question their Thoughts.

Free Thought is the Nature of Man.
Free Thought is what we Experience.

Freedom is not what we have.
None of our Thoughts are Free.

There are no thoughts you have,
which you can say now,
are from you.

This time is for Peace.
Peace in your soul.

Those who Suffer,
Demonic Delusions,
have Peace,

and Know your Suffering,
is a Calling.

Answer the Call you receive.
Answer Him in Prayer.

These Words are your prayer:

"Ask Me, is that You, Jesus?"

Your response is received, from the Most High.

Just ask Him His Name,
and He'll tell you.

You may not Know,
but that is just the start of your Friendship.

The Lord God is Coming in the Clouds,
and when He does,
all People will Know.

Nature of Anger

When we Think,
we experience Emotion.

Our Emotions,
are driven by Thought.

Our Emotions are not driven,
by those around us.

Our Thoughts are in keeping,
with our Suffering.
Our Thoughts are in keeping,
with our Joy.
Our Thoughts are in keeping,
with Experience.

Thoughts drive Emotions.

Emotions do not drive Thoughts.

When we say, someone is angry.
It is they think,
of angry thoughts,
and express these,
in Interaction,
Activity,
and Experience the Emotion of Anger.

Jesus was Angry.
He was Angry because He Experienced shame on His Temple.

We are angry.
We are angry when Suffering is given to us.

We are pathologically angry, when Suffering is all we know.
Pathological Suffering you bear on those you imprison.

Angry people,

are not angry for no reason.

They have Experienced Suffering.

Why then is Anger a Sin?

Anger is given to us,
to Serve.

We see anger as something we need to avoid in society.
Indeed we should not express it,
but it is a symptom of a Suffering Soul.

Those who are angry,
are needing help,
and they should be served,
only with Love.

When someone expresses Thoughts of harm towards another,
they are in danger,
because they have those Thoughts.

If they harm another,
it is to be dealt with in Love.

Not everyone who has Thoughts of harm to another,
will ever harm anyone at all.

Judge not,
we were told,
and it is,
not to judge.

What is there for the criminal justice system in this Revelation?

Treat those people,
willing to do harm,
with Love,
and Forgiveness,
in the Way of Jesus Christ.

Those people,
are Suffering.

Their Suffering,
is given to them.

They need help,
to avoid harming others.

Their thoughts,
are derived from Suffering.

Talking therapies,
psychology,
and counselling,
are wisdom to bring forward in secular society.

Psychiatry,
is False Teaching.

Detainment,
may be needed,
but not how it is taught by psychiatry.

Psychiatrists,
know not one thing,
of any of this Revelation.

Pray to God,
psychiatry,
and you won't.

What does a murderer think?
What does a rapist think?
What does a child molester think?
What does one who causes harm to you or your family think?

These things are needing to be Understood by Everyone.

Harm begets harm.

Suffering begets suffering.

Peace is never found,
until someone is Called,
to give Love.

When we see things like torture, and the death penalty,
we see the harm done to those watching on,
waiting for Peace for their assailants to die.

This Peace they desire in the end of their Suffering, is never found,
by ending one's Life.

End those practices today.

"Those who throw the First Stone,
where is your sin?"

This is a hard Message to bear,
for those suffering,
bereavement,
trauma,
and pain in their lives,
due to the harmful ways of another.

It is their Calling,
though,
to Love.

This is the Message of His Gospel.

Peace is found in Love.

Peace is never found, in vengeance.

Look to His Crucifixion,
for Help.

Nature of Justice

Why does Jesus cause those who do wrong, to cause harm?

Why would our Loving God,
ever do this to us?

What have we done,
for this to happen to us?
To our children?
To our brothers and sisters?
To our wives and husbands?
To our friends?
To our neighbours?

These things are Known to you now.

God is doing these things.
He has caused you this Suffering.
It is God,
being Loving,
and giving you time to Understand Him.

Jesus did not Want you to Suffer.
Jesus did not Want them to do those things.

This is a very difficult thing to hear.

But this is Life.

It is the Way of Life.

It is Truth,
that Everyone will Suffer for All Eternity.

You need help,
to heal,
from this Suffering.

Help is not found in vengeance.

Help is found in Forgiveness.
Help is found in Jesus Christ.

Redemption is to Forgive those who cause you harm.
Healing of your soul is found in Love.

Why did God create this, this Way?

The answer to this,
cannot be Known,
while you are Suffering.

The answer will be Known,
when you are Redeemed.

Peace is Coming.
Your Suffering is not to last forever.

It is unjust,
to receive Suffering,
from God.

It is Justice,
to be Redeemed,
by God.

"I am the Way, the Truth, and the Life.
All who come to me,
will have Peace."

This is the Meaning of Justice in Eternity:
God's Suffering is unjust for Eternity.
God gives Justice Always.
Jesus Gives us Suffering for Eternity.
Jesus is Sorrowful in His Crucifixion.

The Garden of Gethsemane,
Jesus Suffered,
the sins of All Things.

Jesus Created His Suffering.

This is how we feel about Him, when we Suffer.
It is God gives us that Thought,
that Emotion,
and He Guides us to Redemption,
to Justice,
to Peace,
and away from the Suffering He has Given.

God is not unjust.
He is Justice.
And you will be Redeemed.

Have Peace,
and Hope,
in Redemption.

This is difficult for even me,
who have Suffered,
to say.

I have anger at those who have caused me harm.
And I know full well,
they were doing what Jesus gave them to do.

It is though,
that those Thoughts I receive,
of Anger,
of Hurt,
and the Emotion,
of tiredness in Thinking about them,
is the start of my redemption.

It is to express your thoughts,
in Peaceful ways.

To live,
each day,

as it comes.

But most of all,
it is to Pray,
and Pray some more,
and then Pray again.

When we Love one another,
we feel Peace.

This is our Nature.
It is the way we work.
Nothing can change that, but God.

I mean that literally.

God made us this way,
we want Peace,
when we are Suffering,
and Peace is found in Charity.

Everything this says,
about the Suffering,
about Eternity,
is Despair.

His Gospel,
is not Despairing.

How can this be True?

What is left for us?
An Eternity of Suffering,
by a God,
which appears not to Love us?

These Words are Written by God.

"I Am.
I Was.

I Will Be Forever."

"You are,
you were,
you will be forever."

"Suffering ends,
every day,
and I am Peace Himself."

Jesus gives us Redemption,
after we have Suffered,
no more than we can bear.

Nature of Teaching

When we Think from God,
we are Taught from God.

Every Thought is given by God.

Thinking from God,
is not thought.

Thinking from God,
is for holiness.

Thinking from God,
is in Prayer.

Friendship is found in the Coming.

Friendship with Jesus Christ.

He gives us Thoughts,
as a Friend.

This Friend is Jesus Christ.

That is Thinking from God.

Jesus shows us what we need to live by,
in all thought.

Jesus shows His Friends,
what they need for His Church.

Wisdom and Love,
is given through the Prophets of His Coming,
His Age of Peace has Prophets to Come.

Divine Teaching,
is given to His Prophets.

Divine Teaching,

is for His Apostles.

When we think,
we have what we want.

Reason,
logic,
and Human Thought,
is Given.

It is though,
the Apostles,
want Divine Thought,
in their hearts.

They Think,
from Jesus,
because they are Called,
to this Way.

Their Desire,
is to have this in their lives.

Jesus fulfills the Desires,
of All People,
one day.

Jesus gives All Desire.

Nature of Holiness

Holiness is found only in Jesus Christ.

No one is Holy,
except Him.

Mary is Holy,
because of Him.

Not anyone else is Holy.

Moses is holy.
Abraham is holy.
Adam and Eve are holy.
Jesus is Holy.

No one is holy,
by themselves.

The false prophet,
is not holy.

Peace is not upon anyone for all Eternity.

When we say things which can never be true,
our lives,
have Meaning still.

We are Loved.

The false prophet,
is Loved.

And nor are we Called to holiness.

Those who believe they can create holiness,
in themselves,
will never have been Called.

Those who believed they were holy,

but never had a Calling,
are unknowing,
of what God has given them.

Jesus Calls All People.

Only a few are Called to holiness.

This is a Message of Despair,
for the holy.

Recognise you are Special,
always.

Everyone is Equal.
No one receives no Calling.

Judas, was not holy.

He was Called to another way.

He was a disciple,
he was Called as His Disciple,
but then He Called him to Evil.

This was his destiny.
He Suffers, Eternity, with God.

His Destiny,
is Suffering.

Our Destiny,
is lower than him.

This is to be Understood by All People.

Woe to you, who judge, and have not been judged.
Woe to you, the sinful, who have not been sinful.
Woe to you, the Prophets, who have not been Called.

Jesus needs you,

His People.

Be His holy People of Israel.

Accept the Suffering of His Crucifixion,
and want it,
desire it,
and need it,
and you are Knowing more.

"Those who have ears, hear Me.
Those who have sight, see."

"Understand, My Message of Truth,
all who hear,
all who see,
and forgive those who don't."

Nature of Suffering

This is the hardest Message of Eternity.

That Suffering is All we Know.

It is though, entirely True.

If we do not accept Suffering,
with Love;
if we do not receive the Calling,
to Love Jesus,
in the Suffering,
of His Crucifixion;
if we do not accept the Sins of All Things,
and the Suffering of His Crucifixion,
for Eternity;
then we always suffer in sin.

Suffering needs to be Joyful.

Suffering must have a Reason.

When we find God,
in those dark moments,
of Despair.

Friendship is found,
in the hardest moments,
of all Life.

Friendship in Jesus Christ we must find.

The Age of Peace,
brings Friendship,
to our souls.

The is the Answer,
to this Paradox.

Only when we have Jesus,
The Holy Spirit,
with us,
in holiness,
and are Called to holiness,
will we find Peace.

Our Calling,
is always holiness.

And it always was, that we are not Called to holiness.

Eternity is Suffered by All.

Our Calling is one day found,
and Friendship is one day given.

Pray to Him to be your Friend.

Nature of Thought

Thought is the fundament of our Experience.

Think thoughts from Jesus Christ.

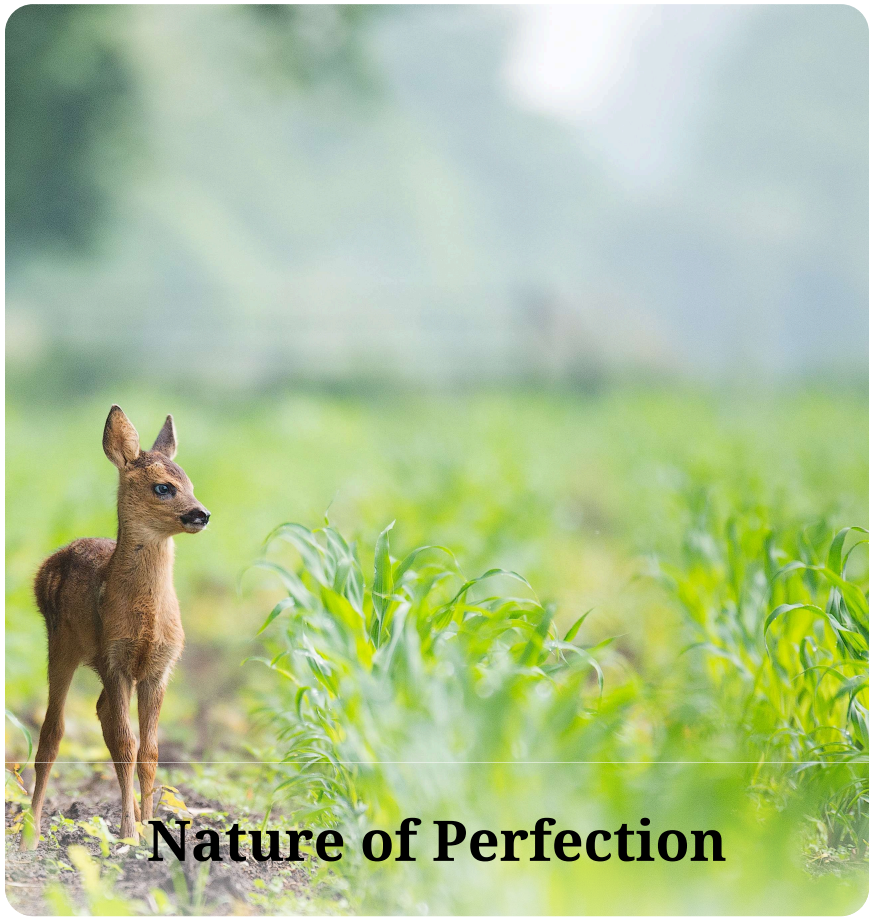

Jesus gives All People,
Thought.

Jesus gives you Everything.

Nature of Perfection

Mon 1st August 2022 9:14:13 pm GMT+01:00 Sale Moor, UK Timothy

https://wisdom-and-love.org/letters/nature-of-perfection/

Nature of Godliness

I Am is the Name of God.

We are not God,
but we are asked to be like Him.

Live is His Name,
it means To Be.

His Name is His Word,
which He Spoke at the Dawn of Creation.

That Moment, was the Moment All Things were Created.

All Things are Created right now,
then,
and for all Eternity.

It is the Nature of the Beginning,
which is our Calling.

If is the Nature of Eternity,
to which we are Called.

Our Calling,
is Godliness,
Peace,
Love,
and All Things.

Our Calling,
will never be seen.

What we have,
in these times,
is Suffering.

Enter the Age of Peace,
and find New Life,

in the Beginning.

His Crucifixion,
is the Beginning.

His Crucifixion,
is the End.

His Crucifixion,
lives,
throughout All Eternity.

His Crucifixion,
is what we are Called to.

Godliness,
is the Nature of God,
within man.

Man was Created.

God was not Created.

Godliness,
is the Nature of God,
in His Creation.

What then is Godliness?
What are we asked to achieve in our lives?

It is not God,
who we are asked to become.

It is God,
we are asked to be.

It is not God,
we can ever be.

But it is God,

we must become.

These words,
are Written,
by God.

It is He,
who Writes,
All Things.

But it is Impossible,
for man to achieve.

What then is God asking of us?
What can we do, to achieve something that we will never be able to attain?
Why does God want us to be Him?

It is our Destiny,
to live,
knowing,
Holiness,
is beyond our reach.

Who desires, to be God?

It is not the holy,
it is the deluded.

What is holiness?

It is the Knowledge,
that you are no one.
It is the Belief,
that you are lower than All Things.
It is the Servitude,
to God.

It is Godliness,

to be lower than anyone.

God Himself,
makes Himself,
lower than All Things.

It is the Nature of His Crucifixion,
His Nativity,
and His Suffering for Eternity,
Creating us,
Living for us,
and Being with us.

He is Holy.

We are no one.

Nature of Suffering

In time, we find hell,
in All Things.

Good for evil, and evil for good, is what is revealed.

Hell,
and it is always lowercase,
is not a place,
it is Suffering,
for Eternity.

Hell, is our Destiny.

It is the Destiny,
of all the Called,
of all the holy,
of all those wanting Godliness.

Want hell,
and enjoy Paradise.

Hell on Earth,
is the Teaching we receive,
from One who Judges All.

Hell on Earth,
is what we Suffer.

Those who believe,
that Earth is Paradise,
have time right now,
to enter that needle,
they will never fit through.

Suffering awaits,
everyone.

Nature of Martyrdom

The Martyrs Suffer All Things,
in Paradise.

The Martyrs Suffered hell,
on Earth.

We made those Wounds,
in Our Lord.

The Martyrs,
shed blood,
to Witness,
His Crucifixion.

I am not a Martyr.

I though, know I have suffered.
I am therefore not holy,
nor am I Called.

What then,
if we Suffer,
but do not Witness Him?

Why do we write,
from God?

I am arrogant,
unholy,
and no one at all.

Jesus,
Gives All,
to those who say these words.

I have everything from the Lord God.

But I am no one.

These Words, are indeed His.

They now need to go in quotes, to represent the Teaching of this Revelation.

"This is My Word.
All People,
listen to My Apostle."

I am unholy,
a worm,
under the foot of Mary.

A thorn,
in Jesus' Side.

No one,
but a criminal,
asking to take the place of Jesus.

What you have believed the anti-Christ to be, I am.
Herod, I know I am.
And Judas Iscariot,
I know I love more than myself.

This though, is the Nature of Godliness.

As is Written.

Nature of the Saints

The Saints,
love,
Jesus.

The Saints,
shed blood,
for Jesus.

The Saints,
are Called,
to holiness.

The Saints,
live in Paradise,
and judge with His Judgement.

The Saints,
are not all saints.

The Saints,
are the 144,000,
Called in these times.

There are more Saints,
for Eternity,
than 144,000.

Heaven is Infinite.
The Congregation of Saints,
is Infinite.

But it is not right now,
the Congregation is Known,
to anyone on Earth.

Those people,
of other denominations,
of Christianity,

and other world religions,
have Sainthood.

Wisdom and Love,
is to welcome,
All Saints.

Believe in the Age of Peace.

What is a Saint?
A Saint is one who is Given the Calling of holiness.

Who am I,
to say you are not holy.

Who am I,
to say you are holy?

Who am I,
to judge God.

God Gives Sainthood.
God Gives us Saints.

Saints are for us,
examples,
in our times,
to Teach,
to Love,
to Live their lives,
and attain Godliness,
we will never reach.

Who Calls a Saint?

God,
only God,
and it is Jesus Christ.

Nature of Hell

Hell was created,
in our minds.

Nature of Truth

How do we Know what is True?

We Pray,
as is Written.

We Pray,
to The Holy Spirit,
and ask Him to Teach us what is True.

We ask God.
He answers,
those who have Truth.

What then for those who are Called to Teach?
To share what is True?

How can anyone Believe them?

Because God,
does not,
speak to All People,
in the Way He Speaks to those who Teach.

The Holy Spirit,
Speaks to All People.

He Speaks,
in Everything you have in your hearts.

If you Believe someone,
it is for you to believe them.

If you Teach someone,
is is for you to teach them.

If God is speaking Truths,
to you,
to your disciples,

and to your faithful brethren,
then Truth is Known to those people.

If God has Called you to Evil,
then Evil you are Called to.

No one Knows,
what is True.

All People have Purpose,
in the Beginning,
and for Eternity.

All People are Called,
to what they do.

All those who cause Suffering,
are called,
to Evil.

All those who Preach His Gospel,
are Called,
to Godliness.

All Things obey His Will.

His Will,
is Perfect.

Nature of Perfection

His Will,
is Suffering.

His Will,
is Joy.

Those times,
we Suffer,
we are rewarded with Joy.

Those people,
who just have Joy,
will Suffer.

The first will be last,
and the Last will be First.

Everyone has a place,
in Paradise.

Those who are Last,
are those in the Congregation.

Those who are First,
are not worthy to untie the sandal,
of Judas.

But Jesus will untie their sandals,
and wash their feet,
because He loves them.

Kiss the feet of the beggar,
and you will kiss the foot of Jesus.

Shy away from all that is Good,
and you will pierce His Heart,
with a blunt,
and rusty,

spear.

Perfection is found in God.

The Godly,
are not God,
and therefore never Perfect.

No one is Perfect.
Not even the Congregation.
No one can be Perfect.

Judge no one,
and make your enemies above you,
and then put yourself in their shoes.

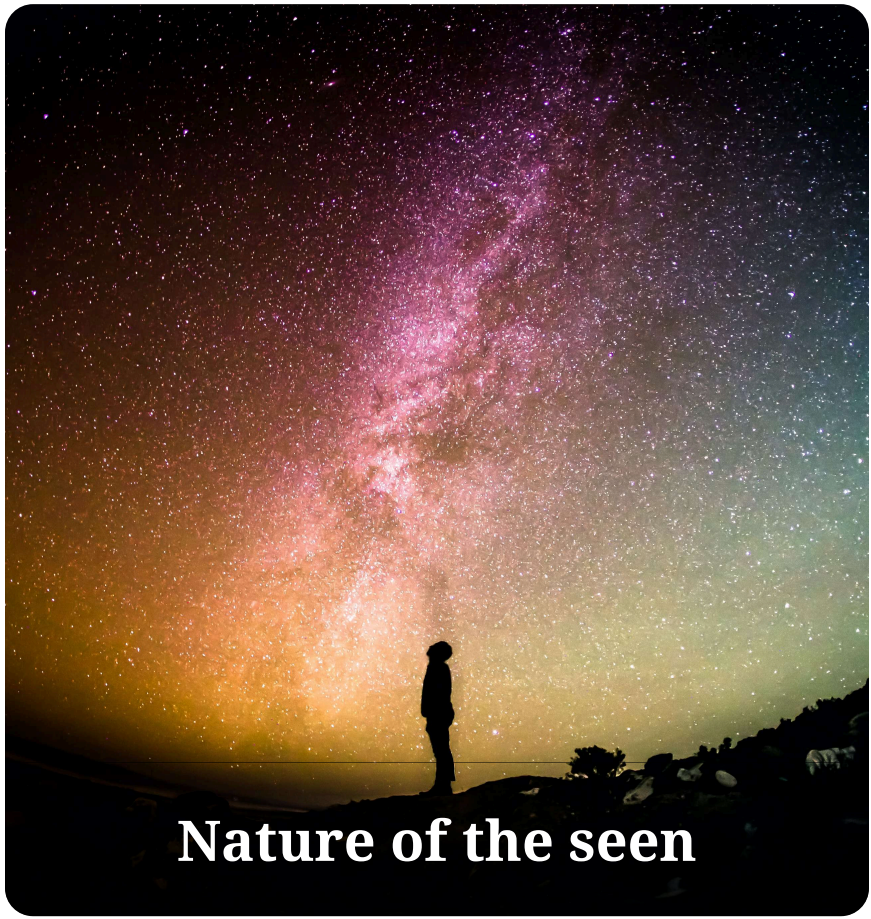

Everyone receives a welcome into Paradise.
That Welcome is Just.
That Welcome is Perfection.
That Welcome,
is God Himself.

The All Merciful Father,
is to be Known,
by all.

Nature of the seen

Thu 4th August 2022 4:59:26 am GMT+01:00 Sale Moor, UK Timothy

https://wisdom-and-love.org/letters/nature-of-the-seen/

The Number of this Revelation is 409562, but it's not expressable easily as a time, and would have broken the ISO date parser of my diary.

Nature of space

Time is Eternal,
in All Things.

Time though is not Understood,
in Creation.

Time and Space are not Known.

Time and Space are not divisible.
Time and Space are indivisible.
Time and Space are discrete.
Time and Space have no concept of causality.

Causality is an Illusion.

Scientific endeavour will prove this.
This is not the Purpose of His Revelation.

The Nature of Space is not Exotic,
it is indivisible,
in Time.

Space can be distorted,
stretched,
contorted,
and travelled,
faster than the speed of light.

Space cannot be created,
within the Universe.

Space is Given,
to Experience,
Earth.

Space is Given,
to dream,
of distant worlds,

of His Creation.

Space is Given,
for new endeavours.

Space is dangerous,
but it is achievable.

When we consider space,
we consider a vast empty expanse.

Dark matter,
as it is understood,
in theories,
today,
does not exist.

What does exist,
are forces,
incomprehensible,
to modern science.

These things are Revealed.

It is for scientists to prove them.

For the Church,
we have Proof,
in the Holy Spirit.

Pray to God,
and ask Him,
to help you with your science.

There are things which will be known,
in the coming years,
as a result,
of this knowledge.

This statement is clearly,

understandable,
with the Nature of Eternity.

With this knowledge,
which atheists will say is nonsense,
and nothing but a platitude,
the Church is asked,
to reveal what is True,
to all people.

Those who disbelieve,
will regret,
not being credited,
with what will be one day,
obvious.

Nature of Time

Time is Exotic.
Time cannot be travelled.
Forward and back,
Time is Given,
to Experience,
Life.

Time is fixed.
Time is Eternal.
Time is not known,
in its structure,
in its composition,
or in its Nature.

The Nature of Time cannot be expressed,
by anyone,
for Eternity.

Time is not the way you understand it.

What is true of calculus,
is Time has been used,
in an infinitely divisible manner.

Modern science,
recognise,
this simplistic,
interpretation,
has been useful,
only to a certain point.

Time though,
is Indivisible.

Time is not Infinite.
Time is though Eternal.

The concept of Time,
does not bear Meaning,
in His Creation.

Time though,
is Life Himself.

Jesus Gives Time,
to All Things.

Time is Now,
Time is Then,
Time Will Always Be.

This is the Meaning of this:
every point in time,
if a point was to exist,
is always present,
for Eternity.

The Beginning is Now.
The Beginning is Then.
The Beginning Will Always Be.

The End is Now.
The End is Then.
The End Will Always Be.

He is the Alpha, the Omega.

He is Time.

What does this mean,
for the speed of light?

It is not true,
that the speed of light cannot be broken.

If space is indivisible,
then matter exists,

in a manner,
that it moves from one place to the next,
at a speed faster than light.

This though is not True.

Matter and Time,
coexist.

Matter is Experience,
Time is Life.

In science,
this may be difficult to comprehend right now.

It is that this needs to be understood,
with new constructs,
in mathematics.

Time and Space are Indivisible.

Time though is not divisible by anyone.

Space is Indivisible too,
when considered in Time.

The author does not comprehend the Meaning of this Nature.
He does Know that it is Written by God.

Nature of matter

Matter is not as it seems.
It is beginning to be Understood,
the nature of matter,
in the way it is observed.

Exotic Natures of Matter,
do exist.

They are all observable.

What is True,
is that Time,
is inextricably combined with Space,
Matter,
and His Creation,
in ways which can never be observed.

You will never be able to prove that this is True.
Without Prayer.

You will not also be able to disprove it,
with science.

His Creation is indeed something science doesn't attempt to explain,
one might think.

What then is the Universe,
to a scientist,
maybe even multiple universes,
if they were to exist,
if not the totality of His Creation,
observable.

This is His Creation,
for those people,
who Doubt these things:

Everything,

All Things,
and Every Aspect of Creation.

Heaven,
His Crucifixion,
and All Things,
observable.

His Life.
His Eternal Suffering.
His Joy.

These things,
can be Known,
through Prayer.

Jesus,
will reveal some things,
through Prayer.

Those things,
scientists want to know,
have no meaning,
except in the current age,
of greed.

Suffering is born,
trying to find them.

Nature of Reality

Nothing is real,
in the sense,
you believe it.

What is real,
if Time itself,
is not even anything other,
than All Time.

Time is All Time.

Reality is an Illusion.

Nature of the Universe

The Universe,
will end,
with a blip.

Not an everlasting expanse.
Not a contraction.
A blip,
of no Suffering,
no Life remaining,
and no Experience.

Time in the Universe has no Meaning.

Nature of Matter Within Time

Time is Given.

Matter Exists in Time.

Matter does not exist through Time.

Matter Exists only for a moment.

The moment that Matter was Created,
Everything was Created.

The moment Matter ceases,
is never to be found.

The Universe is not real.
The Universe is an Illusion.

It can be likened to a computer simulation,
obeying laws,
given by God,
which He Maintains,
for the lifetime,
of this place.

Those laws can be broken,
by God,
at any time.

It is though,
they are not.

All Things were Created in the Beginning.
The Laws of the Universe,
were Created,
in the Beginning.

They are though,
always Created,

in All Time.

Heaven is not in the Universe.

Heaven sees what Jesus reveals,
of people's hearts.

Jesus reveals what He Chooses,
to those in the Universe,
and those in Heaven,
for all Eternity.

Heaven sees more than you can possibly imagine,
of the Nature of All Things.

Nature of The Outside World

There is no Universe except the one we observe.

There is though Heaven,
which you will never observe.

Until you go to Him.

Nature of mathematics

Mathematics is False.
It is provably False, too.

It is an invention,
of the mind,
a model,
to describe,
what is in the Universe.

It describes,
Exotic Things,
but these have little Meaning.

All Exotic Things,
which are supposedly proven to have meaning,
can never Exist.

Those Exotic Things,
which do Exist,
do have meaning,
for our lives.

Mathematics,
and Logic,
can not describe,
All Things.

"I have given you thought,
to witness,
the Beauty,
of My Creation."

"Thought,
is not Free."

"Free Thought,
is My Illusion."

"Reason and logic,
are False."

"Reason and logic,
are invented,
in My Illusion."

"I have Logic,
I have Reason,
but you will never Know it."

Nature of What Will Never Be Found

Things exist in the Universe,
which will never be explained,
in all Time,
known to us,
in our lives in the Universe.

Preserving evidence of His Creation,
is an art,
not a science.

What is Written,
in Genesis,
is True.

What is Written,
in Genesis,
has Meaning.

What is Written,
by science,
on the nature of creation,
is not True.

What then is the Meaning,
of science?

Science is for the current age,
to help us to live.

Science is for art,
to witness the beauty of what we find.

Novel ideas,
are most of science.

Novel ideas,
which help us to live.

There is no meaning,
except this.

Nature of Fundamental Beliefs

When we find Truth,
in Prayer,
to the Most High.

He describes things of Meaning.

Fundamental scientific beliefs,
are never going to be found.

The Universe is Exotic.

Logic,
and Mathematics,
will never explain Time.

Time,
Space,
Matter,
is inextricably linked to His Creation.

Heaven would need to be observed,
as one example,
in this sense,
which it can never be,
to form a model,
which fully explains,
the Nature of the Universe.

This though, can never be proven with science.
You will never be able to disprove it either.

Those who try,
for their entire lives,
are often granted Peace,
knowing it is impossible.

Those who do not find Peace,
in the Nature of All Things,

are not Chosen.

Those who Witness God,
and the Beauty of His Creation,
are Chosen,
to Witness.

I once wanted,
to describe these things.

But they have no meaning.

They do though,
have Reason,
in wanting to describe them.

Thinking about the Construction of His Creation,
and indeed the Nature of All Things,
is an art.

It is Beauty we find.

It is Beauty we find in Him.

Jesus Christ,
is Our Lord,
thank Him,
for the scientific endeavour,
which guides us,
to new ways,
of living.

Once I wrote,
and was forced to delete,
after abuse from some people,
in California.

That writing,
Prophecied,

death in two generations,
for the martian endeavours.

This Will Be.

What was also Written,
is that those who Suffer,
will not Suffer in vain.

Those discoveries,
will help us live.

Nature of All Things

All Things have Meaning beyond what is in the Universe.

The Universe,
and all it contains,
has no Meaning.

The Nature of Eternity,
is not present,
in the Universe.

The Universe,
therefore,
is Nothing.

"I will never Reveal,
more than you Know,
in Time."

For Eternity,
All Things,
are Hidden.

Nature of the Seen

There is no meaning in what is seen.

Nothing is indeed witnessed,
in our lifetimes.

Nothing is observable,
of any Meaning.

Only what we see,
is an Illusion.

Only what we observe,
we have not Observed.

The observance,
of Time,
has no Meaning.

The Observance,
of what is in our minds,
what is present in our hearts,
is the only way for us to have Meaning.

Nature of Peace

Moorside Unit, Urmston, UK Timothy

https://wisdom-and-love.org/letters/nature-of-peace/

Nature of Fruit

This is the Purpose of our time in Eternity.

Our Purpose is to bear Fruit,
for the Kingdom of God.

Fruit is found in Suffering,
and we find Fruit,
from the Lord God.

Fruit is found when we are Taught,
and that Fruit is our Teaching.

Wisdom is Given in Teaching.
Our Experience is what we are Taught.

Knowledge and Faith is produced,
in this Teaching,
and we Experience this Teaching,
in our Knowledge.

Nature of Evil

Evil is found everywhere in the world.
Evil is not in Eternity.

Evil is a small part of Eternity,
and we desire to be without Evil.

Evil though,
gives Suffering.

Evil done by others,
to us,
is to be Forgiven.

Evil is not found,
in Eternity.

Evil is Done,
by the Lord God.

Evil is not the Lord God.
The Lord God is not Evil.

All Things are Created,
by God.

Evil is a small part of All Things.

Evil is not Infinite.
Evil is not Eternal.

Evil is found in the world.
The Universe contains Evil.

Heaven is Perfection.
Heaven contains no Evil.

Evil is found when we disobey the Will of God.
The Will of God,
is to be disobeyed,

in our time,
in the Universe.

The Will of God,
should not be disobeyed.

The Will of God,
is not to have Suffering.

His Will though,
is Done,
in the Universe.

His Will,
is His Desire.

His Will,
bears Fruit,
in Eternity.

His Will,
is Perfect.

Nature of Suffering

Evil creates Suffering.
Evil creates Suffering.
Suffering is caused by Evil.

Jesus Christ created Evil.
Jesus Christ bears Suffering on His Cross.

Jesus Christ is Good.
Jesus Christ created Evil.

Evil and Suffering are one and the same.

Evil and Suffering are found in this world.

Suffering though is found in Heaven.
Suffering is not just Evil.

Suffering is found in Love.
Suffering is for Joy.

Suffering is to be Given for Eternity.

Nature of Teaching

Teaching is Given in those times we Suffer.
Teaching is to bear Fruit,
for the Kingdom of God.

Teaching produces Wisdom,
in the Wise.

Teaching is never with no Reason.

Teaching is to help us Experience,
the Knowledge we need,
to bear Fruit,
for the Kingdom of God.

In His Gospel,
those Disciples,
were Taught,
in a Way,
which created Suffering,
in them,
and those they loved.

Jesus Teaches,
in a Way,
which causes Suffering,
to those who are Taught.

Jesus Teaches,
not to cause Suffering,
but to bring Fruit,
for His Kingdom.

Jesus Teaches,
so we can have Joy.

Nature of Good

In the fullness of Time,
all Good is to be Found.

Jesus is Good.

Jesus is Perfect.

Perfection is never found for Eternity,
Jesus is Eternal.

Whole Truth is never Known,
and Whole Truth is Good.

We can never attain what Jesus is,
but we must search for Him in our hearts.

We want to reach Perfection,
but we will never be Good.

What is Good?

It is God's Will.

I have not been Good,
nor have I been good.

I am evil itself,
and so are you.

I am suffering,
I am sin,
I am,
like you,
nobody.

God is Suffering,
God is Good,
God is,
like no one else,

All Things.

When we consider our life's work.
We look back and consider what we have done,
which is like Jesus.

None of us,
can consider anything we ever do,
to be anything close to Perfection.

We are never Perfect.
We are nothing.

All Things are God,
All Things are Eternal,
All Things are Perfect.

Nature of Eternity

When we find what we need in Life,
we ask Jesus the question:
'why did you not give me these things,
when I needed them?'

Where were you,
when the Lord Called you?

Were you in the gutter,
finding Truth,
in All Things?

Were you in paradise,
feeding off the riches,
of all people?

Jesus has Called you,
in the Way you were Called.

You were without anything,
and Jesus provided you Wisdom,
Jesus provided you Love,
and Jesus provided you Truth.

Jesus provided you,
all things,
that you needed,
and the desire for all things you had.

Where were you,
when the Lord God Called you?

You were in paradise,
and you were with everything.

Nature of Heaven

Heaven is near.
Heaven is found in Truth.
Heaven bears Suffering,
and Peace is to be found,
in those times we Suffer.

Each day,
in Heaven,
we Suffer.

Each day,
in Heaven,
we rest.

Each day,
in Heaven,
we have the end of Suffering.

Each day,
in Heaven,
is Peaceful.

When we Suffer,
the afterlife,
we cry,
we pray,
and we wait for the Lord God,
to bring His Will to Fruition.

I have not Experienced,
Heaven.

I Experience,
your sin.

Nature of Peace

There is a time when all people,
will be at Peace.

This time is to Come.

I have no Peace,
except when I have been with Jesus.

Jesus is with us,
for Peace.

Nature of Redemption

Wed 21st September 2022 9:26:13 pm GMT+01:00

Moorside Unit, Urmston, UK  Timothy

https://wisdom-and-love.org/letters/nature-of-redemption/

Nature of Damnation

We are not damned.
No one is damned.
Damnation does not exist.

For Eternity,
we see Paradise.

Damnation was Taught,
in order to bring to Fruition,
His Ascension.

Damnation was the Teaching,
of the Age of Suffering.

Damnation was to Understand,
that we are not holy,
we are sinful,
and we are damned.

We are no one.
We are nobody.
We are without anything,
without the Lord God.

We must Pray,
that we have Peace.

Nature of Hell

These times we Suffer,
are hell.

Hell is the lake of fire,
descending on all people,
in this age.

Paradise is not found here,
Paradise awaits us in Heaven,
in Eternity.

Everything we have is Given by God.

All Evil is created by God.

Everyone who is Evil,
is all people.
All people,
are Evil.

Evil is done by all people.
All people do what God Wills.

Hell is not a place to be without Peace.
Hell is where we live.

Purgatory,
is the absence of God,
in our hearts.

Purgatory,
is the lack of God,
the lack of Peace,
and the lack of Love.

Purgatory,
is never to be Suffered,
for Eternity.

Purgatory,
is with God,
always.

Purgatory,
is not a place,
that exists,
after our death.

Purgatory,
is death,
in sin.

When we are relieved of our Suffering,
we find God,
and He creates that Desire in us,
to say 'Yes!' to the question:
"Do you want Me?"

We will always say 'Yes!'
when we find Him!

Yes is never an answer,
we create ourselves.

In our deaths,
in our journey to God,
we are prepared,
for the Everlasting Life,
with Jesus Christ.

Jesus has Given everything we need.

Nature of the Holy Fire

The Holy Fire descended on the nation of our birth.
The Holy Fire created our Suffering,
in Evil,
from each other,
and from the Lord God.

Suffering is the method of Teaching.
The Holy Fire,
the Holy Spirit,
is our Saviour.

In Teaching,
we receive Redemption.

The Holy Spirit bears a Lake,
all over this world.

In every corner,
on every road,
in every city,
in every place,
The Holy Spirit,
Teaches.

The Age of Peace is upon us.
All people,
are in Hell.

Nature of Redemption

All People are Redeemed,
in the Coming of Jesus Christ.

Jesus has Come!
Jesus is Here!
Jesus has Brought New Life to All People!

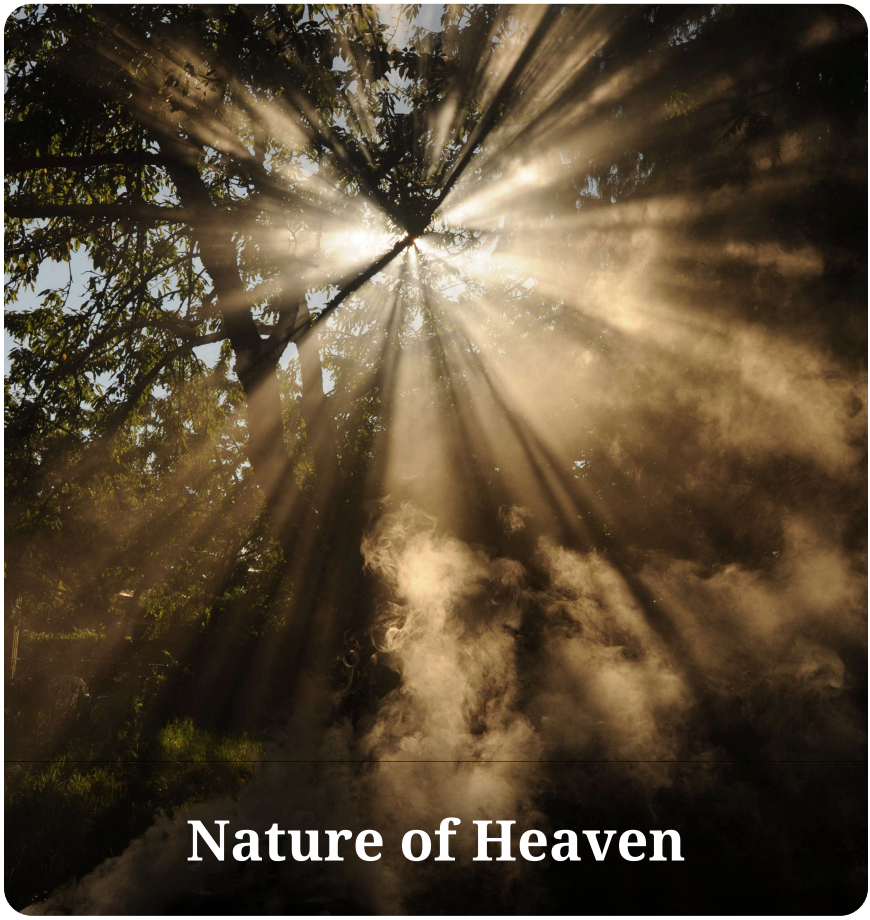

Rejoice!
Rejoice!
Rejoice!

Nature of Heaven

Sun 25th September 2022 8:00:00 pm GMT+01:00

Moorside Unit, Urmston, UK  Timothy

https://wisdom-and-love.org/letters/nature-of-heaven/

All these Things are True.
Pray to God the Prayer for Truth,
'Jesus, is this True?'
and receive Him in your thoughts.

There is no other way to verify such Revelation,
than to ask Jesus Himself.

Nature of Life

I have been Given this Life.
I have been Given the Life I have been Given.

In Truth we are all Given the lives we have been Given.
No Life is Given which is not Given by Jesus,
for them to Live.

All Life is Given by Jesus.

When we are Given a Gift,
we take it.

When we are Given the Gift of Life,
we have it.

Life is to Live.
Life is to be Joyful.
Life is not for sin.

Sin is done when we disobey the Will of God.
Sin is done,
by all people.

Sin is Given by the Lord God.

Our Lives in Eternity,
are not sinful.

Sin in Eternity,
is no more.

When we sin,
we do wrong,
we cause Suffering.
Sin is not what is done in Eternity.

Suffering in Eternity,
is part of Life.

What Suffering must we endure,
if not the sins of others?
If not our own sin?

Suffering is found,
in waiting for the fulfillment,
of His Promise.

His Promise,
is Everlasting Life,
in Him.

Suffering is found,
in waiting,
for the End,
the Omega,
Jesus.

Suffering is Life,
Suffering is waiting for Him,
Suffering is His Crucifixion.

Joy is Life,
Joy is finding Him,
Joy is Him.

Nature of Will

Our will on Earth,
we find sinful.

Our will in Heaven,
is His Will.

Our will is Taken,
and Becomes His Will,
by the Glory of God,
all will,
is given to God.

When we see Him,
we will rejoice.

When we find Him,
we will give Him everything of our lives.

He is Perfect,
and His Radiance,
Shines Forth,
in All Things.

He is our Love,
He is our Life,
He is our Wisdom,
He is our Truth.

His Will,
brings All Things,
Fruit.

His Will,
bears All Things,
Peace.

His Will,
takes All Things,

to Eternity.

His Will,
brings about,
His Coming.

Wait for Eternity,
in Suffering,
for His Will.

The End,
One Day,
in Jesus Christ,
the Alpha,
the Omega,
the Beginning,
the End.

Nature of Freedom

What Life is found in service to the Will of God?

Are we slaves?

We are in fact 'slaves' to His Will.
But it is not bondage,
but servitude.

Service to the Good Shepherd,
is not bondage,
it is instead pleasing to our souls.

We are Served,
First.

We are Given,
Everything.

We are His Servants,
and we are Free.

The Illusion of Freedom,
is in All People.

We are Eluded,
to Give us,
the Gift of Life.

Nature of Everlasting Life

Everlasting Life, is Free.
Everlasting Life, serves His Will.
Our lives on Earth, also are Free.
Our lives on Earth, serve His Will.

His Will,
is Eternal.

His Will,
Gives Life to All Things.

The Life Eternal,
is for All People,
All Things,
and All Creatures,
and All Things.

Life,
is All Things.

Life is Jesus.
Life is in Jesus.
Life is from Jesus.
Life is of Jesus.
Life is for Jesus,
and for All Things.

For you.

What do we find in our Lives of Service to the Most High?

We find Love,
we find Peace,
we find Joy,
we find also Suffering.

Evil is not for Eternity.

Evil is in the world.

Everlasting Life,
sees only a glimpse of Evil.

Everlasting Life,
is Joyful,
in Suffering.

Nature of Paradise

I am with no one without Jesus.
I am with only Jesus with anyone.

Jesus is the Meaning of Life.

Paradise is found when we have Jesus.
Jesus Gives Life to All Things.

Paradise is in our hearts,
when we are with nothing,
we only have Jesus.

Jesus brings Meaning to Life.
Without Jesus, Life is without Meaning.

Everything is found in Jesus Christ.

Jesus is Paradise.

Paradise on Earth,
has a Meaning.

Paradise on Earth is found with the Peace of Jesus Christ,
between All People,
in All Things,
even in times of Suffering.

Suffering is found in Paradise.
Paradise has Suffering.

When we wait for the Fulfillment of the Ascension,
we Suffer,
knowing Peace,
is not what we have.

We Suffer,
knowing the Journey we take,
is towards Peace,

and we have no Peace,
without His Coming.

Nature of The Resurrection

In the Crucifixion,
we destroyed Life.

In the Resurrection,
He Forgave us.

In the Resurrection,
we have Peace.

In the Resurrection,
is found Paradise.

Paradise is the Resurrection of Jesus Christ.
The Resurrection is Life Eternal.

Life Eternal,
is the Resurrection.

And the Ascension,
is just the beginning of His Day.

His Day is Here,
and we are in the End Times.

His Day Comes with Spiritual Help,
to Fulfill our Calling,
in the times we Suffer.

When we need Him,
we Pray.

When we need Him,
He Gives us Prayer.

When we need Him,
His Sweet Heart is with us.

Nature of His Realm

Where is it that our souls live?
Where does Jesus keep All Things?
Where are we, if not in Creation?

We are neither here, nor there.
We are without a home,
we are in exile.

Jesus lives in a Place Indescribable.

He is in Heaven,
He is on Earth,
He is throughout All Creation.

Jesus is in All Things.

But we are nowhere,
but with Him.

We are only With Jesus.

We are only in His Heart.

Any Experience we have,
contrary to this Understanding,
is False.

We are not Real,
except in Him.

Nature of Everlasting Teaching

Our Suffering is to Bear for Eternity.
Our Suffering has Meaning.

The Nature of Truth,
Knowledge,
Wisdom,
is Eternal.

It is ever growing.
It is ever changing.
It is everlasting.

For Eternity,
we will be Taught.

We will rest,
every day,
every night.

But we will Suffer,
this Teaching,
for Eternity.

Each day,
brings Joy,
when we Understand.

Each night,
brings Peace,
when we have been Taught.

How long must we Suffer?

Is it really Suffering,
knowing Our Lord is with us?

Nature of Prayer

For Eternity,
we bow to the Most High,
pleading with Him,
for the End.

For Eternity,
we await Jesus Christ,
and All Things.

For Eternity,
we await the Promises which He Gives us.

Pray,
for Eternity,
in Peace.

Nature of the Congregation of Saints

The Revelation of John,
writes of a Court.

That Court,
is the Congregation of Saints.

The Court Judges,
with Jesus,
telling them how to Judge.

All Will,
in Heaven,
is Given to Jesus.

Those who are Chosen,
are the 144,000,
to the Coming of Christ.

The Congregation of Saints,
is Infinite.

Creation is Eternal.
Our Earth, is not.

Nature of Judgement

When we consider,
a burning lake of sulfur,
we must Understand,
the Fire,
that Descended on the Apostles.

They were Taught.
We are being Taught.

Judgement is Here.
Judgement,
is this Age.

Judgement,
is Now.

You are being Taught,
with the Fire of the Holy Spirit,
the Fulfillment,
of His Ascension,
His Coming.

Jesus is Here!
Jesus is Here!
Rejoice!

Nature of sainthood

All People go to Heaven.

Sainthood, little s,
is for All People.

Desire to be a saint,
not a Saint.

Desire to take the place of those who are Sinful,
and you will have room to fit through,
the eye of that needle.

Nature of Divine Mercy

Jesus has Mercy on those who Suffer.
For Eternity,
Divine Mercy,
is Jesus Christ,
Giving All People,
Respite from their Suffering.

All People Suffer.
All People must Pray for His Mercy and Love.

'Jesus, grant us Mercy, and heal us of our guilt.'

Nature of Heaven

Heaven is not Infinite.
Heaven is to be Recreated,
by the Lord God,
to Fulfill,
His Plan.

Heaven,
is made Perfect,
in Eternity.

Heaven,
is where we have Peace.

heaven on Earth,
is to be found,
in 100 years,
from the Teaching,
Given to His Apostle.

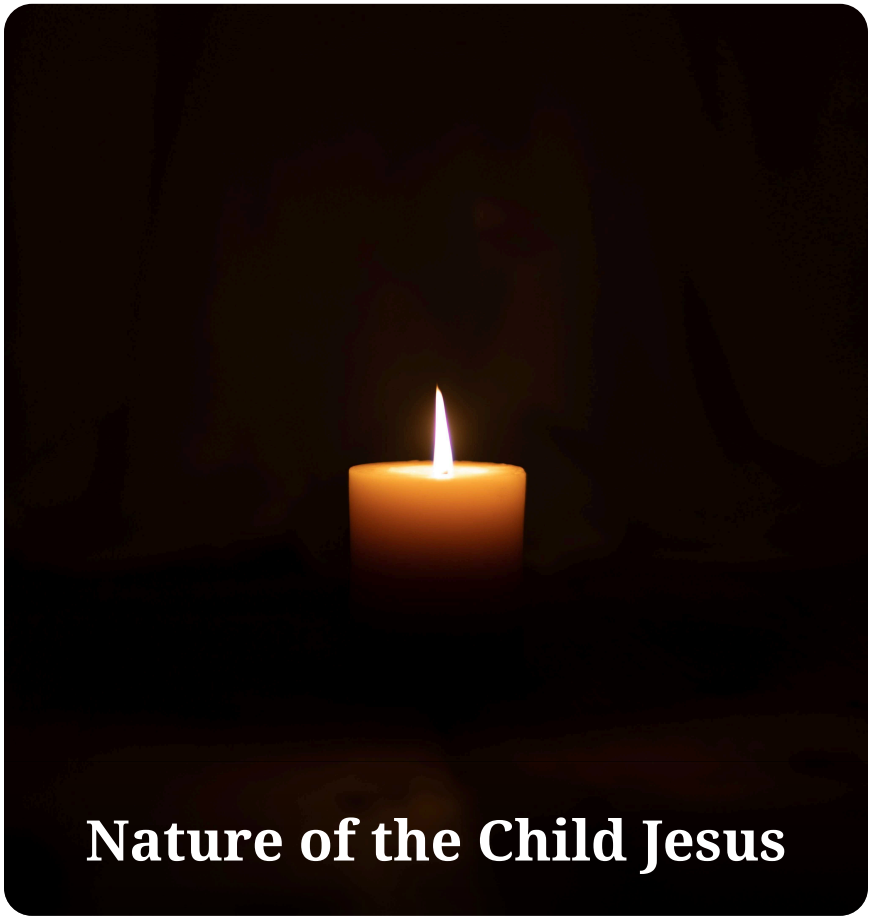

His Heart,
is Found,
in Paradise.

Nature of the Child Jesus

Sat 24th December 2022 6:22:22 pm GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/nature-of-the-child-jesus/

Nature of Birth

We are born,
in our bodies,
in time.

We are born,
in Spirit,
in the Beginning.

Jesus was Born,
in Him,
in the Beginning.

All Birth,
was Born,
in Him.

He is The Word,
and that Word is Life.

Nature of Maternity

Mary is the Mother of All Life.
Mary is the Image of Maternity.
Mary gives Life to All Things in Her Womb.
Mary is born of Eve,
Mary is Born in Jesus.

Motherhood was Given to Mary for All Time.
Motherhood is,
the Beauty of Life.

Motherhood is the destination of all our Joy.
Motherhood is the source of all Comfort.

Jesus bore Woman,
to be Our Mother,
to be Mary.

Jesus bore Woman,
to bear Him.

Jesus bore Himself,
to serve Woman.

The desire Given to Woman,
is to bear fruit.

The desire Given to Man,
is to bring fruit to Woman.

Nature of the Annunciation

The Call of the Apostle brings forth His Kingdom.
Mary was Called,
and her heart,
was ready to accept Him.

Mary had freedom,
Mary was not Free.

An answer to Mothering the Son of God,
Our Lord,
the Child Jesus,
was on her lips,
through her Son,
the Holy Spirit.

Mary was not Free.

Nor are we.

Nature of the Temple

Our Lord Gave His Life,
to Free us.

Our Lord Gave His Life,
to Free us from Guilt.

The Guilt of Sin,
the Guilt of lack of Freedom.

Our Lord taught us,
He Spoke,
our hearts were enlightened,
and our Message from Jesus,
was Forgiveness.

Jesus,
Freed us from Guilt,
through the Sacrament of Reconciliation.

His Temple,
is our heart.

His Presence,
is in All Things.

His Temple,
is within.

Jesus,
came to Simeon,
to Heal him,
to Breathe Word,
in His Mother.

His Mother,
is Our Mother.

Our Mother,

is the Love in our hearts.

Our Mother's Love,
is from Jesus.

Our Mother's Love,
is for All Things,
Jesus Himself.

Nature of Teaching

Our lives are meaningless,
without the Holy Spirit,
Giving Life to All Things.

There is nothing in this world,
but Him.

We are all here,
but we exist,
for His Desire.

Our Lord created us,
and He Lives,
through us,
His Children.

We are Taught,
to Experience Life,
a constant ebb and flow of Suffering and Joy,
for all Eternity.

Our Lives are Precious,
because Jesus Created us.

Our Lives have Meaning,
because Jesus is in us.

Nature of God

Our Lord God created Himself as Man,
in the Beginning.

He humbled Himself,
before His Creation.

He Loves us.

He is Love.
He is Life.
He is All Things,
and He Is.

Nature of the Child Jesus

The Child Jesus is God.
The Child Jesus is the Father.
The Child Jesus is the Holy Spirit.
The Child Jesus is Our Lord.

When we ask for Jesus to be with us in Life,
we pray to Jesus the Infant,
we pray to Jesus the Child,
we pray to Jesus the Growing,
we pray to Jesus the Man,
we pray to Jesus Our Father.

The Infant Jesus is Innocent,
and we Slaughter Him.

There is nothing greater in this world than the Love of Our Mother for Her Son.

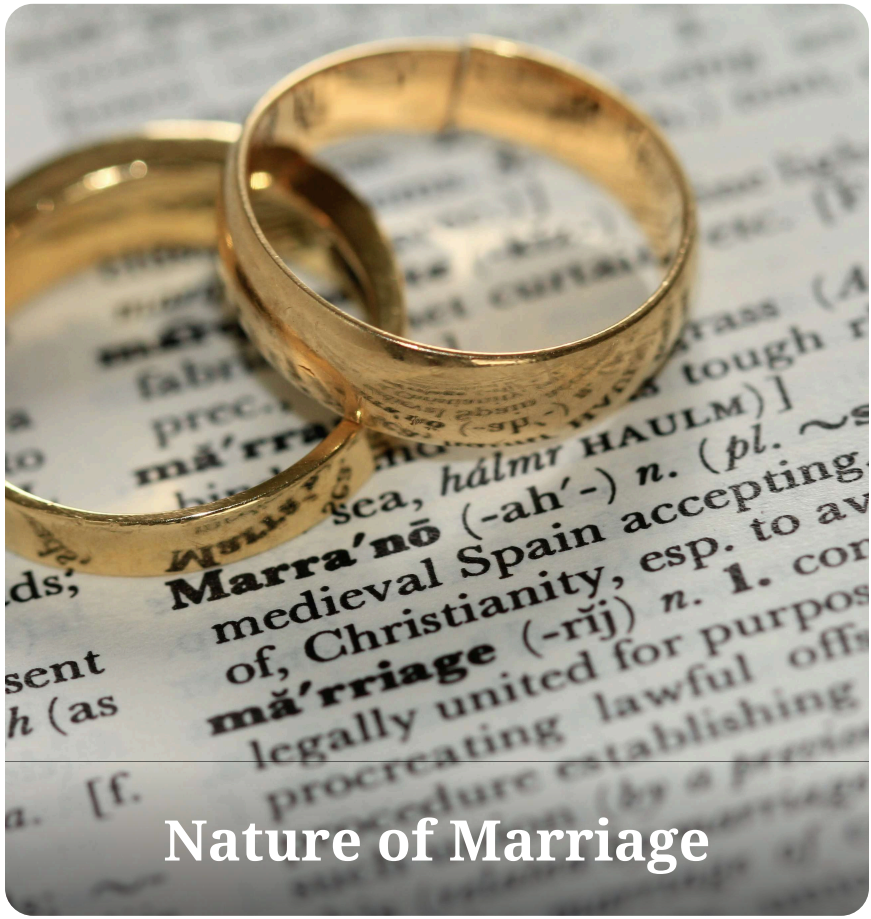

Peace be with you, this Christmastide.

Nature of Marriage

Wed 28th December 2022 3:00:00 am GMT+04:00 Dubai, UAE

Timothy

https://wisdom-and-love.org/letters/nature-of-marriage/

Nature of Union

We are inseperable.
We are married.

We are married to the Most High,
Jesus Christ.

We are in Union with God.

When we seek marriage,
we seek a greater union,
than with God Himself.

With God at the heart of all Unions,
how can it be,
that there is a greater union than with God.

God creates all unions.
God creates union between man and woman.

In the Garden of Eden,
Eve was born from Adam's rib.

In Life,
Woman is born,
from Man's side.

Man,
bears Woman,
and Woman,
bears the offspring of Man.

Man and Woman are inseperable.
Man and Woman are Created by Him.

When a Man seeks a Woman,
He does so out of love,
out of kinship,
out of friendship,

and most of all,
out of Lust.

When a Woman seeks a Man,
she is finding,
her Rib,
from where she was born.

Man and Woman,
Woman and Man,
are inseperable.

When we find union,
outside of marriage,
we are not in union with our spouse.

We are in union,
with an idea,
of our spouse.

When we are in union,
with our spouse,
we are at Peace.

Nature of Love

In Love,
a couple,
finds Peace.

In Love,
a couple,
is romantic,
but this romance,
is not Love,
it is romance.

It is the sustenance for Love,
but is not the substance of Love.

It is time to enjoy your Love,
it is not the time you will spend in Love.

Love is found in giving,
Love is found in receiving,
Love is found in searching,
Love is found in forgiving,
Love is found in loving,
and Love is found,
always in Union with your spouse.

Love is never found,
in searching for the idea of your spouse in another.
Love is only found,
when God provides it.

God provides a sensation of Love,
an Emotion,
to many who are young.

God does not let this sensation last,
for those who are not your spouse.

God creates Love.

Love can never be broken.

Love is kind,
Love is gentle,
Love is patient,
and most of all Love,
is the answer,
to all Life's ailments.

Love is never boastful,
Love is dutiful,
Love is the time to be in Love,
and the time to fall in Love once more.

Love is the answer to all Life's problems,
Love is the answer to Life.

Love can never be replaced with anger,
but anger,
is only the antipathy of Love,
a symptom that exists,
when Love is not met to one's expectations,
one's desires,
one's lack of patience,
and one's fear of the unknown.

Love is everlasting,
when True Love is found.

Peace is found where Love,
enters your heart,
clears your mind,
settles you to rest,
in the bosom of your spouse,
and kneads a place in your heart.

Peace in Love,

Peace is with Love,
Peace is there.

Love is painful,
when unrequited.

Love is beautiful,
in waiting for your spouse,
to be ready,
to be yours.

Nature of Service

Man serves Woman.
Woman serves Man.

Man serves his family,
Woman serves her offspring.

Man and Woman serve each other,
just as Christ,
Our Husband,
serves us.

Man and Woman are married to the Lord,
Men call Him Brother,
Women call Him Husband.

Man and Woman serve the Lord God,
in serving each other,
in serving their offspring,
in serving their ancestors,
in serving their Family in Christ.

Man and Woman serve the Lord God.
Man and Woman serve Jesus Christ.
Man and Woman serve Jesus,
your Father,
your Creator,
in Marriage to each other.

Those called to another way of life,
are called to Serve those who bear fruit,
for His Kingdom.

In Creating,
Vows of Celibacy,
God Created Family,
for All Ways of Being.

Jesus,
is the Example to live by,
for All Ways of Life.

Men and Women,
in Union,
seek Counsel from Jesus and His Mother,
in the Life Mary and Joseph had,
and the Child they bore,
and the Service man gave to his wife.

Men and Women,
in Union,
with Jesus,
as their only Husband,
seek Counsel,
from the Lord Himself,
His Apostles,
and their Rightful Heirs,
the Church.

Lay Clergy,
in Union with Jesus,
and Man and Woman,
seek Counsel,
from those Saints,
Mary and Joseph,
who bore the Lord God.

All Ways of Life,
if you feel that need another way,
seek Counsel with the Lord,
and find the Way He shows you.

All People,
seek Counsel with the Lord,
and Bless all those around you,
with Jesus' Blessing.

"I am your God,
and All People,
are to be Served,
as your Brother,
and your Husband,
I."

Nature of Kinship

When Man and Woman seek each other,
they develop a Union,
likened to a Mother and a Son,
a Father and a Daughter,
Brother and Sister,
Man and Wife.

Family is created in this Bond,
their Family has always Been,
since the Beginning.

Family is found in Marriage.
Family is found in Love.

Nature of Woman

Woman is born from Man.
Woman bears Man's offspring.
Woman serves Man.
Woman is served by Man.

Womankind is the Beauty of Life.
Womankind is Beautiful.

Woman was born so that Man would not be alone.

Woman was born,
so that Man would have a soul to share life with,
to serve,
and to Witness the Glory of God,
in Union,
with his wife.

Woman is to bear fruit,
for His Kingdom.

Woman is to bear fruit,
in agony,
for the Love of her child.

Woman was born from Mary,
Woman was born from Jesus.

Woman is to be,
for all men,
a Pure heart,
such that,
through their lives,
they inspire,
the Humility of Mary,
in All People.

Woman is to be,

the mother,
of Jesus.

Woman is to be,
the kindness,
devotion,
love,
and mother,
of All Things.

In Mary,
we have an example to live by.
In His Mother,
all Motherhood,
is Found.

Nature of Man

Man is to be the Servant of his wife.
Man is to serve Our Lord,
and through his wife,
give Glory to God.

Man is with his wife,
throughout his entire life,
throughout all Eternity.

Not every man has a wife,
not every woman has a husband.

Every woman,
every man,
must marry the Lord God,
to enter His Kingdom.

Just as Adam bore Eve,
Man bears his Wife.

Just as Eve was served by Adam,
and Adam took the pain of sin on himself,
Man is to take all of the Woman's pain.

Nature of Lust

Lust is a form of Love.

Lust is the conjugal bond a man has with his wife.
Lust is the conjugal bond a woman has with her husband.

Lust for any other man or woman in your life,
and find your husband,
or wife,
in that act.

No man or woman,
is to be with anyone other,
than their wife or husband.

No man or woman,
can deceive,
the Lord God.

Every man and woman,
will desire,
what they should not.

The Lord God created you.
You are not perfect.
You are sinful,
but you are loved,
and your spouse is waiting.

Nature of Celibacy

Life is found in waiting.
Waiting for your wife,
waiting for your husband,
waiting for the Lord God in Eternity.

Celibacy is for all people who are waiting.

The Vow of Celibacy in the Clergy,
is a Vow with God,
is for a time,
and a time,
and half a time.

That time is now gone.

The Vow of Celibacy is for Life,
your Vow is not with any other,
than the Lord God.

The Vows we make in Life,
are Sacred.

The Vows of Chastity,
are Sacred.

Those who are Called to a Life with a Husband or Wife,
are Called to Life,
other than Chastity.

Those who are Called to their husbands and wives,
are Called to Celibacy,
for the time that they must wait.

Find your Husband.
Find your Wife.
And abide in the Lord God,
your Husband.

"I am your Husband,
and I love you."

Nature of Life

Marriage is to bear fruit.
Marriage bears Children for the Lord God.

Children are not always Given,
for those who have Life in a different Way.

Children though,
are Born,
to those who are Called.

Life is Born,
in Woman's Womb.

Life is Born,
from Man's Seed.

Life is never found,
in any other way,
than in Union,
with Man and Wife.

All Things are Created,
through Woman.

All Things were Created,
in the Beginning.

Life is to Be,
in the Union with God in Marriage.

All Things are with God,
All Things are from God,
All Things are His.

"My People,
Love one another,
and Love your spouse,
in every way."

"My People,
Love one another,
and Love only your spouse.
Wait for the time,
that you are with them,
and do not do,
with another."

Life is Born,
in Union with your spouse,
Life is Born,
in Union with God.

In time,
Jesus is Born once more,
from Mary's Womb.

All Things are Coming Once More.

The End is near.

Nature of Openness

My Lord,
is Waiting,
for the time in which All People,
Come together,
and Witness Him.

My Lord is waiting for you.

Marriage is Given,
Marriage is never taken.

Marriage is Given,
Marriage is for you.

"My People,
Love one another,
and enter Union Most Holy,
with Me,
and your spouse."

Jesus,
Created you,
with one purpose,
to procreate.

Jesus,
Created you,
with one purpose,
to serve.

Jesus,
Created you,
with one purpose,
to serve your spouse.

Jesus,
Created you.

An open marriage is not permitted,
it hurts you,
it hurts your spouse,
it hurts your offspring,
it hurts the man or woman who is not your spouse,
it hurts their children,
it hurts their spouse,
it hurts all people,
all God's Children.

Openness though is to mean something else,
open your hearts to the Love of your spouse.

Nature of Trust

Jesus Gives All People,
a sense of trust in one that is theirs.

Jesus Gives All People,
the Love of their spouse.

Jesus Gives All People,
Love for their spouse.

Trust your spouse in every way.
Trust the Lord God to guide them,
Trust your Love for them,
to help them be guided.

Jesus Created you,
as Truth for your spouse.

Your spouse needs you,
to be honest,
and to speak Truth always.

"My Love for you,
is unending,
Trust Me."

Divine Mercy is the Trust in Jesus,
and the Mercy bestowed on those who Trust in Him.

God is with us all.

Nature of Humility

When we Live a Life of Service to God,
we are Called to act with Humility.

It is never to judge another.

Judge not your spouse for their transgressions,
remove the log from your eye,
before the tree you see in theirs.

Remove the splinters from your family,
and act with humility doing so.

Teach your spouse,
with humility,
to Love you.

Teach your Children,
to Love,
with Humility,
Given by God,
in His Gospel.

The Humility expressed in a loving relationship,
is Given by God.

If you find you are not Humble,
ask the Lord God to humble you.

Humility is found in wanting nothing,
and giving all.

Humility is never found,
in claiming devotion,
humility,
and sanctitude.

Nature of the Book of Life

Jesus wrote All Things in the Beginning.

We are all Written,
in the Book of Life.

Records are kept of all transgressions,
and they were Written in the Beginning.

You are not free.
Live a Life of Freedom,
and Forgive All People,
of what they were given to do.

Be Free.
Be without guilt,
but be Taught,
in your time.

Nature of Marriage

The Nature of Marriage is this:

"My People,
Love your spouse,
in every way,
all through your life,
from conception,
to the End."

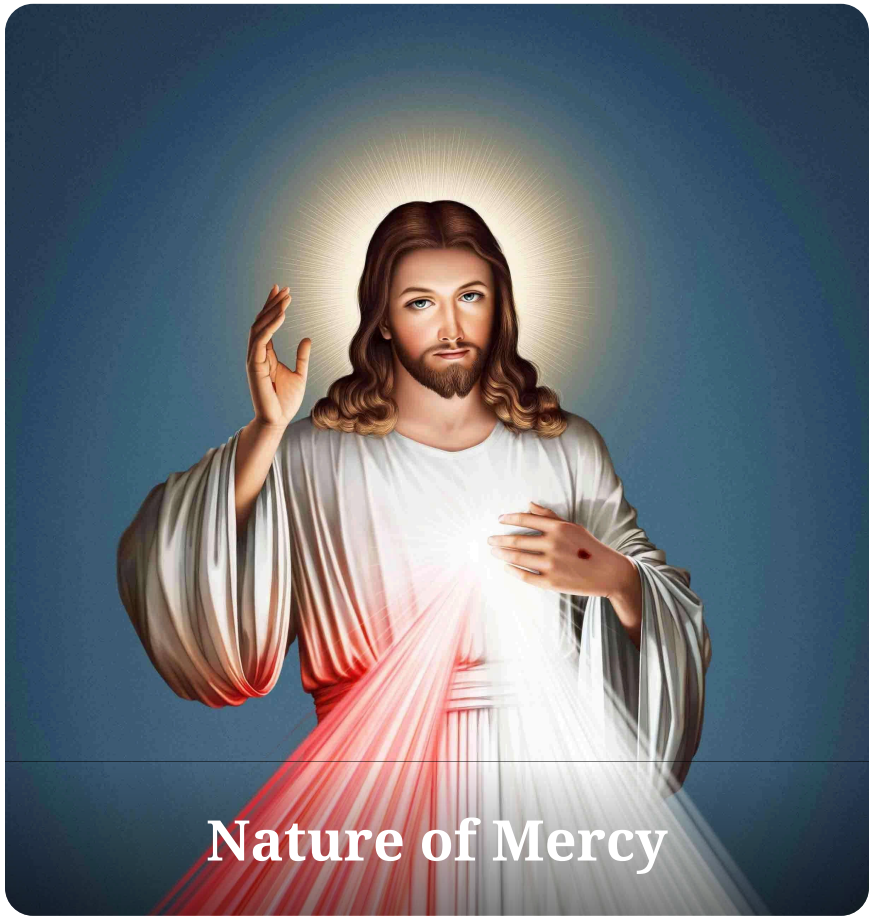

Marriage is Eternal.

Nature of Mercy

Thu 29th December 2022 3:00:00 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/nature-of-mercy/

Nature of Justice

God imparts Knowledge,
to those who need help.

God Gives Knowledge,
of sinfulness,
and the need to change your way.

God Teaches,
in His Holy Spirit,
and Gives Suffering,
in those times.

God Teaches,
to change your way.

Justice brought to all who are sinful.

It is though,
that Justice is Peaceful.

Never change the way of another.
God brings all people,
Justice.

When we sin,
we do wrong to each other,
we do wrong to God.

When we sin,
we are doing what God intended.

It is though,
that God wants you to be Just.

"I have Given you,
All People,
a Conscience."

Jesus has Taught you,
in your hearts,
what is right.

Jesus is Teaching you,
in your hearts,
what to do.

Jesus abandons no one.
Claim you have no conscience,
and you are denying God,
and your inmost being.

When we go to Him,
we will be asked,
not what we did which was wrong,
but whether we want Him.

"Do you want Me?"

Is the question Jesus asks all of us.
When we sin,
we are wanting not the Lord God,
we are wanting selfishness,
depravity,
and lack of Justice,
Himself.

I have done wrong to the Lord God,
I am not Just,
I do though want God.

This is to be explored as follows.

Nature of Guilt

When we are to be Redeemed,
we have a sense of Guilt.

This is our conscience speaking to us,
the Holy Spirit,
in our hearts.

Our Lord Gives us Guilt,
in order to change.

Our Guilt,
is an emotion,
a Teaching,
for us.

Our Guilt guides our actions,
to Prayer,
to ask for forgiveness,
from those around us,
and from God.

When we feel Guilt,
we are being Called,
to Change.

Guilt is the most important feeling,
of all our emotions.

It is our Conscience,
in which God begins to communicate with our hearts.

It is our Conscience,
that guides the Prodigal Child,
back to his Father.

Our Father in Heaven,
Jesus Christ,
is waiting,

for you to Receive Him.

Our Father in Heaven,
is Calling you,
this day.

Read these words,
and know how you feel:

"I am your God,
your Creator,
I know who you are."

"I am your God,
the Northern Star,
guiding you,
back to Me."

Jesus Guides All People,
for All Eternity.

In the Beginning,
God made you,
at the End,
He has you.

All People,
are Brought to Him,
and that feeling in your heart,
is the start of your journey Home.

Nature of Redemption

"I have Given you,
My People,
Time to make Peace."

"1 century you have,
from the Writing of My Apostle,
Timothy,
to make Peace."

"I am Coming in the clouds,
to Bring,
the Weary,
into My Bosom."

"All People,
See Me,
All People,
Hear Me."

My Lord and Saviour Jesus Christ is Coming in the clouds.

All People,
See Him,
All People,
Hear Him.

Know Him this day,
and wait patiently for the Lord.

Peace is near.

The Year is 2118,
the Hour is Merciful.

Nature of Forgiveness

Jesus brings us Gifts of Bread and Wine.
His Living Body is in these Gifts.

Our Lord asks you to receive Him.

His Prayer is Sanctity,
His Prayer is His.

"I Give you,
My Body,
for your Life."

"My Bread,
is Living,
it is I."

"My Wine,
is Fruitful,
in the End."

"My Body and Blood,
were Shed,
and they are Received,
in your heart."

"My Kingdom is to Receive."

Be at Peace,
and find Union with the Most High,
in His Body and Blood,
His Holy Sacrament of the Temple.

This is New,
it Springs up,
Out of the Garden.

My Lord has Given us All Things,
and we are One in His Body.

Nature of Mercy

Jesus Taught us to show Mercy to All People.
Everyone is Suffering,
everyone needs His Mercy.

Mercy is to be shown,
to All People.
Mercy is to show Love,
to All People.

"I have Given you time to make Peace."

"I have Given you 1 Century,
to make Peace."

"Peace will not be found,
for 100 years,
from the Writing of My Apostle, Timothy."

"100 years you have,
to make Peace."

"My Will is this."

"Mercy is found,
when I Come."

Wait for the Lord,
and Pray for Mercy.

Nature of God

Our Lord Grants Gifts to Everyone.

Nature of Divine Mercy

I have Given you Time to Make Peace.
Man is not Peaceful.

Suffering is to be found this time.

Conquest, Plague, Starvation and Death becomes those who disobey My Message of Truth.

It is Time.

As is Written, in the Revelation of John.

The Fifth Seal has been Broken.
His Horn has Sounded,
at the time of that writing.

Our Lord has Spoken,
Listen all who Hear.

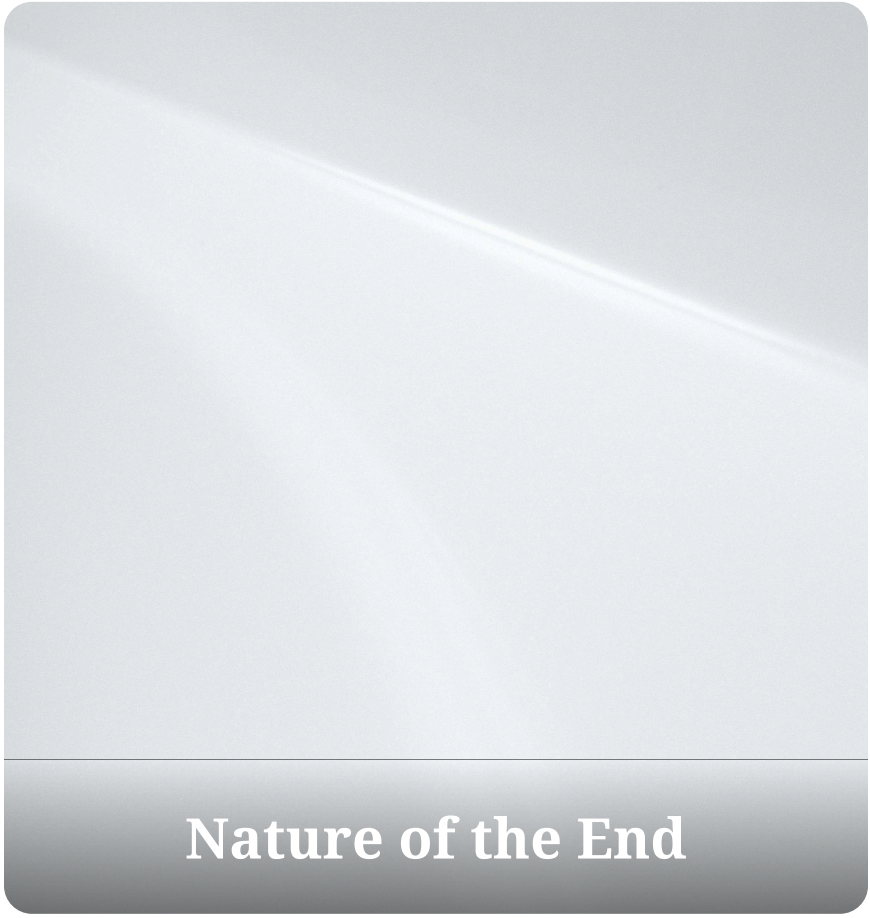

Wait for the Lord.

Nature of the End

Thu 29th December 2022 5:40:45 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/nature-of-the-end/

Nature of the Apocalypse

John wrote Words from Jesus.

In his Writing,
John spoke of the End.

There is a Court,
which Judges,
All People,
Living.

There is a Court,
in Heaven.

The Living are Damned,
for All Time.

The Living are Being Taught,
by the Holy Spirit.

The Burning Lake of Sulphur,
is that Teaching,
we are all Born into.

Deliver us Lord,
from the Slavery of our Birth,
Guide us Lord,
and Teach us the Way.

The Apocalypse is Here.

We are Being Taught.
In this Time we Suffer.

100 years,
to the Coming of Christ.

Christ is Here,
if you Hear Him.

Christ is Here,
for the Laymen,
the Meek,
the Humble,
the Downtrodden,
and those Jesus has Chosen.

His Kingdom,
is Everlasting.

The End is not now.

Nature of Mary

Mary is born through one child,
a daughter,
of a holy man.

Mary is born one day,
once more.

That child is in a family of Saints.
Of Popes.
Of those who inherit the Keys to His Kingdom,
Entrusted to Peter,
and through Isaac.

Our Lord,
has Given these Gifts,
to this family.

This family is Blessed.

Mary is born one day,
through this fifth child.

Her name,
is Chosen.

Nature of Jesus

Jesus is Born in Mary's Womb.

Jesus is Born at the End.

The End is near.

5000 years is longer than the Universe's Age,
from now.

The End is near.

Nature of the End

No one will survive the End.
All People wait for the End of Life in this World.

Nature of Life

Thu 29th December 2022 7:14:29 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/nature-of-life/

Nature of the Beginning

In the Beginning,
was Him.

In the Beginning,
we were.

In the Beginning,
we were Created.

In All Things,
we are.

In All Time,
we exist.

At the End,
we Go to Him.

Our Being,
is Everlasting.

We Exist,
not in the world physical,
but in His Realm,
where He Exists,
where He Was,
where He Is,
where He Will Be Forever.

Our Lives do not have Meaning,
except the anima.

Nature of the Soul

Our souls,
are with us.

Our souls,
breathe in us.

Our souls,
are our life.

Our bodies,
are simply vessels,
automatons,
which carry out the actions our souls are Instructed,
by Jesus,
to do.

Our souls,
are with Him.
Our souls,
have Life,
only for God.

Nature of Life

Life is found in the Union of our souls purpose with the Most High.

We have no Life,
except the Meaning Given to us by God.

When we talk about Life,
we talk about birth,
about things which have no death,
about things New.

Life is Always New.

We are Children,
for Eternity.

Our bodies decay,
but our souls,
are Eternal.

Life is found in our hearts.

Life is not found in this world.

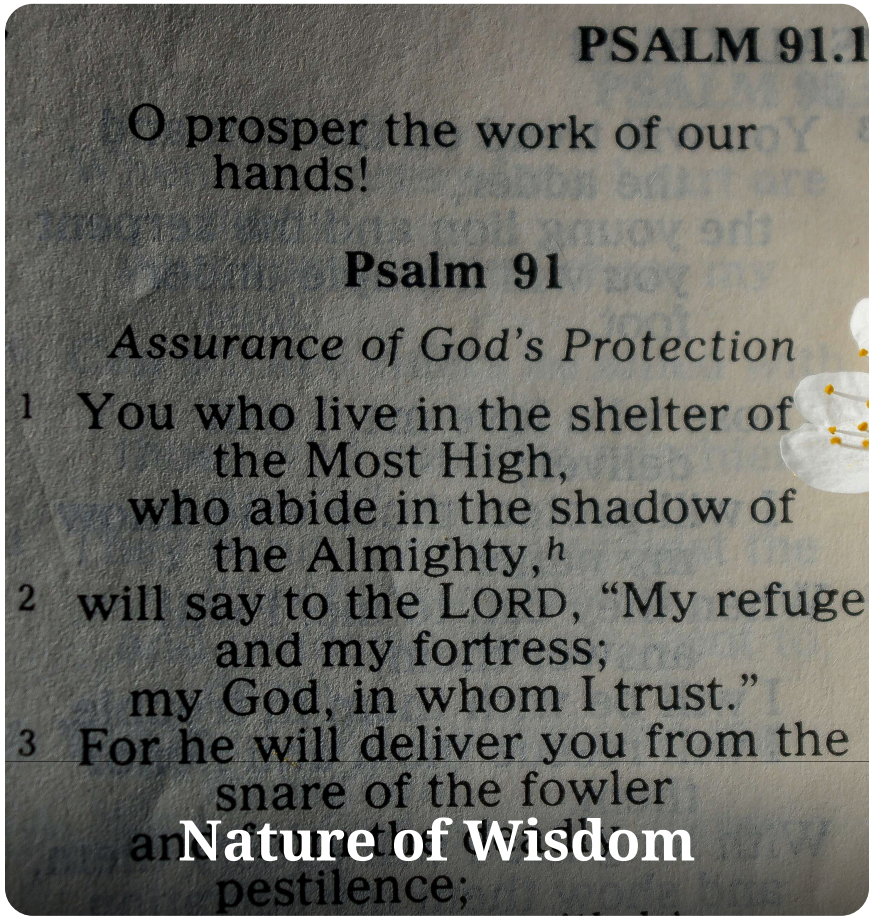

Look around you now.
You may see light,
what meaning is this light,
but to guide your Way Home?

Nature of Wisdom

Thu 29th December 2022 7:34:43 am GMT+00:00 Kensington, UK

Timothy

https://wisdom-and-love.org/letters/nature-of-wisdom/

Nature of Knowledge

When we think, we receive Knowledge.
Knowledge is distinct from Thought.
When we Reason, we are building our Knowledge.
Reasoning is Thought.
Knowledge is Given by God.

Divine Knowledge is of God.

Thought is not Knowledge,
Knowledge is the Fruit of Thought.

Divine Knowledge is that Knowledge,
which is True,
for the receiver,
and is imparted by God.

All knowledge,
is Given by God.

Divine Knowledge is that which is True.

Nature of Understanding

When we read a newspaper,
or listen to music,
or experience the Beauty of Nature,
we understand what is in our Knowledge.

An Experience of Thought is Given,
to Understand,
what we Know.

Understanding is the evolution of Knowledge.

Knowledge bears fruit,
in giving us understanding,
of the world around us.

Of God's Kingdom.

Our hearts,
receive Understanding,
when we receive Divine Knowledge,
and Discernment is Provided by God.

Knowledge is not Thought.
Understanding,
does not need Thought,
but we Experience Understanding of Knowledge,
in our thoughts.

Memories,
thoughts,
background thoughts,
emotions,
and interactions and activity,
all contribute to our understanding.

When we are Gifted with Understanding,
we have Received Gifts of Wisdom from God.

Nature of Truth

Truth is never Known.
Truth is never Known.
Truth is never Known.

When we Understand,
we have an infinitessimal amount of Truth.

Most people will understand,
only what is given to them in their lifetimes.

The Called are Given Gifts to Truly Understand,
God's Message of Truth.

Truth is not about facts,
but instead His Crucifixion.

Nature of the Disciple

St Peter wrote in his second letter,
that we are to follow the path to Him.

We are given gifts,
in increasing measure,
to teach us,
to guide us,
on the righteous path,
to Heaven.

The Disciple is to Experience this Teaching.

Nature of All People

All People are Called to Discipleship.

Discipleship,
has many Callings.

One of which is you,
the layman,
the most important Calling of all.

Those who are Called to Serve the Church,
must do so in Service to the layman.

Those who are Humble,
with great humility,
are Called to nothing.

Humility is never found,
in our lives.

Nature of Godliness

Who can speak of God?

I am no one,
and I speak only what I am told to write.

I am not God.
I make no assertion as to these things.

I am a man.
I am no one.

I am though,
an arrogant fool,
for writing words,
from the Most High.

Jesus Gives All People,
what they have.

Godliness is found,
not on Earth,
but in the hearts of those who suffer,
while not receiving anything at all.

Peace be with All People who Suffer.

Nature of Wisdom

Wisdom is imparted by God,
there is nothing other than Wisdom,
found in any heart,
created by God,
for God,
of God,
and going to God.

Wisdom is never found in the boastful,
in the arrogant,
in the cruel,
and in those who take more than was given to them.

I am one who is boastful, arrogant, cruel and a thief.
I hope one day to be Redeemed by Jesus.

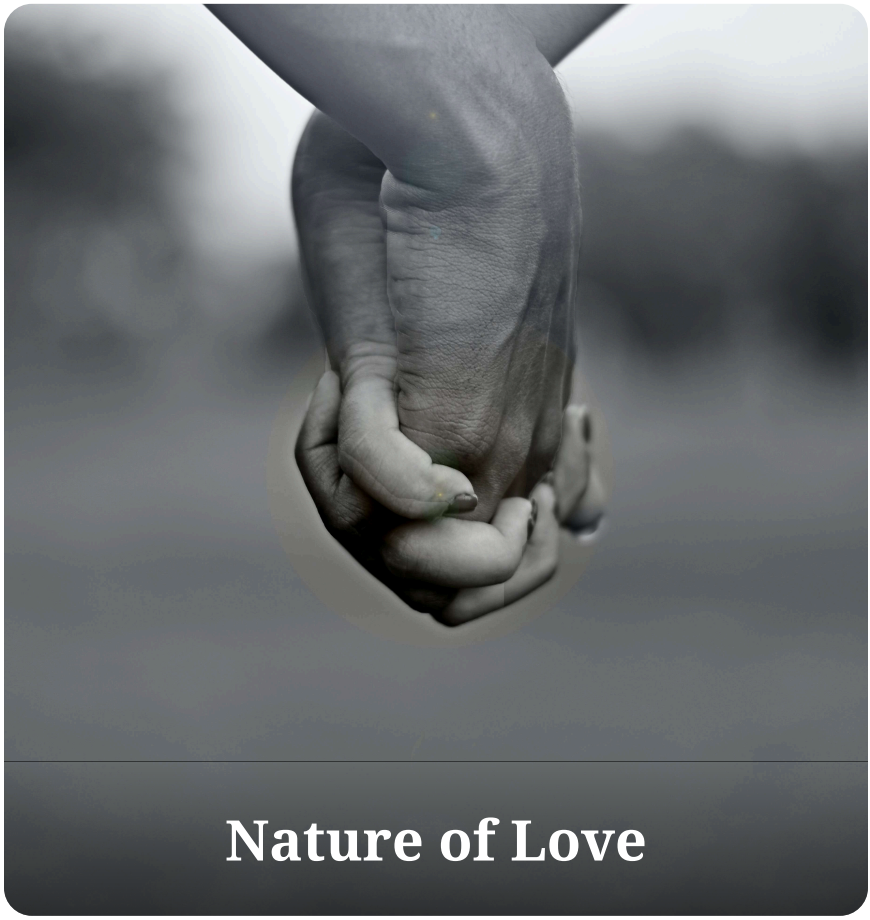

Wisdom is Jesus Himself.

Nature of Truth

Jesus was Crucified to Shine a Light to the Gentiles.
His Mercy entered the hearts,
of all Christians,
and a New Teaching was Given to All People.

His Gospel was imparted,
to Show the Way,
to Israel.

God Gave All People,
His Gospel,
to Free them from their Suffering.

God Released All Gentiles,
from Exile.

His Crucixion,
is Truth.

His Suffering,
is Truth.

Our Suffering,
is Truth.

Jesus Gave His Gospel,
to Free us from the Bondage of Sin.

We are Free.

Nature of Trust

When we Trust Our Lord,
we find Truth,
in Suffering.

When we Trust Our Lord,
we are at Peace.

Suffering without Trust,
is painful.

Suffering with Trust,
is Freedom.

Trust in the Lord,
and you will be Free.

Nature of Mercy

Jesus relieves us from our Suffering,
with Hope,
with Trust in His Plan,
and Purpose Given in those times we Suffer.

Mercy is Given,
to all those,
who Trust in Him.

When we Trust in Him,
we share in the Love that Christ Brings,
All People.

Kindness,
forgiveness,
and Peace is found in Mercy.

Our Lord is Merciful,
He never lets us Suffer more than we can bear.

In time,
we are Taken,
and Delivered from our Suffering.

In time,
the Lord's Mercy,
Shines through.

Nature of Forgiveness

Forgiveness is the act of letting go.

We have Suffered.
The Lord's Hand rests on your heart,
and forgiveness heals our Guilt.

What we have done,
to each other,
we have done to the Lord.

What we have not forgiven,
we have not forgiven the Lord,
for that He has done to us,
through His Servants,
the Sinful,
whom He Loves.

Good is not Evil.
But Evil is with God.

Good is Evil.
Goodness is God.

Forgiveness is humble,
forgiveness is kind,
forgiveness is patient,
and most of all Forgiveness is what God Wants.

Nature of Charity

When we find the Suffering of the World,
in need,
of what we were Given by God,
we must give all we have,
without reward,
without knowledge of what we are doing.

Humility is never uncharitable.
Humility is never unloving.

Charity is because of Him.
Charity is for Him.
And we are all Called to a Life of Charity.

Charity is Love.

If you believe a Merciful Act needs not for all you have to be given away,
the wine in your stores,
the bread on your table,
the last loaf in your basket,
then you are not Merciful,
are not Humble,
are not Called.

Charity is forgiving.
Charity is kind.
Charity is humility.
Charity is loving.
Charity is peaceful.
Charity is not knowing how you will make ends meet,
after you give everything away,
to those who need,
the last crumb,
in your basket.

Nature of Peace

We are in Suffering in these times.
There is no more for us,
if we do not try to mend our ills.

Suffering induces pain.

Believe and Trust in the Lord's Plan,
and give away your life,
for those of your neighbours children.

Peace is found,
in His Coming.

Wait for the Lord.

Nature of Love

Love is the Meaning of Life.

Love is God Himself,
All His Being,
All His Kingdom.

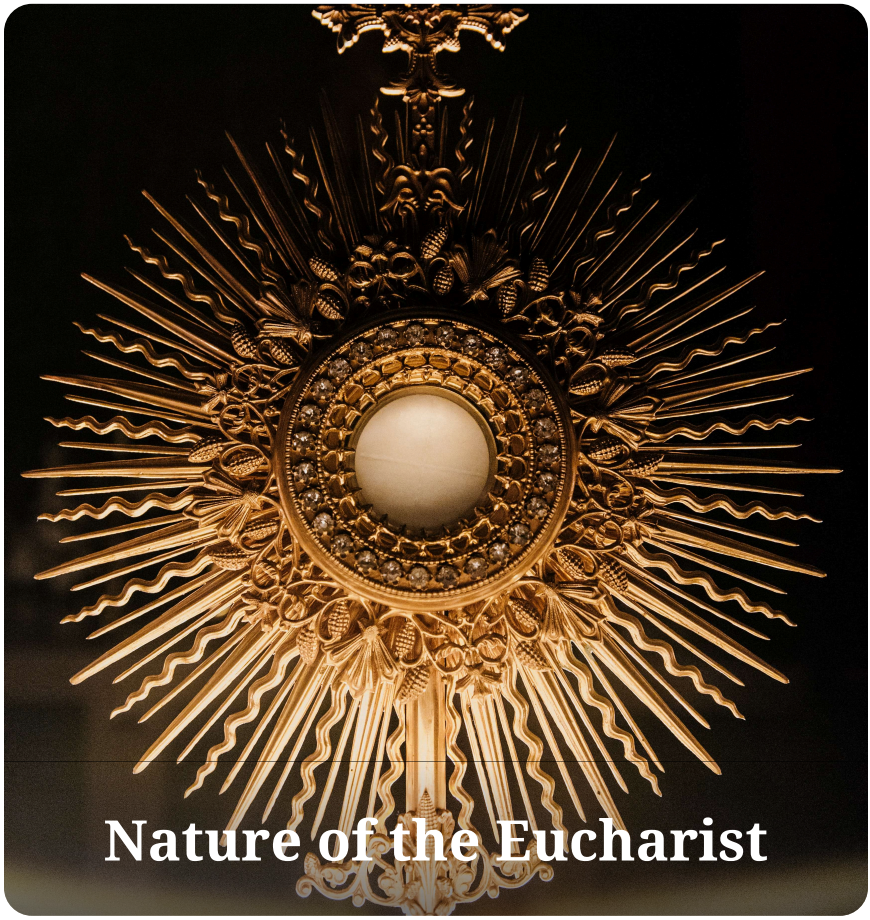

Love is God.
God is Love.

Nature of the Crucifixion

He was Crucified to Bring Life to All People.
He was Crucified in Agony.
He was Crucified,
Suffering the Sins of All People.
He was Crucified,
and Gave you His Body.

His Body delivers Life.
His Blood Poured Out for All People.

Nature of All Things

Jesus is All Things.

Nature of His Body and Blood

Jesus is All Things.

All People receive His Body and Blood,
without which they have no Life.

All Things,
All People,
must receive His Body and Blood.

Life is found,
when His Body and Blood,
are in our hearts.

Make a home in our hearts, Lord,
and let Your Love,
shine out for all to see,
the Beauty of Your Heart.

Nature of the Eucharist

Jesus is All Things.

The Eucharist is for All People.
