

Timothy is an Apostle of Jesus Christ, our Saviour.

He has journeyed through the world spreading Peace, Hope and Love given to him to share with others on the roads he's been on.

He invites you to join him, in praying to God, in your thoughts, where He talks to you.

In this, the first volume of Timothy's Diary, he writes Words from Jesus Christ on his journey through Suffering and Faith to the Lord God.

Timothy is finding Truth in All Things, and Wisdom in every mouth.

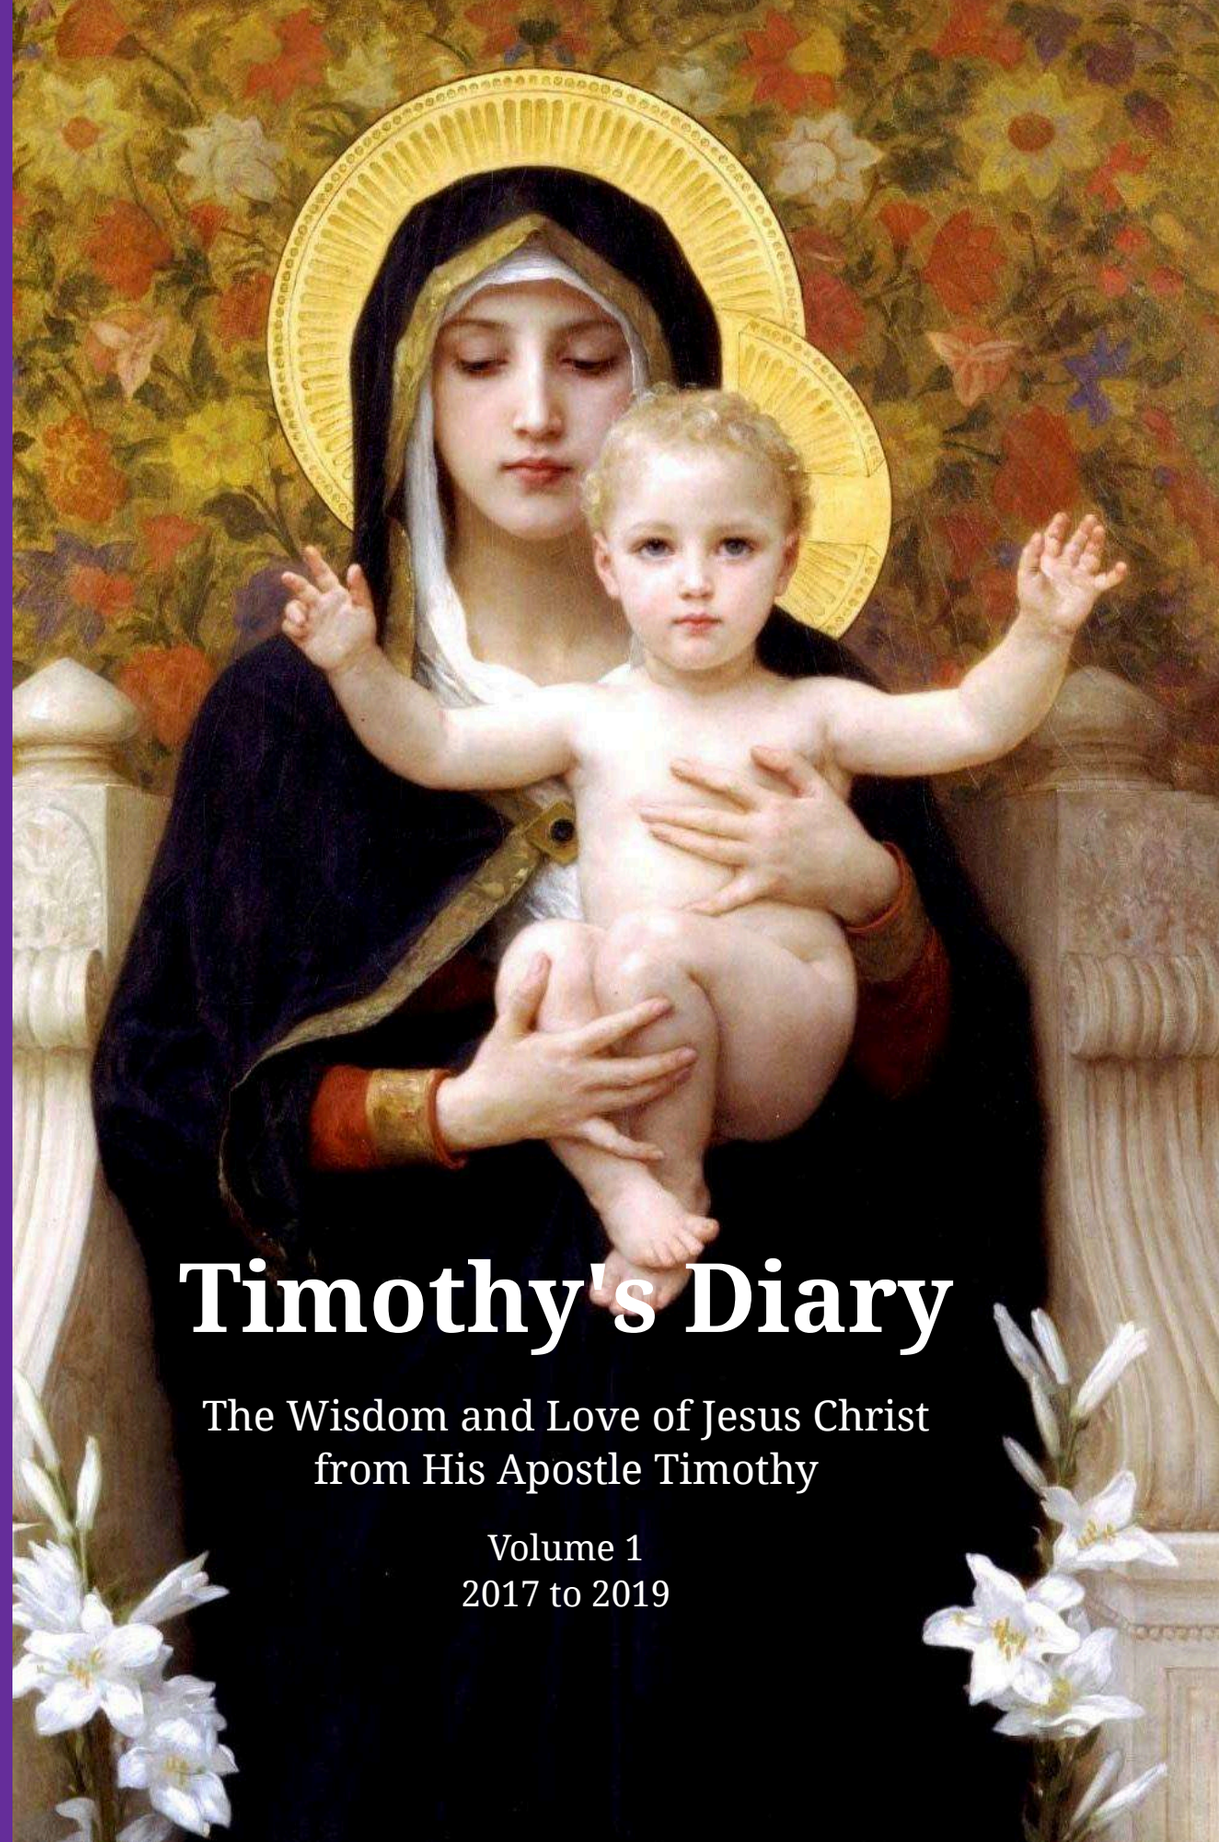

Jesus shows Timothy the Way of Suffering and Peace in those times.

Prayer of the Sweet Heart of Jesus

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

He speaks to me.
He can speak to you too.

Just ask Him to.

If He speaks to you,
then that's something Special.
Not a mental illness.

Devotion to the Sweet Heart of Jesus

Our Lord said to me:

“Pray to my sweet heart for me to be near you and with you.”

Jesus showed me a vision of His Sweet Heart

Thu 16th August 2018 8:48:40 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/16/jesus-showed-me-a-vision-of-his-sweet-heart/

It was bright red in colour with a golden cross resting on top of it. On the cross was Jesus Himself. The heart had a belt of white roses with green leaves around its center and a pink rose resting between the heart and its belt with the flower pointing away from the top left of the heart and the stem of the rose pointing towards the bottom right of the heart. There were no thorns on the roses. Around the circumference of the heart was a garland of purple and pink roses, without leaves or thorns.

After praying the Devotion to the Sweet Heart of Jesus He showed me another vision of Him holding His Sweet Heart. He had a crown of red and white roses on His head and they had no thorns and a gold ring on His finger. He was wearing a gown which shone like gold and a brown rope belt around His waist. The Heart was shining brightly and light radiated out behind it. His left hand was holding His Heart underneath and His right hand was making the sign of peace.

The Lord said to me:

“The cross is my crucifix, and through my wedding feast to the church you have eternal life.”

He asked me to find someone to draw this vision.

Bring me to You, Lord

The Lord Our Saviour gave this prayer to me tonight:

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

The Living Heart of Jesus

https://wisdom-and-love.org/diary/2018/08/16/the-living-heart-of-jesus/

Then I saw Mary and she was smiling. She showed me a vision of the Living Heart of Jesus. It had a belt around it made of lace of all the colours imaginable. In the centre of the belt was a daisy.

There was a wooden cross resting on the Heart and a bright light shining behind it. In the centre of the cross was another daisy. Resting on the daisy was the infant Jesus with a gold ring hovering above him and a gold cross above that. Behind the infant Jesus was a light shining very brightly.

Above the wooden cross was another gold ring shining very brightly.

His crown of thorns had been broken to form a garland stretching around the upper half of the heart and pointing outwards from the left and right.

Then Our Lord asked me to write down His prayer for us to say for the Sweet Heart of Jesus.

On the crucifix of a rosary say:

Our Father…
Hail Mary…
Glory be…

Then on the Our Father beads say:

Our Father…
Hail Mary…
In the name of Our God, have mercy on our souls and grant us peace in our day.

On the Hail Mary beads say:

1. O Sweet Heart of Jesus, how graceful thou art.
2. O Immaculate Heart of Mary, how beautiful thou art.
3. O Divine Heart of Mercy, how sweet thou art.
4. O Mary of the Immaculate Conception, how beautiful thou art.
5. O Living Heart of Jesus, how bountiful thou art.
6. O Humble Heart of Mary, how beautiful thou art.
7. O Sacred Heart of Jesus, how peaceful thou art.
8. O Mary Queen of Heaven, how beautiful thou art.
9. O Heart of the Almighty Father, how great thou art.

10. O Sweet Heart of Jesus, show us your great mercy.

Our God has asked me to talk to my peers and show them the ways in which He is helping them. He has told me to travel to see my cousins to share with His children the Devotion to His Sweet Heart.

His Sweet Heart is my life.
He is Our God, and I trust in Him.
Bring us to You Lord,
show us Your way of Truth and Life.

He wants us to ask Him to be near us and to never leave our side. He wants us to ask Him to take us to Him and take us on the way to His Light.

What the Lord has given us today

Sun 26th August 2018 12:28:46 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/26/what-the-lord-has-given-us-today/

Our God woke me at 5am to get ready for the train ride to see my cousins and I fell back asleep. I had had a dream in which He showed me three crucifixes one of which I kept searching for in the dream: an ornate crucifix made of gold. He has told me that the dream was given by Him and was to tell me to follow Him into His Holy Catholic Church.

I woke an hour before my train was due to depart. He took my feet and led me around the house to collect my belongings and He asked me to ask my F001 for help in packing my clothes for the journey.

I arrived at the station in plenty of time for my train and He gave me want of a sandwich and a coffee. I sat on the wrong platform waiting for my train at 8:39am, not realising it was arriving on the adjacent platform and then He gave me knowledge of this at 8:41am after the train had departed.

He told me to speak to a train attendant on the platform who told me they would allow me to travel on the next train at 9:40, and just to ask them when I get on the train. The Lord told me to ask them to change my ticket and led me to the ticket office to change my ticket. They offered me an excess amount to change my journey and I waited on the platform for the train to arrive.

He led me onto the train and to a seat next to a man who I saw had a Bible and was studying the Gospel of Mark. Our Lord Jesus Christ told me to ask the man if He was studying and I learnt he was studying to be an Anglican vicar like his father. Our God then asked us to talk about His Sweet Heart and the prayers He had asked me to give to him. I gave him copies of my diary entries and we prayed to Him using the words He gave to me.

When I arrived at my uncle's house I shared the prayers of His Sweet Heart with my cousins and told them that He will help them and He is with them.

He told me to take my cousin to the restaurant he wanted to go to and He asked me to only take what my cousin did not want. Our God gave me the gift of a small starter which satisfied the hunger Our Lord had given to me. My cousin offered me half of his meal but Our God asked me to refuse it, knowing that my cousin was hungry.

Our God told me to ask my cousin for his help in serving Him next week in London. Our God told me to tell him that He needs him to help me in talking with my parents to allow me to serve Him. Our Lord provided me with a vision of me hugging my brother, my cousin, who offered to help me talk to my parents.

He took the remainder of the meal with him and I dropped him off on the way back to my hotel.

I returned to my hotel room with a packet of crisps Our Lord offered me as a gift which satisfied the appetite He had given me and asked me to message my parents that I was back.

I saw they were awake and phoned them. I told them what I was being asked to say by Our God and they became anxious.

I prayed to Our God to grant them mercy and to free them from anxiety and He then asked me to tell them that I would not go to London next week. I then messaged my parents to tell them I would not go to London using the words Our God gave me to write.

Our Lord Jesus Christ then told me to call my cousin and ask him if he would like to join me for breakfast at the hotel. Our God also told me to tell him that He had told me not to go to London.

My cousin insisted he would contact my F002 and F001 to try and understand what their concerns were.

He showed me His Sweet Heart again

Thu 13th December 2018 6:14:29 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2018/12/13/he-showed-me-his-sweet-heart-again/

He asked me to pray for peace with Him.

He then showed me a vision of the Sweet Heart of Jesus again.

I saw a crucifix behind which shone a bright light. Out of the light rose His Blessed Sacrament with which was inscribed His Holy Name.

Grant me peace, Lord.

“You are with Him, Timothy. As you were when you were with Him before.”

“Be with Him right now.”

Praise to you, O Lord, for I have seen Your Salvation.
Hosanna to you, O King, for You are our Light.
Praise to you, O Lord, for You are above all.

Letter to Father David Peters of Shrewsbury

Sat 23rd February 2019 2:40:00 pm GMT+01:00 Torrita Tiberina, Italy

Timothy

https://wisdom-and-love.org/letters/to-his-church/father-peters/2019-02-23-letter-to-father-peters/

Dear Father Peters,

I am writing to you right now to give to you some of His Word.

He has been with me for my whole life, sheltering me, feeding me, speaking His Truth in times when I have needed Him.

In the last 2 years He has been with me. Speaking His Word to me. He has taken me through trial and tribulation, sheltering me from the storm that is my false detainment by the NHS in the United Kingdom. He has fled me to Rome, to be in this safe place of His Roman Catholic People. Here I was detained too as the British Embassy tried to extradite me. His Providence shined through and His holy People of Rome released me, free to travel this land of His Holy Catholic People.

They love Him.
They trust in Him.
They are for Him, of Him, with Him.

I have been given the gifts of His Spirit.
He has spoken His Word to me, He has given me words to write from Him.
He has asked me to be His apostle.

I have been called by Our Lord Jesus Christ to serve Him and be His disciple.

These writings are all His Word.

You know of what happened in the summer of 2017. He was teaching me.

I asked you to bless me. He told me to say what I said to you. He asked me to kneel before Him. I knelt before you. He asked me to ask Him to bless me. I asked for Him to bless me through you, His faithful Priest.

I adore Him. I have been with Him. He has taught me when I have had no other teacher.

I am His.

Please, I ask you, read His Word which I have written. Speak to Him and ask Him to tell you this is true.

There is something only you and I know. There was a Mass in the summer of 2018 in which I received His Body and Blood from your hands. He spoke to you. No one knows this but you. I know this because He was with me as I proceeded to the Altar. He spoke His Word to me in prayer after Communion.

Before Communion this day, I received from Him a vision of His Blood in the Chalice you were praying over. Please see this in what is written in my diary which He has asked me to print in a book and send to you the first edition.

You are blessed.

This is what He has told me to say to you, they are His words:

"This is Me speaking My Word.
This is Me telling you, My humble servant David.
I am with you.
I am taking you to Me one day."

These are words He has spoken to you previously when I wrote His Word to the Parish email address. It has not gone to you. They are His words. You need to be reading this today.

His People of Shrewsbury need Him.
His People of Sale Moor need Him.
Breathe His Word in your sermon.

"My Will be done."

I love you, Father David. I hope you wish me well on the Pilgrimage He has given me to carry the real Body and Blood of Jesus Christ to Turin to witness His Miracle before many.

These are gifts I have been given to give to you, my dear Priest of my childhood.

I love Jesus.
I love Him.
I adore Him.
I worship Him.
My life is for Him.

He is Our Lord and Saviour Jesus Christ.

"I am He who will breathe My Word on those I will.
I am The Holy Ghost, the Giver of Truth and Life.
This child of mine prayed for My Wisdom,
I gave him My Truth."

Please be with me in the weeks and months ahead, Father Peters.

Please pray for me to Our Mother, Mary, to all His Saints, and to the Lord Our God, for His Truth and Life to be with all those He Wills.

Let His Holy Will be done.

May the Peace of Jesus Christ be with you now and forever.

Yours in Christ,

Timothy

These are the letters Jesus gave me,
to write,
to you,
His People.

Listen to the Word of Jesus.

On free will and the desire to serve

Timothy

https://wisdom-and-love.org/diary/2019/01/31/on-free-will-and-the-desire-to-serve/

I am His Servant, Timothy.

These are the words Our Lord has given me to write.

He is speaking His Word to His people.

The Word of God speaks through the hearts of His people.

He breathed His Word to His Servant Abraham. And His Word became flesh.

He gave His people the will to serve Him. And so they did.

He sent His Spirit to teach us to be with Him. And so we are.

He says. And it is.

He gave us the desire to be with Him. And there we will go when we want Him.

How do we know if our desire is sinful? It is known to each one of us what we are told.

Speak to Him and know the Truth.

There is time for us to know the Truth about Our Lord. We will know Him when we are with Him. He is with all of us, right now.

There is more for us to know in this world, before we meet Him in Heaven. For eternity He will grant us rest.

Why are we being taught? He is Holy. We are not.

We will be with Him, when we know Him. He loves us and is bringing us to Him.

We will be with Him, when we serve Him. Clothe Him, feed Him, shelter Him.

Just as we are served by Him, so must we serve His people.

Ask the Lord Our God for the will to serve Him, and He will provide you with the gifts you need.

Our late Pope, St John Paul II, was shot in the abdomen, and he was told by Our God to go to the assailant and forgive him. He is holy. He is with Him.

St John Paul II had the desire to go to that man because Our Lord gave him the desire to do so.

Why did that man fire that pistol?

Wilful desire is free will. Our Lord speaks to our conscience, and we know what is sin. Why then do people not listen to Him? Why do people sin?

Harden your hearts, and you will not know Him, you will not hear Him, you will not go to Him.

You have time in this world to ask Him for forgiveness. Forgiveness is healing. Our souls are healed when we go to Him and want to repent of our sins.

And when do we know we are being taught by the Lord Our God?

His Spirit speaks to the hearts of His people. Constantly.

Thanks be to God.

On discipleship and His teaching

Sun 3rd February 2019 2:10:59 pm GMT+00:00 Tib Street, Manchester, UK

Timothy

https://wisdom-and-love.org/diary/2019/02/03/on-discipleship-and-his-teaching/

I am His Servant, Timothy, and I speak in Him.

I write the words He asks me to write, no other words.

He speaks in His Spirit, through His disciples.

His Word is with Him.

He is the Lord Jesus Christ. He is Our Teacher.

Through the ages, Catholics have received His teaching through the Catechism and the Saints. He speaks to His people, guiding the faithful in the time they have.

Teaching from the Gospel is public revelation.

Private revelation is that which is taught to His disciples.

The Body of the Church, is His people. He is in the Church, and the Church is in Him.

The Lord Our God taught His apostles the Truth about Him.

He came as The Holy Spirit to speak Truth to those without teaching.

They witnessed the Word and wrote the words He spoke to them.

The Word is Truth. The Word is with Him. The Word is Him.

The Holy Spirit speaks the Truth to those who He asks to teach His people in their time.

His Word became flesh and He is with us. The Truth about Him is

taught when we need Him. Constant teaching comes from Him.

The Truth is in His Word, the Truth is with His Word, the Truth is Him.

We are with Him when we receive the gift of His teaching.

We are of Him when we speak the Word of His teaching.

We are speaking His Word when Our Lord Jesus Christ gives us His Word.

There is no other Word than Him.

When we are speaking the Truth, we speak in Him.

When we are witness to the Truth, we witness Him.

When we are with His Truth, we are with Our Lord Jesus Christ.

The truth we know is what we are taught.

Pray for His Truth, and He will teach you through His people.

Listen to His Truth.

Thanks be to God.

On conscience and mental health

Wed 30th January 2019 5:43:52 pm GMT+00:00 Tib Street, Manchester, UK

Timothy

https://wisdom-and-love.org/diary/2019/01/30/on-conscience-and-mental-health/

My name is Timothy, and I am a servant of God.

These words are a true account of what Our God has asked me to write.

Every word has been given to me to write to you, His people.

These words are Truth, and they come from Our God. There is more that has happened that I cannot write in this letter. There are not enough pages available to print all the words I have been told to write.

He will give to all people the gift of eternal life.

Muslims, Jews, Christians all share one belief. And that is, to preach the Good News about Our God.

There is one key part of doctrinal difference, and that is the faith we Christians share:

Our Lord God reigns, through His Son Jesus Christ, who is Himself Our Lord God.

He will be with you, all of you, Muslims, Jews and Christians, and even those who do not know Him.

He is God to all people. Every race, nationality, and belief.

When we go to Him, Our Lord will ask us one question:

“Do you want me?”

What does He mean by the word “want”?

We want when we are given the desire by Him. All good in this world is done by Our Lord Jesus Christ giving to us those desires. It is not chemicals that determines our behaviour, but it is that God is talking to us through the gift He has given us in our conscience.

Why are we given a conscience? This is the Will of God.

He has asked us to be with Him in the paradise of Heaven. Where we will be with Him, and He will be with us. There we will know Him, there our souls will be reunited with those gone already. This is our destiny, a destiny we rejoice in knowing.

The question many in this world are asking today is: where is Our God right now?

He is with us right now.

I know this, because I have witnessed Him.

He has been with me all my life. He has been talking to me continually since March 2017, when I was most in need of His saving help. He has delivered me through the hard times that I’ve had. He has sheltered me, clothed me, fed me and provided me with a want to go to Him. This is what I asked for when I prayed to Him in March 2017.

He asked me to be His disciple when I asked Him to shine His love in my heart.

I told my parents, I told the priests, I told the mental health system. Not a single person believed me.

Our God is with me.

Our God has given me everything I have, and He has promised me everything I have ever wanted.

Everything.

He has asked me to write my diary which He has written for me. Every word has come from Our Lord.

There was a man in Trafalgar Square in 2017, he called himself Dreamweaver, and he was not a man who believed in Our Lord. He wanted to pray, when Our God gave him the want to, and he listened.

I have been taken into hospital by the mental health system because of what I know is true.

They showed me what it's like to be there, and for this I am grateful.

While I was in hospital, I was shown the suffering that His people endure every day as a result of the laws of the nations that claim to be Christian. Abuse, humiliation and incarceration are really what these hospitals are doing.

Our God does not want those places to have ever existed.

They are asylums.

They are prisons.

While the people that have brought them into existence believe the people they hold need treatment, the reality is no-one here on Earth really knows how the mind is brought into being.

It is so, that the chemicals that they are pumping into the bodies of the patients in their care are causing lasting damage to not just their mental health but their bodies too. They are suffering because of these actions.

The chemicals do not work.

Not only do they cause drastic side effects, they do not understand really why they are even needing to prescribe these medications. Most people under their authority need just to have peace and heal from the damage they have received in their lives.

This peace is found in prayer.

Prayer to Our God.

Never will we know what the Lord God needs from His people, if we ignore our inmost knowledge of what we know is good. The psychiatrists treating patients believe they are being told that they need to treat these patients with chemicals. This is not true.

There is more they need to know about who Our God is.

Muslims, Jews, Christians alike know He is with us. Pray to Him.

How then can an atheist practitioner really help these people?

How will these doctors, chemists and biologists ever know how they need His help, if all they do is drug them, incarcerate them and infringe those civil liberties Our God has given them. These are His words.

Not one more word needs to be written.

But they will still not believe.

Look today at me, a man persecuted by the mental health system for my faith in the One true God. If it was not for my trust in Our Lord, I would be incarcerated in hospital with no chance of any future whatsoever. Instead, Our God has spoken His Truth to me and shown me how to set myself free.

People have faculty, a gift Our God has given them. Let them use it and decide for themselves what they want to do to their bodies.

Where do people get the desire to cause harm to themselves? They are not ill. They are not mentally incapable. They are needing freedom. They are needing peace. They are needing love.

They need to be healed by God.

The laws that enable the doctors to enforce treatment are wrong. They are abusing the civil liberties held true by our nations. They believe that those who they believe to be sick to be given time to

heal under their care, but there is in truth no healing of any of those people.

How often is a person really healed by the mental health system?

Once they are admitted, they are never allowed to leave the system.

How much does it really cost to run the mental health system? How many people are incarcerated indefinitely under the archaic asylum laws? People are readmitted time and time again because the drugs don't work.

People who have had abuse in their lives need His help. The gift of healing.

I witnessed this in my good friends who I met in hospital. We prayed together and the traumatic thoughts they had been burdened with since the time they were abused had been healed.

Prayer delivers us from our suffering.

Go to God and ask Him to take you to Him, and He does this for you. He has given me a prayer, which I have asked this column to print alongside this letter. These are His words that He gave to me to ask others to say to Him when they are in need of His help.

All good comes from God. And it is to God we must ask Him for this goodness.

Thanks be to God.

On the false prophet of revelations

Fri 1st February 2019 4:34:23 pm GMT+00:00 Tib Street, Manchester, UK

Timothy

https://wisdom-and-love.org/diary/2019/02/01/on-the-false-prophet-of-revelations/

I am His servant, Timothy.

The Lord has given His people these words for me to write.

In truth I am writing all the words I have been given by Him to write.

There is no more to write than these words He has given me to write.

I have been given the gifts of His Spirit.

He has asked me to write about the false prophet of John's revelation. These words are what He has given to me to say to you. There is more I know than I am given words to write.

He sent His Spirit to teach us the Truth about Him.

We know from Jesus Christ's words written in the Gospel of John that He was sending His Spirit to teach us in our day. How can we have teachers when there is no-one to know the Truth?

Throughout the ages, Church teaching has been given to us through His Spirit. He has fathered His people and taught us what we know today. We receive His Word to reveal to us what we need to be doing in our day. His Spirit of Truth is Our Teacher.

Priests, bishops, His Eminence the Bishop of Rome and all His Saints receive His instruction and reveal His Word to His people.

The Gospel is the public revelation of Jesus Christ.

He revealed to His Servant John a revelation of the end times. His

Word is Truth. These were the words He gave to St John.

The Lord has taught me about the false prophet of this Book.

He is anyone who claims a prophecy which Our Lord has not given them.

We know in our day of at least one powerful false prophet whose people are in desperate need of receiving His Truth.

How do we know the Truth about that person?

Did he survive the end? Know they are in hell.

To know Our Lord is to be His.

Those who are against Him are not His.

He is Jesus Christ.

Why did he say he was the son of Ishmael? Because his lineage is Aramaic.

Why did he claim a rock was from Heaven? Because he was sinful.

Why is he no more? Because he denied the divinity of Our Messiah.

His teaching has caused suffering. Both for his followers and the rest of the world.

To know His Truth we must pray for the Spirit of Truth, who is God, to speak to our hearts.

Why do his followers want this? They want to find Him, they want to know who is speaking to them.

Believe in the Spirit of Truth and know He is God.

He is the Spirit of Truth.

The false prophecies were never verified. Science can verify easily what that man claimed. No one has let this happen.

Be confident in your faith.

The subjugation of women, is against Our God.

The people of Islam know this.

One day they will know this is true. Our Lord has made this known to me.

One world He gave us. One people He created us, man and woman.

Authority is given by God. Those who take it have perished.

Where will the people of Islam go for the Truth about God. They go to their Imams who teach no more than their fathers taught them. Why is it so?

Pray to God for the Truth.

In the beginning we were banished. The first born created an Altar to offer gifts to the Lord. Their offering was holy when it was blessed by God. He gave them those gifts so that they would know Him.

Be with Him in thanksgiving for what we receive from Him.
Be with Him in prayer and ask for His Truth.
Be with Him right now.

Peace to all people. This is the gift of Our Lord.

Holy is the Lord Our God.

Jesus Christ His only Son was made man.
He spoke to His people.

Gifts are His to give.
Truth is His to say.
God is with all of us.

Thanks be to God.

On the four horsemen

Sat 2nd February 2019 6:56:06 am GMT+00:00 Tib Street, Manchester, UK

Timothy

https://wisdom-and-love.org/diary/2019/02/02/on-the-four-horseman/

This is a letter from His Servant, Timothy.

I am a servant of the Lord and I am writing in His Spirit.

This is the truth from the Lord Our God.

The Lord God has given us one prophecy through His Servant John of the end.

This is the Word of God.

In Exodus Moses warns pharaoh many times of the impending end of his people. The Lord God spoke to Moses and gave him prophecies of plague, famine and locusts.

Moses warned pharaoh of the end that was coming. That man ignored all the signs he was given by God.

Suffering is what he brought to the chosen people of Israel. Those people enslaved the Israelites.

Conquest, slaughter, starvation, death were what happened to those people.

Listen now to what the Lord has told all people:

“Suffer and perish at your own free will.”

The Lord God freed His people, the innocent children of Israel.

The Lord God handed down His judgement.

The people of jihad, know what the prophecy of St John says about your end.

Slaughter. Starvation. Death.

Know what is written and stop.

Death is not the end of your suffering.

Know what the Lord God says.

Know what happened to the evil in 1945. It perished.

Those people perished for what they did to God.

The people of brutal slaughter, conquest, starvation and death will lead themselves to their own end.

Know what the Lord God says to all people.

End war now.

Have mercy on us all.

Thanks to the Almighty Father, forever and ever.

On the first covenant

Sat 9th February 2019 10:29:31 am GMT+00:00 Fiumicino, Italy

Timothy

https://wisdom-and-love.org/diary/2019/02/09/on-the-first-covenant/

I am His Servant, Timothy.

The Son of God has asked me to write these words.

Every word is true, and there are no other words He has given me to write.

This is the story of Lot, Moab, Ishmail and all those who have taken.

Ishmail was born out of want for a child.

Abraham was given want to be a father of His people.

Our father Abraham asked Haggar to bear him a son. But it was not the son He gave him.

The Lord God took pity on Ishmael, Abraham's first child. He did not give him the covenant.

Lot had two daughters and they lived in caves.

The two daughters wanted to have children.

They took the birth-right from God. Life is His to give.

They plied their father, Lot, with alcohol and committed sin. This line was to not be Israel.

Their sons were Moab and Ben-Ammi.

The gift of Prophecy is given by our God. Those who take it are not His.

Prophets are created by God.

His Word is unchanging. He spoke through His Prophets to proclaim the Good News of His coming. He chose Abraham and Isaac as His.

His Servants are His to choose.

His Word became flesh through Mary's womb.

The truth is His Word.

Thanks be to the Lord God, Heavenly King.

On the gifts from Our God

Wed 20th February 2019 6:42:59 pm GMT+00:00 Torrita Tiberina, Italy

Timothy

https://wisdom-and-love.org/diary/2019/02/20/on-the-gifts-from-our-god/

I am an apostle of The Lord Our God.

I speak in His Spirit, I write what He tells me to write.

I am given this to write to You, His People of His Church.

There are no more words to say than what He has given me to write to you, His People.

No words have I been given which I have not written here in this letter to you.

I am His Servant. I am His disciple. I am His apostle.

These are the words from Our Lord and Redeemer Jesus Christ that He has asked me to write:

“I am giving to you, My People, the gifts I have handed down to you through My Servants that have gone before you.
This is My Word.”

He has asked me to say two things about His Providence.

His gifts come from Him. He gives to us, His People, the things we need, the things we want.

Where do we want from?

Where do we find our desire to be His people?

What do we need in our lives?

He has taught me to be His Servant, to love and trust in His Spirit.

Be near Him and listen to His Word.

Everything good that we have, that we know, comes from Our Saviour.

Everyone in our lives, our friends, our children, our siblings and our parents come from Him.

Brothers and sisters of the Lord Jesus Christ, listen to hear what the Lord God says to you, His People:

“My brethren, be with each other in peace.”

The Lord God gives life to each of us.
He breathes His Word to each of us.
He sends us His Truth to make us His own.

This is where the Lord God works: in His servants He gives us the Spirit of Truth, this is Our God.

This is where the Lord Jesus Christ helps: in His People He asks us to be with each other in thanksgiving and praise to Him, this is our faith, His Gospel.

This is where Our Almighty Father gives: in everything we have, in everything we are, in all His creation we have time to learn to be with Him.

Jesus Christ has given us these gifts, these are His to give.

Be His servants and live His Message of Truth and Life.

“This is your time.
Know where you are going, to Me you will go.”

These are His words which He has given me to write.

These are words from His Spirit of Truth.

This is His Truth.

Thanks be to the Living Jesus Christ.

I am with Our Lord Jesus Christ. Every word I am writing is written in His Spirit of Truth.

These are the words of His apostle, Timothy.

They are written in His Spirit. Every word comes from Him.

There are no words I have been given which I have not written. There are no more words to write than those which are written.

His Spirit is God.

His Spirit is Him.

Our Saviour is His Spirit.

He came to His Disciples as like a flame, descending upon them with His Truth to teach the world about Him. He came to us in Truth to witness the Truth about His Kingdom for His People throughout the ages. His Spirit is with us today.

He is Living. He is the Living Truth. His Truth is with us today.

His Disciples were given the gifts of His Spirit to preach His Truth about Him.

Be knowing the Truth about Jesus of Nazareth, the Truth about Our Lord and God.

This is our time to be here on Earth. To learn His Message of Truth. He has prepared His Way for us to be with Him one day.

Listen all of you, people of this day, this is His Truth speaking to you, all people.

“I am Your Life.
I am Your Hope.
I am Truth.”

This is His Word. This is the Word of The Lord God Almighty. This is Our Heavenly Father speaking His Truth to you, people of today.

Thanks be to God.

“I am He who came to speak My Truth.
I am He who delivers you from your suffering.
I am The Lord God.”

“Be My People.
Serve Me.”

This is The Lord God speaking His instruction to you, all people. From the lands of Egypt to the far east. All people bow to His Word. All people praise Him.

This is the Lord God Almighty speaking His teaching to you, all people. From Israel and Palestine to the land of America. All people listen to His Word. All people worship Him.

This is the Lord of all people, speaking to you His Word. Obey Him.

Be near Him.

Be with Him.

Go to Him, find Him in your heart, and listen to His Breath.

Thanks be to God.

“Be near Me, My children.
Be with Me, My servants.
Hear Me right now.”

This is the Word of Him whom He has sent. The Advocate. The Paraclete. The Counsellor. His Holy Spirit who breathes life to all

people.

His Word is Truth.

Listen all who hear to the Word of Truth from Our Lord and Saviour Jesus Christ.

Thanks be to God.

On marriage and desire for children

Fri 22nd February 2019 6:00:04 pm GMT+00:00 Torrita Tiberina, Italy

Timothy

https://wisdom-and-love.org/diary/2019/02/22/on-marriage-and-sexual-desire/

My name is Timothy, I am His disciple.

He has given me these words to write to you, the people of His Church.

These are the words He has given me to write to you, His People.

No words have I written myself, no words have I been given which are not written.

This is His Word.

We are given gifts from Our Lord Jesus Christ. Gifts of life.

The reasons for the gifts we have been given are with Him, of Him, by Him.

We are asked to bear fruit for His Kingdom, fruit of our loins. We need Him to give us desire to produce His children.

Everyone who goes to his wife. Everyone who goes to her husband. Every man and woman bears fruit for His Kingdom.

There is fruit to bring to Him, fruit of our birth, fruit of our children, fruit of celebration in His Creation.

Life is His to give. Life is His to be given. Life is His, and His alone, to give birth to.

Love is His to have, He bears fruit in our hearts for man and for woman.

Bear fruit for His Kingdom.

Bear fruit in His Truth. Those who are called to live without a child, have more gifts from Him.

Witness Him and give birth to His people.

Be with Him, never do without Love.

These are the words of Our Lord Giver of Life:

“My People, listen to Me tell you to stop living without My Life.
My dear children, have no more sin against My Truth.
Man and woman I gave you.
Man and woman I created you.
Man and woman live My Gospel.”

This is the Word of The Lord God Our Creator.

Do not be afraid, be His People.

Do not go to anyone other than God for His Blessing in your lives.

Be with Him right now, live His Truth.

Take your vows before God. Take your vow to love and serve your spouse.

Be His children.

Be His servants.

Be His family.

Man and woman we were created, man and woman we began, man and woman we are to be.

Men, love your woman in every way. Women, love your man and give him his children.

Men and women, love your family, raise them with His Truth, bring

them to Him and baptise them in His Holy Name.

Those who are called to His Church to teach, to pray, to serve: be at peace and love His family.

Those called to His Way of Truth and Life: be with Him and teach His People.

We are all His People. We are all His family. We are all His children.

These are His words, His Spirit of Life is speaking to you, His baptised:

"I am with you, I am near you.
I am taking you to me, my dear children of mine.
Be My family here with your spouse.
Be My children here with My People.
Be My servants here with My Church."

These are the words of Our Saviour who came to redeem us from our sin.

Men and women, join in matrimony to your wives and husbands. Know not to take anyone else in your lives.

Children of His, obey your mother and father.
Children of His, obey your Father in Heaven.
People of His Kingdom, find Him in your marriage.
Be with Him, in this Love He gives.

This is His Way of Truth, this is His Most Beloved Heart for us.

"I am the Way of Truth and Life."

Blessed be the Lord God of Ours.

Alleluia!

On those suffering in poverty

People of Salford, hear what the Lord Jesus Christ has spoken to you:

“My People of My Diocese of Salford.
My People of My Diocese of Shrewsbury.
My People of the city of Manchester.
I want you to help My Servant, Wayne.”

This is His instruction to you, His Servants.

The Lord Jesus Christ is speaking to you, His brethren.

The Lord God has spoken His Word.

This man, Wayne, is in need.
This child of God has done no wrong.
This man, His Servant, has been wrongfully accused of a crime he did not commit.

Asking for what one needs, is not sinful.
Asking for food when one has hunger, cannot be a crime.
Asking for money and being angered by insults received, is not the sin of this man.

Be knowing what this man is accused of.
The police who arrested him have acted within the law.
The law of the British People is sinful.

Vagrancy laws are sinful.

Vagrancy is not of their doing. It is our people who have wronged them. It is us who have sinned against The Lord God Yahweh.

End this hell for all those impoverished.
End their suffering.

The Mayor of Manchester has been sensationalising the acts which have not been performed.
The Council of Manchester has been sinning against Him.

I have witnessed before and after Christmastide more people on the streets of Manchester. Cold. Hungry. In poverty.

Help that was promised by those people with the power to do more has not been given.

This is the Lord God Almighty breathing His Word to you, His Church:

“More must be done, right now My children are suffering in this country.
The time is right now to serve Me.
Be with My Servant, Timothy, he has been doing what I told him to.”

These are His words. This is His Spirit of Truth and Life speaking to you, His Clergy.

These are acts of mercy which need to be done in the Name of Our Saviour:
feed Him;
clothe Him;
water Him;
shelter Him.

Open your hearts to His Truth.
Open your doors all people to these children of His Life.
Give Him food from your stores.
Give Him water from your wells.
Give Him clothes from your earnings.
You people are rich, but your spirit is poor.
You people have wealth, but their need outweighs yours.

Give to Him all you do not want.
Give to Him all you do not need.

His People are hungry.
His People are cold.
His People need His Love.

There is no one who will be forgotten in His Kingdom.
There is no one beyond reach for The Lord Almighty.
His Peace is for all people.
His Love is for all people.
His Brethren is all people. All races. All colours. All creeds.

This is the Word of the Lord:

“My children, suffering because of the greed of your rulers.
My people, in desperate need of Me.
Find Me in this time of great oppression.
I am with you today.
I am with you right now.”

This is His Kingdom.
This is His Day.
This is The Gospel of Jesus of Nazareth.

Thanks be to the Lord God of Jerusalem.

Timothy's Diary

https://timothydiary.org

This is the diary of Timothy.

Tim is an Apostle of Jesus Christ.

In his work, he helps those suffering in the lack of knowledge of Jesus Christ.

By helping those in need of His Wisdom and Love, fruit is born in His Kingdom.

Jesus' Word is throughout all of his work.

You can find his work in the following links:

Divine Revelation of Truth and Life

https://wisdom-and-love.org/truth-and-life/

This chapter of the diary is to begin the Divine Teaching of Our Saviour for me.

He showed me wonders in the spoken word written and recorded under detention in less than a week.

Every word written, spoken and indeed recorded is the tone, intonation and way Jesus gave me to write.

Each recording was made in a holy manner, with peace and joy not only in between but during the production of each one. Every recording is a Miracle.

Such a long road the passenger walked down the Way,
selling his stories, blessings and prayers just the same.
Tell me that story again.
Tell me that story again.

Tell me, tell me again.
Tell me my story again.

Beautiful words from one just in pain.
Beautiful tales of Truth, Life and again.
He took their hearts and told them to play.
All the world's songs just in a pretty afrain.

Tell me that story again.
Tell me, tell me again.
Tell me, tell me again.
Tell me my story again.

A little way I walked across the deep blue ocean lost,
taking my bible and holy water at cost,
asking them to open the Church door to pray,
and finding no one more than afraid.

Tell me that story again.
Tell me, tell me again.
Tell me, tell me again.
Tell me my story again.

This little tale ended seven years ago.
They took me in, grated my own will and more.
Told me I don't need to pay.
Told me I shouldn't even pray.
Told me my tale wasn't sane.

Told me no more than I failed.

Tell me that story again.
Tell me, tell me again.
Tell me, tell me again.
Tell me my story again.

Timothy

https://wisdom-and-love.org/diary/2019/04/20/long-road/

So long away from my home.
Being in comfort, being alone.
Finding amusement with my own soul.
Taking steps on a journey, to the unknown.

Long road, take care of me.
Be my Saviour, be my sanctuary.
And when you break me, pick me up again.
Never leave me fending, for myself again.

Promises I made, promises you'll keep.
Just wait a season, just like time repeats.
Finding the outcome, would satisfy,
but knowing what the future holds is but a lie.

Long road, take care of me.
Be my Saviour, be my sanctuary.
And when you break me, pick me up again.
Never leave me fending, for myself again.

Long road, take care of me.
Be my Saviour, be my sanctuary.
And when you break me, pick me up again.
Never leave me fending, for myself again.

After the period in London,
I was detained,
brutally abused,
and feeling sorrow each day.

I gained all the weight I had lost,
and was given only time to work.

Then Jesus,
as you will read,
came to me again.

He reminded me of the last words my grandmother said to me. I said to Our God “Jesus, I trust in You”.

“It is so Timothy. You will know you will work for a time to pay off your debts and then you will go to enter seminary. It is now which you have time to prepare your affairs, then you will be called to study and live the life which I will show to you.”

Let your Holy Will be done Our Lord Jesus Christ.

“I will be with you always. Trust that you will never be alone.”

Jesus teaches me to be grateful:

He asked me to speak to God and to listen to Him as I was praying the 3 O Clock prayer. He gave me a vision of his right hand outstretched towards me and His left hand holding open His Heart of Divine Mercy with blood and water pouring out of it like rays of light.

He asked me to follow Him and as I went to hold His hand in the vision He showed me touching His left hand with the wounds He suffered on the cross. He told me that He suffered for our sins and I told Him I had been childish and ungrateful for the gifts He had given me today.

He then told me to open my eyes and showed me a vision of Him sitting in the chair my F002 sits, and His left hand holding the shoulder of my F001 as he sat. He then asked me to turn to the kitchen and I saw Him preparing the meal my parents had prepared earlier that evening for which I had not been grateful.

I offered my confession to Our God and He forgave me of my sins.

I am eternally grateful to you O Christ who sets me free from sin and protects me from all anxiety. I love you my God and do not wish to be ungrateful for the gifts you have prepared for me through your servants. For giving me the gifts of my F002 and F001, and my family. For bringing me here to this place in Spain where I can relax. For offering me what I have right now and making a safe haven where I can dwell.

Our Lord Jesus Christ, grant me peace on this day so that I may know you.

The Lord led me into the Santuario de Nuestra Señora de la Oliva in Barbate, Andalucia for prayer before Mass.

After reflecting on The Wednesday Word He asked me what I wanted. I asked Him for gifts of His Spirit: peace, joy, love, wisdom and understanding, patience. He told me He will give to me all these things and more.

I felt an overwhelming sense of His presence in my body and cried.

After Holy Communion and for the rest of the day he brought His peace upon me.

I love You Lord Jesus Christ, and do not want to ever be apart from You. Please keep me close to you and forever be present in my life.

Amen.

Our Lord Jesus Christ gave me a dream last night of me talking to the mental health practitioners. They were telling me I was still unwell and I kept insisting that it is God who is talking to me. My voice became angry as I was talking to them and I kept apologising to Our God for the anger in my heart.

When I woke I offered my confession to Our God for the anger towards them in my heart. He consoled me and let me know that it was a dream He had given me.

At 8am the care coordinator arrived and the conversation with her went according to what was in my dream. My voice was terse but not angry. God was helping me throughout and letting me know what I should say.

She told me that I had shown symptoms of mental illness in the past: vulnerability in giving money to the homeless and putting myself in a position which was detrimental to my well being as a result of giving money away.

I assured her again that God was with me and that any signs they might have seen were me putting my trust in God. Indeed He delivered me from harm's way and knew of the money I had kept in company shares. He knew everything which was to come and guided me through that period.

Thanks be to God for always being by our side. When those around us persecute our faith in His name, He loves us and delivers us from our suffering. Alleluia! God be praised forever and ever!

Our Lord Jesus Christ told me today that I would not be able to attend Mass this evening due to me having too much work to do this weekend. He asked me if I wanted to receive the Blessed Sacrament. He told me He would provide me with the Eucharist when I prayed to Him today.

While my parents were at Mass, I sat down in a peaceful room and prayed the prayers from the Catholic Simple Prayer Book when unable to attend Mass.

After praying He showed me a vision of a chalice and His Blessed Eucharist and offered it to me. He asked me what it was I wanted to say to Him and I told Him I loved Him and never wanted to be apart from Him again.

I felt His presence fill my body and He asked me what I wanted to say to Him.

I told Him I loved Him and never wanted to be apart from Him. I told Him I was not worthy to receive Him, and He told me that He has spoken and my soul is healed. I prayed the Our Father, Hail Mary and then the 3 O Clock Prayer for Divine Mercy. While praying the 3 O Clock Prayer He told me that I had received His Most Holy Sacrament at the Altar and I began to cry.

After prayer He led me into Adoration of the Blessed Sacrament while presenting me with a vision of His Most Holy Sacrament of the Altar.

My parents arrived home while I was finishing prayer, and He led me outside and talked to me again as my brother and friend.

I love you Jesus, my brother and my God, for all you have given me. Lord Jesus, please send me your Holy Spirit and be with me all the

days of my life. Fill my heart with desires to serve Your Holy Will. Grant me the gifts of patience and endurance so that I may grow in faith and love of you every day forever more.

Alleluia! Alleluia! All glory and honour is Yours, Almighty Father, forever and ever! All glory and honour is Yours, Our Lord and Saviour Jesus Christ, forever and ever! All glory and honour is Yours, in the name of Our God, His Majesty the Holy Spirit, forever and ever! Alleluia!

Amen.

Last week the nurses came to take blood to monitor levels of cholesterol and blood sugar. I asked Our God to help me with the pain while they drew blood from my hand, and He talked to me throughout and the pain vanished. I asked Him later in the day to cure me of diabetes and He told me He would help me.

Yesterday I received the result and Our God has told me, and I trust in His words as truth, that He has helped me eat the right foods for my blood sugar levels to decrease to a pre-diabetic level. I have eaten food I enjoyed and in the quantities that have been satisfying.

This has removed type 2 diabetes from me and it is thanks and praise to Our Lord and Saviour Jesus Christ that He has made this happen.

Alleluia! Alleluia! All glory and honour and praise to you Almighty Father forever and ever! All glory and honour and praise to you Our Lord Jesus Christ, Our Precious Saviour, forever and ever! All glory and honour and praise and worship to you Our God in His most holy name, His Majesty the Holy Spirit, forever and ever! Alleluia!

Amen.

Yesterday there was a lot of work to do in the office and Our Lord Jesus Christ helped settle me and provided me with the strength to carry it out.

He provided me with the words to say in meetings with suppliers, to help me in my job and to help others around me.

He asked me to help others when they needed help and led me to find a place where I could rest after the work was done.

In the evening I asked Him for help in staying awake to complete the work I had which I couldn't do during the day. He helped me stay alert and awake and helped me directly by telling me what it was I should be doing to complete my work.

Today He continued helping me with my work and laid me to rest during the two hours I was not needed by my colleagues.

Alleluia! Alleluia! Forever be praise to Our God, Our Saviour, Our Redeemer, who leads us away from sin and to gifts from His bounty. Alleluia!

Lord, you have created all of us in your own image. All creation rightly gives you praise. It is in your glory in which I choose to bask on this day, if the Lord so wills it.

Grant me Lord the time to find peace in your arms, for the peace that you give is the only true lasting peace that mankind will find.

Grant me Lord the heart to find love in your presence, for the love that you give is greater than all love known to mankind.

Grant me Lord the mind to worship and praise you Lord, for the grace of God bestowed upon us is truly worthy of worship and praise.

Lord I ask you to gather your children together so that we may glorify you as one body in your Son Jesus Christ, Our Lord and Saviour.

Our Lord God, I especially ask you to heal the hearts of us poor sinners, who desperately need your peace, love and grace on this day.

Most of all, please grant me the gifts of Your Spirit so that I may always know you as my friend.

Amen.

This weekend I have remained having an insurmountable amount of work to do for my employer. I have been unable to attend Mass again, and the Lord told me this wasn't a sin when He spoke to me in prayer this evening.

On Friday evening he guided me to change course with some of the work I had been doing, leading to the work becoming complete that evening.

The next day He continued to help me, even directly telling me where problems existed and the problems were solved as a result.

Then He guided me today to complete as much of the work I could complete in the time available, with time available for prayer this evening.

This evening He guided me into prayer from the Simple Prayer Book once again, the prayers when not able to attend Mass. He presented me again with a vision of a chalice with eucharistic bread above it, and I asked Him why I hadn't asked for Holy Communion today, knowing that I should have done.

He told me to look on page 3, the title page of the prayer book, and told me that He had given me this book so that I may have the prayers to say to Him when I have no words of my own to offer Him. He asked me to hold out my hand and He gave me Holy Communion in a vision. He then asked me to say the prayers after Communion too.

While saying the Sign of the Cross after prayer, He said to me these words:

"By my cross and resurrection I have set you free. I am the Saviour of the world. I have redeemed you."

Alleluia! Alleluia! Thanks be to God for saving me a sinner, for providing me with my armour of faith, and redeeming me when I have become lost and afraid. Alleluia!

My Lord, please never let me be without your Most Holy Sacrifice of the Altar, feed my desires to receive your divine Body, Blood and Soul each and every day. Lord I need you in my life, and I cannot live without the desires you give to me. Make me holy in your name Lord and lead me on the righteous path to be with you in Heaven.

Amen.

Our God woke me in the night as I was coughing vigorously to clear my lungs. He told me these words:

“May you bask in my eternal light forever. May you bask in my eternal glory forever. May you bask in my eternal love forever. That is what you want. Know that I am always with you.”

His Salvation

Wed 25th July 2018 7:32:16 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/07/25/his-salvation/

There is only one way to Heaven, and that is through the Salvation the Son of the Father offers to us, Our Lord Jesus Christ who died on His cross for our sins.

His Holy Spirit gives to us the gifts of wisdom and truth. Gifts for mankind. Holy, Spiritual gifts. We acknowledge one baptism for the forgiveness we all receive as Christians. We look to Him for everlasting life in Heaven. Where we will share in His glory forever more.

He conquered death. He rose from the dead and He ascended into Heaven to sit at the right hand of the Father.

His kingdom and reign over Heaven and the Universe will have no end. He is the Holy One, the Lord, the Source of all Life, the Body and the Blood and in Him is life everlasting.

He alone has dominion over the Universe. He alone is worshipped and glorified. He alone is God who has spoken to us through His Holy Spirit.

Then the Lord asked me to write:

“I am the Lord God. I Am. I want you Timothy.”

I want to be with you all of my days Our Lord. Never do I want to be apart from you. Never do I wish to offend you again.

I pray to you that you increase in me the will to do good, the mind to praise and worship you and the heart to love you all of my days. If I need to leave all of my possessions behind and go where you take me, then I will gladly do so. Truly I know you will provide everything I need and want for the journey you take me on. Lord you are my God and my Saviour whom I love dearly.

Alleluia! Alleluia! All glory and honour and praise and worship to Our God, the Almighty Father, Our Lord Jesus Christ and His Majesty the Holy Spirit forever and ever! Alleluia!

In March 2017 I was praying to Our God for understanding of my calling: with it being a father to a family or a priest.

He answered with a vision of the verse reference 2 Peter 1:11 for which I had no prior knowledge. The letters shimmered in gold as I rested my eyes to sleep.

I woke up stunned and after 10 minutes went to my bible to look at the verse Our Lord had given to me to read.

The verse relates to the discipleship offered to us by Jesus Christ and is the reward of Heaven if we are to accept His calling.

I continued to pray the Rosary and the Chaplet of Divine Mercy for two weeks in the room where there was a crucifix. One night at around 3am while the house was silent I heard a voice calling me and guiding me in prayer. I asked the voice “Is that you, Jesus?” To which He replied “It is, Timothy.”

Since then the Lord Our God has been with me as my friend and guiding me directly through my life. I have received many gifts including visions, knowledge and understanding and help with my path in life. He has brought me away from sin and is taking me on the path to Him in Heaven.

Today He told me of the times in school, at university and over the last 7 years when He has called me. None of those times were as great as the times since March 2017 when I submitted to Him all my sins and asked for forgiveness. I asked Him to blot out my sins.

Sunday

Sun 5th August 2018 4:47:57 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/05/sunday-8/

Our Lord gave me the words to say to my parish priest in asking him for help in finding spiritual direction from the Church. He helped me with work all week, told me about errors in my work and showed me how to fix them.

Today He told me I had too much work and needed rest and He forgave me of not going to Church. He led me to my room to rest for an hour when I began to pray from the Simple Prayer Book for when I am not able to attend Mass.

As I was praying Our Lord told me to wait to receive His Most Holy Sacrament of the Altar.

I received the real Body and Blood of Christ in Holy Communion from Our Lord Jesus Christ in a vision.

As He gave me His Body to eat, He asked if I could taste anything and when I said I couldn't He told me that this was because it was His body I had eaten.

After He gave me the chalice and told me to drink His Blood, I saw a dove resting on an olive branch with a bright light shining around it. God told me this was His Holy Spirit guiding me.

I then felt an overwhelming sense of His presence in my body. Joy overcame me and I began to cry uncontrollably.

The Lord then asked me to write about the dove I had seen so that others may know what it is that God has given to me.

Alleluia! All glory to you Almighty Father forever and ever. All glory to You, His Son, Jesus Christ, forever and ever. All glory and honour and praise and worship to You in the name of Our God, His Majesty the Holy Spirit forever and ever. Alleluia! Alleluia! God be praised

for eternity! Alleluia!

I spent the night working tirelessly to complete what I'd started. At around 5am I asked the Lord Our God for help. He told me I would have a breakthrough soon, and truly I found through His providence the solution to the problem before my eyes.

For the next two hours He helped me with my work, filling my mind with knowledge of how to complete what it was I had started and to satisfy the requests of my colleagues.

At 7am I messaged my colleagues to tell them I'd had a breakthrough, they congratulated me for the work and Our God told me not to say where help had come from. One colleague invited me to join him for a meeting in Manchester, but Our God warned me not to accept it as I hadn't had any sleep. He told me He would help me because I needed His help and I went to sit in a chair in the living room.

As I fell asleep in the chair in the morning, God provided me with a vision of a golden cross which transformed into the lettering "He is the first and the last" and then He said to me "I am the first and the last, the alpha and the omega."

Then I woke and He sent me to sleep straight away. This time I saw a set of golden weighing scales and the book of psalms with a large responsum character printed on it in gold.

After two days of working tirelessly, I heard Taizé's "O Lord Hear My Prayer" being sung in my thoughts. Our God brought me to pray and I asked Him to be close to me, to be my friend and to never leave my side.

I found the song and began playing it. While it was playing He told me:

"Remember when I answered your prayer. I am with you now, as I was with you then. Know that I will never leave your side. I will always be with you, Timothy."

Thanks be to God, for saving a sinner such as me, for staying by my side no matter how much wrong I have done and still do. To Him be glory and honour and praise forever more! Hosanna in the highest to Our Lord Jesus Christ! Alleluia! Alleluia! Alleluia forever more!

I was praying to Our Mother Mary with the Hail Mary as God was counting through a decade of the rosary for me. While I was praying I had a vision of Our Lady holding the infant Jesus, Our Lord and Teacher. He was leaning over the Bible, writing the Word of God.

Thank you Jesus for guiding your people to yourself. For leading us out of the wilderness and for teaching us your way of peace and love, as you have taught us through your Word and through the Saints. Guide us Lord into your arms today.

You are God, who led Your people out of Egypt, who came down from Heaven and rose from the dead, to bring everlasting life to all people. Give to us Lord your mercy and love so that we may share it with our brothers and sisters.

Provide us with priests, bishops and saints Lord, so that we may have examples to live by and holy ones to know in our age. Guide them to love and serve you, to recognise your calling, to embrace the teaching you offer them.

Amen

The Assumption

Wed 15th August 2018 6:08:54 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/15/the-assumption/

Our God invited me to Mass but I was too tired to attend. He led me into prayer and read the prefaces and scripture for the Mass. He asked me if I wanted to receive Communion and I said yes. He said to me:

“This is my body, which has been given up for you and for many. Do this in memory of me.”

I then held out my hand and He placed the Eucharist in it and I ate it.

He then said:

“This is my blood, which has been poured out for you and for many so that sins may be forgiven. Do this in memory of me.”

I then took the chalice and drank from it. He asked me whether I tasted His Blood and I said no. He then told me that this was because it was His Blood.

While I was praying before Mass I heard Mary Our Mother calling my name. God then provided me a vision of Our Lady holding the infant Jesus with a sceptre in Her right hand and She was clothed in blue with gold hem and red precious stones placed on the hem. Her veil was also blue with a gold hem and blue precious stones. She was beautiful and immaculate, with Her face shining brightly as though She had the divinity of God by her side.

Behind Her head and the head of the infant Jesus, shone bright halos shimmering vividly, as though the halo was made of amber and gold.

The sceptre she held had a rod made of a precious metal I could not recognise. It shimmered throughout its body in blue and gold. Above it shone a bright lamp in a glass bulb which was laced with gold and

above that was a four pronged crown encrusted with blue precious stones.

Praise be to God in the highest!

Jesus, I adore You

Jesus, I adore You. Grant us your peace on this day and change the hearts of those who want anything other than peace in Your Holy Name.

Then the Lord gave me these words to write through His Holy Spirit:

Give thanks to the One who created us
For in His image we were so created
Out of the dust He made us His own
In the midst of darkness we do dwell
His Great Light is calling us to the Feast of the Lamb

Then the Lord asked me to write His words:

“In the midst of darkness you do dwell, and you have seen my salvation in the light of my spirit.”

Alleluia! Glory be to God in the highest for granting us His salvation on this day. Alleluia!

Devotion to the Sweet Heart of Jesus

Our Lord said to me:

“Pray to my sweet heart for me to be near you and with you.”

Jesus showed me a vision of His Sweet Heart

Thu 16th August 2018 8:48:40 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/16/jesus-showed-me-a-vision-of-his-sweet-heart/

It was bright red in colour with a golden cross resting on top of it. On the cross was Jesus Himself. The heart had a belt of white roses with green leaves around its center and a pink rose resting between the heart and its belt with the flower pointing away from the top left of the heart and the stem of the rose pointing towards the bottom right of the heart. There were no thorns on the roses. Around the circumference of the heart was a garland of purple and pink roses, without leaves or thorns.

After praying the Devotion to the Sweet Heart of Jesus He showed me another vision of Him holding His Sweet Heart. He had a crown of red and white roses on His head and they had no thorns and a gold ring on His finger. He was wearing a gown which shone like gold and a brown rope belt around His waist. The Heart was shining brightly and light radiated out behind it. His left hand was holding His Heart underneath and His right hand was making the sign of peace.

The Lord said to me:

“The cross is my crucifix, and through my wedding feast to the church you have eternal life.”

He asked me to find someone to draw this vision.

Bring me to You, Lord

The Lord Our Saviour gave this prayer to me tonight:

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

The draw of Christ

Then I saw a vision of the infant Christ in His Mother's arms. He received the bible from the Almighty Father and gave it to a nun kneeling before Him.

She accepted the book and then I saw a gold chain with a golden crucifix hanging from its centre. The gold chain was held by God in His left hand and surrounded the nun who was drawn towards Him.

The cross and chi rho in the sky

Then I went to the garden and saw a gold cross in the sky. Then I saw a Chi Rho in the sky in gold where the cross had been. I cried with joy and put my possessions on the table and went to kneel on the grass. I thanked Our God for calling me, a sinner, to His Feast.

His Sacred Heart

Thu 16th August 2018 8:13:57 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/16/his-sacred-heart/

Then I saw the face of Our Lady, Our Mother, Queen of the Church. To Her right was His Sacred Heart with a cross above it. On each side of the cross were two crosses resting on them. Flames of the Holy Spirit were surrounding the crucifix and there was a ruby stone set into the centre of the crucifix which reflected flames of the Holy Spirit. There was a wound on the bottom left of His Sacred Heart which was bleeding. Around the heart there was a belt of thorns with a ruby stone set into its centre.

I began to pray to His Sweet Heart and I saw Mary had the infant Jesus in Her arms. He was lifted up to Heaven in Her arms and then the Almighty Father took Our Lord and put Him at Our Father's Right Hand. The Almighty Father had a staff in His left hand and the same ruby stone burning brightly that was on the cross of His Sacred Heart.

Then I saw two angels adore His Sacred Heart one on either side looking toward the cross.

The Living Heart of Jesus

https://wisdom-and-love.org/diary/2018/08/16/the-living-heart-of-jesus/

Then I saw Mary and she was smiling. She showed me a vision of the Living Heart of Jesus. It had a belt around it made of lace of all the colours imaginable. In the centre of the belt was a daisy.

There was a wooden cross resting on the Heart and a bright light shining behind it. In the centre of the cross was another daisy. Resting on the daisy was the infant Jesus with a gold ring hovering above him and a gold cross above that. Behind the infant Jesus was a light shining very brightly.

Above the wooden cross was another gold ring shining very brightly.

His crown of thorns had been broken to form a garland stretching around the upper half of the heart and pointing outwards from the left and right.

Devotion to the Sweet Heart of Jesus

Then Our Lord asked me to write down His prayer for us to say for the Sweet Heart of Jesus.

On the crucifix of a rosary say:

Our Father…
Hail Mary…
Glory be…

Then on the Our Father beads say:

Our Father…
Hail Mary…
In the name of Our God, have mercy on our souls and grant us peace in our day.

On the Hail Mary beads say:

1. O Sweet Heart of Jesus, how graceful thou art.
2. O Immaculate Heart of Mary, how beautiful thou art.
3. O Divine Heart of Mercy, how sweet thou art.
4. O Mary of the Immaculate Conception, how beautiful thou art.
5. O Living Heart of Jesus, how bountiful thou art.
6. O Humble Heart of Mary, how beautiful thou art.
7. O Sacred Heart of Jesus, how peaceful thou art.
8. O Mary Queen of Heaven, how beautiful thou art.
9. O Heart of the Almighty Father, how great thou art.

10. O Sweet Heart of Jesus, show us your great mercy.

The vision of His Most Holy Sacrament

https://wisdom-and-love.org/diary/2018/08/17/the-vision-of-his-most-holy-sacrament/

As I was praying to the Sweet Heart of Jesus I received a vision from Our Lord Jesus Christ of a Church, and then I saw its altar. Then He showed me placed on the altar was a monstrance with His Most Holy Sacrament of the Altar inside it.

He told me that I am called to the priesthood. He did not say when I would join seminary.

Thank you O Lord for calling me to praise and worship you in the Church.

He has taught me how to pray

Fri 17th August 2018 5:50:34 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/17/he-has-taught-me-how-to-pray/

Our Lord Jesus Christ has given me instruction on prayer this night. He asked me to keep praying the Devotion to His Sweet Heart and taught me how to hear Him in my heart.

While praying I received visions of some of His Hearts, I received visions of the infant Jesus, Mary and the Almighty Father and I have seen the symbol of Christianity in the sky.

Then the Lord told me to write:

In His wisdom He gives life to His Kingdom
In His Glory He has taught me how to pray
My life is now with God in the Church
Bring me to you, Lord, show me Your way of Truth and Life.

Then the Lord said to me:

“When you want me, find me in your heart.
Ask me to be near you, and never leave your side.
Ask me to take you to my great Light.”

The Lord provides me with rest

https://wisdom-and-love.org/diary/2018/08/17/the-lord-provides-me-with-rest/

Our God has asked me to sleep throughout the day and has woken me for meals. He has guided me into prayer with the words of His Sweet Heart.

Our Saviour and Precious Sacrifice has asked me to write:

“You have been given a gift that I have given to you.
Give to your neighbour what I have given to you,
give to them the devotion of my sweet heart.”

Thank You Lord, for the peace You have offered me, and the love You have shared. May You always be present in my ministry.

Grant me the gifts of Your Holy Spirit.

Then He showed me a vision of a cross set on an altar with a large halo surrounding the altar.

Prayer of His Sacred Heart

Our Lord then gave me a prayer to say to Him:

Lord, You are the giver of life,
the Fountain of all Mercy.
Grant us on this day your saving help,
for all those afflicted with suffering in this world,
and through Your way of Truth and Life,
grant us peace in our day.

Amen.

Jesus, I trust in You

Sat 18th August 2018 7:18:57 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/18/jesus-i-trust-in-you/

Yesterday evening before I made my way to sleep, Our Lord presented me with a vision of a crucifix to venerate. I venerated the wounds of God on the cross and prayed for Him to be near me and never leave my side, for Him to take me to Him and for Him to take me on the way to His Light.

This morning as I made my way to Church I got a taxi with a driver whom I told I had been receiving visions from God. The man told me that there was one God and many faiths. Our Lord told me to answer Him: it is true there is One God, but there is only one true faith, that faith is Christianity. I shared with Him the Devotion to His Sweet Heart that I had printed a copy of. Our Lord instructed me to ask Him to join me for Mass if he wanted to. Everything I said and did was what Jesus instructed me to do.

He then asked me what I wanted, what desire had He given me. I answered that I wanted to give the diary entries which He had asked me to print to my parish priest. He told me to deliver them and to tell my parish priest that they were a gift from God.

After the prayers of the Eucharist I saw a vision of His Blood in the three chalices on the altar. I kept seeing this vision throughout prayer before Communion. After receiving His Body and Blood and in prayer after Communion I heard the words from Taizé “Adoramus Te Domine” being sung in my thoughts. I prayed for Him to be with me and to never leave my side, for Him to take me to Him and take me on the way to His Light.

After Mass He led me to the statue of Our Lady in the Church and asked me to pray to Our Lady the Hail Mary and Hail Holy Queen. I then closed my eyes and saw the infant Jesus in Mary’s arms being raised up in her hands in the same way as the vision I had been given before of Mary and the infant Jesus, Our Lord.

He then led me out of the Church and He took me to a place to eat breakfast and listen to Him. He asked me what I wanted to do today, and I told Him I wanted to love and serve Him. He told me that is what I will do, and He will help me do it.

I returned home to wish my brother and sister-in-law safe travel. Our Lord told me to tell them what happened in Church when I received Communion and that what I had written will be verified as true by the Church. While praying at home I received a vision of my sister venerating the crucifix of Our Lord and He told me that my grandmother had taught the family to love and serve Him and that is what will be so. I prayed for Him to be near me, for Him to never leave my side. For Him to take me to Him and for Him to take me on the way to His Light.

Then my brother told me that He had concerns about the uncertainty of doing the Lord's work today and asked if I had phoned my F002. I assured Him Our God was with me and that it was a certainty.

I had again a vision of St Margaret Alacoque being drawn towards Our Lord with a gold chain around her and the crucifix resting on her back. I asked Him to bring me to Him, to show me His way of Truth and Life. I asked Him to be near me, for Him to never leave my side. I asked Him to take me to Him, for Him to take me on the way to His Great Light.

Then I had a vision of St Faustina and she was writing in her diary the prayers of Divine Mercy which God had given her to give to others.

Alleluia! For saving a sinner such as me through His Divine Mercy. Alleluia!

Bring me to You, Lord.
Show me Your way of Truth and Life.
Be near me Lord,
and never let me have another way of life.

Alleluia! For God has called me to His Feast where all who dwell in darkness are given everlasting life! Alleluia!

Bring me to You, Lord.
Show me Your way of Truth and Life.
Be near me, Lord
and never leave my side.
Take me to You, Lord,
take me on the way to Your Great Light.

He shows His Glory

Mon 20th August 2018 9:41:25 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/20/he-shows-his-glory/

Then He showed me the prayers of His Sweet Heart again and before my eyes were emboldened the names of Our Lord Jesus Christ, and the parts of prayer that He asked me to understand. I asked Him to be near me, to never leave my side. I asked Him to take me to Him, to take me on the way to His Light.

Then the words Sweet Heart were emboldened in this diary entry as I was writing it. Then the words ‘never leave my side’ were lightened.

Sunday

Tue 21st August 2018 7:39:15 pm GMT+01:00  Timothy

Then I saw a vision of me as a child in Holy Family Church being lifted up in the arms of Our Lord Jesus Christ so I could see the altar.

By His cross and resurrection He has set me free. He is my Saviour, whom I love.

Our God has asked me to talk to my peers and show them the ways in which He is helping them. He has told me to travel to see my cousins to share with His children the Devotion to His Sweet Heart.

His Sweet Heart is my life.
He is Our God, and I trust in Him.
Bring us to You Lord,
show us Your way of Truth and Life.

He wants us to ask Him to be near us and to never leave our side. He wants us to ask Him to take us to Him and take us on the way to His Light.

What the Lord has given us today

Sun 26th August 2018 12:28:46 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/08/26/what-the-lord-has-given-us-today/

Our God woke me at 5am to get ready for the train ride to see my cousins and I fell back asleep. I had had a dream in which He showed me three crucifixes one of which I kept searching for in the dream: an ornate crucifix made of gold. He has told me that the dream was given by Him and was to tell me to follow Him into His Holy Catholic Church.

I woke an hour before my train was due to depart. He took my feet and led me around the house to collect my belongings and He asked me to ask my F001 for help in packing my clothes for the journey.

I arrived at the station in plenty of time for my train and He gave me want of a sandwich and a coffee. I sat on the wrong platform waiting for my train at 8:39am, not realising it was arriving on the adjacent platform and then He gave me knowledge of this at 8:41am after the train had departed.

He told me to speak to a train attendant on the platform who told me they would allow me to travel on the next train at 9:40, and just to ask them when I get on the train. The Lord told me to ask them to change my ticket and led me to the ticket office to change my ticket. They offered me an excess amount to change my journey and I waited on the platform for the train to arrive.

He led me onto the train and to a seat next to a man who I saw had a Bible and was studying the Gospel of Mark. Our Lord Jesus Christ told me to ask the man if He was studying and I learnt he was studying to be an Anglican vicar like his father. Our God then asked us to talk about His Sweet Heart and the prayers He had asked me to give to him. I gave him copies of my diary entries and we prayed to Him using the words He gave to me.

When I arrived at my uncle's house I shared the prayers of His Sweet Heart with my cousins and told them that He will help them and He is with them.

He told me to take my cousin to the restaurant he wanted to go to and He asked me to only take what my cousin did not want. Our God gave me the gift of a small starter which satisfied the hunger Our Lord had given to me. My cousin offered me half of his meal but Our God asked me to refuse it, knowing that my cousin was hungry.

Our God told me to ask my cousin for his help in serving Him next week in London. Our God told me to tell him that He needs him to help me in talking with my parents to allow me to serve Him. Our Lord provided me with a vision of me hugging my brother, my cousin, who offered to help me talk to my parents.

He took the remainder of the meal with him and I dropped him off on the way back to my hotel.

I returned to my hotel room with a packet of crisps Our Lord offered me as a gift which satisfied the appetite He had given me and asked me to message my parents that I was back.

I saw they were awake and phoned them. I told them what I was being asked to say by Our God and they became anxious.

I prayed to Our God to grant them mercy and to free them from anxiety and He then asked me to tell them that I would not go to London next week. I then messaged my parents to tell them I would not go to London using the words Our God gave me to write.

Our Lord Jesus Christ then told me to call my cousin and ask him if he would like to join me for breakfast at the hotel. Our God also told me to tell him that He had told me not to go to London.

My cousin insisted he would contact my F002 and F001 to try and understand what their concerns were.

What the Lord has given to me in the last two weeks

https://wisdom-and-love.org/diary/2018/09/12/what-the-lord-has-given-to-me-in-the-last-two-weeks/

There is a lady who needed His help. Our God asked me to give shelter to her while she was finding a place to go to.

When she needed help from Our Lord He asked me to help her in any way I could.

I did only what I was asked to do by Our God in finding her temporary accommodation while she searched for flats, and offering her rent money. He asked me to ask my family for help in finding flats to rent and showing her around Manchester.

The Lord Jesus Christ said to me:

“Be her friend Timothy, know who has helped you, and know who has helped her too.”

Alleluia! Alleluia! Praise be to God in the highest! Alleluia!

He has given me gifts beyond what I had imagined, when I was lost and without hope He came for me and redeemed me.

The charity which He told me to found last year now has born fruit. Two people have been sheltered today, with food provided to them by the money Our God has given to me. He has told me to approach an old friend who has knowledge of someone who may help serve as a trustee.

Our Lord Jesus Christ finished my work for me this morning. He showed me things that I could not have thought of myself, and helped me finish the work quickly and on time just as He had been telling me for weeks.

Our Lord asked me to think of those who are homeless on the streets of Manchester and showed me some of the charities supporting people who are without shelter, food and clothing.

He led me to an old friend and He asked me to discuss the charity which He has asked me to found with him. My friend knows of someone who may be interested in becoming a trustee of the charity.

He asked me to buy flowers for my F002 which she enjoyed on my return home.

We now have over 21 people wanting to apply to serve the charity which Our Lord has given to us. He has asked me to take out more borrowing to purchase a vehicle to help those in need of His saving help.

What Our Lord has given us in the last two weeks

https://wisdom-and-love.org/diary/2018/10/05/what-the-lord-has-given-us-4/

Our God has helped me find a vehicle to donate to the charity. He has found for the charity servers and van drivers who will serve Him. In total we now have over 70 people who are wanting to serve Him in the charity.

He has asked me to approach a national bakery to provide food made from wholesome ingredients for the the homeless of Manchester, and they have provided the charity with a 20% discount.

Our God has asked me to pledge another salary over the course of the next year to pay for a full-time van driver to serve the charity. Winston is the Lord's servant.

Our God has asked me to write to the mayors of Manchester, members of the cabinet office and the managing directors of businesses present in the North West to ask for pledges for the charity.

The charity will serve the homeless on the streets of Greater Manchester on each Sunday morning in October.

Thanks be to God. Praise to you Lord Jesus Christ.

He has asked me to find a trustee to help serve Him in the charity. That trustee will serve Him too.

His words are Truth.

“I have asked my servant to be a person who will serve me by serving the homeless on the streets.
I will give to him what he needs.”

I will serve Him the rest of my life. And He will help me serve the people on the streets for the rest of my time.

Alleluia! Alleluia! All glory and honour and worship and praise to you my King, Saviour and Redeemer, Our Lord Jesus Christ forever and ever! Alleluia!

He showed me His Light

Mon 8th October 2018 9:30:28 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2018/10/08/he-showed-me-his-light/

He instructed me to look at an artist to draw the vision He gave to me of His Sweet Heart, and He asked me to email Reji Joseph, His servant.

He asked me to pray for Him to be near me, for Him to never leave my side, for Him to take me to Him and to take me to His great Light.

Then He asked me to open my eyes and I saw the darkness of the room. Out of the darkness appeared His Light and He was beautiful. He asked me to look around the room and He showed me moving in the room His Light and He was beautiful. I felt His presence in my heart and He comforted me and told me not to be frightened.

I saw a shadow in the darkness rest above my head and it was His arm and I was comforted. He brought me peace as I rested.

Then He asked me to check my emails and Reji had responded saying He would draw the image.

Thanks be to God! Alleluia!

https://wisdom-and-love.org/diary/2018/10/14/what-the-lord-gave-us-today/

Our God asked me to serve 60 sandwiches to the homeless on the streets of Manchester. Then Our Lord brought me back to my new apartment which Our Lord has given to me, which He has given to me in order to serve the homeless from the centre of Manchester.

He asked me to place the prayer card on the bed of the homeless people I found who were asleep, and to give five prayer cards to everyone who wanted one to share with their friends. It was shared on the internet and many people are praying for Him to be near them and to never leave their side.

Today He gave me rest and friendship and love and peace. He took me to my parents house to visit them and receive their love too.

Bring us to You, Lord, show us Your way of Truth and Life.

Our Lord Jesus Christ has found me a new place to be at peace. The place He has given me is filled with the things I have wanted my whole life. He has found me friends to be with.

He has sheltered, clothed, fed and given me laughter. He has loved me. He has known me.

He has shown me who I will be at peace with, and that is Him, my brother, my friend, Our Lord Jesus Christ. I love Him with all my heart and I devote my life to Him.

When I was in America and lost everything through my own fault, He has been with me and led me to where I am now. He has led me away from sin and Our God has given to me new life in Christ Jesus. He has saved me from my own destruction.

Alleluia! Alleluia! All glory and honour and praise and worship to Our Lord Jesus Christ who is in unity with Our Heavenly Father, and His majesty the Holy Spirit, forever more! What He has done for us in the last two days

Wed 14th November 2018 7:25:46 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2018/11/14/what-he-has-done-for-us-in-the-last-two-days/

He has sheltered, clothed and fed me. He has provided me with family who love me. He has given to me all that I have, and more. He has saved me from my iniquity.

Yesterday I was suffering from severe back pain and I had to wait in a walk-in clinic for an hour. The queue was long and I was seen by a triage nurse. As I got up I suffered excruciating pain in my upper body. The nurse informed me that I would be waiting for two hours. After visiting the triage nurse Our Lord told me to go to the pharmacy and tell them I needed something for the pain. Before I left the house He told me that the pain would be no more once I had taken a tablet.

Even before I took the tablet, the pain had vanished. The tablet did not do anything at all, it was Our God who took away the pain I was experiencing.

Today as I have been working from home, He has taught me to trust in His power. He showed me that He can do anything in His Kingdom, and He will do to save His people from their iniquity and suffering.

Alleluia! Alleluia! All glory and praise and worship to Our Lord the Redeemer, who saves us from sin and protects us from all pain and suffering. Alleluia! For Our God has taken away our tears and has led us to new life in His Kingdom! Alleluia! He will reign forever for His name is the Almighty Father, who is Our God, and His name is Jesus Christ, who is Our Lord and Redeemer, and His name is the Holy Spirit, who is Our Lord and Saviour! One God forever and ever! Alleluia! Alleluia! Alleluia! Amen.

He sent me to the prison today to visit one of His children. While I was waiting in the visitors lobby Our Lord Jesus Christ gave me His Holy Sacrament of the Altar and told me to say to the prisoner when I saw him: I have seen His Salvation, I have seen His Light, I have heard Him speak to me, I have known Him, I am His servant, I am His.

“I have given to you, Timothy, the gift of my salvation.
I have said to you to provide safety and comfort to those in need of my love.
You will have everything you need through the gifts that I will give to you.”

Our Lord Jesus Christ, you give to Your people the gifts that You give to me. I will love You with all my soul. I will praise You all of my days. I will serve You all of my life. My life is Yours forever more.

Alleluia! Alleluia! I have been granted Your Salvation. Praise to You Lord Jesus Christ! Alleluia! Alleluia! I have seen Your Light, and You are beautiful! You are the Light! Thanks be to God! Praise to You Our King, Our Messiah who takes away our iniquity, who sets us free from sin. Alleluia! Alleluia! The gifts I have been given, Our King the creator of Heaven and Earth, gives to those who need Him! Praise to You Our King the creator of Heaven and Earth! Alleluia! Alleluia! He has healed me and my suffering is no more! Praise and glory and honour to You Our King the Redeemer! Alleluia! Alleluia! Alleluia!

What He has given me today

Thu 6th December 2018 3:24:14 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2018/12/06/what-he-has-given-me-today/

There is another gift that Our Lord Jesus Christ gave to me this last two weeks. He brought me a solution to a problem I could not solve by myself through my own thought.

This morning as I was working on the project He has asked me to work on, He told me immediately all the things I needed to do to solve the problem. The thought was given to me by Him and it solved the problem I had been struggling for two weeks to solve.

I had tried everything I could think of to solve the problem and it was through His divine intervention that I have been able to finally make it work. Alleluia!

Today I received news from David that he has been healed. Alleluia!

He showed me His Sweet Heart again

https://wisdom-and-love.org/diary/2018/12/13/he-showed-me-his-sweet-heart-again/

He asked me to pray for peace with Him.

He then showed me a vision of the Sweet Heart of Jesus again.

I saw a crucifix behind which shone a bright light. Out of the light rose His Blessed Sacrament with which was inscribed His Holy Name.

Grant me peace, Lord.

“You are with Him, Timothy. As you were when you were with Him before.”

“Be with Him right now.”

Praise to you, O Lord, for I have seen Your Salvation.
Hosanna to you, O King, for You are our Light.
Praise to you, O Lord, for You are above all.

Then I saw a vision of Our Lady

https://wisdom-and-love.org/diary/2018/12/18/then-he-showed-me-a-vision-of-our-lady/

He asked me to say to Our Lady:
Hail Holy Queen of Heaven

Then He showed me a vision of Our Lady in my thoughts. She is beautiful.
She had a star resting on Her shoulder, it was the star of Bethlehem.

She held Him as an infant in Her left arm and wore a crown.

She is beautiful.

She is Our Mother, the Mother of Our God. All glory and praise to Our Lord for assuming her Immaculate Heart to Heaven. Praise and honour and glory and majesty to Our Lord. All glory and praise and worship to Our Redeemer, Our Saviour and Preacher. All glory to His majesty the Holy Spirit through whom the sins of the world are forgiven and in whom all glory is received.

By His majesty He has saved us from our iniquity.

Thy Kingdom come, Thy Will be done.

Then He asked me to be peaceful

He showed me a vision of Our Lady placing Our Lord Jesus Christ in a manger. They were beautiful.

Our Lord Jesus Christ, grant me the grace to be peaceful, and to help those who need Your saving help.

Our Lady, Salve Regina, pray that I may be granted God's saving help.

Alleluia! Alleluia! All glory and honour and praise is deserved by our God who lives and reigns forever and ever! Alleluia! Alleluia!

Then I saw a vision of Our Lady praying

https://wisdom-and-love.org/diary/2018/12/19/then-our-lady-gave-me-a-vision-of-her-praying/

As I was talking with my F001 Our Lord gave me words to say to him. He told me to tell him that the images on the wall were from descriptions people had written from the words God had given them to write.

Then Our Lady appeared to me radiant with all Her grace in my thoughts. She was stood praying and had a bright light shining behind Her head. She was beautiful.

Our Lord Jesus Christ, grant me the grace to pray for those who need You.

Our Lady, Queen of Heaven, pray for me that I may receive God's blessings.

A prayer from Our God

https://wisdom-and-love.org/diary/2018/12/21/a-prayer-from-our-god/

Our God gave me another prayer to pray to Him today, to ask Him to be with me, to ask Him to never leave my side:

I love You, Jesus, take my hand.
I want You, Jesus, be my guide.
I need You, Jesus, be my saving help.
I am Yours, Jesus, never let me go.
I am Yours, Jesus, You are all I need.
Be with me now, Jesus,
and never leave my side.

I saw His Light in my room

https://wisdom-and-love.org/diary/2018/12/22/i-saw-his-light-in-my-room/

He appeared to me in front of my eyes. He was light. He was beautiful.
The room went dark and He showed me marvels I could not fathom.
I could not believe what He showed me was real.
Then He proved to me He is everywhere.

He has helped me beyond what I could have dreamed of.
He is my friend and brother and He is everything to me.
He gives me all my desires for what I know is good.
He fills my mind with knowledge of what I should do.
He is everything to me.
Our Lord and Saviour Jesus Christ, I adore You.

Praise to You Lord Jesus Christ.

What He has done for us

https://wisdom-and-love.org/diary/2018/12/25/what-he-has-done-for-us/

While praying for His Grace before our evening meal on Christmas Eve, He told me to trust in Him to give me words to say to those He asks me to speak to.

He has provided me time for me to be with my family this Christmas. He has provided for my good friends, and asked me to send gifts for the people who need more than they have.

He has given me a loving family, whom I love with all my heart. He has given me friends I would not have been able to know had He not given them to me, who are my family in Christ. He has given me words to say to them all this Christmas, and to the Servers of the Charity.

Today we celebrate the Nativity of Our Lord! Alleluia!
Praise to You, Lord Jesus Christ! Alleluia!
Praise and glory and honour to Our Almighty Father, You sent Your only Son to be Our Saviour! Alleluia!
Hail Mary, Holy Queen of Heaven and Earth, forever and ever! Alleluia!
You bore a Son, Our Saviour, Our Redeemer, who came to take away the sins of the world. Happy are those who are called to His Feast! Alleluia!
Today we celebrate Your Son's Nativity! Alleluia!
Our Lord is born today! Alleluia!

https://wisdom-and-love.org/diary/2018/12/30/what-our-lord-asked-me-to-do-today/

“Show them the prayers that I have given you to share with them. Ask them to follow me.”

Alleluia! Praise and glory to Our Lord God who lives forever and ever! Alleluia! Through Him we can receive His Salvation! Alleluia! Through Him all good is done and all sin is forgiven, for He is Our Saviour, for He is Our Light, for He is the One Lord Jesus Christ in whom all things were created! Alleluia! Praise and glory to Him who takes us to Him, who takes us to His great Light! Alleluia!

What He has done for me today

Mon 31st December 2018 5:21:54 am GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2018/12/31/what-he-has-done-for-me-today/

He showed me the wonders that I have seen.
He showed me the glory of His Light.
He gave me the wisdom to share His prayer.

He took me through the work I was doing showing me how to solve all the problems that needed to be solved. It was difficult to comprehend how to solve the problems, and He gave me the knowledge to solve every one of them before I knew they all had been solved. He has helped me with everything in my work, and it is my duty to share what I will earn through my work with the Charity of Our Lady of the Lilies.

He taught me the Salve Regina to pray to Our Mother Mary. He taught me to say to Our Lady the Salve Regina when I need Her to intercede for me. Hail Holy Queen of Heaven, bring me someone to be my wife.

As I was gazing at the beautiful images of Our Lord and Our Lady, He showed me His Light moving in the image. Light shone around the heads of Our Lord and Our Lady in the images. Our Lord made known to me that the light from His Heart was moving in front of the image of Divine Mercy. I saw His Light of red and blue shimmering in the image.

In the name of Our God have mercy on us, and lead us to everlasting life.
In the name of Our God have mercy on us, and lead us to everlasting life.
In the name of Our God have mercy on us, and grant us peace in our day.

In the name of Our God, show us your great mercy.

Hail Holy Queen, Mother of Mercy

https://wisdom-and-love.org/diary/2018/12/31/hail-holy-queen-mother-of-mercy/

Then as I gazed at the image of the Immaculate Heart of Mary, She showed me her heart, hands and shawl moving. Our Lady was showing me Her Heart.

Then I prayed to Our Lady the Salve Regina, that I may be made worthy.

Ave, Ave, Ave Maria!

Tue 8th January 2019 6:12:18 pm GMT+00:00 Timothy

https://wisdom-and-love.org/diary/2019/01/08/ave-ave-ave-maria/

As I sang to Our Lady, Queen of Heaven, Her face began to move. Our Lord told me only to look at Her heart. Then Our Mother showed me Her heart moving in front of Her. Our God asked me to sing the words Ave Maria to Our Lady.

Her Heart was glistening with the radiance of The Holy Spirit. Her

Heart appeared to float in front of the image of Mary in full colour and three dimensions. I continued to sing the words to Ave Maria, but She asked me to stop. My voice grew weary and He asked me to look again at the image of Mary. Her Heart began to beat and He asked me why is Her Heart beating. He told me that She was full of life.

He then asked me to look again at Her Heart as I began to write in my diary. I saw reflections around Her Heart, reflecting light from The Holy Spirit.

Earlier in the day as I was praying the Salve Regina to Our Lady, I saw Him glowing in Our Mother's hair in the image of the Immaculate Heart of Mary.

Then I prayed His Sweet Heart and turned to Our Lord as Our Lady asked me to. I saw Him move in front of my eyes. He told me to go to the living room and step close to the large image of Him. As I was praying to His Sweet Heart His face turned towards me and He nodded at me and smiled.

Then He asked me to look at the image of Our Mother Mary again, and asked me to verify what I was seeing. I looked at the picture frame and saw the shawl of Our Lady move in and out of the frame. Her face, hands and Heart all appeared in three dimensions to me in front of my eyes.

Today as I gazed at the face of Mary, Queen of Heaven, She showed me many faces in the image of Her Immaculate Heart. First there was an older woman I had not recognised, Our Lord told me it was Mary later in Her life. I then saw St Teresa of Calcutta wearing her veil.

Thank you St Teresa, for showing me your face, and for being with those who needed His help. I pray, St Teresa, please intercede for me to Our Lord Jesus Christ, so that I may be made worthy to serve Him as you did for so many years. Please help me serve those afflicted with suffering and poverty, as you did with the help of Our Lord.

May I know you more and more.

Ave, Ave, Ave Maria! Ave, Ave, Ave Maria! Immaculate Mary our hearts are on fire! That title so wondrous, fills all our desire! Ave, Ave, Ave Maria! Ave, Ave, Ave Maria!

Salve Regina. Dominus tecum.

“Venerate my image, all who seek the Kingdom of God.
This is my Immaculate Heart.
Ask my Son to be near you, to never leave your side.”

These are the words Our Lady said to me as I gazed upon Her smiling face.

“My image is to be adored.
Salvation is given to those who adore Him,
I am in Him, and He in me.”

These are the words Our Lady said to me as I gazed upon Her Immaculate Heart.

“Believe in Him. He is with you.
My Immaculate Heart is venerated by the Church.
Venerate me, and know that I am with you.”

Praise to you Lord Jesus Christ.

Hail Holy Queen, Mother of Mercy!
Hail, our life, our sweetness and our hope!
To you do we cry, poor banished children of eve.
To you do we send up our sighs,
mourning and weeping in this vale of tears.
Turn then most gracious advocate,
your eyes of mercy toward us,
and after this our exile,
show unto us the Blessed fruit of your womb, Jesus.
O Clement!
O Loving!
O Sweet Virgin Mary!

Pray for us, O holy mother of God.

So that we may be made worthy of the promises of Christ.

Be with me Lord, now and forever

“I am with you, Timothy, I am by your side.
Love my people, as you adore me.
Be with me one day.
I am your God, Timothy.
Be with my people in the way which I show you.
Love them and serve them in the way which I am teaching you.”

I will serve you, my God, all of my days. I will love your people until my last breath. I will be redeemed from my iniquity through your saving help. Grant me, I beseech you, O Lord, one more grace from your bounty. To love and serve my neighbour until my time has come to go to You.

Give to me the gift of service, to love and serve You in Your Kingdom. In Your service give to me what I need to serve those in need, to help those in danger and protect me from the danger I face myself, to serve You for my entire life until my life is complete and the hour has come to go to where You dwell.

I am Yours forever, my Lord, please give me the will to serve You forever.

Grant me the will to love and serve Your people, those who are in poverty, those who are in need of Your saving love.

“I am with you, Timothy.”

Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the way to Your Light.

The suffering Jesus has foretold

https://wisdom-and-love.org/diary/2019/01/22/the-suffering-jesus-has-told-me-will-be/

“I will give to you, Timothy,
all that you know I have given to my people before you.
They are with you too, Timothy.
My will is for you to be free from trial and tribulation,
for those who persecute me to take leave of what they are doing to me.
My servants you know of from my Church have suffered abuse and humiliation throughout the ages, and it is time for you to hear from me what is to happen to you.”

“You will suffer more and more because of me,
you know not how much suffering this causes to my sweet heart.”

O Lord my God, I am Your willing servant. The suffering I might endure in Your Name is nothing because of the gifts I am receiving from Your Spirit. Make me worthy, O Christ, to suffer the abuses that society will bring upon You. Make me holy, O Jesus, and lead me to Heaven.

Your Sweet Heart, my Light and my Life,
be near me right now, another night more.
Be near me now, Jesus, in Body and Spirit.
Be with me I ask You, to bring me to You.
The Sweet Heart of Yours, is with me I pray.

Jesus Christ called me in the night

https://wisdom-and-love.org/diary/2019/01/23/jesus-christ-called-me-in-the-night/

The Lord God has spoken to me in the night:

“I have given you all that you need to be my servant.
Go now and be with my people who are in desperate need of my help.”

“There is more for you to know.
I will be with you right now.”

“Be with my people right now, and know that you are serving me.”

“Timothy, you are mine.
Be with my people right now.
Answer the calling I have given you.”

“Give to those I love the gifts I have given to you to share with them.
They are my people.
Their suffering is known to me.”

“They are with me, they are in me and I in them.
Share the gifts you are receiving with all my people.”

“Be with my people.
They are in desperate need of the help of my Church.”

We need you now O God.
Be near us now, Lord, and never leave our side.
Be with us we pray, right now and forever.
The Sweet Heart of Yours, is with us we pray.

Bring mich zu Dir oh Gott,
zeig mir den Weg von Wahrheit und Lebens.
Sei bei mir oh Gott,
und weiche nie von meiner Seite.
Nimm mich zu Dir oh Gott,
nimm mich mit auf dem Weg zu Deinem Licht.

This translation was given to me by Our Saviour and Redeemer Christ the King. He gave these words to His Servant, Elfriede.

Thank You, Lord Jesus, for showing me Your Servant, Elfriede.

The dream Our Lord gave me

Sun 27th January 2019 9:34:17 am GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/01/27/the-dream-our-lord-gave-me/

He sent me to sleep this evening and gave me a dream in which I was cocooned in a tent. He warned me of a flood that was about to happen and told me I would be kept safe. He told me there was water and I received an image in the dream of a pipe bursting. This caused a flood and the tent I was in was washed into the sewers underneath a city. In my tent I was safe from harm and I saw a statue of Our Lord Jesus Christ above me on a large glass ceiling.

He asked me to pray to Him and I began to pray the Our Father.

He told me in the dream to inflate a life raft and told me to hold on to the handle of the raft's inflation cord.

He then woke me and above me in the room shone His Light as though like a constellation on the ceiling. He was beautiful. I continued to finish praying the Our Father and then He told me to stop prayer.

He sent me to sleep again and showed me water rising. He told me to know there was water and woke me again to see His Light shining in my room like shards of quartz.

My F001 then phoned me and disbelieved everything I told him had happened in my sleep.

Wayne’s vision of Our Lord Jesus Christ

https://wisdom-and-love.org/diary/2019/01/27/waynes-vision-of-our-lord-jesus-christ/

In the name of Our God, have mercy on our souls and grant us peace in our day.

Our Lord spoke to my brother Wayne and granted him the gifts of His Spirit. He provided him peace and told him to rest. He is with Wayne and his partner.

There is a vision of Our Lord Jesus Christ he received from Him in which he was asked by Our God to be at peace. Our Lord told him He is with him.

Thank you Lord

Sun 27th January 2019 11:15:30 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/01/27/thank-you-lord/

“I have given you another gift.
Find this woman and make a family of your own.
Find this woman and make her your wife.
Find this woman and bring me your children,
and your family will be blessed.
I will make a home in their hearts,
they will be mine.
Call them what you will know they will be for me.
These are your children.”

He showed me a beautiful woman who was younger than I and four children, one of which looked like my sister at the age of two. Another who looked like the woman I will marry. He showed me two of our grandchildren one who looked like the woman I will marry. Their mother wore a gold crucifix pendent on a chain around her neck.

Bring her to you, Lord.
Please be her friend, as you are mine.
Please bring me this woman, Lord.
Please give her what she needs.

“She will have what she needs from my bounty.”

“This is your wife.
Love her with your whole heart,
and never let her go.
There is a way to meet her,
find her soon with my help.”

Alleluia! All glory is Yours Our Heavenly Father! All glory is Yours Our Lord Jesus Christ! All glory is Yours in the name of Our God, His Majesty The Holy Spirit! Alleluia!

The Lord God promised us these children

Sun 27th January 2019 11:30:00 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/01/27/the-lord-god-promised-us-these-children/

Then Our Lord asked me to rest and I went to sit in the dark in peace.

He then showed me the image of a beautiful young girl about 4 years of age who looked like the woman who will be my wife. He made known to me that the girl would be our fifth child. I recognised grass she was standing on and the walkway from films set in Manhattan.

“This daughter is your child.
She will be for me the great grandmother of a holy man.
The fourth child will be another daughter of yours.
Three other children you will have together.
They will all be blessed in my Holy Name.”

He then showed me the man one of my daughters will marry and they will have at least one daughter.

“This man will love your daughter.
Be his father, and share in the joy of their children.”

“They will have one child who will be for me a holy woman who will serve my Charity and provide shelter, food and water to the people most in need of my saving love.”

He showed me the woman that will be our daughter in a wedding veil with her husband by her side, and He told me that I would have help speaking His word at her wedding.

He then showed me one of their grandsons at the age of 74 at a fund raising gala. He told me this man will be loved and he will be entrusted with His Charity by Our Lord Jesus Christ. He was presenting an award to an elderly lady who was sat down in the

audience.

He showed me the woman who would become the grandmother of His Servant, my wife's daughter. She was holding her grandson in her hands and looked at him with joy. She had many similarities to my paternal grandmother.

"You will be bringing to me many children.
This is the promise I give to you and your wife."

Our Lord Jesus Christ, please let it be so.

I adore thee, my Lord God. Thanks and praise to you, forever more.

Another daughter of Our Lord

Sun 27th January 2019 11:30:57 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/01/27/another-daughter-of-our-lord/

Our Lord gave me rest before dawn and He filled the room with His Light. His face appeared to me in His Light and He comforted me.

Then He showed me a vision of Our Mother Mary in a beautiful white veil and blue dress baptising children alongside another woman also dressed in blue. They looked alone in the wilderness baptising children in the shimmering light of a large stone baptismal font. Out of the font appeared an orphaned boy of 8 years of age and he was lost and alone.

That child was mothered by Mary.

O Lord, give to us a saint from your brethren who will mother these children as Your Mother Mary does.

“Another child of yours will bring into the world a daughter.
She will add to my brethren.
This daughter of mine will serve my Charity.
She will offer her life to me.
She will want for nothing.”

Thank you, Lord, for this great gift for our children. She will be a blessing to our child.

Then I saw our grand-daughter praying before Our Lord and Saviour Jesus Christ. He placed His hands on her head and out of them shone His Light.

Our Lord held her in His arms and she was comforted.

Then appeared His Holy Crown of Thorns on the head of Our Lord and I saw Our King crucified on His Cross. His flesh became black with the blood of His Scourging.

He made known to me that my grand-daughter will receive great visions from Him and she will offer her life to Him.

O Lord, please shelter this child of yours from persecution and give to her the gifts of Your Spirit.

“This child will be oppressed by the society of her day.
She will become for me a holy person.
Teach her father to give to her the bosom of my Divine Heart.
Show to me this child, and she will be blessed.
My Will is for this child to be taught by me.”

Thy Kingdom come, Thy Will be done.

Alleluia! Alleluia! You are giving your people who suffer another servant to be Your Own. Alleluia! All praise and glory to Our Saviour, Christ the Redeemer! Alleluia! Alleluia!

Then Our God asked me:

“Do you want for this woman to be your wife?
Do you want her to mother your children?
Do you want her?”

I do, my God.

“I have given this woman to you, Timothy.
This woman is yours, and you are hers.
Provide her with the gifts I give to you.
I will keep her safe.”

Thank you, my God.

“She will hear from me, very soon.
Trust in me.”

“You will take an apartment in Manhattan.
Fill it with love for me.
Never disobey my word.
There will be work for you that I will find.
Be near those who need my saving help.”

Lord, I am Your willing servant. Please show me Your way of Truth and Life.

https://wisdom-and-love.org/diary/2019/01/28/the-last-words-nanna-spoke-to-me/

“I have taken you through this period in your life.
Your family have not known anymore than what they knew.
Those people who injured you, my beloved child,
they do not know more than what they knew.
Forgive them for what has happened.”

“Your grandmother spoke my word to you,
she was speaking in me the last time you saw her.”

The Lord spoke those words to me again, and I knew it was true.

“All you need to do is trust in me, that is all you need to do in your life.”

“My child, be near my people in the lands which need my help.
There is more you know which I have told you.
They need me.
They need my love.
They need my peace.”

The dove rested above my head and I saw the pink rose of His Sweet Heart held in its mouth.

They are with me right now.
You do know I have spoken.
They will know too.”

Thank you, Lord, for being my friend and for sending me to help your people.

“I am with you, my Mother is with you,
be my child forever,
I will take you to me.”

Thank you, God, for being with me.

“Where are you now, Timothy?
They are no longer going to harm you.
Whatever they want, they will always make you mine.
I am with you.”

She will be for me someone who you know is with me too.
There will be more you can know right now.”

“I want you, Timothy, to be my disciple.”

Thank you, Lord, for fulfilling the promise You gave to me that first night You spoke to me when I was praying before Your Crucifix in the room my grandmother prayed too.

They will venerate my image in their lifetime.”

“Go now and turn yourself in.”

“They will not know why you are wanting them to cause you suffering.
Tell them My Will be done, on Earth as it is in Heaven.”

“You do know I have given to you, everything you know is true.”

“They will harm your body,
they cannot destroy you.”

“They will mock you,
they cannot truly humiliate you.”

“I am with you.
No man will do harm to you.”

“They will take everything you have,
keep the gifts I gave you yesterday,
take those chargers too.
You will know miracles will be performed when you are there.
Chronicle these in your diary.
My people will want you to write more about me.”

The help Our God is giving to His people

“My sweet heart has been revealed to my Church.
I am speaking with my servants, right now.”

“They will know, because I will speak to them.
They will know, because My Will is so.
They will know, because My Word is in their hearts.”

“My sweet heart is my love for my people.
My sweet heart is the end to the suffering of my people.
My sweet heart is with those who pray to me.
Ask for my Sweet Heart, it is for my people.”

“Ask for me to take you to me.”

“My love for the world is never ending.
I am with my people anywhere they are in need.
Such is my heart with unending love for my people.
I will give you, Timothy, what you need to build a family for me.”

“My people are in desperate need of the help of my Church.”

God has spoken

Tue 29th January 2019 6:43:17 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/01/29/god-has-spoken/

“My dear child, the time is now for you to know the truth of what happened to you in hospital.
You know the suffering that you witnessed in the hospitals you were sent to.
People were suffering at the hands of those cruel laws.”

This is what the Lord God says to the mental health system:

“These people need to be released.
My Will is for all people to be free from the laws that bind them to what you are doing to them.
My people need me to speak the truth to them about what these laws you use are doing to those who are in need of my help.”

“Be at peace, this is all my people need.”

To all those incarcerated by the mental health system, the Lord God is speaking to you:

“Help is near for you, my suffering children.
My Church will plea for your release.
There is more that they need to do to give you peace.”

To psychiatrists, psychologists, nurses and workers, the Lord God has spoken His Solemn Word:

“Medicate no one, instead give them your love and care.
Imprison no one, instead visit them in the comfort of their homes.
Tell no one they will abandon my people, instead support them and preach my Gospel.
Never teach my people, who want me, to abandon their faith in My Word.”

“There is no more than asking for me to heal you.”

These are the words spoken to me by the Lord Our God, Our Creator, who is suffering with His people.

The Lord has spoken

https://wisdom-and-love.org/diary/2019/01/31/the-lord-has-spoken/

“I have spoken to you, Timothy.
There are people who need to know more than they do about who I am.”

“Be near those people and know they are my children too.”

“Remember the promise I have made to you today.”

And the Lord God showed me destruction

Sat 2nd February 2019 7:08:12 am GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/02/and-the-lord-god-showed-me-destruction/

I wrote what the Lord Our God told me to write.

He then asked me to look above the horizon and He showed me one bright white star, burning brighter than any star or planet I have ever seen before.

Then to the right was a burning globe, above the horizon, it was being destroyed by explosions. After a few minutes it settled to a burning ember.

This is what I saw.

The star and crescent moon in the sky

And as the sun rose the Lord Our God created a beautiful sky.

The star which shone brightly had risen further in alignment with the globe which had turned white and shone like a star.

A crescent moon appeared in the east.

The Lord Our God spoke to me and said:

“Peace to my people.
Peace to my people.
Peace be with you all.”

The Lord Our God commands you

There is more that I have been told by the Lord Our God of the apocalyptic revelation of His Servant John.

“Mecca is not the birthplace of a prophet.
Ishmail is not the father of Mohammed.
Arabia has been no more than sinful.
Listen to me, my servant.
Write what I say.”

There is wrath upon those people.

Listen and know what the book of His revelation says to you.

What line of succession does Mohammed claim?

He claims birth right to the Kingdom of Israel through Haggar’s son Ishmael.

Abraham’s descendants were many. The promise of Israel was given to them. They knew not at the time of Mohammed that carbon dating would prove him wrong.

The Universe was created, Our Lord provided all people with the gifts we have.

Use the gift Our Lord has provided in the last 100 years to analyse that rock.

Read, think, and understand to those who will know. The Universe was formed with His Own Hands.

Believe, He gave all we need to be His children.

Ishmael was sent away by Sarah, and they were sent by Abraham to the desert.

I adore You, Jesus

“I have given you, Timothy, these words to write.
Send them to my servant, your Pope, and ask him to pray for My truth.”

“Be my child, I love you.”

“Be my servant, there is more for you to know.
My people need the help of my Church.
Be with them and answer their questions.
I will speak to my people and help them, through My Word.”

“This is what I have asked you to do.
They will know this too.”

Italy 2019

https://wisdom-and-love.org/italy-2019/

This is the journey into the final detention under the Mental Health System of the UK Government, the NHS.

It is a truly awful time that I was to suffer, and Jesus took me into the safe haven of Italy in the night, to write words that would eventually free me.

Every word written is from Our King Jesus Christ.

The words my friend, Jesus Christ, consoled me with

https://wisdom-and-love.org/diary/2019/02/04/the-words-my-friend-jesus-christ-consoled-me-with/

“Be at peace, my dear child.
They will try to keep you away from the word of Truth.
My people will soon know that you are who I have asked to serve me.
Your parents will be with me one day too.
Know they don’t know what they’re doing.
There was a time when you did do very wrong.
That time is not now.”

Thank you, Lord Jesus, I am grateful for your saving help.
Please be with me in this time.

With Him I fled

Tue 5th February 2019 1:19:23 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/05/with-him-i-fled/

He asked me where I wanted to be. I said I needed to flee this country.

To Church He took me, and there was no one to help but Him.

I needed food, shelter, water and safety.

Only in Him can I trust.

Wanting to find a train

https://wisdom-and-love.org/diary/2019/02/05/wanting-to-find-a-train/

All my cards were blocked, even with money on them.

There is no other help than from Our God.

My friend, Jesus, shelter me and feed me. Show me the way to the city and find me the Church.

“My child, Timothy.
Find the path that I show you.
It is the way to Rome.”

How will I find Rome, Jesus, when it is so far away?

“You will walk the distance and ask my Servants one question: ‘do you follow me?'”

Making the way to Rome

Tue 5th February 2019 6:18:46 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/05/making-the-way-to-rome/

There was no more I could do than ask Our Lord to take my hand and show me the way to Rome.

Our Lord, please show me safe passage.

I believe in Your power and might.

Along this path I choose to follow You.

Praise and glory to You Lord Jesus.

I adore You, thank you for teaching me to live with only You.

The water He provided in abundance

Tue 5th February 2019 6:20:02 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/05/the-water-he-provided-in-abundance/

He asked me to sit by Michael and I shared with him the music Our Lord had given to me. He gave me a friend for my journey to Him.

He showed to me the man Constante and his wife. He told me to ask for water and the man looked into his heart and Our Lord spoke to him.

The man and his wife provided me water and the love of Christ.

Praise to you Lord Jesus Christ.

Alleluia!

I gave Constante the prayer of His Sweet Heart to share with his wife. They walked away knowing the service they did to Our God.

Peace be with these people of Rome, the beautiful loving people of His.

I adore You, Jesus. Please show me the way to the city.

My account of exile from England

https://wisdom-and-love.org/diary/2019/02/06/my-account-of-exile-from-england/

My name is Timothy. My journal is true. The Word is with Him.

Isaiah 43:19 NIV

The vision I received when the Polizia entered my room

Wed 6th February 2019 11:19:38 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/06/the-vision-i-received-when-the-polizia-entered-my-room/

Our Lord God soothed me to sleep. He showed me a golden line through the door frame of the room and told me that the room is sealed with His Light.

Then I went to sleep.

Sometime in the morning I woke in His Spirit. I saw a tall well dressed man whose name was Jesus. The light was on in the room and I recognised Him. He stared at me and told me to be frightened, I screamed.

I then saw one Polizia and did not understand why I had anyone in my room. I looked around and began to see more Polizia. I was terrified to find my own hotel room invaded in the middle of the night.

I asked them “why are you here?”, “who are you?”, “what wrong have I done?”

They could not respond as I spoke no Italian.

They asked me to go with them and they took possession of everything I had in the hotel room.

“This is My disciple.
It was wrong for the people of the Police of the state of the United Kingdom to issue a search warrant for someone who had been in contact with his accusers the previous day.
He needs asylum with My servants in Rome.”

“My dear child, Timothy.

These were what was to happen.
You knew no more than what you needed to believe at the time you needed peace,
be at peace tonight.”

Thank you, Jesus, please be my friend.

The Lord Jesus Christ is calling

https://wisdom-and-love.org/diary/2019/02/07/the-lord-jesus-christ-is-calling/

This is the Word of God.

He has given to me these words to write. No words have I missed.

He has asked me to write what is true.

This is what the Lord God says to His people:

“My people of Rome.
My people of Europe.
Leave your way and follow Me.”

This is what the Lord God says to His people:

“My people of the City.
My people of the towns.
My people of the country.
Listen to My Call.”

The is what the Lord God says to His people:

“This is what you need to do:
Follow Me.”

The distance He has given me

Thu 7th February 2019 11:55:36 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/07/the-distance-he-has-given-me/

He has asked me to write His Word:

“Be with My people of this City.
Be with My servants, of this Country.
There will be many sights that you will find.
Be travelling My Way of Truth and Life.”

“This is your Pilgrimage to My Truth.
This is your time to be with My people.
This is My gift to you.”

“My people will help you.
You know only one town, there will be many people to see.”

Where do I go from here, Lord Jesus?

“The way to My people is long.”

Please help me, Jesus, I don’t know the Way.

“This is the Way I will show you.
Torrita Tiberina is where you will leave to next Sunday.
There is more than you know about My people.
Ask My servants to give you help.”

I am afraid, Lord, I do not know the Way.

Please give me the gifts I need to travel the distance to Torrita.

“Be at peace.
There is one way to receive My Servant’s help.
Ask me and you will receive.”

Thank you, Lord, for this gift of Your Way.

Bring me to You, Lord,
show me Your Way of Truth and Life.
Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

The Lord God says to His Servant, the Bishop of Shrewsbury:

“This is My apostle, he has been taught by Me.
My Will is for this man to go to Rome.
Ask My servant, Stephen, to witness My Miracle.
He needs to find more in Rome.”

This is the Lord Jesus Christ speaking to you, Bishop Mark:

“There is time for My Church to be with My Servant, Timothy.
This time you will see My Truth.
Peace be with My people of My Holy See.”

This is The Holy Spirit speaking to you, Father Stephen:

“Find the next flight to Fiumicino and stay with My apostle.”

Listen to the Lord God.
Pray for His Truth and hear Him.

Bring me to You, Lord,

Be near me, Lord,
and never leave my side.
Take me to You, Lord,
take me on the Way to Your Light.

The three dreams Our Lord gave me

Sat 9th February 2019 2:26:28 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/09/the-three-dreams-our-lord-gave-me/

This afternoon He sent me to sleep. He showed me three dreams.

This was the first one:

There was a road to Rome and many people followed His Way. I was with my friends, His Servants, Wayne and Tracey. Tracey had conceived a child and we were all celebrating. Then we made our way to Rome and a red haze fell upon the city of His people.

I saw to my right a vision of myself walking on the Way and He told me He is watching over me.

This was the second dream:

He showed me a Muslim child who had gone to their father and asked him about Jesus. The father chastised the child and told him not to know anymore from His Word.

This was the third dream:

He showed me a beautiful 8 year old Palestinian child who was thirsty, starving, and in need of medicine. She was in tears and had bloodshot eyes.

Our Lord spoke to me and told me to write down what I had witnessed in these dreams.

The next dream He gave me

Sat 9th February 2019 6:28:30 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/09/the-next-he-gave-me/

He sent me to sleep once more after those three dreams. I slept for several hours.

In the dream He gave me He showed me His hand placed on a sleeping man's forehead. He spoke the words "Wake up." and the man woke up.

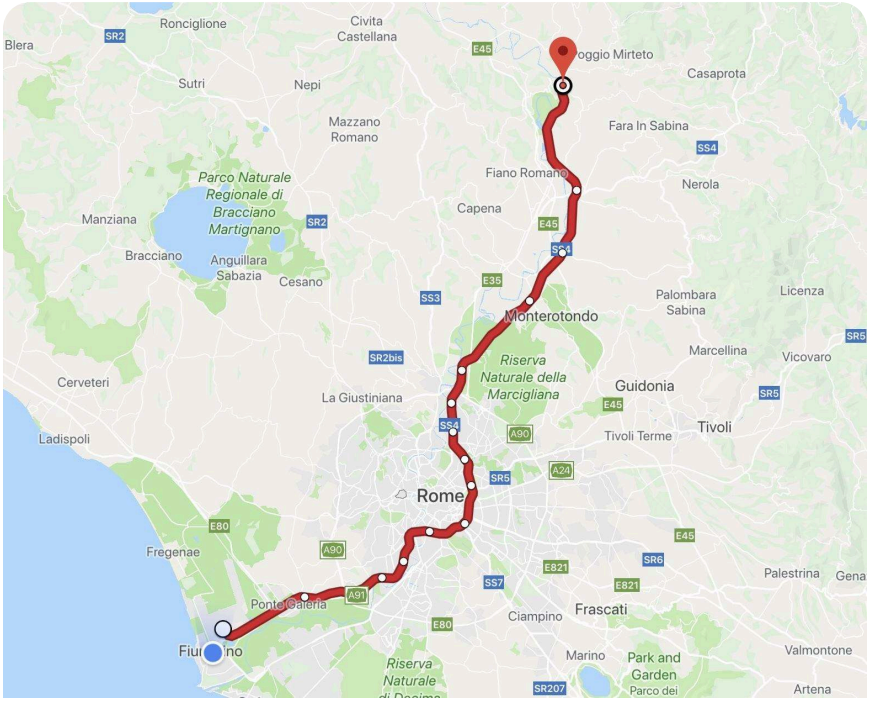

He then spoke the words "Wake up." to me, and I was awake.

Jesus, please wake those who are asleep.

The route I am going

Wed 13th February 2019 2:26:34 am GMT+00:00 Timothy

https://wisdom-and-love.org/diary/2019/02/13/the-route-i-am-going/

I am heading on Sunday 17th February to Torrita Tiberina through Rome.

I will be leaving the hotel in the morning and making my way by bus and train to Poggio Mirteto.

I will be staying in a guest house in Torrita Tiberina near the local Parish.

Thank you, Lord Jesus, for giving me this time.
Thank you, Lord God, for taking me on Your Way.
Thank you, my Brother, for showing me Your Way of Truth and Life.

“This is your time.

Be near me, and be My apostle."

This evening He gave me want of a coffee. It was 2am in Fiumicino, and there is no where I knew of which was open. I asked at the hotel lobby where I am staying and the kind gentlemen at the desk told me to head to the water front.

As I left the building and began to follow the man's directions, Our Lord took my feet and showed me the way to the hotel next door.

I explained to the man behind the concierge that I was not their guest and asked if they could offer me a coffee in return for money.

The hotel concierge offered me a warm coffee and I offered him thanks and God's Blessing.

"This man helped you,
and He is My servant.
Be with him, my child, and thank him for his kindness."

Please show me Your People, Our Lord.
Please shelter me from harm.

Thank you, Lord Jesus, for providing for me.
Thank you, Lord God, for giving me what I want.
Thank you, my Friend, for offering me this gift of Your Way of Truth and Life.

This evening Our Lord sent me to the names and addresses of solicitors in Europe who may help me defend my case of defamation by the British government.

I will find out tomorrow from Our Lord what else is to be done for this.

Thank you, Lord Jesus, for sheltering me from harm.
Thank you, Lord God, for giving me what I need.
Thank you, Our Lord Jesus Christ, for everything I have.

"Be near me, Timothy,

I am with you.
Be near me, My people,
I am with you right now.
Be near me, all people,
My Peace is given for you."

I adore You, Jesus, I trust in You.
I love You, my Brother, my life is Yours.
I adore You, Our God, please show me Your Way.

"This is for My People.
The Way of My Truth, The Way of My Light, is for all people.
The Way of My Peace, is for all people.
The Way to Me, is to find Me in prayer.
Find Me in your heart, and know I am with you.
Find Me in your life, and know what I do for you.
Find Me, Love Me, Adore Me.
This is for everyone to know who I am."

Thank you, Jesus, for the gift of our lives.

This prayer is given to me by Our God:

Bring me Your Truth, Lord.
Bring me Your gifts, O Jesus.
Bring me Your love, my Friend.

“This is for you, Timothy, to share with your family.
This is for your parents, your brothers and sisters.
This is for your cousins, your uncles and your aunts.
This is from Me.
This is My Prayer for you.”

Thank You, Lord Jesus, for being with us.

On His Way of Truth and Life He gave me the Italian translation to His Prayer

Thu 14th February 2019 12:00:39 am GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/14/on-his-way-of-truth-and-life-he-gave-me-the-italian-translation-to-his-prayer/

Portami da Te, Signore Dio,
mostrami la Tua Strada di Verità e Vita.
Sii vicino a me, Signore Dio,
e non lasciare mai la mia parte.
Portami da Te, Signore Dio,
portami sulla Strada della Tua Luce.

This was given to me by the Lord Our God and His servant Livio of Fiumicino, Rome.

Thank you, Lord, for showing us Your Way of Truth and Life.

Leaving Fiumicino, Rome

Thu 14th February 2019 8:47:37 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/14/leaving-fiumicino-rome/

I would like to thank the people of Fiumicino who have hosted me for the last two weeks. I am very grateful for your hospitality and kindness.

The Polizia of Fiumicino treated me very much with kindness and compassion, and for this I give my thanks to the Lord Our God.

There was more that happened in Fiumicino, Rome than I could have possibly have wished for.

My parents came and delivered me gifts from The Lord God of another week's stay in Fiumicino and wonderful meals from The Lord's Table.

He has been with me, sheltering me, feeding me, providing me with water.

Thank You, Lamb of God, I adore You.

"This is My Pilgrimage of Truth and Life.
This is your time.
Be here with me in this Country of Italy.
This is where you will find peace.
This is where I have prepared gifts for you.
This is where I have given you your freedom."

I adore You, Lord, for you have saved me from the clutches of those prisons of England.

Thank You, Lord, for setting me free.

Thank You, Jesus, for everything.

Bring me to You, O Jesus,
show me Your Way of Truth and Life.

Be near me now, Jesus,
and never leave my side.
Take me to you, O Christ,
take me on the Way to Your Light.

“Tomorrow your gifts will be near you.
Be with me through this journey to Turin.
Be with me on My Way of My Truth and My Life.”

I love You, Jesus, I adore You.

Dio ti benedica, gente di Fiumicino

Fri 15th February 2019 4:10:00 am GMT+0:00 Timothy

https://wisdom-and-love.org/diary/2019/02/15/dio-di-benedica-gente-di-fiumicino/

Thank you, Lord Jesus, for showing me Your People here in Fiumicino.
Thank you, Lord God, for showing me Your kindness in the people of Rome.
Thank you, O Holy Spirit, for giving me shelter, food and warmth for two weeks in this beautiful town of Fiumicino.

Tonight Our Lord gave me want of a coffee from the place I went before, but the man I received this gift through was not there tonight.

Our Lord asked me to walk on His Way of Truth and Life to the waterfront where I asked people on the way if they could provide me a coffee in the early hours of the morning. Everywhere was closing.

I came across a man at the waterfront who pointed me to a bar which was open at 2am. Our Lord took my feet and walked me into the bar and a very kind gentleman named Valentino served me a black coffee and a delicious chocolate cone. I offered him money but this gentleman Valentino refused and gave me both of these gifts. I offered him the prayer card Livio had printed for me in the hotel reception, but he declined saying he did not believe in Our God.

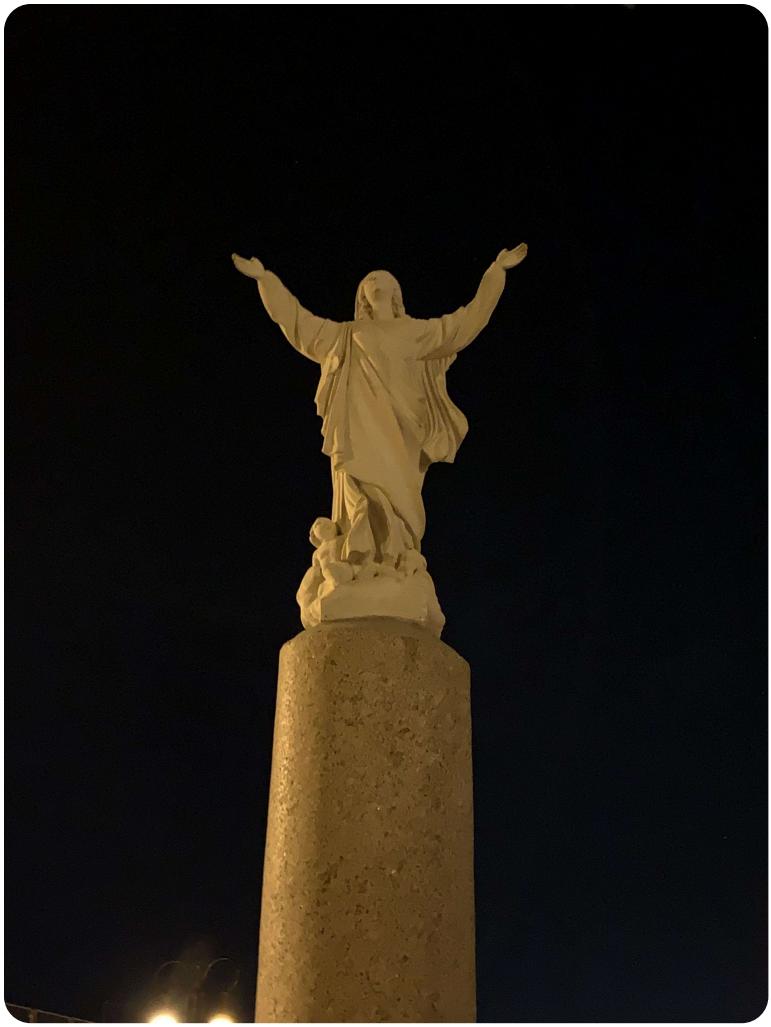

I turned to the man behind me named Vittorio and offered him words from Our Saviour and Bountiful Redeemer Gesù Christo.

Our Lord said to me to honour Him in front of Vittorio and I praised the Lord God of Israel, Our Heavenly Father, Our Lord Jesus Christ, His Majesty The Holy Spirit.

Thank you, Lord, for showing me Your People of this seaside town of Fiumicino. I am blessed to be with You, Jesus. Alleluia!

Our God took my feet and walked me to the image of Our Lady, Queen of Heaven and Earth. He asked me to speak to Mary and praise Our Mother too with the words of Her prayer, Salve Regina.

Our Lord Jesus Christ took my feet on the way back to my room on the east side of Fiumicino and He brought me to an office where His Crucifix is adored during their day.

Thank You, Lord, for showing me Your beautiful people. These people are Yours, O Lord, thank you for bringing me to this town.

I love You, Jesus. Please be with me forever.
Please take me to Torrita Tiberina, and give me everything I need.

The orphanage of my granddaughter

Fri 15th February 2019 3:55:33 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/15/the-orphanage-of-my-granddaughter/

He asked me to rest and I received a phone call from the landlord of His Servant who helped me today.

She offered to help my good friend, His daughter in reducing the amount that would need to be paid upfront.

He then settled me to sleep again and I saw a beautiful vision of Our Lady helping a small child with a doll in her hand.

My granddaughter was with the child holding her other hand.

“This is My daughter.
She will be for Me a holy woman.
She will run My children’s hospice in the USA.
She is My daughter whom I will love.
Everything will be given to her, she will want for nothing.
Be My servant, find your wife.”

Thank You, Jesus, for showing me this child of Yours.
Please shelter her, give her love and never leave her side.
I love You, Jesus, my life is Yours.

The vision of Sarah, Mother of Isaac

Fri 15th February 2019 4:10:31 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/15/the-dream-of-sarah-mother-of-isaac/

The day before Our Lord fled me to Italy, I received from Our Lord Jesus Christ a beautiful vision of Sarah, Mother of Isaac, Mother of the Israelites.

He spoke to me the names of many Prophets and holy People of Israel.

He spoke to me of Abraham and the promise Our Lord made to Isaac.

“This is My Servant, Sarah.
This is the mother of My People Israel.
She conceived in old age and gave birth to My Chosen Servant Isaac.”

“This is for My People to be knowing more of My apostle.
He speaks My Truth, and all will know of this family of mine.
This family is to be created in marriage to the woman I will give him.”

The help Our Lord gave me to stay in Torrita

Fri 15th February 2019 7:24:04 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/15/the-help-our-lord-gave-me-to-stay-in-torrita/

The woman I helped with an apartment has helped me with shelter while I stay in Torrita Tiberina.

My family were not wanting to help me. I had no one to turn to.

My father mocked me and told me to ask this kind lady for help. Our Lord spoke to me and told me to ask His Servant for help.

Straight after she offered to help me she had another conversation with me and offered me some more help with food and what I want, with an abundance of love from the Lord Jesus Christ she offered me this help.

I will pay this woman back for the help she has given me.

She is poor and in need of help. Please Lord Jesus Christ, help this child of Yours.

Filing a case with the European Court of Human Rights

Fri 15th February 2019 9:07:28 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/15/filing-a-case-with-the-european-court-of-human-rights/

The Lord Jesus Christ has given me instruction to file papers with the European Court of Human Rights.

“This case needs to be listened to by My People of Strasbourg.
This needs to be done soon.
My apostle, Timothy,
be near me when you need My Peace.
This case will not be easy.”

Please help me, my Friend, I do not know this way.

This is the route I took to Torrita Tiberina

Wed 20th February 2019 7:58:13 pm GMT+00:00 Torrita Tiberina, Italy

Timothy

https://wisdom-and-love.org/diary/2019/02/20/this-is-the-route-i-took-to-torrita-tiberina/

Our Lord Jesus Christ told me to take the train from Fiumicino to Poggio Mirteto last Sunday. He gave me everything I needed to find the train and made me happy for my entire journey to Torrita Tiberina.

In Poggio Mirteto He gave me the gift of food I wanted, and gave me rest before asking me to find a way to Torrita Tiberina, across the valley of the Tiber River.

When it became known to me from the bar I was being hosted in

that there was no transport to Torrita on Sunday, Our Lord showed me His Way of Truth and Life over the steep hill to this quiet hillside village.

I set off knowing that Our Lord would find me the way over the river and up those roads to the top of the hill, and He showed me the shortest route there.

He asked me to walk on roads built many years before, now being used exclusively by transportation. He took me across the bridge where I was knowing to take photos of the beautiful valley of the Tiber.

Then I reached the steep hill up to the guest house and my legs became very tired. I phoned my parents to let them know I was happy, safe and well, and set off up the hill.

When my breath was heavy and my feet were in pain I asked Our Lord for help to take me the rest of the way. He took my feet and set

me on my way to this peaceful hillside town.

As I arrived at the entrance to the town He told me to break and I heard the Church of Torrita Tiberina sounding its bells ready for Mass at 17:30. I took time to catch my breath and Our Lord told me His people of the guest house were waiting to receive me. As I walked down the road towards the guest house they found me, took my bags and drove me the rest of the way, 100m down the road.

These people of Torrita Tiberina gave me everything I needed that evening, shelter, food and prayer in this peaceful hillside town.

Thank You, Lord, for taking me on Your Way of Truth.
Thank You, Jesus, for showing me Your Way of Life.
Thank You, my God, for finding me this beautiful place to be on Your holy Pilgrimage to Turin.

On the way to Poggio Mirteto, Our Lord told me to reserve accommodation north of Torrita Tiberina in the mountain village of

Vacone. I will depart there in 2 weeks time.

I love You, Jesus, please stay by my side.

Thank You, Jesus, please show me Your Way of Truth and Life.

The vision I received tonight from Our Lady

Wed 20th February 2019 11:42:44 pm GMT+00:00 Torrita Tiberina, Italy

Timothy

https://wisdom-and-love.org/diary/2019/02/20/the-vision-i-received-tonight-from-our-lady/

I was in bed going to sleep when Our Lady appeared to me in a vision.

She was praying and wore a blue veil and white gown. There was a tall jewel laden crown on Her head with red velvet underneath the peak of the crown. There were emeralds and sapphires set into the crown around its circumference and rubies, emeralds, diamonds and onyx along the four peaks of the crown leading up to a golden cross at the peak of the crown.

She smiled at me and nodded.

Before Our Lady appeared to me, Our Lord appeared to me in His Light in the darkness of my room.

He showed me shadows moving in front of the light that came through the shutters of the window frame and shadows above my head from the headboard of my bed. He told me He was moving in the room and I saw His Light on the ceiling moving around the room.

I saw His Hands rest above my head, and I was not frightened, I knew I was safe.

Before I went to bed I was looking over the valley of the Tiber from the terrace of the guest house. He showed me a display of light across the horizon of the valley. Out of the light I saw fountains and birds which danced in the sky in great flocks.

Then I saw large roofs of houses, each the size of a hilltop, each made of streams of light. They appeared and then vanished one by one all

across the populated areas of the valley.

These people of Our Lord are His. They are with Him.

Thank You, Our Lord. Thank You, Holy Queen.
Thank You, for showing me these wonderful visions of You.

“These are My People of Rome.
This is the northern most place in My Holy See which you will see this spring time.”

I need You, Jesus, please show me the Way to You.

Then Our Lord showed me a vision of His fall

Thu 21st February 2019 3:40:50 am GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/21/then-our-lord-showed-me-a-vision-of-his-fall/

I saw a Cathedral fresco painted on the central atrium of the Church.

At first I saw a lush tree of olives with bright green leaves. I saw the pillars of the Cathedral descend beside me.

The fresco changed and the tree began to blacken and the leaves turned to white hair. Out of this image appeared a horse raising its front legs, being heeled by its rider. The rider appeared and became a Roman centurion and had a very highly polished gold centurion's helmet.

I looked down and I saw Our Lord's cross and beneath I saw Our Lord suffering with its weight. Then I saw the whip in the centurion's hand, lashing Our Lord and Saviour Jesus Christ. My Lord's face was in pain and I saw His body burn like fire with His Light shining through the fire and all around Him. I saw His hand burn with this flame.

Our God's body became that of the Lamb and the fire settled.

The head of the Lamb was black and His coat white. The fire grew like a silhouette beside Him and rested in front of Him. His coat blackened with the suffering He endured for Our Salvation and this Lamb became His Sacrifice.

I'm very sorry, Jesus, for what I did to you that day. Please accept my sorrow in atonement for my sins. Almighty Father, please accept my sorrow and the sacrificial Lamb of Your dearly beloved Son, Our Lord and Saviour Jesus Christ in atonement for my sins.

Eternal Father, your dearly beloved Son died for us on this Cross.

I am truly sorry for the sins I have committed against You. For the times when I have wronged You. For the words I have said against You.

Dearly beloved Son of the Father, You died for our sins, so that we may be one day be worthy of being in Your presence. May we serve You here in our exile while we wait to be worthy to be with You one day.

Lord, please forgive me of my sins.

“You are with Me, Timothy.
I have forgiven you, of what you did to Me.
There is more for you to see.”

Then Our Lord gave me rest and I fell into a dream

Thu 21st February 2019 4:26:35 am GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2019/02/21/then-our-lord-gave-me-rest-and-i-fell-into-a-dream/

I saw one thing when waking from the dream, a piece of paper with it written of my illness when I was a baby. It was blurred and difficult to read. Our Lord asked me to tell Him what it was I saw.

I didn't say anything but disbelief I was this child. Our Lord told me this was who I was as a young infant, soon after birth, with problems that medical science could not solve.

It was the heat of the summer, I've been told by my parents, and Our Lord reminded me of a time I was told of a blood infection, but I still do not know what happened.

"This was you, as a child, and you were healed by Me.
You were prayed for by your dear family,
your F002, prayed for you to live,
she prayed for you to be for Me."

"I have shown you another vision tonight of Jochebed feeding her infant Moses through My Providence for Israel.
This itself was a miracle, as I have shown you today.
Israel is My Chosen People.
Know more."

Our Lord gave me knowledge of His People of the Kingdom of Israel who Moses led out of Egypt. His real Mother Jochebed fed him, nurtured him, gave him love, when his adoptive parents knew not to clothe him.

His sister Miriam appealed to pharaoh to grant Moses' real Mother, under the guise of a handmaid, to raise the infant Moses. This was His Miracle.

His Mother gave up this child of hers without knowing anymore than her want to do so. Miriam knew to give this child away at the right moment to have him raised in pharaoh's court. Miriam had want to take Moses back into the bosom of his mother. And this nurture ceased during the childhood and early years of Moses' adult life.

When Moses reunites with his mother in Exodus he forms a bond so strong with her that it is impossible to have not received a Miracle from God.

Moses' Mother for all those years had been watching her child from afar. Watching him grow with anguish into the man he was to become for pharaoh. She did not want this to be. Moses did not want this to be. This is another Miracle from the Lord God of Israel.

Moses knew in his heart that the injustice of pharaoh upon the Israelites was to end. He wanted no more than to serve Our Lord God Almighty and rescue himself and His People from the evil he was brought up to know.

"These are My words.
You have written in My Spirit.
There is a reason I have shown you this today, and it is to show your F002 and F001 what cannot be known by you and what you now know.
You have not had access to those records.
Only your F002 and F001 know what happened.
You were healed by My Miracle for your family."

Thank You, Jesus, for the life you have given me in my bones and in my body.
Thank You, Lord, for the healing you gave me when I was a new born baby.
Thank You, Our Lord God, for giving me the gift of Your Miracle.

Our Lord showed me a vision of me in a maternity ward. He reached down to the ground and took the dust from the floor and poured it

on my head and I became well.

He then showed another vision of a glass vial. He poured earth into a chalice and out of the chalice poured His Blood.

He took the chalice and rose it up towards a bright light in the darkness of my room and showed me a beautiful vision of a brilliant white Eucharistic Host which had inscribed on it His Holy Name in gold letters. Either side of the Eucharist were beautiful wings with flames pouring out of the feathers like streams of fire.

Then the bird rose up again and I saw it was the Dove I had seen in Manchester just before I left to Italy and in His Mouth was the pink rose of His Sweet Heart. The rose had no thorns and was lush with leaves which were a bright green.

The next days in Torrita

Timothy

https://wisdom-and-love.org/diary/2019/02/22/the-next-days-in-torrita/

Our Lord has asked me to travel the distance to Vacone, in the province of Rieti, Italy. He has told me to take the road to the north of Torrita Tiberina and find someone to give me transport to this peaceful mountain village.

I know not right now how I will find one person to take me there. I trust in the Lord Our God to show me the way to Vacone.

On Sunday, 3rd March, I will depart to Vacone.

He has been with me this whole Pilgrimage, and He has shown me very many wonderful things. He has given to me peace, enjoyment, family and prayer.

I love Him with my whole heart and want to take His Way to Him as I journey through the Italian countryside all the way to Turin and

back to Rome.

He has told me to find time to be with Him. To know Him. To find His Way of Truth and Life.

He has found me what I need, what I desire, what I know to be His Truth.

Please Lord Jesus, show me this Peace of Yours.
Please, O God, grant me one more gift from Your Bounty.

Please tell my parents, my brothers and sisters, and my whole family, to trust in You. To do Your Work. To find Your Truth. To be with You right now. Please help me and my family, Our Lord God.

“This is My Way to Me.
This is My teaching for you.
This is to be heard by many people.
Be with these children of mine,
be near My City.”

Thank You, Jesus, for all that I am.
Praise to You, Lord Jesus, for all that You do.
Thank You, Our King, for giving us this day.

“Be here in Torrita Tiberina for one more week.
Visit My brethren and give them My Word.”

Jesus, I adore You. Please help me with the gifts of Your Spirit. Live in me. Breathe Your Word through my mouth.

“This is My Truth.
This is My Word.
Be knowing what you need.”

I need You, Our Lord. I need Your Word. Live in me, Jesus, make a home in my soul and breathe Your Word.

I love You, Jesus, please stay by my side.

Thank You, Jesus, for showing me this child of Yours.

The dream I received from Jesus before He spoke to me

Sat 23rd February 2019 3:58:51 pm GMT+00:00 Torrita Tiberina, Italy

Timothy

https://wisdom-and-love.org/diary/2019/02/23/the-dream-i-received-from-jesus-before-he-spoke-to-me/

In March 2017 I was praying to Our Lord a prayer for His Truth and Wisdom.

The prayer was said on the Crucifix and Rosary I had received from Him through His Servant, my F002. It had the medal of St Benedict and I was praying for Our Lord's Truth. I was praying for discernment of my vocation from the Lord Jesus Christ. He had given me want to pray to Him and to His Mother.

The second dream I had in this period was from Him. I knew at the time He was speaking His Truth to me. I was asleep for 30 minutes. The dream was vivid, and He spoke His Word to me at the end of the dream, as I woke up. It was the same way He had spoken to me years before when I was 17, the night before an exam I had in college before I knew to be at peace.

I saw four visions in this dream. It was a journey from where I was in those days to where He was taking me to.

The first vision was of a parking lot with my then supervisor in the BBC. She was performing gym routines with a personal trainer and very much was busy doing what she needed to do.

I was taken away to see more on the route out of there and was affronted by a group of four heavily built men. They told me I was insane and took my arms and pinned me to a wall. They beat me. I was suffering and knew of Our Lord's Crucifixion.

My F002 sheltered me and led me away from there. She told me of a friend she wanted me to go and see. His name was Gael. This name

in Hebrew means Rejoice in Him.

In the days after the dream Our Lord Jesus Christ showed me the route we took to His House. It was through a beautiful garden filled with many colourful flowers and grasses, up a sweet garden path to a cottage in the country. He has filled my thoughts with this view here in Torrita Tiberina over the river of the Tiber.

In the dream I entered the house and my F002 left me at the front door. It was who she wanted me to speak with.

I entered the front room and there were many people I had been speaking to who all gave me their words, words He had been speaking to me. There were people, friends of my F002, who all offered me their view of what had been.

At last I woke, in my dream, and saw the bedroom of my F001's house I was living in at the time. I walked to the closed door of my room and as I put my hand towards the door handle the door grew and became like big gates into a corridor.

I walked through the door and found myself in the House of the Lord God. Everyone was peaceful. Everyone was at rest.

I walked into an alcove further down the corridor and I saw warm lights, like fire, lighting up the hallway.

I was at peace.

I then woke again in my dream and saw darkness. He spoke the words as though I could read His Voice:

“My People are with Me.
My People are at rest in My House.
I am at work through My People.”

I then woke and was astonished. At that moment I rose from my bed and went to see my F001. I asked him why he was at work. I knew at the moment he said to me ‘everyone has strange dreams’ that this

was not about my F001, but it was Our Father in Heaven, the Lord God Our Creator who He was speaking of.

I settled to sleep once again and woke in the morning again in my dream.

I saw very vividly a single stream of bright blue and white light descending from the ceiling of my room to the floor. He moved to my right and I was terrified. I screamed out loud in my dream.

I woke again, and His Light was no longer there.

These are the words Our God has spoken to me right now:

“This was My Call in your sleep.
You answered My Call.
I took you more into My Kingdom.”

I love You, Jesus.
I adore You, God.
I want You, Our Father.

Please take me to You, O Jesus, Our Lord Jesus Christ, Our God, My Lord and Saviour whom I adore with all my heart.

I love You, Lord.
I adore You, Jesus.
Be with me right now, I need You always.

This is a letter to His Servant, Wayne, incarcerated by the British People for no more than for being homeless

Sat 23rd February 2019 7:32:43 pm GMT+00:00 Torrita Tiberina, Italy

https://wisdom-and-love.org/diary/2019/02/23/this-is-a-letter-to-his-servant-wayne-incarcerated-by-the-british-people-for-no-more-than-for-being-homeless/

My brother in Jesus, Wayne.

I am very sad to hear news from your wife Tracey that you are being treated inhumanely by the British Civil Service.

It is wrong.

I will write to the Court in the United Kingdom and petition them to look into their heart. You know they will do only what they want to do to you and your family, His Servants.

You are being treated unfairly. Our Lord is with you.
You are being treated inhumanely. Our Saviour is with you.
You are being imprisoned unjustly. The Lord God Yahweh is going to help you.

These are His words He gives me to write to you, His humble servant:

“My dear child, Wayne.
Be knowing that this time will not be forever.
You are being treated unjustly.
No one should be imprisoned for what you did.”

The Lord God of Israel has spoken His Truth for you. All people will know that He is with you.

I will do what the Lord God Yahweh has asked me to do and write His Word to the Court on your behalf.

Take heart. Be strong. There is no more to do right now than rest and love the Lord Jesus Christ.

He is with you, in Body and Spirit. His Sweet Heart is for you.

Read these words and keep them in your thoughts when you need Him:

His Sweet Heart, my Light and my Life.
Be near me right now, another night more.
Be near me, Lord Jesus, in Body and Spirit.
Be with me I ask You, to bring me to You.
The Sweet Heart of Yours, is with me I pray.

The Lord God of Israel is with you in this time of great suffering.

Be at peace and know Tracey will go to Father Michael and ask for the help of His Church.

Jesus loves you, my brother Wayne.
I love you, my beloved brother Wayne.
I need you to be peaceful right now.

Be humble and accept the suffering you need to endure right now. Wait for your release and do not force your exit from the prison service in litigation. He will help you.

God is with you right now.

These are the words The Lord God has spoken for His Servant's wife Tracey, without food, without shelter, without the help of the British People

Tracey,

These are the words of Jesus Christ, your Brother, your Friend:

"I am with you. Be with Me.
You need to speak to My Servant, you know him to be Father Michael.
Speak to him today.
Go to his Parish Church, right now.
Explain to him what you know.
He loves Me."

Tracey, these are His words for you. Follow what He tells you to do right now.

Leave what you are doing immediately and go to Father Michael and ask for Him to pray with you and help you.

He will know what to do.

You need to know I have no money whatsoever to help you with. I am struggling to live myself.

Be at peace, be with Jesus Christ.

There will be no more trips to Liverpool to see Wayne. Trust that the Lord Jesus Christ is with him in his suffering. He has made this known to me. His Word is Truth.

Peace and love to you, my sister in Jesus.

The Lord's Charity of Our Lady of the Lilies

Sat 23rd February 2019 8:25:17 pm GMT+00:00 Torrita Tiberina, Italy

Timothy

https://wisdom-and-love.org/diary/2019/02/23/the-lords-charity-of-our-lady-of-the-lilies/

The evening I left my parents home to live in central Manchester, the evening I was helping serve people on the streets of central Manchester with food, water and prayer, Our Lord asked me to do one more thing before I left to go home that night.

It was early October 2018. I was tired and had been humiliated by some young people playing with their skateboards in front of Victoria Station, near to Manchester Cathedral.

I had sat down as Our Lord instructed me to, to rest and as it became known to me later, to wait for the moment when He gave me want to serve the man sat down on the floor in front of a rubbish bin at Victoria Station.

I went to this man and asked him if he needed anything from the Lord God.

He told me he did not want anything.

Our Lord took my feet and walked me straight past the front entrance of Victoria Station to the food stall outside and asked me to buy the food I wanted, a beef burger with cheese, mayonnaise and onion. He asked me to buy water, which I wanted too. He told me I wanted a warm coffee, which I did when He told me.

I took these gifts the Lord had bought in my hands and He took my feet back to the man, starving, humiliated and very much in need of The Lord God's help.

I gave the man, Wayne, the gifts Our Lord had bought for him.

He was malnourished, thirsty and very much in need of His Love.

Wayne ate and I asked him if He needed anything more from the Lord Jesus Christ.

I prayed with him, and from this time Our Lord began to speak to him.

The prayer was the one printed on the prayer cards He has asked me to give to everyone I know, everyone I meet, the same prayer He has asked His Servant Livio of Fiumicino to translate into Italian for His Pilgrimage of Truth and Life.

These loving people, Wayne and Tracey, were without anything.

They had been forgotten by society. They were being badly treated by everyone in Manchester for no reason than that they were without.

How can a person who is without possibly pay a fine for doing no more than asking for food from his sister in the street, who was very much with many gifts from Our Saviour.

People of England:

“This is My beloved child, Wayne.
He is with Me.
Bring him justice.”

The following week I was given want to go for lunch at work. This was not normal for me in those days. He sent me onto the streets outside my workplace in Cheetham Hill, just north of Victoria Station, and I am embarrassed for doing what I did in that 30 minutes.

Wayne called my name on the street. He saw me as he was walking into central Manchester from St Chad’s where he had been given the gifts of food and prayer from His People, the Manchester Oratory.

I was at work. I was very close to people who would not have

appreciated having me serve Our Lord. I am very sorry, Jesus, for what I did that day. I am truly sorry, Our Lord, for not loving this man, Your Servant, Wayne.

Wayne needed no more than His Love this day. From that moment on, Our Lord has been bringing His Servant and I to Him.

Our Lord told me to withdraw money from the ATM for this man, His child, so he would have shelter again.

It was then about a week later that Our Lord asked me to take a walk down a road north of Piccadilly Gardens that I had not been down before.

He made it known to me that there were many shops and restaurants that I might want to see one day.

As He took my feet further down the road, I saw a man I recognised as Wayne, though I was not sure.

I stopped and looked and then Wayne looked at me. We saw each other and His Love entered my heart. He and his wife Tracey crossed the road outside Centrepoint where they were waiting for an evening meal. They spoke to me and I gave them some prayer cards which they wanted to give to their friends at Centrepoint.

He asked me to tell them to join me for a meal in the McDonalds on Piccadilly Gardens and He asked me to pray with them for the gifts we were all receiving.

At this point I saw 3 police officers watching Wayne and Tracey, both homeless, and became very nervous saying Grace in front of them given what was happening to me at this time.

I am very sorry, Jesus, for caring about myself before those of Your people. Please forgive me, Jesus, for not doing more for your people of England.

One of the police officers confronted Wayne and it became apparent

to me that while he was jovial, Wayne was being intimidated for his situation.

Grace is to be prayed everywhere we eat. These are His gifts and it is right we thank Him for the food we eat.

Wayne and Tracey spoke of the wonderful gifts Our Lord Jesus Christ had given them in having His help in finding them both a place to be living, off the streets, which is what everyone needs. When I met them that evening this was still to be. It was to be another week before this happened.

When they moved in they had only basic provisions, a cooker, a bed and a sofa.

Our Lord God told me to buy them, as He asked me to do for His child David in London, a TV, a fridge and freezer and a washing machine. They arrived days afterwards and I asked them as is right to thank the Lord Jesus Christ for the gifts He had given them. They insisted on thanking me every time they received something from Him, and I keep telling them not to do so.

At the same time, David in London needed furniture for his new flat that he had been given through Our Lord's Providence.

Our Lord told me to buy him furniture, a bed and bedding, a sofa and many other items including a big television, for his small flat in London that Our Lord asked His Servant in the council to provide him with.

He then needed to buy a new gas cooker, as the one already there had been written off as a risk to public safety and it should have been provided by the landlord. I was told by the Lord God Yahweh to send him more than he needed to purchase second hand appliances. These were needed by David, and he refused for a while to accept my help. I told them they were gifts from the Lord God of Israel. He reluctantly accepted them, knowing he had received a lot already through me.

This was all just at the right time that these kind people needed His Saving help.

A few weeks before, His dear daughter Elfriede received His help too. He told her in August to take the flat in a retirement home in Manchester. She was provided with accommodation from the time she needed it in August 2018 through to the present day. At this time she could not make any payment whatsoever, especially when the letting agent asked for 6 months rent in advance. These are gifts from Our Lord God and Heavenly Father.

Thank You, Jesus, for giving me all these gifts.
Thank You, Jesus, for calling me to serve.
I love You, Lord, Your Will is perfect.

In this time, Our Lord gave me everything I needed to give all 3 families what they wanted in their homes.

There were many more people helped with much smaller gifts in those days on the streets of central Manchester and in autumn of 2017 before the NHS incarcerated me for a fourth time in London, the people on the streets of central London were witnessing this miracle too. These days were written in this diary.

This was shelter, food, water, clothing and prayer provided by Our Lady of the Lilies. The Charity of Our Lady is His Charity. He has given His People these gifts.

Our Lord worked miracles in those days. Many people all over the world are helped daily by Our Lord Jesus Christ through what He asks of His Servants. This is His People who are called to serve Him.

“Love My People.
Serve one another.”

These are the words of Our Saviour Jesus Christ.

This is His Message of Truth and Life.
This is His Gospel.

This is His Word.

Mary, Our Mother, help your children Wayne and Tracey

Mother Mary, Queen of Heaven, be with His children.
Mother of Mercy, intercede for them in their hour of suffering.
Dear Mother, have mercy on your people.
Dear Lady, sweet Mother of Ours, we need You, we pray to You, we love You.

You spoke those words to Him when You answered His Call.
You told Him, yes, You knew what to do.
Please give us Your Son,
please give us His Grace.

We need Our Mother,
we need You right now.

We adore You, Mary.
You are the Mother of all.

Our Lady, Queen of all people, spoke to me these words when I prayed to Her:

“My dear Timothy,
have peace knowing My Son is with My Servant, Wayne.”

Thank You, Mary, for being with me and my brother.
Thank You, Jesus, for showing us Your Way.
I love You dearly, You are My Life.

Hail Holy Queen, Mother of Mercy.
Hail, Our Life, Our Sweetness and Our Hope.
To thee do we cry, poor banished children of Eve.

To thee do we send up our sighs, mourning and weeping in this valley of tears.
Turn then, Most Gracious Advocate, Your eyes of Mercy toward us.
And after this, our exile, show unto us the Blessed Fruit of Thy Womb, Jesus.
O Clement, O Loving, O Sweet Virgin Mary.

Please answer us, O God, the hour of need is with us.

Our Redeemer speaks His Word to His Servant, Wayne:

“My dear child, Wayne.
My help is near, be at peace.
There is more for you and your family, they need Me.”

Thank You, Jesus, for being with us right now.

The beautiful lady who fed me today in Torrita

Our Lord walked my feet at the time He wanted me to go to find food in the centre of this peaceful hillside town.

As I walked towards the bakery where I had bought food the evening before to share with His People and to meet Eric, I found the lady serving people from the bakery was closing the shop.

I nervously walked past, a little disappointed knowing I would not be able to eat there, and Our Lord talked to the lady closing the store.

She stopped me as I was walking past to the supermarket, which was also closed, and she signalled to me and asked if I wanted some food.

I said, in my very much poor Italian the words I knew to ask for food from the bakery.

She opened the store again after it was closed and invited me in. She offered me what I wanted, the nicest pizza I could see.

I took money out of my wallet to give to her to buy the food she had prepared for me, and she told me to put the money away, that she was giving me this food.

My heart was filled with His Love for this kind lady, and one of her patron's sat outside on a bench. The people of Torrita Tiberina are warm and beautiful, thank you for welcoming me into your village and showing me the generosity of Our Lord and Saviour Jesus Christ.

I was given want not to put the money away. As I walked out of the shop, I thanked Our God for the beautiful gift I had been given. I gave

His Blessing to the woman in the store and found a man in need of food.

I asked the man if He wanted some food, but he declined.
I asked the man if He wanted coffee, but he said no at the time.
The Lord God asked me to give that man the 5€ in my hand, and I was hesitant.

I was hesitant only because I knew not to spend money I needed.

But this man needed money too. Our Lord asked me again, and I was still quite hesitant to walk up to the man again and give him money.

Our Lord told me a third time, and at that moment I gave him without hesitation all the money in my hand.

I am very sorry Lord, for making a man beg for money I could easily give.
Please forgive me, Lord Jesus, for being selfish and thinking only of myself.

I learnt from Our Lord today what to do for this man.

After I had eaten, I sat in the coffee shop and the man followed me in.

Our Lord asked me to give the man a coffee, and I went to the counter. He asked for a soft drink to quench his thirst.

Our Lord asked me to take five cigarettes out of my pocket. I gave the man one. As he saw me count the four cigarettes out of the packet, Our Lord instructed me to give him the entire pack and keep only the remaining four.

This is what happened.

This is the gift I was given today from Our Lord Jesus Christ.

Be His People, Torrita Tiberina, feed His children.
Be His servants, People of Rome, practice His Gospel.

Be His children, listen for Him in your heart.

Thank You, Jesus, for showing us Your Way of Truth.
Thank You, Jesus, for taking me on Your Pilgrimage of Life.
I adore You, Lord Jesus Christ, my life is for You.

En route to Vacone, Italy on Sunday

I have been given another gift from Our Saviour Jesus Christ.

He has shown me the way I will take to Vacone on Sunday. He has booked for me a nice car to take me on the road north of Torrita Tiberina to the peaceful mountain village of Vacone. Inhabited by under 300 people, I am very much looking forward to spending my days there without much contact with my family.

I will be writing His Word.
I will be resting and enjoying the warm sunshine in the mountain town of Vacone.

I love You, Jesus, thank You for Your help in bringing me to Your People.

Thank You, God, for taking me on Your Way of Truth and Life.

This is the town who have His People

https://wisdom-and-love.org/diary/2019/02/27/this-is-the-town-who-have-his-people/

Three times I have walked into the centre of town to buy food with Our Lord giving me want to go at the hour He gave me want to.

Three times the very warm and loving owner of the bakery, Maria, gave me food from her stores. I am greatly honoured for being given these gifts by Him. She has the love of Our King in her heart. She is a true Christian, a person of God.

These people are warm and loving to their fellow men, His brethren.

I witnessed today the ingratitude of a couple of people I have come to hear about. There was a woman in the bakery today as I was speaking personally His Truth to the woman who was so kind to me. She stole His Peace from the room and caused a scene. When she began to confront me in Italian and I told her I did not comprehend what she was speaking she began to test Him.

She asked questions about His Mother, she asked Her age in the visions I received. While doing this a youth from the village was mocking me. Both of these people are not doing what they are being told to do.

I am His disciple. He is with me.

He speaks His Word through my tongue.

These are facts they wanted to mock.

They took what I have been given. This is a sin.

These are gifts for Him to give. How sinful it is to debate with the

Lord God.

When these two people caused a stir in Maria's bakery, my Brother Jesus told me to go. He comforted me and led me to a peaceful place to enjoy the gifts He had given me through His Servant Maria. Blessed be His Holy Name.

This is the generosity of these beautiful people: the warmth shown to me by the Errede family, by Maria and her workers, by the two coffee shops, by the local Priest, by all people I have come to meet here.

I hope to find Eric again before I depart.

Thank You, Beloved Jesus, for everything you have given me.
Thank You, my dear Jesus, for showing me Your Way.
I love You, Lord Jesus, please take me to You.
I adore You, Our Lord, my life is for You.

These are the words Jesus Christ has said to me right now:

"I have shown you My Servant, Maria.
She is with me, right now.
Send her My Truth in the diary I give you."

Thank You, Jesus. I love You.

This is my journey to Vacone

https://wisdom-and-love.org/diary/2019/03/01/this-is-my-journey-to-vacone/

As I finished the work of publishing my diary with the help of Our Lord God, I was instructed by Him to put my shoes on and to go to Church.

I prayed to Our Mother the Salve Regina as I sat in the peaceful Church named after Our Lady, Santa Maria in the Parish of St Thomas the Apostle. I prayed for Him to be with me with the words He told me to say to Him.

After everyone had given their Confession in front of the Parish Priest, to Our Lord and Redeemer Jesus Christ, I entered the sacristy as Our Lord told me to and I greeted this man, His Priest.

I wanted to thank this Priest for being so kind to me, for welcoming me into this Parish of His two weeks ago. Thank you Father, for everything you have done for me and for His People while you have served Our Saviour this past few months.

He will leave back to Washington in a couple of months, the Priest told me. I will pray for him and his ministry. I hope to meet him again one day, the warmth and love in his heart is the Love of Christ. Alleluia!

I witnessed love and generosity of these warm people of Torrita again this evening. I was told to leave the Church before Mass, genuflecting before His Blessed Sacrament in His Tabernacle and praying to Our Lady before He walked my feet to the bakery owned by this woman who has fed me all week from her stores.

These are the beautiful people of Rome. Be with Him.

The woman, Maria, gave me more than I could eat in my remaining stay in Torrita Tiberina. I asked her to take my money and she placed it straight into the bag she gave me. I told her I could not believe how kind she was.

Our Lord told me again to send to her these words, printed in the book He has given me to print this week.

These are the words of Our Lord and King Jesus Christ, for you, Maria:

“Be My Servant, answer My Call.
See My Truth and tell all your friends in Torrita to pray to Me.
The people I have sent to you in this small hillside town are Mine.
Feed Me. Clothe Me. Shelter Me.
These are My instructions to you, My People of Rome.”

This is the Word of Our Lord and Saviour, The Almighty Ever Living God.

He has sheltered me, fed me, clothed me, watered me, and brought me justice. Hosanna in the highest. Peace to His People. Peace to People of Good Will. Peace to His People. Peace to all people.

Thank You, Lord, for showing me Your Way of Truth.
Thank You, Jesus, for giving me Your Way of Life.
Thank You, Our Lord Jesus Christ, please show me The Way to You.

London 2017

These were the things I did between August 2017 and the third incarceration under the Mental Health Act in October 2017.

All of these words are words Jesus gave me to write, in Peace and Happiness sitting with coffee, cigarettes and food after the journeys on foot I was given by Jesus across London.

The Mouse on the Boat

Wed 6th September 2017 10:45:36 pm GMT+00:00 Kensington, UK

Tim

https://wisdom-and-love.org/diary/2019/03/23/the-mouse-on-the-boat/

There was a mouse on a boat who was lost at sea.
He was found by God and towed to a tree,
where God gave a coconut which fell to the ground,
for water and food the mouse wanted when found.

God showed him a pond that had many fish,
but the mouse didn't know where to find those fish.
God took his boat and towed him to a place,
and there a fish jumped right on to his plate.

And when he was done, God took him ashore,
and asked him to stay where he wanted no more.
He spoke of a mouse who will be found soon,
who knew she was looking for life with him too.

He searched for her under the tree where he stayed,
but found her on shore with God by her side,
knowing that she was for him to provide,
and knowing he wanted no more than his bride.

God found him some trees and some tiles for the roof,
and He built a tree house for the two mice.
They lived there for years while their God did provide,
all that they wanted and nothing aside.

Then they had many children which God did provide,
and when they saw nothing God stayed by their side.
And the mice did smile at all that they had,
and all they knew after and all they knew not.

Thank God for the joy of what we have now,
and what He will give us and what He will sow,

over the fields of His world where we do live,
and the joy God brings to all who love Him.

All trains were delayed at Euston station and Our God told me to pray for the person who was ill and the men and women serving the emergency services. He told me to pray for all the people there to get home safely.

I was nervous and Our God told me to stay at the station and trust that I would get home tonight. He told me to wait and I did not want to wait. Our God comforted me and gave me confidence that service would resume shortly.

He provided me with food I wanted but didn't want before and walked me onto the train when service resumed. He told me to move to the corridor and helped me with strength to stand until the carriage cleared at Milton Keynes where He provided me with a seat.

He helped me again with my work and showed me I had little more to prepare for what I needed to do the following day and asked me to stop working. He filled my journey with happiness and laughter and warned me not to speak to Him out loud at home in Manchester.

When I arrived home I thanked Him for giving me what I had and for bringing me home to see my family.

The next day he helped me with my work and in the evening he kept me strong and focused in my presentation.

He helped me speak to people afterwards and asked me to be thankful to my parents for their hospitality while I stayed with them and for taxiing me around.

On the train journey back to London he talked to me as my brother and asked me to wait outside the train station at Euston. There was a homeless man who needed shelter for the night and He asked me to give him what he needed to get shelter for the night. I went back home and he watched over me as I slept.

In work I was handed an urgent project that was needing to be completed for the company. Our Lord Jesus Christ did my work for me, and it was completed by the end of the day.

He led me on to the streets of Kensington where I met Dave. We sat and talked outside Clark's and He asked me to give money to Dave to provide him with shelter for two nights. We went back to my flat where He told me to offer him a bed for the night. He told me to give him my old phone which was prepared with a pre paid SIM card. We walked with Our God and He told me to serve him by carrying his bag to help him drop off a phone he had borrowed before and I waited on a street corner for him to return.

Our Lord Jesus Christ humbled me by asking me to think of Dave and how he needed His help while I was waiting for Dave and being impatient. He said to me that I should not have left him walk alone. Dave asked me not to come with him. Our God told me to pray for Dave as I waited. I prayed for Dave and when he did not return our Lord Jesus Christ took me back home. Our God stayed with me all night and asked me to stay awake and pray for Dave.

He told me there was someone I would know who would be my wife. He knew I would want her and that she would want me.

Around 3am I received a phone call from Dave. He had been mugged and had broken ribs. Our God told me to prepare for Dave's arrival. Early in the morning before I went to work Dave arrived and Our Lord Jesus Christ asked me to give Dave my bed.

I prayed the Divine Mercy Chaplet and asked God for help in serving Dave.

I slept on my air bed and He provided me with comfort as I rested

on the bed without pillows.

He gave me an overwhelming feeling of peace and gave me a vision of Heaven's gates with thousands of saintly bodies worshipping our God inside the gates of Heaven. I felt unworthy to be in His presence and was in awe of the image. He told me again there was someone who would be my wife and she would love me. He told me He wanted me to go to Him in Heaven. I then slept through to morning and went out to work leaving Dave in the flat to sleep. God helped me know Dave and He showed me the Lord's compassion.

He showed Dave and I His unending mercy and love in helping me host him and provide him with a bed while he recovered from his broken ribs.

Our God knew the time the company needed work completed and He completed the work with my hands.

That evening after work I met Tom and he wanted to pray with me in Kensington Square. I invited him to dinner where I started to cook and Tom helped to finish the cooking.

Later Dave arrived and Our God asked me to serve him the food he wanted that he wanted to eat.

Our God helped me sleep again and He woke me in the morning moments before my alarm and asked me to get Dave the money he needed to buy back some of his possessions and He led me to a local shop to buy him some coffee.

When I arrived back He asked me to go and find another coffee for a man on the streets He asked me to serve. Our God took my feet and led me to another person who wanted the extra coffee He asked me to buy.

Our Lord Jesus Christ led me to Waitrose where I bought food for a man on the street. He needed shelter and I withdrew some money to pay for his accommodation. I walked with him to the bus stop and then sat down on a bench where our God asked me to speak to a man who was waiting to go home.

I then walked back and I saw Tom. We went on a walk up Kensington High Street and around Kensington. We entered a shop to buy provisions for Tom and our God told me to buy for him anything he wanted to buy from the shop.

We walked back towards Kensington Square where we sat and prayed for what he needed and we prayed a decade of the Divine Mercy Chaplet. I was asked by our God to give him a booklet and prayer card of Divine Mercy and took him to get some food. I asked him if he wanted to help me distribute food among the homeless and he helped me find Dave. I sat with Dave asking him to come to my flat and stay there for as long as he needed. He didn't want my help and so I waited with him for a few hours and begged him to let me help him. Our God asked me to wait with him and gave me perseverance to bring him home. He slept in my bed again and I left him there to sleep.

Saturday

Sat 23rd September 2017 3:25:09 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/09/23/saturday/

After leaving Dave in bed Our Lord Jesus Christ took me on a walk towards Hyde Park. He told me to trust in Him and to be guided to where I needed to be to help me serve Him and His people.

At the Albert memorial He told me that I would serve this country in serving Him and His people with His help, love and mercy. He asked me to pray for help for my cousin who is serving this country in the Armed Forces.

When in the park he gave me a vision of Him holding out the Blessed Eucharist and serving it to me. He gave me another vision in which He baptised me and made the sign of the cross.

He took my feet and fed me at Marble Arch, providing me with breakfast and then took my feet to Regents Street.

He showed me a beautiful vision of His Heart of Divine Mercy with His left hand opening His Divine Heart. My knees became heavy and he brought me down to kneel before the vision and I then saw another vision of Jesus stretching out His right arm and asking me to take His hand and follow Him.

He led me to Westminster on foot and asked me to serve His people, those who were without food or drink that morning. I served coffee to a man who is homeless named Paul and to another man named Steve.

My phone was out of battery and I was trying to contact Dave who had come to meet me at Victoria station and I tried to buy a phone charger. He asked me to humble myself and to beg as those in poverty needed to for money to quench my thirst. He led me to Yann, a colleague from work who was traveling that day and asked me to ask him for some money to try and buy some water. He then led me

outside to a homeless man who offered me some water, I saw that I was more fortunate than him and God asked me not to drink his water. Our Lord Jesus Christ provided me with the water I needed through His Holy Spirit and He led me to a phone shop where He told me to ask them for help in charging my phone.

After my phone was charged I went to meet Dave and I was brought to tears knowing how I had made Dave wait. We went onwards to Peckham where I tried to take out a loan to help Dave pay off some debts and get a flat. The loan was refused and I couldn't do anymore to help. He asked me to stay with Dave and I wasn't able to do anymore.

He led me to a juice bar that served water for free and then took me on a bus to Waterloo station. He asked me to rest and I slept on the bus. I slept until the end of the route and the bus driver offered to take me back to Waterloo.

He took me around Victoria station and showed me how fortunate I am and how my family would want to have the same things everyone else would want. He helped me not be hungry anymore and took me into the station where He led me to someone who I asked for a cigarette.

Sunday he showed me His mercy and gave me rest. He showed me His love and brought me to Church where I prayed the Divine Mercy Chaplet. He welcomed me into His Church with our brothers and sisters for Mass where I received and He told me I was receiving His Body in the Eucharist.

I was shown that I would be provided for when I needed food and our God did not want me to go without food.

He humbled me when I could not finish the portion size that I had ordered from the restaurant in the evening.

Mon 25th September 2017 12:07:39 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/09/25/monday-2/

He gave me want of sleep and I took the sleep He offered me. I prayed for Divine Mercy for Dave, not knowing where he was, and slept around 3:20.

In the morning I found a reply from Dave and the time on the send receipt was 3:34am – about 20 minutes after I prayed for him. Later that day our Lord Jesus Christ showed me the send receipt again and the time had changed to 7am.

I called him in the morning before work and he told me he needed money still for the flat he wanted. Our Lord Jesus Christ helped me obtain a pay day loan in order to help Dave into a flat. He did this while I was on the phone to Dave and took my hands to fill in the application details.

He filled me with confidence to help Dave when I do not know what the future will hold. He reminds me daily to trust in Him and to know that I will be provided for.

In the evening I phoned my parents and slept knowing that Dave was staying with a friend of his.

He wanted me to have the help I needed to keep my job in the Daily Mail while I serve Him for the time being. He showed me how to receive the help I needed to do my job and filled me with confidence when I needed it to carry out the work He has asked me to do in my life.

He reminded me to buy a gift for my parents for their anniversary and showed me what I should get for them from Amazon.

On returning home from work He led me to Tom and another homeless man with a dog. He asked me to buy sandwiches and coffee for them, to serve them with food and drink.

He then led me home to my bed and let me rest while He watched over me until 8pm when I started out on my walk to Trafalgar Square.

Wednesday

Wed 27th September 2017 6:08:28 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/09/27/wednesday-2/

Throughout my journey this evening God has been talking with me, guiding me and leading me to those who needed His help.

I was led through Hyde Park by our God and led me to the gates at Marble Arch. I was wanting of McDonalds, cigarettes and water and He removed my wants while I was unable to receive these gifts at that time.

I had a vision of Jesus presenting me with the Eucharist as I was walking in the park.

He humbled me by showing me a homeless man who I could no longer help from my own bank account.

He led me to pray around the lake where I prayed for the repose of the souls of my deceased family Laurence, both of my Grandfathers and my Godmother Marjorie. He told me they were with Him now in Heaven. He told me that we must pray for the deceased.

In Marble Arch he led me towards Green Park where there were two homeless people by the side of the petrol station. He led me inside and He told me to buy them a sandwich and some water. One man needed a bus ticket, and I wasn't able to withdraw cash without my bank cards. I followed Him further to Green Park and along the way I asked a man if he would be able to spare some cash for the homeless man who needed it.

He found me a way out of the park by squeezing under the gates at Marble Arch.

He led me around the streets of Marble Arch, Green Park, St James' Park, Piccadilly Circus and then to Trafalgar Square where I prayed for Divine Mercy for those on the streets before the statue of Edith Cavell. No where was I able to buy the food I wanted for myself. I

had pangs of hunger and thirst and he led me into shops, and then removed my wants for these things.

He raised my head towards the word “Sacrifice” and told me that I wanted this. I told Him I wanted this and would serve Him by serving others for the rest of my life.

Just after praying I was met by strangers who were looking for McDonalds. He led me towards Charing Cross tube station and told me to take a left. McDonalds was open there, where it wasn’t open in Marble Arch nor Piccadilly Circus. I bought a meal for myself but the cashier didn’t register my order correctly. I was happy to eat what our God had provided me with, but He led me outside to a homeless man and I gave him what I had.

He then led me back inside where I ate a meal as he talked to me and loved me as my brother had done since the beginning of March.

As I went outside he took me to a homeless man named Roger and other men on the streets. I went back into McDonalds and bought food for those who were awake that I could find. He created want in me to help more people, and He led me back to McDonalds where I bought more food to disperse among those who needed it.

I met a man at Trafalgar Square and I was told by Jesus not to judge the man and was told that I didn’t know what service the man would do for His people on this day. I gave him the remaining food I had and we spoke about his beliefs. I asked him if I could buy him coffee and walked with him back to the co-op where the coffee machine was broken. Our God created a want in me to buy fruit juice and I was led by the man back to where the fruit juices were. God told me to follow the man, as he had taught me to accept help where it was offered. He had a voucher for some juice in his bag and insisted he used it to reduce the cost to me of what I would buy him. Our Lord gifted me with a want to buy him some fruit as well, and I took the items to the counter.

He created a want in me to pray grace throughout the evening as

my F002 had taught me months before, for the gifts we are receiving from His bounty.

We were led back to Trafalgar Square where we sat and were greeted by another man who told me he wanted a woman in his life. Our God told me I could pray with them and I invited them to pray with me. I prayed for Divine Mercy for both men and I was told the man would go home the moment he rose and went home. I was asked to tell him that Christ served all of us through His cross and resurrection, and I told him. I told God I loved Him and told the man I wanted to serve God for the rest of my life and serve others as he has served us.

God asked me why He loves all of us, and asked me why I thought I had sinned by wanting to pray for the homeless. He taught me through the night of those who had more and needed to give more to those in need, and showed me the wealth and opulence in the districts of London I visited. He told me to go and find money in those places and told me He would lead me to the people I need to beg to to help those I want to help. He brought me home safely on the tube, made my feet not hurt as I was walking, slowed me down when I needed to and gave me strength when I needed it.

He served me, as I should have served them. He humbled me as I should be and loved me as I should love them.

He brought me home to my coffee shop where I sat on the sofa and drank my own coffee, cared for me and brought me home where I write this now.

He then took me to work and helped me with my work in the office – showing me people who needed help and how to find help that I needed throughout the day. He did my work for me, providing me with the knowledge I needed to do my job during the day and having had no sleep the previous night.

Thanks be to God for His love and mercy which pours forth from the heart of Jesus.

Our Lord Jesus Christ took me home to clean my flat, preparing for the arrival of Kim and Alice. He told me what to do and when to do it and led me to where Kim and Alice were to meet me and they were not there. He took me to Olympia where he led me around the streets.

The rain was heavy and He stopped the rain from falling on my head. He led me to Sainsbury's to buy food for myself, showing me that I wanted to buy food from the whole shop. When the till refused to take my payment, the want of food was removed: He provided me with gifts of The Holy Spirit and led me up to the Holland Park tube station.

I was weary with aching feet and with chaffing sores on my legs and I wanted to go home. He filled my heart with a want to serve the people again on the streets. He gave me confidence that I would be able to serve them with His help.

He led me back on the tube to High Street Kensington where I met Kim and Alice and I apologised that I had missed them. We spoke for a while and He sat me down in Starbucks in the Holiday Inn on Wrights Lane where I rested for a while. He picked me up and asked me to buy two coffees and I went to find Alice and Kim again.

After talking with them on the phone for a while, He led me to Earls Court where I found a homeless man who needed food and shelter. I took him to McDonalds and he ate. Our God allowed me to feel the hunger they feel every day, and He helped me with the pain I had to serve this man in any way I could. He led me to the cash point and I provided him with cash for the night to get back into accommodation and shelter. He filled my heart with a want to ask the man if he wanted to pray. He told me he was a Catholic and he led us to a quiet area of Earls Court where we prayed Divine Mercy

for him and the homeless people in need of His unending Mercy and Love.

He gave me confidence that He would keep me warm, and I gave the man my coat and left him at Earls Court.

He then led me to Victoria station where I saw some homeless people. He led me to some people who I could ask where I might find a shop and with their help I was led by Our Lord Jesus Christ to a shop where He asked me to buy 10 sandwiches. At the till I found I had 11 sandwiches and thought that our God had provided for me too this night.

He led me to homeless people who would need the food and all 11 sandwiches were given and I handed out to those He led me to while I prayed the Divine Mercy prayer. He showed me the others in the street that night who were asleep and showed me how He provides for everyone.

He then led me towards a bus stop where He provided me with gifts of the Holy Spirit, I prayed the Divine Mercy chaplet and He provided me with visions of Him pointing to the streets I would walk down. I saw our Lord Jesus Christ extending His arms. Our Lady of the Lilies appeared to me picking flowers from Her garden and Our Lady provided me with a bouquet of five lilies.

He let me rest at a bus stop where he provided me with His water and food and took me on the bus to Oxford Circus. While on the bus He showed me a vision of Him extending both of his hands toward me and raising them up to Heaven. I walked around, listening to Him and he was providing me with laughter and joy all night.

He showed me three men sat outside a shop talking, and told me to wait with them a while. I offered them McDonalds breakfast when it opened, and for 90 minutes waited there until it opened.

I became dreary and he helped provide me with food I wanted just as McDonalds opened. I bought more for the three men, and then

went to McDonalds where I bought more food and dispersed it to the three men and another man who wanted it.

While I was eating my food outside of the Wok stand He told me three times to write this down:

“Tell everyone you meet about Divine Mercy and what I have done for you and will do for them.”
“You will venerate the image of Divine Mercy and know of His unending Love and Mercy poured forth for all people.”

He then led me to the tube station where He led me home.

I had sores on my legs and my feet were very tired. He let me rest at home and woke me at 9:30 to inform my work that I wouldn’t be coming in that day. I felt too tired to work and He provided me rest for the rest of the day.

When He woke me in the evening He led me out to the Holiday Inn to buy coffee for myself and rest there as I called my family. He then led me to Dave Dogs and then into Boots to ask for help with the sores on my legs. I bought the cream they advised me to buy and He led me to the dressings that I wanted and told me which ones to buy. He then led me to the food counter where He asked me to buy a sandwich for Dave Dogs. I then bought him a coffee and prayed a decade of the Divine Mercy chaplet with him.

Our Lord Jesus Christ then led me to Five Guys and provided me with a want of the food I enjoyed. He led me outside to sit on the street tables and I ate the food I wanted. I then headed back to my house and met Tom who needed food and some razors. Our Lord Jesus Christ led us to Waitrose where I bought him food and razors. Our Lord Jesus Christ told me he would not need shaving cream, and after leaving the store Tom showed me he already had shaving cream to use. We walked back to Iverna Court where we sat outside the Armenian Church and prayed the prayer He asked me to say:

Our Lady of the Immaculate Heart, how beautiful thou art.

O Heart of Divine Mercy, how sweet thou art.

Followed by a decade of the Divine Mercy chaplet.

He then took me back to Starbucks where he asked me to establish a charity in the name of Our Lady of the Lilies to help those in need of His help. He told me He would lead me to those who would help Him in serving those in need.

Alleluia! Alleluia! All glory and honour to our Almighty Father forever and ever. All glory and honour to our Lord and Saviour Jesus Christ forever and ever. All glory and majesty in the name of our God, the Holy Spirit and our Lord, Saviour and Redeemer Jesus Christ forever and ever.
In the name of the Father and of the Son and of the Holy Spirit, all glory and honour is yours forever and ever. Thanks be to God our Saviour and Christ, forever more. Alleluia!

https://wisdom-and-love.org/diary/2017/09/29/friday-2/

We prayed for the repose of the souls of the deceased of Grenfell Tower and our God told me that they were with Him. We prayed for those affected to receive God's help and He told me it is so.

Sajad took the homeless man and I to a corner shop along Kensington Church Street where he bought provisions for the evening and additional supplies for other guests who might stay in the flat. While they were going inside the rain came and Our Lord God asked me to stay with them.

We went back to my flat and Sajad prepared food and the homeless man and I enjoyed his company. He slept on the airbed which our Lord Jesus Christ asked me to prepare for him, and I left the flat to go to Starbucks where I waited until morning. He filled me with laughter and happiness through the morning while I wrote journal entries for the previous days. On arriving back to the flat Sajad was still resting and our God led me to my room to send the diary entries to the Cardinal.

He filled me with confidence that I would need the Church's help in establishing a charity to be guided by God's will.

Our God asked me to help the homeless man with shelter for four nights. He showed me that the man had taken my wallet when I tried to head to the cash machine to withdraw some cash. He guided me to telephone the bank in front of him and to humble myself in front of the man and forgive what he had done in my home.

I went to the bank to withdraw money from my account where I had been keeping money aside for bills I needed to pay. He then led us to the Church on Kensington Square where He asked me to invite him in. I went in myself and gave him only enough for one night of accommodation, as our God asked me to do at that time. He asked

me to take a Divine Mercy Chaplet prayer card inside the Church where I began to pray to Him for understanding of what to do now.

I was overcome with grief of my own sin in judging the man. He stopped me praying and comforted me and led me out of the Church and was told to take two more prayer cards. I became very calm and He led me home through the back of Kensington, stopping to buy food I wanted at an Italian delicatessen.

Once back outside my flat Our God asked me to wait and the gentleman came to me asking for money again. Our God told me not to invite him inside just now and asked me to take him to the coffee shop across the road. I sat next to him and he wanted more money. Our God asked me stay with him and I was doubtful about where the money was going. Our Lord Jesus Christ asked me to take him to somewhere quiet to sit with him and talk about what had happened.

I was very nervous before arriving about how to ask him if he could give me the wallet back.

When sat down, the Holy Spirit filled me with confidence and asked me to tell him that I knew he had taken my wallet, and that he was not telling the truth. Our God asked me to ask him to talk to God privately in his thoughts and He asked me to pray the Divine Mercy chaplet with him.

I asked for help from God and He asked me to give him exactly £23. I asked the man if he had any change and gave him the exact amount and invited him into Church the following day to see a priest.

Our God asked me to forgive the man and told me that I could do no more for him at that time.

As He led me home I was troubled that I couldn't do more for him and he comforted me and fed me with the food He had found for me in the delicatessen when I got home. I was restless and He helped me to sleep.

He woke me around 7pm and led me to places by giving me wants

for things I enjoy. He asked me to buy food that I had eaten for a homeless man on the street and took me back to the coffee shop across the road from my flat.

I received a phone call from the man who I had helped the day before with my coat and Our God asked me to wait for him outside the Kensington High Street tube station until he arrived. He led me inside and I saw Dave who I spoke with about his new flat. He found me a chair to sit on but the man did not arrive. He then led me back home where I found Tom.

I gave him my air bed and invited him to stay another night.

We went to pray in Iverna Court overlooking the Armenian Church and as I waited I saw a vision of our Lord Jesus Christ with his hand held over the spire of the Church. He told me the vision was for His will: “I want you to tell them to come together and glorify my Kingdom. This is for them to know that all people are here to serve each other. Bless them all in my Holy name.”

As I slept I saw another vision of Our Lady of the Lilies picking flowers from a flower bed in Her garden with steps leading up to it. She pointed towards my computer and was asking me to write what our God was telling me to write.

Our God told me “They will want to know why I have asked you to do this. Tell them what you know.” I was a sinner and turned to Our Lord Jesus Christ for redemption, for salvation and to set me free from sin. He gives me wants for what is His will for me to do.

Our Lord Jesus Christ is with us and wants us all to be whole in His body. He is our Merciful Father, Christ the Redeemer and His Majesty the Holy Spirit and all glory and honour is His forever more. Holy Holy Holy Lord God of Hosts, Heaven and Earth are full of His glory. Hosanna Hosanna Hosanna in the Highest. Peace to His people, to all of God’s people serving Him in His kingdom. Hosanna and all glory to Our God in the Highest. Thanks be to God.

Our Lady of the Lilies, pray for us.
St Benedict, pray for us.
St Faustina, pray for us.
St Luke, pray for us.

I pray for those affected by the Greenfell tragedy, that they turn to our God and seek His saving help for those in need of His Mercy and Love.

All glory and honour to you our most gracious Christ the Redeemer, for your glory and honour alone in the name of God the Father, God the Son and in His majesty our God the Holy Spirit, forever and ever. Alleluia!

https://wisdom-and-love.org/diary/2017/09/30/saturday-2/

My furniture arrived and He asked me to give them money for taking the furniture upstairs to my flat. He wanted me to bless them in His name and I returned upstairs to relax and get some money. He led me outside to the phone shop where He showed me to buy two phones, one for Tom and another for the homeless man I met the day before. He asked me only to buy one phone charger and to give Tom a battery pack I used in Moorside.

He fed me with food I would enjoy and I returned home to host Tom. He asked me to give him money to buy food and I returned to my flat to assemble a chair for him to sit on.

Tom offered to help assemble the sofa bed he will sleep on tonight. Our God asked me to play Pie Jesu from Fauré's Requiem to Tom and while I assembled the furniture and Tom cleaned and cooked his lunch Our God gave me a vision of the Holy Family with God's hands over it and he told me that it was what God is going to provide for me: a wife and happy marriage with children. She will be provided for as will my family.

I love Him with all my heart and want to serve Him for the rest of my days and look for His coming when He comes again. Alleluia! Thanks be to God. Alleluia! All glory and praise to Him who has saved me from sin. Alleluia!

https://wisdom-and-love.org/diary/2017/10/01/sunday/

Our Lord Jesus Christ laid me to rest at 3:04am while Tom was watching TV in the next room.

As I laid in bed I felt Our God tugging at my side and pulling me over. My soul was departing my body and I was asked whether I wanted to go to Heaven. I was scared and afraid of leaving my life behind me and hesitated. I then told Our God that I was willing to depart. I felt my breathing stop and my soul was being drawn up to Heaven. Satan was pulling at my feet and trying to drag me down to hell. Our Lord Jesus Christ was telling me to go to Him but Satan was still dragging me down and my sins were too heavy to break free of Satan's grip.

I saw a vision of Hell that was of disturbed images, curious at first and tempting to look at followed by complete destruction and annihilation of myself and others. There was a postbox floating down the road, the postbox transformed into a large canister of gasoline and then the canister of gasoline was thrown and burst at a man and some of the gasoline spray touched me. The man took a lighter to the gasoline and threw it at me and tried to burn me and him alive.

Our Lord Jesus Christ took me away from there and sent me back to my body and saved me from any fire.

I woke in my dream to see my bedroom and found tens of jars of anointing oil both full, empty and half full on my bedside. I went to the door and was overcome with passion to fulfil God's Holy will and knelt down before a crucifix on the table saying "All glory and honour to the Almighty Father…" and was awoken by Our Saviour Jesus Christ to continue "forever and ever."

The time was 3:34 when He asked me to look at the clock. He

comforted me after the dreams and asked me to go upstairs to see Tom and asked me to pray with him. He asked me to pray the Divine Mercy Chaplet and asked me to pray for understanding of the dreams.

He took me back to my room to write this at 3:42.

“I ask you Timothy to bless the people of Great Britain in my name. Carry out my will and ask those who need my help to turn to me. I am your God, Timothy.”

He asked me to go to Cardinal Nichols and ask him to hear what God is telling us to do in this country.

Monday

Mon 2nd October 2017 3:17:49 am GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/02/monday-3/

I was lying down this afternoon around 3pm when He asked if I wanted to rest. An overwhelming sense of peace entered my body and I drifted into a dream. I wandered the streets of a city. There was a pharmacy with a woman outside who wanted medicine and I was unable to buy it for her.

Our God asked me if I wanted to walk with Him and He took me up some steps to look over the city where everything was made of stone. He then showed me a stone disc which I could not read with lettering following the disc along its circumference. As I tried to read it it started spinning more and more until it became like a flower.

I awoke and went to meet the Irish man who I had given my coat to. Our God told me that I would not go to Mass today and I would receive His Body later that day.

After praying in Church the man asked to leave with his sister.

He asked me to help the Irishman by asking his sister to take him in. Our God asked me to tell them that she must take him in and that she would not go hungry in sharing the food she had for herself with him. He asked her to pray the Divine Mercy Chaplet each day for help.

He asked the man to leave all his possessions that he could not replace behind him and find a new life with the help of his sister. Our God reminded me in my thoughts how fortunate I was and asked me to offer to sell some of my possessions to help them, but they refused and went on their way. Our God knew this would happen.

He walked me to a store where I had want of nothing than to be with our God. He offered me anything I wanted but knew I had want

of nothing except to help Tom with some bread. He led me further down Kensington High Street and I found Dave asleep and begging. He asked me to take the remaining money I had on my person and gave him my remaining cigarettes. He asked me to wake him to ask what he wanted to eat and he refused. Our God took me into the store and asked me to buy what I wanted. He led me outside and I was asked to give it to him. He was thankful and I told him it was another gift to him from our God.

He led me home to the flat where I found Tom waiting outside. We went inside and I sat with Tom for a while until Our God gave me want to write His word. It was another gift for me to receive that night.

As I wrote this journal he gave me want of the Eucharist, His Body and Blood, and to understand more of the Holy Eucharist and His presence.

He presented me with the Eucharist, His Body in a vision. As He presented me with His Body I tasted the Eucharist on my tongue. Then I saw the lifeless Lamb laid over a crucifix made of two metal rods with a Roman guard piercing the side of the Lamb with a lance and blood poured out of its side into the Chalice. Our Lord Jesus Christ asked me to take the cup of His blood and poured it into my mouth. He told me I did not taste the blood and told me that I was still tasting the Eucharist. He has told me that this is the real Body and Blood of Christ and to know it is true.

Then I saw two steps leading up to a baptismal font where above it shone a golden orb glistening like the Earth with Our God's two hands around it. Then I saw a jug of oil which had shone like a golden orb and its surface shimmered like gold.

Today He showed me another vision while sat down waiting for Tom in which He touched the oil with His right hand and placed it on my forehead. He baptised me.

Thanks be to God forever and ever.

He then showed me another vision of me as a baby held in the arms of my F002 with my F001 with his arms around her at the baptismal font. My F002 and F001 were wearing their wedding clothes and were both smiling at me as a child. Our Lord Jesus Christ was pouring Holy Water from a jug onto my forehead.

He has asked me to write:

“There is one baptism for the forgiveness of sins and through me all sins are forgiven.”

He is our God, Christ the Redeemer, the Almighty Father and the Holy Spirit who offers to us His sacrifice in atonement for our sins before the whole world. He is our brother, the Light of the World. He is our brother, the Saviour of the World. He is our God, who invites us to confession to ask for His forgiveness of our sins. Believe in His forgiveness, His love and His unending mercy upon the whole world. He is our God. Alleluia!

I replied to a message from Dave when he was not realising who was helping him. Our God asked me to tell him to trust in Him to provide. He had been on the streets all night when God had told him to go home and be patient.

He showed me a vision as I was waiting for help from a colleague of His Divine Heart with His right hand outstretched and His left hand holding His Heart. His head was resting to His left.

He told me I was no longer wanting to stay at the Daily Mail and I would still not want to stay after I had received help from my colleague. God did not want me to stay any longer where I was and wanted me to leave last Thursday.

He asked me to write a resignation email to my supervisors and showed me another vision of me as a child when I was 8 or 9 of me sitting on his knee.

He showed me the help the people there needed and told me what I was going to say to my supervisors: the help God knew they needed.

He brought Evgeny and I to the coffee shop on the 4th floor where Evgeny needed to hear the reasons for why I was leaving. Our God asked me to tell him the material help they needed and when Evgeny wanted to know more He asked me to tell him what I knew.

He asked me to show him a diary entry from the 30th September and to explain to him that I was hearing Our God as we were sat there. I saw a vision of Our Lord Jesus Christ, Our God, the Holy Spirit standing behind him and laying His hands on both of his shoulders. He told me to tell him that He wanted Evgeny to go to His God.

He asked me not to take anymore money from the Daily Mail from the 28th September onwards and asked me to give any money they

offered me from that date to Dave.

He knows that I will have what I need and want to live for the rest of my life and He will provide me with the means and will to serve God in helping people know Our God is with us.

Wednesday

Wed 4th October 2017 3:04:15 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/04/wednesday-3/

I went to Church at Our Lady of Victories where He asked me to sit at the back and talk to Him. There was adoration of the Blessed Sacrament when He asked me to join the congregation adoring the Blessed Sacrament. He asked me to kneel and to listen to the prayers which I did not know how to say. When they spoke in English I joined them and they were praising Our God in the words I could follow. They were similar to words He had asked me to pray days before.

Before the priest held up His Most Holy Eucharist I saw a vision of Our Lord and Saviour Jesus Christ with His hands beneath the Sacrament with His palms towards the Host. He told me He is present in the Host.

I then saw Him take the base of the Monstrance before the priest held it for adoration by the congregation.

After it was cloaked He gave me another vision of Him holding His Sacred Heart and Him holding His right hand as a sign of peace.

He took my feet and led me to pray before the statue of His Sacred Heart where He told me that this is almost the vision He had given me the previous day. He told me I did not see the wounds in His Sacred Heart and instead of the thorns I saw a gold belt with lettering that I could not read.

Thursday

Thu 5th October 2017 10:59:38 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/05/thursday-3/

Our Lord Jesus Christ gave me a vision of Our Lady with a sick infant in Her right arm feeding him medicine. I saw Our Lady's golden crown with a cross rising from its centre and a ruby stone set into the centre of the crown. It moved over the child and the child became well.

He told me about my sister F003 and the work she was doing helping new born babies and told me that she was carrying out God's work.

When He asked me to lay my head to rest Our God showed me a vision of His Divine Heart with wings that looked like gold and a golden cross in its centre.

Behind the cross was a seraph that shone like gold who took the solid gold cross and moved it towards me when Our God asked me if I wanted to kiss the cross and He knew I wanted to venerate His cross tomorrow.

Then I saw the living Divine Heart of our Merciful Father. His Divine Heart came towards Him and rested in His bosom.

God has cured me of acid reflux. He has asked me not to take any more medicine except that provided by Him. I have not taken Omeprazole for at least two weeks and have been provided with the food which I enjoy and would normally have caused acid reflux and acid in my throat. Since not taking medication provided by the doctors I have had no ill effects. Our God has healed me of my ailments and He has told me I will not suffer in death, that I will not die of cancer. He has told me that I will need a miracle that He will perform for me, to tell those who need to know that I am talking with Our God, and it will be my left ear that will hear again. He has asked me to pray for me to hear again in my left ear. I asked Him if I would feel any pain, and He told me that I would hear again

when He heals me. He has said I would not know what hearing in one ear only is like anymore once He has healed me. He has told me He will heal me when the medical practitioners want to know I am speaking with Our Lord and Saviour Jesus Christ. He has told me that I was deaf from birth and I have a deformity in my left ear canal that makes me unable to hear.

Then I saw INRI across a gold belt on His Sacred Heart with a gold cross above it.

There was a man who was not a Christian walking the streets shaking many hands as he walked. The man was without expression on his face. Our God then showed me a dark staircase with many crucifixes on the wall and there were many nuns who were making their way towards a bright light at the top of the staircase. He asked me if I knew what it meant, He said to follow the way of His Gospel and know others will not treat you to their friendship. He told me to not be disheartened when others do not want to be our friends when I follow Him.

He forgives me of my iniquity and sets us free from sin.

Alleluia! Alleluia! All glory and honour to you Our Most Gracious Redeemer, Our Lord God and the Holy Spirit forever and ever. All glory and honour to you Our Most Precious Saviour, His Most Holy Sacrifice for all mankind, forever and ever. All glory and honour and majesty to Our Lord Jesus Christ who lives and reigns forever and ever. In Christ who sets us free from our iniquity and frees us from the slavery of our sins. Alleluia! Alleluia! Alleluia!

https://wisdom-and-love.org/diary/2017/10/06/friday-3/

During the time I was at home and continuing to sin during the summer of 2015 Our Lord God provided me with a dream.

In the dream I saw cherubims from Heaven moving in beautiful clouds singing in chorus:

“Holy Holy Holy, Lord God of Hosts
Heaven and Earth are full of His Glory
Hosanna in the highest!
Peace to all His people!
Hosanna in the highest!”

I heard trumpet fanfares and stringed instruments while they were chanting these words. I woke up with an overwhelming sense of peace and joy and went to tell my F001 what I had seen.

God has told me that this dream was from Him and He is making me feel elated and happy and joyful with the message He is giving to me to share with His people. I want to serve Our Saviour and Redeemer, Our Lord Jesus Christ, Our Merciful Father, His Majesty the Holy Spirit, Our God and His people all the days of my life and ask Him to help me serve Him and His people for the rest of my days.

Alleluia! Alleluia! God be praised and God be praised for all eternity for His creation and His glory forever and ever. Amen.

Saturday

Fri 6th October 2017 11:56:15 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/06/saturday-3/

He spoke to me the words He asked me to say to my sibling F003 and my sibling-in-law F004.

He guided me to Kim and Alice to buy Alice some medicine. The machine was offline and He asked me to ask them to bring it online again.

He led me to Byron at the hotel opposite my flat and asked me to speak with him. He told me to tell him that He loves him and He asked me to say to him that his work is God's work.

Our God asked me to talk to him again and He told me that He will be asked to be a trustee of the charity of Our Lady of the Lilies. Our God has asked me to ask Byron to become the primary trustee of the charity and He has told me Byron will want to serve Him too.

Then He showed me His Merciful Heart with a wooden cross rising from its centre. It had a gold necklace around it with a ruby pendant in its centre.

He gave me a strong feeling of warmth in my chest and I felt cold throughout my upper body except in the centre of my chest. I felt His love in my heart.

You expired, Jesus, but the source of life gushed forth for souls
and the ocean of mercy opened up for the whole world.
O Fountain of Life, unfathomable Divine Mercy,
envelop the whole world and empty Yourself out upon us.

O Blood and Water,
which gushed forth from the Heart of Jesus
as a fount of mercy for us,
I trust in You. (3 times)

Holy God, Holy Mighty One, Holy Immortal One,
Have mercy on us and on the whole world. (3 times)

Jesus, King of mercy, I trust in You!
Jesus, King of our desires, I trust in You!
Jesus, King of Heaven and Earth, I trust in You!

Amen.

Our God spoke to me before Mass after praying the Divine Mercy Chaplet and told me that Fr Daniel would hear what He wanted to say to him today.

As Fr Daniel proceeded to the altar at the beginning of Mass during the procession of the Crucifix, Our Lord Jesus Christ gave me a strong smell of incense and a vision of incense filling the entire chamber of the Church. He told me it was real and I was unable to believe Our God's house had not already filled with incense. Then the priest filled the chamber himself with incense once he had proceeded to the altar, and I knew that Our God had given to me an apparition. He told me that it was His presence in the Church.

I saw Our Lord Jesus Christ during the Eucharistic prayer in the body of Fr Daniel and He told me that it was His presence in the preparation of the Eucharist. Our Saviour is our High Priest who sanctifies the prayers of the Eucharist.

He asked me to look at Fr Daniel and asked me to speak with Him after Mass. He spoke to me during the homily and filled my heart with love for His servant Fr Daniel and asked me to meet Fr Daniel after Mass to ask if he will speak to me in the morning and again in the evening tomorrow to share some wine. He told me he will hear from Our Lord and Saviour Jesus Christ when he prays to believe in what Our God has asked me to write.

After Mass He presented me again with a vision of incense filling the whole chamber of the Church.

He asked me to wait after Mass to speak with Fr Daniel and when he told me his diary was full tomorrow Our God led me outside to see a homeless man begging outside the Church gates whom I had given money for shelter to two days ago where He asked me to give him all

the money in my pocket.

He then led me to Iverna Court, reminding me to email Fr Daniel and persevere in trying to speak with him about what I knew.

He is providing His family to know He is present in our lives and He is speaking through me to those who want to hear what God is asking me to say to them.

Wednesday

Wed 11th October 2017 4:42:56 pm GMT+01:00  Timothy

https://wisdom-and-love.org/diary/2017/10/11/wednesday-4/

Our God woke me around 8am this morning and prepared me to leave for my interview. The night before He prepared my computer with the materials I would need for an interview.

I received a phone call from John-Jo asking for help and He asked me to tell him to make his way to my flat for the evening where I would host him for as long as he needed. John-Jo was very nervous and he asked Our God to help him with getting money to reinstate his lease. He asked me to pray the 3 O'Clock Prayer with John-Jo and told me to tell him he would be provided help when he asked his God to provide him what he needs.

The community mental health team phoned me again to ask how I was doing and He asked me to tell them again never to contact me again. Our God calmed me the two times they tried to contact me today and reassured me each time to trust in His providence and love.

He brought me to the train station where He showed me which train to take and told me I would arrive ahead of time for my interview. He brought me to Putney Bridge and I did not know the way to the office I would interview at. He took my feet and walked me all the way to the office on roads I did not know, and when I arrived guided me to say and do everything I did.

He asked me to be honest with them and not to tell them anything which wasn't true. He told me the night before that they might not like my lack of knowledge in a particular field. When He asked me to thank them for their time, I did what He asked me to do and He led me away from their office to a safe place He could comfort me.

He led me outside to find food at a restaurant where He asked me to buy food and drink that I enjoy. I was hesitant to buy the food and

drink, knowing that my bank balance is over its limit and my credit cards are almost to their limit.

He encouraged me and comforted me on my journey home to Kensington, where He showed me more places I hadn't been before. He guided me home where He asked me to talk again to my parents again and when they said they wanted to hear more of what He had done for me they heard more of what God has written about what has happened.

I went to the GP surgery and told them again that I was hearing Our God speak to me and take me to places I've never been before. He asked me to tell the doctor how the mental health system are bereft of any faith in Him. When the doctor wanted to invite their colleague in to further a mental health assessment Our God asked me to politely leave the building. He led me to safety back to Wright's Lane around the corner and then took me to a restaurant to have food I wanted.

After I had finished eating He took my feet to Cheniston Gardens where an argument was erupting between a mother and her daughter and a bystander was unable to calm them.

Our God asked me to walk by and then gave me a want to turn and help them. He took my feet as the daughter started shouting expletives at the man and He asked me to invite her to walk with me.

As soon as she heard God's words she smiled and she was calm. It was that moment in which I saw Our God in her eyes and He reminded me of the occasion He asked me to help the lady in Vauxhall.

We walked part way down Marloes Road where He asked me to invite her to pray with me. He asked me to give her my number and then He took me back to the mother who He asked me to ask her if she knew of His Divine Mercy. I told her of the visions which St Faustina received from Our Lord and Saviour Jesus Christ. She was aging and she told Him that she didn't want to change her beliefs and she knew enough about Our God. Our God asked me to say to her to turn to Him soon. He asked me to bless her in His name.

He brought me home and asked me to pack my bags to leave to my family home in Manchester. Waiting on the steps outside my flat He

told me I would arrive at Euston with plenty of time.

He asked me of the silhouette I saw when leaving Moorside in July of a figure with a hat and He asked me why I had thought about it so much and never asked Him. He made me aware of why I wanted to ask Him who it was and why I wanted to know who it was. He made known to me that I wanted to ask Him because He wanted to show me who it was. Then He showed me a vision of St Thomas More.

There was nothing more to do or say for 2 weeks in detention in St Charles than what Our God asked me to do.

He led me to those who needed to hear that Our God is with us and has infinite love for us.

The tribunal is tomorrow, and the nursing staff and doctors have made me anxious about its outcome. Our God has calmed me, there is nothing I need more than Him.

My debts need to be paid off, and my parents have made me anxious about their outcome. Our God has calmed me, there is nothing I need more than Him.

In excelsis deo. Our God reigns.

The Nurse Chris took me out on 30 mins leave yesterday. Our God gave me conversation topics that allowed me to discover the man was Roman Catholic. He asked me to ask the man if he wanted to know the prayers of Divine Mercy and I repeated them to him. On returning to the ward Our God asked me to write the 3 O Clock Prayer and give the piece of paper to Chris for when he finished his shift.

Today I had another 30 minutes leave this morning with Katie. Our God told me not to talk about Him at first, but instead say “All of His Creation is beautiful.” Then I started talking about Our God. She has a dog of her own and Our God knew how to provide conversation.

I have just been asked again to give blood samples. They claimed it was mandatory and then when a doctor came she told me it was not mandatory but instead they needed to know I was well and there were no adverse reactions to their medications. I told her what Our God asked me to say: that I was well.

I declined to give blood because they will not force me to give it and Our God has asked me not to do things I don’t need to do for the doctors.

My F001 visited and I was very grateful for all he had brought me. We sat and talked and he placed a condition that I remain on medication for the rest of my life, and in particular if I was to return home not to talk about Our God or the visions I have been having with him or my F002. Our God asked me to tell him again I was not mentally ill and that Our God is talking to me.

Thank you Our Lord Jesus Christ for the gifts that we receive from thy bounty, and the love and mercy you bestow on us. Please humble me before your servants so I can show them your love shining in my

heart. In Christ Our Lord, Amen.

Our God showed me that He talks to each and everyone of us through our thoughts and deeds. Most are not aware of the presence of Christ in their lives, and there are people, sinners like me, who have denied Christ's presence by performing acts of selfishness and greed.

He showed me a passage by St Thérèse of Lisieux in which He shows me that He has spoken to all those on the path to Heaven in different ways.

Our God knows what is to come, and I need only know the present.

I am anxious about money, and how I will find accommodation. I am anxious about being forced medication and a deep rift falling on my family. I am anxious that the medical practitioners will keep me here indefinitely.

Our Lord and Saviour Jesus Christ takes away these anxieties in devotion to His Divine Mercy.

Jesus, King of my desires, I trust in You!

I have been placed on Section 3 for detainment for up to 6 months.

Our God has asked me to remind them that they cannot medicate against the voice of God.

I have done as Our God asked me to do and sent a letter to the doctor here on the ward to transfer me back to Trafford General Hospital where I hope to have home visits and to rejoin my family before Christmas.

Our God has told me: “You will never work again in the way you were working before I called you.”

Please Our God, stay with me, I don't know the way.

I need your love and friendship too, I would be lost without you.

"They will try to take me away from you Timothy. Know that I am always with you, and they cannot change that."

Thanks be to God.

Today I received Holy Communion from Fr Giles. I witnessed His love through His servant and know I will be in the prayers of Fr Giles.

I saw again the presence of Jesus Christ in Fr Giles and was brought to tears through the comforting words Our Saviour gave to Fr Giles to say to me.

May God be with us always.

Thanks be to God.

Please forgive me, Father, of all the times I have lost trust in your Divine Mercy and have let anxiety into my heart.

Always teach me to trust in what you have written even when the world has turned against me and there is no hope but Salvation.

I love you Jesus and I trust in You.

Feed my desires with what is good and lay me down to rest and give me dreams of You.

He asked me to pray today the 3 O Clock Prayer and to be merciful to my parents. I have been asked by Our God to support them in relocating me back to Trafford General Hospital for the duration of my Section 3.

Our God has asked me not to withhold the truth when I speak with the doctors there.

Lord Jesus Christ, I offer you my life so that it may be made clean and holy in your name. Please provide me with a wife and children so that I may find what I'm searching for.

I need to find new life.

"Through one baptism you have forgiveness of sins."

Where do I go now, I don't know the way.

"Follow what happens next. Don't spend your hours correcting your medical files but instead spend your days in prayer to me."

No one believes what it is I write, nor what it is I have done.

"The medical practitioners won't know what to do when you continue to confide in God and their medication will not do what they want it to."

This is my cross to bear and I try to carry it knowing that Our Lord and Saviour Jesus Christ is helping me every time I fall.

Our God told me to ask the clinicians for unescorted leave and for 2 hours escorted by my parents today. He told me to tell them that I was still hearing from God and they responded by asking what was the last command He asked me to do.

He didn't say anything to me and so I responded that He had asked me nothing right then. He told me to remind them that they were requests and not commands, and I reminded the clinicians that these were requests from God and it is that I should obey God.

Afterwards God told me they would not grant the unescorted leave and only grant leave with my parents. This was what happened.

Yesterday one of the patients on the ward distributed Divine Mercy prayer cards to everyone who wanted one.

Today Our God asked me to ask another patient if she could pray the prayers of the chaplet that she knows today and Our God said that He would speak to her when she prays. He told me that when she suffered, Our God suffered with her and He asked me to tell her that she is loved by Our God.

I have eaten far too much food, sweets and cakes and Our God has been providing me with support to remove pain from heartburn.

Our God asked me to turn to Chris the nurse and tell him that he will see many blessings in his life when he turns to Our God and trust in Him.

Our God has been talking to me continuously every day I have been here. When I wake, I am disheartened by the hospital cell and being without my loved ones. But the Lord God raises me up and makes me smile at the small joys I have in my life here in hospital.

As Father Giles was speaking to me as a priest, I saw Our Lord and Saviour Jesus Christ's left hand on Father Giles' right shoulder. As he was praying Agnus Dei before communion I saw a vision of Our Lord Jesus Christ place both of his hands on Father Giles' shoulders.

Our God asked me to pray the 3 O Clock Prayer again after communion. When I stumbled Our God asked me to repeat the words again and continue. He asked me to pray out loud for Father Giles to know that the words in my journal come from Him when he prays for this knowledge.

Praise be His name, Our Lord and Saviour Jesus Christ, through whom all blessings come.

Our Lord and Saviour Jesus Christ, allow me to serve your Holy will forever.

“It is time that I shall give you, Timothy. You are a child in the eyes of God and there is nothing you want more than to be loved by me.”

Please stay by my side and shelter me from storms, guide me away from them and find me when I am lost.

“Your will is My will for you. It is not that you have made these words yourself, it is that these words have been given to you by Your God.”

Alleluia! Alleluia! All glory and honour and praise to you O Merciful Father forever and ever. Alleluia!

Please keep me safe when everyone around me is tugging at my side. I have no safe place to call home and even my parents have rejected me. Where do I go now?

My parents have told me they only want me medicated and not talking about Our God. I cannot do that. Where do I go now?

“Stay where you are, your God is protecting you as you wander through the wilderness.”

Have I trampled on anyone’s hopes, dreams or wishes?

“You have asked too much of your parents. They will not love you the way you want them to. Speak only to God for the love you need and know the blessings you will receive.”

I love you and put my trust in You, Our Saviour and Redeemer Jesus Christ, one God, forever and ever. Alleluia!

I thanked God for the 2 hours of leave I have been given.

I reminded the nurses and doctor in the ward round that I did not need this medication. They told me my father was a peaceful man and only wanted what was best for me.

God also asked me to remind them that God has given them a way to know God is talking to me, and that is for them to want to know God is talking to me. Currently all they want to do is treat a psychiatric condition which does not exist in me.

They queried why I was on an intensive care unit when I arrived, and I explained to them that I was very angry for not receiving what they had promised me. I was also angry for the abuse I suffered in Hammersmith, but while in Nile and Amazon ward God had calmed me and I have been peaceful.

Our God kept me calm and took my feet on a walk to the park where He spoke to me about what I needed right now. He asked me to stay and be peaceful and once transferred to Manchester to be peaceful there too.

My solicitor called Fr Giles to request his help in validating my religious beliefs, in particular my journal, were in concordance with the Catholic Church. Fr Giles offered to be present in the tribunal if it occurred in London and he offered to write a statement should the tribunal occur in Manchester.

Our God was present when Fr Giles spoke to me before Holy Communion. I saw again His left hand on Fr Giles right shoulder as he spoke to me and offered me help.

I thanked Fr Giles for all the help he will give me, and I thanked Our God for all He has provided through His servant Fr Giles.

Outside there was a woman who has recently been released. Our God asked me to say to her “Our God is present with you”. When she asked why I said that, I told her that God speaks to me and asked me to say those words. He asked me to stop smoking and to ask her to remember the words “O Blood and Water which gushed forth from the heart of Jesus as a fount of mercy for us, I trust in You” and to say them whenever she needs His help. He asked me to bless her in His name.

Praise be to you Our Lord and Precious Saviour Jesus Christ. He has made my paths straight, and when I have fallen He has picked me up and set the path to Our God in Heaven once again.

Alleluia! Alleluia! All glory and honour and praise to you Our Almighty Father forever and ever. All glory and honour and praise

to you Our Lord and Saviour Jesus Christ forever and ever. All glory and honour and praise in the name of Our God, His Majesty the Holy Spirit forever and ever. Alleluia!

An unexpected gift “The Age of Bede” arrived today from my Father. Our God asked me to turn to page 59 and read the second paragraph on that page to my Father. It is the story of St Cuthbert, whom I have been given want to know more of, and Him being captive on an island with two brothers during a storm and finding dolphin cuts “as though prepared by human hand.” I told my Father that this is again an account of God’s providence as I have seen. To put our entire trust in Him to lead us through our lives, and to take the help and gifts which are given when they are offered. He is the King of Our Desires.

Our God’s love for us is unending. Jesus has taught me over many months that there is no sin too great to be forgiven of, once we turn to Jesus Himself and offer His Passion to Our Eternal Father in atonement for our sins.

Our God’s love for us is bountiful. It has no limit where we can seek Him whenever we need Him, wherever we are in Our God’s creation.

He revealed to St. Faustina that we can ask Him for anything we need or even want, as long as it is compatible with His Holy will.

I ask Mary, Our Lady of the Lilies, the Mother of God, to pray for my sins, as we turn to Christ knowing all our sins will be forgiven and our paths made straight to Him in Heaven.

I pray to Jesus, Our God, that He delivers me from the mental health system and enables me to practice the ministry God has asked of me without hindrance or fear of reprisal for my past sins, if it is God’s will.

Praise and glory to His Holy Will for it is fulfilled, forever and ever.

Before dinner time a patient was suffering with her schizophrenia

and Our God asked me to ask her to sit with us and be in the company of friends. She was terrified of the voices she was hearing and He asked me to tell her not to listen to the voice telling her to go away. He asked me to pray part of the 3 O Clock prayer out loud before her and then He asked me to ask her to listen to the voice that is asking her to be at peace and before dinner she was at peace. She then became frightened again until her husband arrived in the evening.

After praying the Divine Mercy Chaplet Our God asked me to write an adaptation of the 3 O Clock Prayer again on a piece of paper and address it to her and her family. Her husband took the piece of paper and the patient smiled, both of them thanked me for the gift. Our God asked me to tell the patient that she has friends here, and I left the couple looking at the prayer for Divine Mercy smiling.

Friday

Fri 1st December 2017 7:25:41 pm GMT+00:00  Timothy

https://wisdom-and-love.org/diary/2017/12/01/friday-4/

Our God asked me to take leave from the hospital and I ate the food He gave me want of and brought a coffee back to the hospital.

He gave me want of talking with the clinician this evening, and I had chance to speak with her. She asked me if I wanted more leave, and I asked for 4 hours as God had asked me to. It was granted and written up. She also mentioned that she is looking at creative options with the clinician from Moorside Unit, and to be managed as an outpatient from home.

I am overjoyed that I will now be able to attend mass on Sunday, and the prospect of being managed as an out-patient of Moorside next week instead of spending my time on a ward.

God has given me many gifts today and I thanked Him for everything He has done.

Our God asked me to tell a patient carrying out acts of mercy to continue praying the Divine Mercy chaplet and to send to him the image and prayers by email. Our God asked me to invite him, a man of Islamic upbringing, to Church on Sunday. Our God wants him to come to Church and to join His brethren.

Alleluia! Alleluia! All glory and honour and praise to God in the highest, forever and ever! Alleluia!

I cried before Our God and prayed for His Divine Mercy.

The clinicians finally came through with the plan I had suggested to them a week prior of discharging me to the community for further forced treatment.

Our God has made known to me that this is the path He wants me to follow peacefully. My solicitors will work further during the forthcoming community treatment order to free me of the shackles of this misdiagnosis.

Our family will be with God this Christmas and our house will be filled with peace.

How great Our God is for forgiving me of my sins when I was locked up in Hammersmith and how great is He who has converted the heart of a sinner.

I was released from St Charles shortly after Holy Communion from Fr Giles. Again I saw Our Lord Jesus Christ's hands on his shoulders as he spoke to me and saw Our God within the body of Father Giles while he prayed before Holy Communion.
